## A man like none other and the man decree Chinese A Man Like No Other Chapter 1876 - 1877

“This may be the destiny, no one can change it, heaven’s destiny cannot be violated .....”

Zhou Jie actually doesn’t want it to come to that, because then what we’ll face is a living soul and endless killing!

“By the way, Miss Zhou your Demon Spirit Sect and the Demon Heart Sect behind the Martial Alliance are of the same lineage, why is it that their people can walk around this world at will but are not controlled?”

Kai asked with some surprise.

Originally, Kai had always thought that the laws of this heaven and earth were only transgressive to immortal cultivators, and not binding to demon cultivators.

But now it seemed that the Demon Spirit Sect was also clearly being constrained, so his thought was wrong.

“That Demon Heart Sect is also under the same constraint, otherwise you have provoked the Martial Dao Alliance so much, but why has that Demon Heart Sect never sent an expert to directly kill you?”

“The Martial Alliance is just the spokesperson of the Demon Heart Sect in the secular world, and those people are all spirit-possessed, and the laws of heaven and earth have no way of restraining spirits without their own bodies, so the Demon Heart Sect uses this loophole to make its own sect disciples commit suicide and then control the spirits to come to the secular world!”

“However, this method has a fatal drawback, that is, the strength of the spirit possessing the body will be greatly reduced, and not everyone can become a host, and the selection of hosts is also very harsh.”

“The Demon Heart Sect has also counted their blood money in order to lay out the entire secular world before the aura recovers, except that their practice of killing a thousand enemies and damaging eight hundred is too cruel .....

Zhou Jie spoke to Kai in detail, while Kai was shocked, he did not expect that the Demon Heart Sect would do such a thing, making their own disciples commit suicide, just to create soul spirits.

But at this moment, Kai suddenly remembered that in the Demon Spirit Sect’s secret realm, when his soul went out of his body through that chaotic space, it was not blocked by that mysterious force, and it seemed that that force should be the power of the laws of heaven and earth.

But soon, Kai seemed to find a problem, Zhou Jie’s status in the Demon Spirit Sect was not high, how could she know so many things?

According to reason, the revival of spiritual energy and the layout of the Demon Heart Sect were all considered confidential, how did Zhou Jie know about them?

“Miss Zhou, can I take the liberty to ask you, how did you know so much?”

Kai asked with a puzzled look on his face.

Only when Kai asked this did Zhou Jie realise that she seemed to have said a little too much.

With a status like hers, it was reasonable to say that she shouldn’t know so much.

But now that Kai was getting suspicious, there was no way for Zhou Jie to cover anything up!

“Mr. Chen, I treat you as a friend, that’s why I unknowingly told you so much, I’m telling you, you must not tell the Patriarch, can you?”

Zhou Jie looked at Kai with a prayerful face and said.

“Miss Zhou don’t worry, since you treat me as a friend, how could I possibly betray my friend .....

Kai nodded his head.

Zhou Jie hesitated for a moment, then said with a grit of her teeth, “Since Mr. Chen is asking, then I will tell you, in fact, all that I know is what the Vice Patriarch told me.”

“Our Vice Patriarch seems to know a lot about the Demon Heart Sect, and has told me quite a lot of things.”

“You must not tell anyone, or else if the Patriarch finds out, he will definitely chastise the Vice Patriarch.”

“Don’t worry, Miss Zhou, I won’t say anything.” Kai assured.

However, Kai still had some confusion, why did that Song Qingping follow Zhou Jie and say this?

Even if the two were now boyfriend and girlfriend, there was no need to say this, right?

After all, under such circumstances, the more one knew the more dangerous it would be, and Song Qingping would not have told Zhou Jie these things if he was thinking of her.

“Miss Zhou, I still don’t understand something, that Vice Lord Song, why did he tell you all this?”

“After you know these secrets, it won’t do you any good, right?”

Kai asked.

Zhou Jie blushed slightly and spoke, "It was our Vice Lord who came to my room and told me once when he was drunk, and he said he would give me a life I couldn't imagine in the future ....."

"Drunk and came to your room? Could it be that you have ....."

Kai looked at Zhou Jie, which made Zhou Jie blush even more!

"I've already been a deputy ally now ....."

Zhou Jie lowered her head and said in a small voice.

For his part, Kai smiled awkwardly and didn't ask any more questions, he could only lower his head and start eating!

Just as Kai was following Zhou Jie's meal, he suddenly felt a strange feeling, like someone was staring at him from behind!

Kai frowned slightly and his divine sense spread out instantly, but soon a smile appeared on the corner of Kai's mouth and he retracted his divine sense!

"Mr. Chen, what's wrong with you?"

Zhou Jie looked at Kai frowning one moment and smiling the next, so she asked in confusion.

"Nothing, let's eat, I guess someone is getting anxious ....."

Kai said with a faint smile.

"Waiting impatiently? Who's waiting for us?"

Zhou Jie had a dumbfounded look on her face.

"You'll find out later, hurry up and eat."

Kai said, and then started to eat quickly!

After eating and settling the bill, Kai followed Zhou Jie and headed out!

Kai seemed to be walking casually down the street, but he had already been secretly observing the people behind him!

“Are they all ready yet? People will be coming over soon .....”

At this time, that Zheng Kai asked to the eight subordinates at a street corner.

“Young master, it’s all ready, don’t worry.”

One of the underlings said.

“That’s good!” Zheng Kai nodded, then the corners of his mouth lifted, “Brat, dare to punch me in the face, today I will let you taste the power of our Zheng Family Soul Locking Chain.”

Soon, Kai followed Zhou Jie to the corner of that street, but at that moment, Zhou Jie frowned slightly, seemingly sensing a hint of danger!

“Mr. Chen, that’s not right, there should be people coming and going here now, why is this street so quiet?”

Zhou Jie raised her guard and said to Kai.

“Probably they’ve all gone home for dinner, nothing wrong with that.”

Kai smiled faintly and continued walking forward.

“Mr. Chen, be careful of an ambush, I feel that something is not right here .....”

Zhou Jie stepped in front of Kai, her eyes alert as she looked at both sides of the street!

When Zheng Kai, who was hiding in the shadows, saw that Zhou Jie was actually blocking Kai from walking forward, he was in a hurry, if Kai didn’t continue to walk forward, he wouldn’t be able to walk into the trap he had set!

“Damn, this stinking b\*tch, don’t spoil my good deed .....”

Zheng Kai was in the shadows, cursing at Zhou Jie.

“Miss Zhou, you’re being too cautious, I think it’s quite safe here, don’t worry .....”

Kai pushed Zhou Jie away and continued to walk forward!

Zheng Kai saw this and laughed in his heart, “Stupid, this is the will of God .....”

Zhou Jie had a wary look on her face, and one hand slowly grasped on top of the hilt of her sword!

Kai turned the corner of the street, then glanced at the empty street and swept the two sides, the corners of his mouth slightly raised, and walked forward without a care.

Zheng Kai’s fists were clenched and his palms were sweating inside his nervous hands!

Kai was about to walk into the trap when he suddenly stopped.

This directly caused that Zheng Kai to raise to his throat, his whole body following the force!

“Get in, get in, get in .....”

Zheng Kai’s heart secretly muttered!

“Miss Zhou, you still say that there is danger, I see that there is nothing at all ah .....”

Kai turned around and surprisingly took two steps backwards and said to Zhou Jie who was following behind him.

Zhou Jie surveyed the surrounding, although she had a feeling of danger, but not sure, now found that there is also nothing happened, so the heart also relaxed.

“Maybe it’s really me being sensitive .....”

Zhou Jie said as she collected her tense expression.
