A man like none other and the man decree Chinese A Man Like No Other Chapter 1870 - 1872

Brush

Deacon Lu didn't even react before he found that his right arm holding the long sword had fallen to the ground, so fast that the blood didn't even have time to flow out, only seeing a white splash at the broken arm, very opaque!

A second later, blood spurted out from the broken arm, and the intense pain caused Deacon Lu to scream in agony!

When the crowd saw this, they were all stunned, even Zhou Jie felt a little unbelievable!

Kai raised the Dragon Chopping Sword in his hand and pointed it straight at Deacon Lu's eyebrow!

As long as Kai stabbed hard at this moment, that Deacon Lu would definitely die violently on the spot.

Seeing this scene, the people around him instantly rose up, each one emitting killing intent and enveloping Kai!

That Zhou Jie, on the other hand, was startled and hurriedly stepped forward and said to Kai, "Mr. Chen, you have to be calm, if you kill Deacon Lu at this moment, then there will be no room for cooperation following our Demon Spirit Sect, and then your girlfriend will not be saved"

Kai heard that Zhou Jie mentioned Su Yuqi, and only then slowly put away the Dragon Chopper Sword.

That Deacon Lu glared at Kai, sat would to the chair and was started to bandage!

Just then, Song Qingping came out, and by his side, he was followed by a man wearing a mask!

The mask on the man's face was bronze in colour, with rings decorating around it, and it looked a bit comical!

Kai didn't understand why this Demon Spirit Sect's Patriarch was wearing a mask?

Could it be that he was afraid of people looking at him?

"Mr. Chen, our Patriarch suffered a facial injury many years ago, that's why he always wears a mask."

Zhou Jie whispered after Kai and explained.

"What's going on here?"

Song Qingping looked at the blood on the ground and Deacon Lu's severed arm, his face went cold as he questioned.

"Vice Patriarch, it was Deacon Lu who wanted to follow Mr. Chen in a sword competition and was accidentally injured."

Zhou Jie stepped forward and replied.

"Nonsense, Mr. Chen is an honoured guest invited by the Patriarch, is this how you treat your guests?"

"Bunch of trash, all of you get out of here"

"Also use the bone catching scatter, go and get that broken arm repaired"

Song Qingping reprimanded in a stern voice.

Those people all dared not speak, nodded and retreated, while that Deacon Lu also picked up his own broken arm and left the hall!

“Zhou Jie, you should also go out”

Song Qingping waved his hand.

“Yes.” Zhou Jie nodded and left.

“Mr. Chen, please have a seat”

Song Qingping changed into a smiling face and made an inviting gesture.

Kai sat at the first place, very close to that Demonic Spirit Sect’s Patriarch, yet Kai could never feel the aura from this Demonic Spirit Sect’s Patriarch.

Could it be that the Demon Spirit Sect leader was too strong and had hidden his aura so that he could not detect it?

Kai was puzzled in his heart!

“Mr. Chen, I invited you here this time because I want to follow your cooperation, you just need to give us the flesh of the Blood Demon, our Demon Spirit Sect can help you and save your girlfriend”

The Demon Spirit Sect Patriarch spoke, but the voice that he spoke was a bit hoarse, like a hard squeezed out voice.

“I can give you guys the flesh of the Blood Demon, but how do you expect me to believe that you can help me save my girlfriend?”

Kai asked unhurriedly.

“Your girlfriend is currently imprisoned in the secret realm, and as I’m sure you already know, behind the Martial Alliance is the Demon Heart Sect, our two sects originally belonged to the same lineage, only to later part ways due to different philosophies”

“So the secret realm of the Devil Heart Sect I know the way to open it, only the location of the secret realm, you need to find it yourself.”

The Demon Spirit Sect Patriarch said.

Kai smiled coldly after hearing this and said, “Is the only thing you can help me with, the method to open the secret realm? That doesn’t seem to be very cost effective for me, does it?”

A man like none other and the man decree Chinese A Man Like No Other Chapter 1871

The Demon Spirit Sect Patriarch was silent for a moment, then continued, “I can also tell you a secret

“What secret?” Kai asked.

“Right now, the aura is about to recover, but everyone is searching for where the place of recovery is, but I can tell you right now where the place of recovery is, and if you lay out now, you will definitely be able to gain great benefits in the future!”

The Demon Spirit Sect Patriarch said.

“Don’t be a mother-in-law, if you don’t tell me, then I will leave, if you want me to give you the Blood Demon Flesh without letting out some blood, that is impossible.”

Kai said bluntly.

“It is Penglai Island, that place where the aura is the first to recover, is Penglai Island, and that is why the Blood Demon has sealed its flesh body on Penglai Island.”

The Devil Spirit Sect Patriarch said hurriedly, fearing that Kai’s would really go away.

“Penglai Island?”

Kai faintly stared, his brows frowning slightly.

No wonder Penglai Island had been experiencing a lot of visions recently, and Long Xingxu and the others could not stay any longer and had to return to Kyoto!

It seemed that this should be a precursor to the revival of spiritual energy!

“Is this it?” Kai asked, pretending to be uninterested.

“Yes, that’s all I can offer you”

The Demonic Spirit Sect Patriarch said.

“Then forget it, I feel it’s too uneconomical, the cooperation between us, the fairness needed, I hand over the Blood Demon Flesh while you can’t give me anything, why should I cooperate with you?”

“If I hand over the Blood Demon Flesh to the Demon Heart Sect, maybe they will let my girlfriend go, without me even having to find out where their secret realm is by myself!”

Kai said slowly.

“Then what do you want?”

The Demonic Spirit Sect’s Patriarch seemed to be a little anxious.

He was probably really afraid that Kai had given the Blood Demon’s flesh to that Demonic Heart Sect!

“I want resources, precious herbs that are tens of thousands of years old, it’s not hard for a sect like yours in a secret realm, right?”

Kai laughed!

At these words, Kai could not see the expression of that Demonic Spirit Sect Leader, but that Song Qingping’s face turned incomparably ugly by the way!

Kai was only saying this to test them to see if the place he had found was the Demon Spirit Sect's resource place or not!

But looking at that Song Qingping's expression, it didn't seem like it!

"Mr. Chen, I hope you have to know the value of a ten thousand year old medicinal herb, that doesn't just happen."

"We've been living in the secret realm, resources are already scarce, where can we find ten thousand year old herbs?"

"I hope Mr. Chen is still being practical and not deliberately making things difficult for us."

Song Qingping followed Kai and explained.

Kai looked at Song Qingping, obviously not quite convinced, and asked, "There are so many of you in the Demon Spirit Sect, since there are no resources in the secret realm, where do you get your cultivation resources from?"

"I'm not going to hide it from Mr. Chen, many of our resources are acquired outside to support the cultivation of all the disciples of the Demon Spirit Sect!"

Kai frowned: "Since you do not say when and are insincere, then we should not talk about today's cooperation, it is meaningless"

After Kai finished speaking, he turned around and walked out the door!

Seeing this, Song Qingping hurriedly stepped forward to stop Kai and said, "Mr. Chen, how can you say that I am not lying to you at all."

"Do you take me for a fool? Nowadays, resources are very expensive and scarce, what family is willing to sell them and keep your Demon Spirit Sect for so many years."

"It's obvious that your Demon Spirit Sect has its own place of resources, and you don't trust me, so you deceive me."

After Kai finished his analysis, he then made a sideways turn and continued to walk outside.

“Mr. Chen, wait a moment”

Song Qingping stopped Kai, then his eyes flashed with a look of embarrassment, but in the end, he clenched his teeth and said, “I won’t hide it from Mr. Chen, it’s true that our Demon Spirit Sect doesn’t have any resource lands, but the old ancestor left behind a map, and every time a precious herb comes out, the map will show it!”

“For so many years, our Demon Spirit Sect has obtained quite a lot of resources just based on the directions of the map.”

A man like none other and the man decree Chinese A Man Like No Other Chapter 1872

When Kai heard this, he was immediately interested, he did not know that there was such a map in the world?

Could it be that that map was just like a radar that could scan the surrounding environment?

“Vice-Patriarch Song, can you take me to see that map?”

Kai asked.

“Good!” Song Qingping nodded, this time without hesitation!

Since he had chosen to tell Kai, he was prepared to give Kai the whole story.

Song Qingping led Kai towards the back of the main hall, but that Demon Spirit Sect Patriarch had not moved a muscle and was not speaking either.

This made Kai feel a little surprised, for such an important matter, Song Qingping, a vice-patriarch, was making the decision, but the patriarch did not have any opinion?

As he passed by the Demon Spirit Patriarch, Kai couldn't help but look at him a few more times, but other than the fact that he couldn't feel any aura on this Patriarch, he didn't see anything wrong!

Kai followed Song Qingping to a secret room, only to see that the size of the room was huge, more than a hundred square feet.

On one of the walls of the chamber, a very fine map was drawn, and even the flowers and plants on the map were vivid!

If you didn't look carefully, you would have thought it was a big screen playing a picture!

Kai looked at it and found that although the map was large, the area drawn on it was not very large, only a few hundred miles around South Lake City was drawn on it.

"You guys are relying on this map to obtain resources?"

Kai was amazed, and couldn't see anything special about this map!

"Not bad, as long as there are precious medicinal herbs over a thousand years old appearing around here, the location will be displayed here immediately."

Song Qingping nodded and said.

"That's really strange!" Kai looked carefully again and even touched it with his hand, but he didn't find anything special.

"Then won't you guys clash with that Zheng family when you go to seize the resources? After all, this is the Deng family's territory?"

Kai was puzzled, as the Demon Spirit Sect was such a big sect, it must have acquired a lot of resources, did no one from the Deng Family stop it?

One should know that these resources were extremely valuable to anyone.

“There were very few conflicts, because we were able to obtain the location of the resources first and then send someone to fetch them, the South Lake Zheng Clan didn’t even know about it.”

“Even if they got the news, by the time they were there, we would have already fetched the resources.”

Song Qingping explained.

When Kai heard that, he also thought it was reasonable, after all, if the Demon Spirit Sect had such a map, it was like having a radar, how could others follow the Demon Spirit Sect to compare ah!

“No matter how you got the resources, I can’t just rely on you guys to open your mouths and give you the Blood Demon’s flesh.”

“I always have to get some benefits to do so, right?”

Kai asked as he turned to Song Qingping.

“No problem, according to past patterns, there will definitely be a big resource appearing during this recent period of time, no matter how precious the herb is that appears this time, we will give it to Mr. Chen, what do you think?”

Song Qingping asked.

“Good, if I feel it is appropriate, I will give you the Blood Demon Flesh!”

Kai nodded his head.

Anyway, this Blood Demon Flesh Body had no other use on him than as a shield.

The main thing was that Kai also wanted to use the Demon Spirit Sect to get Su Yuqi out!

After Su Yuqi had been imprisoned for so long, Kai had long been anxious.

It was just that he had tried many times without success.

Leaving from the secret room, Song Qingping called Zhou Jie over and asked her to accompany Kai during this time.

After Zhou Jia followed Kai, Song Qingping, who originally had a smile on his face, instantly turned his face cold!

“Do you think that he will really believe you and give you the Blood Demon’s flesh?”

At that moment, from the back of the great hall, a man covered in black robes walked out and asked Song Qingping!
