A man like none other and the man decree Chinese A Man Like None Other Chapter 1881 - 1885

So Kai emphasized this again, also to reassure Zheng An Guo!

“That’s such a pity, I was hoping that Mr. Chen could play in South Lake for two more days, but as long as Mr. Chen has time, he can come to South Lake anytime”

“Our South Lake is located at the border, but the scenery is not bad, it’s just that the resources are a bit worse!”

Zheng Anguo’s mouth said it was a pity, but his face was already happy!

Regardless of what Kai had come to South Lake for, Kai’s arrival had indeed caused Zheng Anguo a lot of pressure on his heart.

“Master Zheng Family, I have one thing that I don’t know if I should say it”

Kai said.

“Mr. Chen and I are still polite, feel free to speak, I will tell you the truth as long as I know it.”

Zheng Anguo said with conviction.

“Zheng family master, like the South Lake resources are so scarce, your Zheng family has a foothold in the South Lake, how do you cultivate? I heard that the Zheng Family Master drew on the entire city’s power of creation to cultivate.”

Kai asked curiously.

Seeing Kai ask such a question, Zheng Anguo burst into a loud laugh.

“Hahahaha, Mr. Chen actually believes in such rumours, how can I, Zheng Anguo, have the virtue to absorb the power of creation of an entire city.”

“The ones rumoured by the crowd are all false, I am merely borrowing my status and can absorb some of the people’s power of faith!”

“As the city lord of the entire South Lake City, it is still possible for me to have every family make offerings to my statue.”

“Moreover, our ancestors also passed down a set of gong methods that can rely on the faith power of the people to cultivate, but these are just a drop in the bucket.”

“If I really want to improve my strength, I still have to rely on a large amount of resources. If I could really absorb the power of creation of the entire city, why would I be nestled in this tiny South Lake now!”

Zheng An Guo followed Kai and explained.

“The power of faith”

Kai suddenly understood, it seems that this Zheng family’s technique is similar to the Blood Demon in Penglai Island, that Blood Demon also relied on the people to offer the statue and absorb the spiritual power in the people’s body!

However, Kai did not quite agree with Zheng An Guo’s claim that the power of faith did not work and was only a drop in the bucket!

The reason why Zheng An Guo felt that the power of faith was of little use was because South Lake was too small, the population base was small, plus the people did not necessarily have much faith in Zheng An Guo, that was why Zheng An Guo felt that it was of little use!

What if it was the concentrated power of faith from the people of a large city? What if it was a country?

What if it was the whole world?

With such a large base, the power of faith would certainly be terrifying!

It was just that it would be an extremely difficult thing to get so many people to believe in oneself.

But at this moment, Kai had already developed an interest in such a gong method!

Just as Kai was following Zheng Anguo's idle chatter, Zhou Jie had returned to the Demon Spirit Sect!

"Vice-Lord Song, it's not good, it's not good"

After Zhou Jie returned to the Demon Spirit Sect, he found Song Qingping.

"Zhou Jie, what's wrong?"

Song Qingping said with a slight frown.

"Mr. Chen has been captured by Zheng Kai, the Zheng family's grandson"

"You should quickly think of a way to save him!"

Zhou Jie said.

"Captured by the Zheng family's people? Why did they capture him?"

Song Qingping asked with a puzzled look on his face.

Zhou Jie could only tell the story of the conflict that followed Zheng Kai, but did not say anything about Hu Ma Zi taking advantage of himself.

"This Zheng family's grandson, he's really stupid, he even dares to catch Kai"

Song Qingping said with a faint smile.

"Vice Lord Song, hurry up and send someone to save Mr. Chen, aren't we going to cooperate with him?"

Zhou Jie saw that Song Qingping was not even in the least bit anxious and was still smiling, and said with some confusion.

“Don’t worry, that Kai will be fine, if he can’t even handle a small Zheng family, then what’s the point of us working with him!”

“He will definitely be fine, I guess it’s the Zheng family that will be unlucky.”

“You should go back now, or else he won’t be able to open the Secret Realm Gate by himself.”

Song Qingping said with a calm face.

Zhou Jie looked at Song Qingping in confusion, she didn’t know if what he said was true.

Seeing that Zhou Jie was somewhat unconvinced, Song Qingping reached out and gently stroked Zhou Jie’s face and said, “When have I ever lied to you? Don’t worry about going to that Kai, he will definitely be fine

Being touched by Song Qingping’s face in such an ambiguous manner, Zhou Jie instantly blushed and nodded, “Okay, I’ll go find him

Zhou Jie walked out of the secret realm and then came to the Zheng family!

Sure enough, she saw that Kai was following Zheng An Guo and drinking tea and chatting, while that Zheng Kai was respectfully standing at the side, not even daring to raise his head!

After Zheng Anguo saw Zhou Jie, he looked at Kai with a slightly deeper meaning and said, “Mr. Chen, this is the friend you mentioned?”

Kai nodded and said, "That's right, her name is Zhou Jie!"

"Good day, Master Zheng!" Zhou Jie greeted after Zheng An Guo!

"Haha, no wonder Mr. Chen traveled thousands of miles to this poor and remote place in South Lake, it seems that since ancient times, heroes are sad to see the beauty"

Zheng Anguo still thought that Kai followed Zhou Jie was a boyfriend and girlfriend relationship.

When he saw that Zheng An Guo had misunderstood, Kai did not explain, but only smiled slightly!

And that Zhou Jie said, "We should go now"

Kai followed Zheng An Guo to say goodbye, and then followed Zhou Jie back to the secret realm!

As for that Hu Pazzi, Kai didn't even look for him, because he knew that Hu Pazzi wouldn't leave the house without three to five days as long as he found a woman.

After returning to the Secret Realm, Kai had wanted to go to that Chaos Space to explore some more, but since Hu Ma Zi was not with him, Kai was afraid that his physical body would be destroyed after his soul had gone out of his body, so he dismissed this idea.

But as soon as Kai closed his eyes, the 10,000-year-old He Shou Wu was in his mind, knowing that a 10,000-year-old herb was something that could not be found, even by the major clans and families.

In the evening, Zhou Jie suddenly found Kai: "Mr. Chen, our Vice Patriarch is looking for you"

Kai was a bit puzzled, what was that Song Qingping doing looking for himself in the middle of the night?

Soon Kai met Song Qingping, and Song Qingping did not talk nonsense and said directly, "Mr. Chen, the map shows that there will be medicinal herbs appearing in the mountains a

hundred miles west of South Lake City, as to what herbs will appear, we do not know, but it is certain that this time the herbs should not be small.”

“To show our sincerity, this time the medicinal herbs will be handed over to Mr. Chen, and our Demon Spirit Sect will not take a single cent”

“Can I be allowed to look at that map?” Kai asked.

“Of course you can”

Song Qingping led Kai into the secret room, and then Kai looked at the place marked on the map to the west of South Lake City, a golden point of light was constantly flashing, and the frequency and brightness of the flashes were getting bigger and bigger.

“Huh, this time the herbs are shown, why is it different?”

Song Qingping looked at the golden dot of light that kept flickering and his face revealed doubt!

“What? What’s different?”

Kai asked.

“The ones that were flashing before were red dots, and they didn’t have such a fast frequency or brightness.”

“Why has it turned golden this time? It was still red when I noticed it just now”

Song Qingping looked at the map carefully, his face full of confusion!

“Vice Patriarch Song, then when will this herb appear, can it be seen on this map?”

Kai continued to ask.

“Probably in three days, but there’s no way to tell exactly by which hour.”

Song Qingping said.

“Good, I’ll go and take a look in three days’ time!”

Kai looked at the constantly flickering golden dots of light on the map, his heart surprisingly filled with infinite yearning and a feeling of impatience!

“Mr. Chen, I hope you’d better prepare early and go take a look in three days, I’m afraid there won’t be anything left by then

Song Qingping cautioned at Kai.

After all, the entire South Lake was in the Zheng family’s hands, if any herbs really appeared, it was impossible for the Zheng family not to know about it, although they wouldn’t know about it in advance, but after the herbs came out, the Zheng family would definitely be the first to know about it.

“Good, then I’ll move tomorrow

Kai said, and walked out of the secret room!

“Mr. Chen, our Demon Spirit Sect is so sincere, that Blood Demon’s flesh?”

Song Qingping asked as he looked at Kai.

“Don’t worry, as long as your Demon Spirit Sect is full of sincerity, this Blood Demon’s flesh body will be given to you, and it’s of no use to me.”

After Kai finished speaking, he simply left!

"How good it would be if I could take this 10,000 year old He Shou Wu away"

Kai stared blankly, his eyes filled with helplessness!

When Kai saw this scene, he was frozen, only to see the He Shou Wu's light getting fainter and fainter, and that He Shou Wu also seemed to start becoming transparent, disappearing little by little in front of Kai's eyes!

"What is going on here?"

Kai went up and tried to grab that He Shou Wu to keep him from disappearing, but he simply couldn't!

Soon, the He Shou Wu disappeared, completely disappearing from in front of Kai's eyes, as if it had never been here before!

Kai was filled with surprise, and looked at those other medicinal herbs, all growing nicely, nothing unusual!

"How could this happen?"

Kai frowned, he was thinking that there was a way to take this He Shou Wu away after going through that boundary!

Now it had disappeared right in front of him!

Kai thought for a long time, but he could not figure out what was going on.

Back at his place, Kai didn't sleep a wink and couldn't figure out what happened to the He Shou Wu!

Early in the morning, Zhou Jie found Kai, she was ready to take him out of the secret realm and go together to the place where that medicinal herb was going to emerge!

Leaving the Demon Spirit Sect's secret realm, Kai thought about it and thought it would be better to take Hu Ma Zi with him!

Kai went up and knocked on the door, and Hu Ma Zi impatiently opened it, Hu Ma Zi was only wearing a pair of underwear, and at this time there were two other beautiful women lying on the bed, clothed in revealing clothes!

When Zhou Jie saw such a scene, she gave that pockmarked Hu a white look, then blushed and walked away to the side, while Kai said to pockmarked Hu, "Master Hu, there will be herbs coming out in three days, I hope you can come with me to see them"

Pocky Hu looked at Zhou Jie who had dodged away and reprimanded Kai, "You fellow, why did you bring her here, isn't this damaging my image?"

"What image do you still have, hurry up and go"

Kai stepped forward and pulled Hu Ma Zi and left.

"Hey hey hey you have to let me put on my clothes"

Hu Pazi was then dragged by Kai, while starting to put on his clothes.

The three of them, headed in the direction of the west of South Lake City.

A man like none other and the man decree Chinese A Man Like No Other Chapter 1884

At the same time, in a secret room of the Zheng family, there was an old man sitting in front of Zheng An Guo, and looking at Zheng An Guo's respectful look, one could tell that this old man's identity was not simple!

"Master Wan, I wonder how your deduction is going?"

Zheng Anguo cautiously asked to the old man.

The old man frowned and said with a cold expression, "Keep your mouth shut while I'm deducing"

After saying that, that old man got up and walked out of the secret room, followed by scattering a handful of black stones in his hand into the courtyard!

The black stones actually shone with a faint light under the sunlight!

"The number of heavenly derivation is the righteousness of the Great Dao, I, disciple Wan Hong, implore the ancestor to deduce the heavenly dao"

After the old man finished speaking, he respectfully actually started kowtowing to those black stones in front of him!

Each stone, kowtowing a head, for dozens of times!

Zheng An Guo watched from the side, and did not dare to be born.

But at this time, Zheng Kai suddenly burst into the courtyard: "Dad, you said"

Just rushing into the courtyard, Zheng Kai saw that inside the courtyard were black stones, and there was an old man who was constantly kowtowing, which made Zheng Kai full of confusion!

And this Zheng Kai's sudden intrusion caused Zheng An Guo to be instantly startled, and he quickly waved his hand for Zheng Kai to leave!

But it was already too late, only to see that Wan Hong raised his head and a cold aura emerged from his eyes!

Feeling that Wan Hong's eyes, Zheng Kai's body couldn't help but tremble!

Whoosh whoosh

Suddenly, the black stones on the ground suddenly shot out towards Zheng Kai like a sharp weapon!

Zheng Kai, as a Martial Marquis, would not wait for death, only to see a white mist erupt from his body, instantly wrapping his entire body!

Boom boom boom

The stone hit Zheng Kai's body, and Zheng Kai's entire body instantly flew backwards as a mouthful of blood gushed out!

"Master Wan, have mercy"

Seeing this, Zheng Anguo's body leapt up and directly blocked Zheng Kai's front.

"This art of deduction, which violates the heavenly dao and spies on the heavenly opportunity, to barge in at this time, is it because you want me to die?"

Wan Hong's face was very ugly as he roared.

"Master Wan, my dog's son is ignorant, and it is also my fault for not informing, I still hope Master Wan will not be blamed!"

Zheng Anguo apologised to that Wan Hong.

Zheng Kai, on the other hand, covered his chest and looked at Zheng An Guo in confusion, "Dad, who is this old man? How come he is still so arrogant in our house, hitting me with his hands to reward me?"

Zheng Kai did not understand how his father, as the Lord of South Lake City, could be so timid and fearful!

It was enough to be afraid of that Kai, but now he was even afraid of an old man!

"Bastard, shut up!" Zheng Anguo glared at Zheng Kai and said, "This is Grandmaster Wan Hong Wan, quickly apologise to Grandmaster Wan."

Zheng An Guo told Zheng Kai to apologize to Wan Hong, but before Zheng Kai could open his mouth, that Wan Hong waved his hand and said, "Forget it, since it was disturbed, it is God's will, God's will cannot be violated, you'd better ask another master"

After saying that, Wan Hong waved his hand, those black stones actually all returned to Wan Hong's hand!

Seeing that Wan Hong was about to leave, Zheng Anguo hurriedly stepped forward and said, "Master Wan, it is indeed our fault, beg you to deduce once more, I can pay you double the price."

Zheng An Guo begged at Wan Hong, but that Wan Hong didn't seem to have any intention of staying!

"Master Zheng, the number of heavenly derivation is not a child's play to be casually deduced for fun, but I can tell you that the chance I mentioned some time ago will appear in three days, and the place where it appears will be a hundred miles west of the city."

"Exactly what this chance will be for you, I wouldn't know, I can't be bothered to deduce it a second time."

"But I can tell you for sure that this is a great chance, if you succeed, you will increase your strength greatly, if not, you are afraid of having your life killed."

When Wan Hong finished speaking, he paid no attention to Zheng An Guo, but simply left!

A man like none other and the man decree Chinese A Man Like No Other Chapter 1885

Zheng Kai listened to that Wan Hong's divine chatter and said with a disdainful face, "Dad, when did you even become so respectful to a godly man, obviously this guy is a money scammer."

"Cheat your mother"

Zheng An Guo almost did not die of anger, went forward and slapped that Zheng Kai fiercely!

Zheng Kai saw that his father was really angry and was so scared that he didn't dare to speak anymore.

After calming down for a while, Zheng An Guo then turned to Zheng Kai and said, "You go and get all the top brass here, this time is a big chance for our Zheng family"

Zheng Kai also did not know what the big chance was, but he still obediently went and gathered all the top brass of the Zheng family.

And that Wan Hong, after leaving the Zheng Family, did not leave South Lake City, but went straight to the west of the city of South Lake City!

"I didn't expect that what appeared this time would be a ten thousand year old medicinal herb, this is something that can't be found"

Wan Hong's face was filled with excitement, and his feet quickened their pace!

In fact, he had deduced it a long time ago, only because what appeared was really too tempting, that's why Wan Hong didn't follow Zheng An Guo and tell him the truth!

But fearing that some other people might also have their eyes on this place, Wan Hong gave Zheng An Guo the general directions, knowing that Zheng An Guo would definitely send someone to guard the whole place, so that with the presence of the Zheng family, the others might have something to worry about!

Wan Hong, on the other hand, could use the Number of Heavenly Derivation to know the exact location of this 10,000-year-old herb in advance and take it away!

Along the way, Wan Hong kept throwing the black stones in his hand forward, while he followed their path!

Soon Wan Hong came to a jungle, and when he threw the stone in his hand, he found that it did not shoot forward, but landed steadily at a distance of three metres!

At this distance, even a three-year-old child, not to mention an adult, could have thrown it this far, but the stone that Wan Hong had thrown with such force did not fly far!

Seeing this scene, a smile suddenly appeared on Wan Hong's face, "This is it"

Immediately afterwards Wan Hong pulled out more black stones, chanted the words under his breath, and shot the stones in his hand one by one surprisingly into the surrounding trees!

And the ground around, also scattered a lot of black stones!

At this moment, Kai and his men also arrived at this place, and after finding out that there were actually people here, Kai looked puzzled!

"Could it be that someone here knows about it?"

Kai frowned, and then cautiously approached!

Kai saw that an old man was chanting under his breath, throwing the black stones in his hand over and over again, like a madman!

"Is this a fool?"

Zhou Jie asked as she looked at Wan Hong like that.

"Can't figure it out, it looks like he's setting up a formation"

Kai looked at this Wan Hong didn't look like a fool, more like setting up a formation, but setting up a formation he had never seen this kind of technique before!

But when Pocky Hu saw Wan Hong, his face was slightly startled: "Wan Hong?"

When Kai heard this, he immediately looked at Pocky Hu and said, "Master Hu, you know this person?"

Pocky Hu nodded, "This guy's name is Wan Hong, he's from the Heavenly Derivative Sect, people from their sect are all gods and goddesses, all day long they say they can comprehend the heavenly dao and can deduce heavenly fortunes, but in fact they're just a f*cking fortune teller."

“Knowing some strange arts and waving them around, many clans and families are very convinced by these guys”

Kai stared closely at Pocky Hu, and then asked, “Master Hu, do you have any problems with this Wan Hong, seeing that your tone is a bit off?”

Kai listened to Hu Puzi introduce Wan Hong, all gritted teeth, guess the two had some kind of beef!

“Hmph, it’s this stupid bastard that made me lose the woman I love the most, originally I was all set to get married to my girlfriend, only to have her go to this guy for a fortune telling before the wedding and get cheated by this guy”

Hu Ma Zi stared at Wan Hong with a deadly stare, his eyes full of anger!

When Kai heard this, the whole person almost couldn’t hold back and gave out a laugh, never thought that decades ago, Hu Pazzi had made such a scene!
