A man like none other and the man decree (chinese) Chapter 1091-1092

Chapter 1091 Trapped_

Just when the two were stunned, Kai stretched out his hand and patted the top of the two people's heads, and then the Concentrated Heart Technique ran rapidly, and the rolling suction began to absorb the power of the two!

The two of them suddenly turned pale and trembled, as if they had been electrocuted.

In just ten seconds, the two fifth-rank Martial Sects were completely absorbed by Kai.

This scene directly frightened Gu Kaiyuan.

"You...you know sorcery? You turned out to be an evil cultivator..."

Gu Kaiyuan couldn't believe everything in front of him. He never thought that Kai was actually an evil cultivator!

Moreover, the town magic tower does not seem to have sealed Kai's strength.

"It doesn't matter if I'm an evil cultivator, the important thing is that you are going to die..."

Kai looked at Gu Kaiyuan coldly and said.

Gu Kaiyuan suddenly sneered: "Kai, do you think the Demon Town Tower can't seal your strength, so you can easily kill me? Let me tell you, this is my territory, you want to kill me, dream..."

"You'll know soon if you're dreaming..."

Kai said, the breath on his body exploded instantly, and the whole room was filled with Kai's thick murderous aura.

Gu Kaiyuan stepped on the ground suddenly, and then the whole building began to shake, like an earthquake!

Then Gu Kaiyuan bit his finger and dripped a drop of blood on the ground.

In an instant, the blood was absorbed by the ground, and then lines appeared on the ground!

Countless lines began to shine, and these rays of light seemed to contain infinite power!

Rumbling....

The walls outside the building began to collapse, but there was nothing inside.

Soon, a huge hexagonal tower appeared!

It turns out that this old building is wrapped in an iron tower!

No wonder Gu Kaiyuan called it the Town Demon Tower, it really is a tower!

"Kai..."

Gu Linger clutched Kai's arm tightly. At this time, she no longer had any spiritual power, so she would undoubtedly follow ordinary people!

"Don't worry, it's fine..."

Kai comforted Gu Linger gently.

"Kai, if you enter this tower, you will never be able to get out..."

Gu Kaiyuan laughed, and a light circle began to flash under Gu Kaiyuan's feet.

Seeing this, Kai suddenly rushed towards Gu Kaiyuan.

But when the light flashed, Gu Kaiyuan disappeared directly, and the light circle on the ground disappeared!

"Linger, let's go..."

Kai grabbed Gu Linger and began to run desperately towards the tower.

The exit was closed by a gate, and Kai suddenly slammed out with a palm, trying to smash the gate in front of him!

But when Kai's palm bombarded the gate, a huge anti-shock force came at the same time!

Kai's body was directly sent flying out, flying more than ten meters, and then fell heavily to the ground.

"Kai..."

Gu Linger hurried over and helped Kai up.

Gu Linger's face was full of worry.

Kai patted the soil on his body and walked slowly to the gate again. He looked at the iron gate several meters high. There were no patterns or carvings on it. It was just a big iron gate. It looked nothing special. But how could the anti-shock force Kai felt just now be so great?

"Kai, will there be restrictions here, so you can't open the door?"

Gu Linger reminded.

"Even if there is a restriction, I will break him open..."

Kai's eyes narrowed slightly, and then he clenched his fist tightly.

Golden light flickered above the fists, and the power of the dragons surrounded the fists!

"break....."

Kai roared angrily, and both fists slammed on the iron gate fiercely.

Boom.....

It was an even bigger shock force. This time, Kai's body flew out dozens of meters and slammed into the wall before it stopped.

Chapter 1092 God's Will _

Kai's internal organs were tumbling, and blood was spilling from the corners of his mouth!

Gu Linger ran over worriedly and gently wiped away the blood stains for Kai!

Kai stared at the iron gate in front of him, and suddenly seemed to think of something.

"I understand, this iron gate is to bounce back all my strength. The more I exert myself, the stronger the anti-shock force will be. It seems that it is impossible to forcibly break the ban..."

Kai He frowned.

"Then what do we do? Are we going to be trapped here?"

Gu Linger asked with a panicked expression.

There's no food here, and if they don't get stuck here, they'll starve to death.

However, Kai has already arrived at the Golden Core Realm. Even if she doesn't eat or drink, there is no problem, but Gu Linger can't. She has no strength now, she is just an ordinary person. If she doesn't eat or drink, she can't last a few days.

"Since the exit doesn't work, let's go up and take a look..."

Kai took a breath and started walking towards the tower with Gu Linger.

But just as they walked to the stairs, a light curtain suddenly blocked the entrance of the stairs, directly blocking Kai's upward path.

"Can't you go up too?"

Gu Ling'er was a little surprised when she saw the light curtain that suddenly appeared.

"Linger, you go back, I'll check the situation..."

Kai didn't know what the situation was, so he asked Gu Linger to step back.

Kai slowly stretched out his hand to the light curtain. When his palm touched the light curtain, his whole body felt as if he had been electrocuted.

Immediately after that, like high-tech, several pictures flashed in an instant!

Although the screen flashed very quickly, Kai could still see it clearly. It turned out to be a person punching!

Kai instinctively gestured a few times according to the above picture, and the light curtain in front of him disappeared instantly!

Kai, who looked surprised, walked up and found that there was no danger or obstruction.

"Linger, you can come up..."

Kai beckoned to Gu Linger!

Gu Linger followed and asked curiously: "Kai, what did you see just now? Look at your gestures."

"Didn't you see it? There is a picture on the light curtain, like It's like a TV..."

Kai looked at Gu Linger strangely.

"No, I didn't see anything, I just saw you gesturing there..."

Gu Ling'er shook her head.

This time, Kai was a little confused. Could it be that only he could see the picture?

But Kai didn't think much about it, the main thing now is to find a way to get out of this town magic tower!

When Kai and Gu Linger were about to go up, also at the stairs, a light curtain suddenly appeared.

This time, Kai directly printed his hand on it, and it felt like an electric shock!

Then a few pictures flashed!

Kai looked at the picture, followed the above things, followed by a few gestures!

Then the light curtain disappeared, and Kai continued to move up with Gu Linger!

All the way to the top level, this happens at every level!

After reaching the top floor, Kai couldn't help but remember the set of boxing techniques displayed on the screen, and drew directly on the spot.

When Kai finished practicing a set of boxing techniques, the top floor of the entire town magic tower suddenly became distorted, like space distortion!

Then a light shone in, and a figure slowly appeared!

Kai narrowed his eyes and looked intently, and found that it turned out to be an old man wearing a white robe, with a long white beard and kind eyes.

Kai became a little nervous about the sudden appearance of an old man here!

Kai looked at the old man in surprise: "Have you been here for hundreds of years?"

Although Kai is a cultivator, he can survive for hundreds of years. Still shocked.

"Haha, this Devil Town Tower is specially made for this old man. I was locked in this Devil Town Tower for hundreds of years. It's a pity that what I've been imprisoned here is just a wisp of the old man's remnant soul. Trapped me..."

"You have now learned my Holy Light Fist, you can leave here, just as the old man can go out with you!" The

old man laughed.

"There is a ban on this town magic tower, I can't open the door at all!"

Kai slowly Getting up, frowning trying to remember what just happened.

"Could it be that I was dreaming just now?" Kai felt a little incredible!

"What are you dreaming about?" Gu Linger asked strangely.

"Oh, nothing!" Kai shook his head: "Let's go!"

"Come with me, let's try again!" Kai pulled Gu Linger up and walked towards the bottom of the tower.

At the same time, Gu Kaiyuan was sitting on the balcony of a villa, gently shaking the red wine in his hand, and looking at the Demon Town Tower not far away.

"It's been three days, I don't know if Kai is dead!"

Gu Kaiyuan took a sip of red wine.

At this time, the housekeeper Zhongbo came over and whispered to Gu Kaiyuan: "Patriarch, Ning Gongzi has already brought someone on the way, as long as we hand over Kai to Ning Gongzi, this time our Gu family will be stationed in Kyoto. It's hopeful..."

"Well, after our Gu family enters the capital, it won't be long before I will be the leader of the martial arts alliance, and the entire martial arts world will listen to my orders..."

Gu Kaiyuan's eyes were hot, bursting out. endless desire.

He was unwilling to be only a king of the Northwest, and he tried his best to get their Gu family to enter the Kyoto martial arts world, in order to sit on the position of the leader of the Kyoto martial arts alliance!

The ambition of this guy can be described as very big.

"Patriarch, we have the Demon Suppressing Tower, and sooner or later the position of the leader will be yours, but Young Master Ning is here, then the secret of our Demon Suppressing Tower can't be kept, and if they spy on our Demon Suppressing Tower then , what should we do?"

Zhongbo reminded.

"Don't worry, only I can use this Demon Town Tower. Without me, it's just scrap metal in the hands of others..."

Kai in the Demon Suppression Tower is walking down the tower with Gu Linger!

They don't even know that three days have passed outside!

In the Demon Town Tower, they only felt that a few hours had passed.

Going all the way to the exit, looking at the heavy iron gate, Kai slowly clenched his fists!

Chapter 1094 Do you dare to go? _

"Kai..."

Gu Linger grabbed Kai's arm.

She was afraid that Kai was injured by the shock force.

"It's okay, I will definitely be able to open the iron door this time..."

Kai patted Gu Linger gently.

Thinking of the old man speaking, Kai did not mobilize the spiritual power and divine dragon power in his body, but used his own strength, accompanied by the bulging muscles on his arms, Kai slammed his fist towards the iron gate.

"Holy Light Fist..."

Kai shouted, and smashed the iron gate with a ruthless punch!

Rumbling...

This time, there was no anti-shock force, and the heavy iron gate was rumbled by Kai's punch!

Kai was overjoyed. Seeing that it really worked, he threw a punch again in an instant!

Every punch is Kai's own strength, simply relying on his bulging muscles.

Bang, bang, bang...

The thick iron gate began to sway under the blow of this punch.

"What's going on?"

Not far away, Gu Kaiyuan, who was sitting on the balcony, was startled, and the red wine in his hand fell to the ground.

Uncle Zhong also changed his face: "Could it be that Kai is breaking the tower?"

"Let's go, let's see..."

Gu Kaiyuan jumped up, fell from the balcony, and quickly walked towards the Demon Town Tower.

Boom...

When Gu Kaiyuan just ran to the town of Demon Tower, there was a sudden loud noise!

The heavy iron gate collapsed suddenly.

The iron door slammed on the ground, causing a burst of dust.

When the dust cleared, Kai took Gu Linger's hand and walked out.

Seeing Kai breaking out of the tower, Gu Kaiyuan almost dropped his chin!

"You... how could you come out?"

Gu Kaiyuan couldn't believe his eyes!

A white light flew out from the Demon Suppression Tower, and then an old voice appeared in Kai's mind: "Hahaha, young man, thank you, if you have a predestined relationship, we will see you on Tianmo Mountain..."

"Tianmo Mountain?" Kai After a while of wondering, he seemed to have never heard of such a mountain.

But this is not the time for him to think, Gu Kaiyuan is right in front of him, and Kai wants to kill him first!

After Gu Linger came out of the Demon Suppression Tower, the spiritual power in her body also recovered instantly, and then she looked at Gu Kaiyuan angrily!

Feeling the breath of Kai and Gu Linger, Gu Kaiyuan's face became very ugly!

And the uncle Zhong behind him turned his eyes and ran away!

He knew that what Kai wanted to kill was just Gu Kaiyuan, he was just a servant!

In the face of life and death, life is still important!

"Where to escape..."

Gu Ling'er saw that Uncle Zhong was about to escape, and immediately chased after him.

Kai didn't stop him. With Gu Linger's strength, it was more than enough to kill Uncle Zhong!

It happened that Gu Linger was full of anger, so it would be better to take that uncle Zhong to vent his anger!

"Gu Kaiyuan, what skills do you still have, even if you use them, if you don't have them, then you will die..."

Kai looked at Gu Kaiyuan with a playful look on his face and said.

Gu Kaiyuan's face was gloomy, and his brows were tightly twisted together, as if he was making a decision.

"Kai, don't force me, let me live, I will never provoke you in the future..."

Gu Kaiyuan knew that Kai couldn't let him go, so he closed his eyes slightly, and then suddenly opened: "Well, then let's perish together..."

After that, Gu Kaiyuan chanted a spell, and then the entire manor began to shake.

Rumbling...

The loud noise continued, the earthquake trembled, and many villas began to collapse. Soon this luxurious manor became a ruin.

Immediately afterwards, from all directions of the manor, rays of light shot straight into the sky!

Then these rays of light gathered together and turned into an incomparably overbearing force, directly submerging into Gu Kaiyuan's body.

In an instant, Gu Kaiyuan's aura soared rapidly, and he quickly broke through to the peak of Wuzong.

Gu Kaiyuan's face was full of hideousness, and he seemed to be in great pain.

Moreover, the breath on his body has also changed, as if he has changed a person.

Looking at Kai in front of him, Gu Kaiyuan said coldly: "I destroyed the manor and absorbed the power of my ancestors. Only when you die can I comfort my ancestors!"

"You even dig your ancestors out of the soil. Come out, you can't kill me at all, it's good that your body can control this power, and you want to use this power to kill me?"

Kai raised his mouth with a bit of disdain on his face!

"Can I kill you, then try it..."

Gu Kaiyuan finished speaking and smashed it with a punch.

Gu Kaiyuan's speed is extremely fast, like a stream of light...

"Holy Light Fist..."

Kai also threw a punch, hitting the Holy Light Fist he just learned.

Boom...

There was a loud bang, Kai's body was like a cannonball that was shot out, and it stopped after hitting a wall!

Looking at the skin on his body, Kai slowly shook his head: "It seems that only relying on the power of the flesh, even the Holy Light Fist can't stop you..."

"You are too arrogant..."

Kai sneered at Gu Kaiyuan.

"Go to hell..."

Gu Kaiyuan was about to die of anger, and then another punch was thrown at Kai.

This punch is comparable to telling a moving locomotive!

The whistling sound was incessant, accompanied by the sound of breaking the air.

When Kai saw this, he straightened his body and hid aside!

Rumbling.....

The ground was actually punched, and a deep pit was smashed into the ground.

"It looks a bit..."

Kai looked at the big pit on the ground with a solemn expression on his face.

"Continue..."

Gu Kaiyuan roared, and his figure instantly reached Kai, and the fist like an iron fist slammed into Kai.

Gu Kaiyuan has fallen into rage at this time, and he is not stingy with the energy in his body!

With a punch to the bang, Gu Kaiyuan's body stepped back three steps in a row, while Kai's body flew out directly.

"Sure enough..."

Chen stabilized his body, and his eyes showed a strong fighting intent.

The stronger the opponent, the stronger Kai's will to fight. If he could shoot the opponent to death, it would be meaningless to Kai.

Kai began to pay attention, the golden light on his body skyrocketed, and the layers of golden scales exuded a breathtaking light under the sunlight.

The indestructible golden body was brought to the extreme by Kai. At this moment, Kai's entire body was covered with golden scales, and his fleshly body was also a bit hard.

"No matter how strong the golden body is, in the face of absolute strength, it will be broken with one punch..."

After two punches, Gu Kaiyuan's confidence was bursting.

He has never felt such a terrifying power, but this power is only short-lived. When the power disappears, Gu Kaiyuan's life will also be the end, but at this time Gu Kaiyuan has no other choice.

The manor has been destroyed, and he is now in ruins, and he can only perish with Kai...

"Then give it a try..."

The power of the dragon in Kai's body erupted, and golden light flashed above his fists, a faint layer of light visible to the naked eye. The power of the dragon turns into two miniature golden dragons, surrounding Kai's fists!

"Holy Light Fist..."

Seeing this, Gu Kaiyuan also punched out!

boom!

The two forces collided, and this time the entire Xichuan seemed to be able to hear the violent explosion.

In an instant, a gust of wind swept through, and the world changed color.

It's like the end of the world!

The remains of the original manor's ruins have turned into ashes at this moment!

Thousands of acres of manor, at this moment only the town magic tower is still standing in place.

With this punch, the two of them were evenly matched, and their bodies all retreated.

"Is this your strongest strength?"

Gu Kaiyuan's eyes narrowed slightly, and then he opened his arms, as if hugging something.

"Ancestor, give me strength..."

Gu Kaiyuan roared, and then from Gu Kaiyuan's chest, a ray of light shot out, as if to open Gu Kaiyuan's stomach!

He could feel that the aura in Gu Kaiyuan's body was getting stronger and stronger, and he was even comparable to Guo Wei, a veteran of the peak of Wuzong.

The speed was so fast that Kai had no time to dodge.

boom!

Kai's body was knocked flying, and he fell to the ground.

A trace of blood began to flow out of his mouth, the golden light on his body dimmed, and the scales surrounding his body began to crumble a little bit!

"Kai, you are dead today, I will use my life's efforts to kill you..."

Gu Kaiyuan said, and suddenly grabbed forward!

A ray of light grabbed Kai directly, and instantly brought Kai to Gu Kaiyuan.

Gu Kaiyuan then punched Kai's chest fiercely.

"Go to hell..."

Gu Kaiyuan roared, he knew that his strength could not last long, so he wanted to kill Kai completely when his strength disappeared!

Gu Kaiyuan's breath has reached its peak!

Kai suddenly took a breath, wrapped his body with spiritual power, and with the blessing of the indestructible golden body, he took a punch from Gu Kaiyuan.

With his bronzed skin exposed, Kai can only use his physical body to resist Gu Kaiyuan's attack.

Seeing this, Gu Kaiyuan was overjoyed, and suddenly slammed another punch!

Kai's face became extremely solemn at this moment, and then the Dragon Slaying Sword that was burning with raging fire instantly appeared on his right hand!

With an unparalleled condensed energy, the Dragon Slaying Sword slashed towards Gu Kaiyuan's arm!

Seeing this, Gu Kaiyuan quickly retreated back.

The Dragon Slaying Sword in Kai's hand still makes Gu Kaiyuan very jealous.

Kai stared at Gu Kaiyuan, he found that the strength of this kid faintly surpassed that of Guo Wei, even in the face of Guo Wei, Kai could not be so embarrassed.

It seems that at the cost of life, the power of the ancestors cannot be underestimated.

"You take out your sword now, it's too late..."

Gu Kaiyuan finished, then slowly raised his palm.

In an instant, the ground shook and the mountain shook, and immediately above Kai's head, a huge hand appeared and slapped Kai fiercely.

Seeing this, Kai waved the Dragon Slaying Sword fiercely towards the giant hand.

Several swords swept across, but the giant hand didn't mean to stop at all.

The huge coercion caused Kai's body to sink downward.

A ray of light penetrated into the tornado, and bursts of flames rose up, instantly turning into a fire tornado!

In a radius of hundreds of meters, the temperature became extremely hot in an instant.

Gu Kaiyuan patted lightly, and the fire tornado devoured directly towards Kai!

The manic fire tornado was like purgatory, and countless flames turned into ferocious skeletons, grinning at Kai!

This affects the world and shakes the power of the void!

Kai didn't dare to be careless, and the power of the dragon broke out, punching out fiercely!

Chapter 1098

Kai's punch instantly burst into a soft light!

The soft light penetrated the fire tornado, causing the fire tornado to dissipate instantly!

Feeling the soft and holy light, Kai was slightly taken aback.

"This...is this the true essence of Shengguang Fist?"

Kai felt indescribably comfortable after feeling the soft and holy light.

Gu Kaiyuan's brows furrowed deeply. He was already feeling that the power of his body was slowly losing. If he couldn't kill Kai, then he would have no chance.

"Take the blood as the guide, the ground as the coffin, the ancestors protect..."

Gu Kaiyuan suddenly muttered something, and then slapped his chest with a palm!

A mouthful of blood sprayed out, the blood fell on the ground, and it was absorbed instantly!

The earth trembled, and then a huge pattern appeared on the ground, and the pattern still radiated light.

"Come out..."

Gu Kaiyuan roared, and then the pattern on the ground began to rotate!

One after another light flashed, and several human skeletons with only skeletons appeared from the pattern.

Gu Kaiyuan bit his fingers and smeared his own blood on the heads of several skeletons.

Several skeletons seemed to come alive in an instant, and groups of red light beat within the skeleton of the skeleton, like the heart of a human being.

Seeing this, Kai frowned tightly.

"What is this?"

Facing several skeletons, Kai became a little uneasy.

He didn't expect that Gu Kaiyuan could summon these scary things. It seems that the Gu family has a lot of secrets.

"These are the bones of my ancestors. Now you are disturbed by you, so let the ancestors kill you..."

Gu Kaiyuan said, waving his hands, several skeletons rushed towards Kai!

Seeing this, Kai suddenly threw two fists out.

The strong punches directly hit those skeletons, but they didn't have the slightest effect. The strength of these two punches all passed through the skeletons' bodies, and they were empty!

"Haha, it's useless, they are dead, how can they be afraid of your fist strength!"

Gu Kaiyuan laughed.

At this time, a skeleton had already arrived in front of Kai, and then a paw grabbed towards Kai.

Bloodstains appeared in front of Kai in an instant!

The indestructible golden body was directly broken by these skeletons!

Looking at the bloody wound on his chest, Kai looked solemn.

"Since you use magic, then I will use magic to meet you..."

Kai said, a light blue flame rose from his hands!

The blue flame was beating, sending out a strange breath!

Immediately afterwards, the power of the dragon condensed on the palm of the hand, and the blue flame on the hand became more vigorous.

"Since ordinary power is not enough, let's try these spirit fires..."

Come on, Kai's hands instantly formed a magic circle.

Gu Kaiyuan's face became a little unsettled. He didn't expect that Kai could actually know magic, and he could control spirit fire.

You must know that only advanced alchemists can control the spirit fire to make alchemy!

Could it be that Kai is also an alchemist?

Gu Kaiyuan's face became ugly, he didn't know how many trump cards Kai still had.

Why does Kai seem to know everything.

I saw Kai push forward with both hands, and the arrays burst open instantly, covering the skeletons directly!

The terrifying power raged at this moment, and the raging fire, with the help of this power, began to devour everything that could burn!

"This...what the hell is this?"

Feeling the power of the spirit fire, Gu Kaiyuan was so frightened that he retreated again and again!

Even if he was a little closer to the spiritual fire, Gu Kaiyuan's body and mind felt as uncomfortable as being roasted!

Several skeletons struggled in the spirit fire at this time.

In a flash, the spirit fire disappeared, and the skeletons also turned into piles of black powder, which were blown away by the wind and disappeared without a trace.

Kai looked at Gu Kaiyuan and said coldly.

"Don't be complacent..."

Gu Kaiyuan's eyes widened, and he finally snorted. The power that was quickly lost stopped at this moment, and then Gu Kaiyuan's body was rapidly expanding.

Seeing this, Kai knew that Gu Kaiyuan was going to explode himself.

The self-destruction of a strong man close to the peak of Wuzong, such an explosion is probably more powerful than a bomb!

Don't even think there are living creatures within a radius of hundreds of meters.

Kai hurriedly formed the seal, and the spirit fire reappeared in an instant, shrouded directly towards Gu Kaiyuan.

Gu Kaiyuan didn't dodge either, his eyes were full of fierceness!

boom!

The spirit fire surrounded Gu Kaiyuan, and the gas around Gu Kaiyuan was raging in an instant!

This is a spiritual fire, even water can't quench it.

The spirit fire encounters the power of the dragon, and it burns even more fiercely!

Kai must not let Gu Kaiyuan blow himself up, or he will be seriously injured even if he does not die!

Zizizi.....

The fire scorched the skin, making a zizi sound.

Gu Kaiyuan's screams became weaker and weaker, and soon Gu Kaiyuan's breath finally began to weaken.

In the end, Gu Kaiyuan slumped on the ground like a deflated ball.

The burning pain of the fire caused Gu Kaiyuan to roll on the ground.

"Kill me, kill me quickly..."

Gu Kaiyuan now only wants one death.

Kai looked at Gu Kaiyuan coldly, his eyes indifferent and cold.

Kai will never be soft-hearted when dealing with the enemy!

Soon, Gu Kaiyuan lost his voice, and the spiritual fire he saw went out, leaving only a charred corpse on the ground.

Gu Kaiyuan is dead, and the entire Gu family manor has turned into ruins. Only the Demon Town Tower stands tall, and the tower is surrounded by an air of coercion.

Kai stood in front of the Demon Suppression Tower, looking extremely small.

"This is really a good thing, it would be great if this Demon Town Tower can be taken away..."

Kai felt a burst of regret!

This Demon Suppression Tower is a good thing. If you can practice in the Demon Suppression Tower, you will get twice the result with half the effort!

As the saying goes, one day inside the tower, one day outside the tower...

But the Demon Suppression Tower is too big, and Kai can't take it away or put it in the storage ring. It's a pity.

Kai and the others were trapped in the Demon Suppression Tower. It was still night, but when they came out in just a few hours, three days had passed and it had become day.

In this case, cultivating in the tower for one day is equivalent to spending nearly a month outside the tower!

After reluctantly glanced at the Zhenmo Tower again, Kai could only leave first and find Gu Linger.

When you have the opportunity, come back here and find a way to turn this manor into your own territory!

Exuding divine consciousness, Kai immediately detected Gu Linger, and then quickly chased after him.

At this time, Gu Linger was anxiously looking for Uncle Zhong.

Seeing Kai coming, Gu Linger hurriedly asked, "Kai, how is that guy?"

"Dead..."

Kai said.

Gu Linger was not surprised to hear that Gu Kaiyuan was dead. After all, with Kai's current strength, Gu Kaiyuan was by no means an opponent!

"I'm so pissed off, let the old guy escape, if it wasn't for his familiarity with the terrain, I would have killed him long ago..."

Gu Ling'er looked angry.

"It's just a servant, just run away..."

Kai comforted softly, and then said, "We should go back too. It's been a few days since we've been here, and the family must be worried."

Chapter 1100 You didn't lie to me? _

Kai knew that in the past few days, whether it was Zao Wou-Ki or Long Wu, they must be worried about his safety.

Kai and Gu Linger rushed to the airport!

At this moment, Ning Zhi also brought people to Xichuan and walked out of the airport.

The two passed by in the crowd, but did not find each other!

After Kai passed by Ning Zhi, his brows suddenly wrinkled slightly. Although he didn't see Ning Zhi in the crowd, he always felt a breath, very familiar!

"Kai, what's wrong?"

Gu Linger asked involuntarily when she saw Kai stop.

"Oh, it's okay..."

Kai looked around, then shook his head and walked directly into the airport!

Ning Zhi took someone out of the airport and looked at the road outside the airport. There were no cars waiting, and his face turned cold.

"Master, isn't this Northwest Wanggu Kaiyuan a little too crazy, knowing that the young master is here, he didn't send a car to pick him up?"

said a subordinate beside Ning Zhi.

Ning Zhi didn't speak, but was obviously unhappy.

At this moment, a taxi stopped in front of Ning Zhi, and then an old man got off the co-pilot. This man was Uncle Zhong who escaped from Gu Linger.

After Zhongbo got out of the car, he looked cautious, and then asked Ning Zhi, "Excuse me, are you Mr. Ning?"

Ning Zhi looked at Zhongbo, then nodded.

Seeing this, Uncle Zhong let out a long sigh of relief, and hurriedly explained, "I am the old housekeeper of the Gu family, and I came here to pick up Young Master Ning on purpose.

"A broken taxi to pick up our young master?"

At this time, the servant next to Ning Zhi reprimanded loudly.

Uncle Zhong looked embarrassed and hurriedly said: "Young Master Ning, I don't know, that Kai is currently killing the Gu family, I also escaped and came to pick up Young Master Ning, how is our family owner now, I also I don't know..."

"What's going on? Didn't Gu Kaiyuan say that Kai had been arrested? Why did it become like this? You didn't frame me on purpose, did you?"

Ning Zhi asked with a cold face.

"No, no, how dare we lie to Young Master Ning. Kai was indeed locked in the Demon Suppression Tower by the Patriarch at that time, but I don't know how Kai escaped. Now the Patriarch should fight against him!"

Uncle Zhong quickly waved his hand. explaining.

"Master, what should we do?" the

servant asked Ning Zhi in a low voice.

Now that I know that Kai has not been caught, and he is fighting with Gu Kaiyuan, if Ning Zhi is going now, he will definitely have a conflict with Kai!

At that time on Suolong Island, Ning Zhi and Gu Kaiyuan teamed up, but they were not able to match Kai.

After all, Kai just defeated Long Xiao, who is known as the most talented!

Even Guo Wei was forced to burn blood by Kai.

Now Ning Zhi didn't know how powerful Kai was. If he rashly followed Kai into a conflict, then he would have lost more than his gains.

After thinking for a moment, Ning Zhi waved his hand and said, "Let's go back..."

Seeing that Ning Zhi was about to return home, Uncle Zhong was a little anxious, and quickly stopped Ning Zhi and said, "Mr. Ning, then Kai is in the Gu family, so he will definitely fight. But our master, our master has the Pagoda of Demon Suppression, which is a pagoda inherited from ancient times. If you practice in the pagoda, one hour can reach the outside for a day!"

"Our master is relying on this Pagoda, Only our patriarch can activate the Devil Town Tower. If Young Master Ning can kill Kai together with our Patriarch, I don't think the Patriarch will keep the secret of this Devil Town Tower..."

Ning Zhi was stunned when he heard it, and then looked at Uncle Zhong in disbelief: "Is there such a treasure? You didn't lie to me?"
