A man like none other and the man decree (chinese) Chapter 1151-1152

Chapter 1151

It is necessary to avoid the limelight first. Now Kai has the Pagoda of Suppression and the Map of Nine Thousand Miles of Mountains and Rivers, so he can practice wherever he is.

As long as Kai's strength is improving, he doesn't have to be afraid of those guys in Kyoto.

On the plane to Hongcheng, Kai sent a message to Lin Tianhu.

When the plane landed at Hongcheng Airport, Lin Tianhu had already driven to pick up Kai.

In addition to Lin Tianhu, Gu Wentian and Su Wenzong also came, as well as many prominent figures in Hongcheng.

Almost the entire airport came to greet Kai.

When Kai got off the plane, he was startled by the scene in front of him.

"Mr. Chen..."

Lin Tianhu hurried forward and bowed slightly!

This goodbye, I haven't seen each other for more than a month, and Kai hasn't been back to Hongcheng for several months.

"Mr. Chen..."

Many prominent figures in Hongcheng stepped forward and bowed to Kai.

Kai's face was a little unsightly. He came back just now, not to show off or something, he came to hide, and this time it was so lively, I was afraid that his whereabouts would be known soon.

"Lin Tianhu, let these people disperse..."

Kai said to Lin Tianhu after getting into the car quickly.

Seeing that Kai was a little unhappy, Lin Tianhu immediately sent someone to disperse those people.

Gu Wentian and Su Wenzong also got into the car together.

The two looked at Kai and directly showed Kai to Mao.

Although the two did not speak, Kai understood their eyes.

They must have wanted to ask Su Yuqi and Gu Linger why they didn't come back together.

Kai had no choice but to tell Gu Wentian and Su Wenzong about his current situation.

When they heard that Kai came back to avoid the pursuit, the expressions of the two people changed.

"Kai, how did things get like this?"

Su Wenzong was not from the martial arts world, so he didn't know what Kai did in Kyoto.

"Uncle Su, I have to force some things..."

Kai didn't want to be the way he is now, but his biological mother is still in the Long family, and Su Yuqi is still locked up in the Martial Arts Alliance, what can Kai do?

"Okay, let's go back and talk about it!"

After Gu Wentian finished speaking, he asked Lin Tianhu to quickly drive the car back.

The group went to Gu Wentian's yard. As soon as they entered the yard, Kai saw a yard full of antiques, which shows Gu Wentian's love for antiques!

"That guy Jin Fusheng isn't too bad. He's been sending antiques all the time. Kai, can you see if you like or use them?"

Gu Wentian pointed at the antiques in the yard.

Kai glanced at it, then shook his head, his current strength is no longer enough to rely on the weak spiritual energy on these antiques to cultivate.

"Kai, when you return to Hongcheng this time, I'm afraid you won't be able to hide for a few days, right? Those people will definitely guess that you are here..."

Su Wenzong asked worriedly.

"I'm only staying for two days, and when I decide where to go, I'll leave right away!"

Kai also knew that it was not a long-term solution in Hongcheng!

Those guys in Kyoto will definitely find it here, not to mention the martial arts world in Jiangbei, if they know that they are back, they will also be eyeing them.

After all, the dragon crystal on his body is too tempting, and he has to be remembered.

"Mr. Chen, I think you can go to Nanhua City to find that Jin Fusheng!"

At this moment, Lin Tianhu said.

"Looking for him?" Kai looked at Lin Tianhu strangely: "Even if I go to Nanhua City, with the power of those sect families in Kyoto, it is easy to find out."

"Mr. Chen, I didn't tell you to stay in Nanhua City. Isn't Jin Fusheng going to sea often? You can get a big boat, prepare living supplies, and stay at sea for a while, so that no one can find you! "

Lin Tianhu explained.

Chapter 1152

Hearing Lin Tianhu's explanation, Kai's eyes lit up.

He can go to sea for a while, and no one can find him in the vast sea, so Kai can just practice with peace of mind.

"Hahaha, yes, why didn't I think of it!"

Kai laughed and patted Lin Tianhu on the shoulder.

Kai only stayed in Hongcheng for one day, and then rushed to Nanhua City.

The Jin family is the largest family in Nanhua City, and with the strength of Grandmaster Jin Fusheng's peak, he controls the entire Nanhua city's wharf.

However, some people are staring at such fat.

The Du family, who are also in Nanhua City, have long been eyeing the fat meat at the wharf, but due to Jin Fusheng's strength, the Du family can only watch Jin Fusheng earn a lot of money.

However, in order to be able to grab the pier from Jin Fusheng, the Du family spent a lot of money to invite three great masters. After the news came out, Jin Fusheng panicked instantly.

"Master, what should we do? Now the whole Nanhua City knows that the Du family has invited three great masters, and soon the Du family will attack us." The

Jin family's housekeeper said with a panicked expression.

Jin Fusheng said with an ugly face: "Where did the Du family invite this kind of master, let alone the three great masters, even one can sweep the entire Nanhua city."

"Master, otherwise we will invite the four masters of Nanshan. Come?" the

butler asked.

"Please use their ass, how could they be the opponents of the great master!" Jin Fusheng cursed.

"Then... Then what should we do? Now many people in the house are panicking, and some people even sneak away!" The

butler said anxiously.

Jin Fusheng frowned, but soon his brows stretched out and said: "By the way, if the Du family can invite a master, so can our Jin family. I almost forgot, the man and woman who often follow Gu, seem to be Great Master!"

Jin Fusheng was talking about Lin Tianhu and Chifeng. During this time, Jin Fusheng often sent antiques to Gu Wentian, and he also met Lin Tianhu and Chifeng several times.

"But with only two of them, can they beat the three great masters of the Du family?" the

butler asked in confusion.

"Don't worry about it, I'll call and invite people to talk. Besides, they are all from Mr. Chen. If they can't get through, then invite Mr. Chen..."

Jin Fusheng said, and took out his mobile phone to make a call.

But at this moment, a servant of the Jin family hurried in.

"Master, it's not good, it's not good, Du Ziteng of the Du family brought people to kill, our people can't stop it at all!"

Jin Fusheng's face changed instantly when he heard this, the three great masters, those from the Jin family Of course it couldn't be stopped.

"Master, I didn't expect that the Du family would be killed so soon, why don't you hide for a while?" The

housekeeper persuaded Jin Fusheng.

"No, I'll go out and see!"

Jin Fusheng strode towards the outside, he knew that the Du family was not here to kill, and if it really didn't work, he would give up some of the benefits of the pier to the Du family.

When Jin Fusheng walked into the yard, he saw the servants of the Jin family lying on the ground, and a young man looked at him with a sneer.

This young man was Du Ziteng, the young master of the Du family. There were three middle-aged people standing behind Du Ziteng, each of whom exuded a faint coercion.

Even if Jin Fusheng himself was the peak of Wuzong, he felt frightened by this pressure.

"Eldest nephew, what made you so angry? If the servants provoke you, just tell me, and I'll take care of them for you."

Jin Fusheng laughed and said to Du Ziteng.

Even though Jin Fusheng was going to die of anger now, he still didn't show any signs of it, which shows that this guy is very shrewd.

Chapter 1153

Du Ziteng glanced at Jin Fusheng, but did not show any appreciation, but said coldly: "Jin Fusheng, the wharf in Nanhua City has been occupied by your Jin family for many years. Over the years, your Jin family has made enough money, do you think about it? Also let others eat?"

"There are hundreds of ships in Nanhua City, 90% of which belong to your Jin family. You earn so much money, aren't you afraid of dying?"

Jin Fusheng's expression changed when he heard this. Suddenly it became extremely ugly.

After all, Du Ziteng was also a junior, so he was so impolite when he spoke to him.

Jin Fusheng had a cold face, trying to suppress the anger in his heart.

"Eldest nephew... our two families..."

"Stop, I'm not your eldest nephew, let me tell you, today I will annex your Jin family. If you obediently hand over all the Jin family's property, you may be able to One life left..."

Before Jin Fusheng could finish speaking, Du Ziteng waved his hand and said.

This time, Du Ziteng completely tore his face, and Jin Fusheng frowned deeply.

"Look at it like this, I'll give you 80% of the property at the pier, and I'll give you all the ships. I'll only leave two cruise ships!"

Jin Fusheng discussed with Du Ziteng.

"Can't you understand what I said? I want all the properties of your Jin family."

Du Ziteng said with a cold face.

The anger in Jin Fusheng's heart erupted instantly, his eyes widened and he said: "Du Ziteng, you are too deceiving, don't you leave a little way for our Jin family to survive? I have

Don't be afraid of Jin Fusheng.

"Even if you kill everyone in our Jin family, you will never get the property of my Jin family. Don't think that if you can find helpers, I won't be able to find them. When my helpers arrive, I will wipe out your Du family. ..."

Jin Fusheng gritted his teeth and shouted angrily.

"Hahaha, you are too naive, don't forget that your Jin family is not yours, Jin Fusheng. After I kill you, someone will hand over the Jin family's property..."

Du Ziteng laughed loudly, and then patted clapped hands.

Soon, a gentleman wearing a suit and gold-wire glasses walked in, looking at the person's appearance, which was somewhat similar to Jin Fusheng.

Seeing the person coming, Jin Fusheng was stunned: "Second child, why are you back?"
The

person coming is Jin Fusheng's younger brother Jin Fuwang!

Jin Fusheng started his career with one hand, and later sponsored his younger brother to go to college, and then let his younger brother go to the branch to become the general manager.

It's just that Jin Fuwang ignored Jin Fusheng, but walked up to Du Ziteng and shouted respectfully, "Young Master Du..."

"If I hand over the Jin family to you as the head of the family, do you know what to do?"

Du Ziteng looked towards Jin Fuwang asked.

"Of course, I will give all the properties of the Jin family to the Du family, and my Jin family is also willing to be attached to the Du family and become an affiliated family!"

Jin Fuwang said flatteringly.

"Jin Fusheng, did you hear it? Without you, the entire Jin family will be our Du family's affiliated family."

Du Ziteng looked at Jin Fusheng with a proud expression.

At this moment, Jin Fusheng was almost not mad at his younger brother's words, and his face flushed: "Jin Fuwang, you fucking beast, do you know what you just said?"

"Of course I do, you are in charge of the Jin family. After so many years, I have even more wealth than some big families in Kyoto, but what about me? I'm just a general manager with a dead salary, why?"

"I want to be the head of the family, and I want to be as rich as earth. , a group of wives and concubines..."

Jin Fuwang raised his head and shouted at Jin Fusheng.

Jin Fuwang was so frightened that he hurriedly hid behind Du Ziteng, while a great master behind Du Ziteng dodged and kicked out.

Jin Fusheng was kicked heavily, and then fell to the ground, vomiting blood.

Jin Fusheng glared at Jin Fuwang and gritted his teeth: "If I die, everything in the Jin family will not fall into your hands..."

"Whether it can fall into my hands, it's up to you, to Sometimes I will say that you died unexpectedly, and the position of the head of the Jin family will naturally fall to me."

"And I also know that you have several women outside, all of them are beautiful and good-looking. , After you die, I can take care of them for you..."

Jin Fuwang saw that Jin Fusheng was injured and fell to the ground, so he walked out from behind Du Ziteng with a proud face and said.

"Beast, beast, you are a beast..."

Jin Fusheng was trembling with anger, and blood gushed out from his mouth.

He never thought that he would end up where he is now.

"Retribution, maybe this is retribution..."

Jin Fusheng sighed in the sky.

He didn't know how many people he killed in his life, and he was able to achieve his current position only with a ruthless heart.

But now he is being calculated by his own younger brother, which may be retribution.

Du Ziteng said coldly.

Jin Fuwang trembled all over, he could only take the dagger tremblingly and slowly walked towards Jin Fusheng.

Jin Fusheng looked at Jin Fuwang who came over and stared at him fiercely.

"Beast, you're going to die..."

Jin Fusheng gritted his teeth.

"Hmph, how did I die, you can't see it..."

After Jin Fuwang finished speaking, he raised his dagger and stabbed at Jin Fusheng.

Dang ...

Just when the dagger in Jin Fuwang's hand pierced into Jin Fusheng's body, there was a sudden sound, and the dagger in Jin Fuwang's hand flew out.

Jin Fuwang was taken aback, while Du Ziteng was shocked: "Who?"

The three great masters also hurriedly looked around.

"I still have business to discuss, you can't kill him for the time being..."

"Who are you?"

asked a guard in Tiansha Gate.

"Go and report to your sect master, just say that the leader of the Kyoto Martial Arts Alliance, Zhu Zhishan, asks to see you..."

Zhu Zhishan said indifferently with his hands on his back.

When the guards heard it, they turned out to be the leaders of the Martial Arts Alliance.

To know that their Tianshamen followed the martial arts alliance, it was incompatible.

The purpose of the establishment of the Martial Arts Alliance is to promote martial arts and eradicate evil cultivators.

"Why don't you go soon?"

Zhu Zhishan's face turned slightly cold.

A guard shivered in fright, and hurriedly ran into the hole.

At this time, the master of Tiansha Sect, Zang Qing, was practicing the exercises. Around Zang Qing, countless skulls were flying in the air.

"Sect Master, it's not good, Sect Master, it's not good..." The

guard rushed into the place where Tibetan Qing practiced the exercises anxiously.

Zang Qing opened his eyes, and then grabbed the guard with a claw.

Tibetan Qing asked.

"Cough cough..." The

guard coughed, and then said: "Leader, there is a person outside, claiming to be the leader of the Kyoto Martial Arts Alliance, called Zhu Zhishan, want to see you..."

"Is he alone?"

Tibetan Qing continued to ask.

"Yes, I saw one person!" The guard nodded.

Zang Qing frowned: "What did he do when he saw me? How did he find it here?"

Although there is only one person, Zang Qing knows the strength of Zhu Zhishan. If he really wants to fight, Zhu Zhishan will be able to destroy the Tiansha Gate. Stirred upside down.

Zang Qing followed the guard to the door, and sure enough, he saw Zhu Zhishan waiting by himself at the door.

The guard nodded, and immediately thought about the distance.

It should be checked to see if there is an ambush in the distance.

"No need to check, I came alone!"

Zhu Zhishan said with a faint smile.

"I wish the alliance leader, our Tianshamen have all hid in this cave, why do you have to kill them all?"

Tibetan Qing asked vigilantly.

Zhu Zhishan smiled: "Who said I came to kill you? I'm just here to talk to you about something!"

"Murder?" Zang Qing was stunned for a moment, then laughed: "I hope the leader will stop joking, if you want to kill people in the Kyoto Martial Arts Alliance, you still need to find me?"

" Grab it and pave the way for your own career, right?"

Tibetan Qing is not stupid, there are people in the Kyoto Martial Arts Alliance who are more powerful than him.

What's more, they are evil cultivators, and Zhu Zhishan came to find him to kill, isn't he afraid of being known by other sects and aristocratic families?

A martial arts alliance leader cooperated with Xie Xiu, which is great news.

So Tibetan Qing thinks that Zhu Zhishan just wants to use him, and after he kills someone, Zhu Zhishan is grabbing himself so that he can establish his merits.

"Master Tibetan, you misunderstood, it's just this person, I can't do it myself, so I want to ask you to do it!"

Zhu Zhishan explained with a slight smile.

"You can't do it well. There are so many sects in your Martial Arts Alliance, you can just find someone? You find me?"

"If you say there is no conspiracy, who would believe it? Let's not talk about this matter. "

Zang Qing's face is firm, he will not kill for Zhu Zhishan.

Zhu Zhishan's face was slightly cold, and then he looked at Zang Qing: "Master Zangmen, it's rare that you don't think about it?"

"No, even if you bloodbath my Tianshamen today, I will not be used by you..."

After Zang Qing finished speaking, he was ready to fight.

Chapter 1158

"What if this is an order? You don't listen?"

Zhu Zhishan slowly got up, his eyes were cold!

"Order?" Zang Qing snorted coldly: "I'm not from your martial arts alliance, what qualifications do you have to order me?"

"Am I not qualified?"

Zhu Zhishan sneered, slowly took out a token, and then Bright in front of Tibetan Qing.

When Zang Qing saw the token, the whole person was stunned for a moment, and his eyes were wide open.

"This...this is..."

Zang Qing opened his mouth and wanted to say something, but Zhu Zhishan stopped him with a gesture.

"You Tianshamen are so hidden, you don't think about it, why did I find it so easily?"
Zhu

Zhishan's face was full of pride: "Now, can you listen to my orders?" He

woke up from the shock, but still lowered his head: "My subordinates take orders!"

"Okay, I have the information on the person you want to kill here. No matter if you can kill him or not, you are not allowed to mention my name, just treat it as me. Never been here, understand?"

Zhu Zhishan took out an envelope and threw it on the table.

"Follow your orders!" Tibetan Qing said respectfully.

Zhu Zhishan left, and Tibetan Qing picked up the envelope and opened it, there was a photo inside, it was Kai!

Zang Qing just glanced at it and put the envelope away, but at this time, he was still in shock.

The leader of the Martial Arts Alliance actually has another identity.....

On

the Martial Arts Forum, there are suddenly many more posts looking for Kai's trace.

Moreover, the amount of the reward is larger than the other, and some people even use various medicinal herbs and resources in exchange for Kai's whereabouts.

This time, almost many people in the martial arts world have been looking for Kai's whereabouts.

Even some innate warriors, grandmasters and the like, also inquired everywhere.

Now Kai has become a fragrant bun.

At this time, in the hall of the Dong family in Kyoto, Dong Liqun, the head of the Dong family, was sitting on a chair, while Dong Jiahao was standing beside him.

"Jiahao, I heard that you have a good relationship with that Kai, do you know where he is?"

Dong Liqun asked.

"Dad, what are you asking about? Are you also interested in the treasures on Kai's body?"

Dong Jiahao asked.

"Damn, we don't have any treasures in the Dong family, how could I do something like robbery!"

Dong Liqun's face turned cold, and Dong Jiahao's body was shaking constantly.

"I just admire this Kai, I just want to meet him, this person is a rare talent."

Dong Liqun's eyes showed envy: "If you can have half of this Kai's talent, our Dong family is hopeful. "

Dad, I've worked really hard now!" Dong Jiahao rolled his eyes, and then continued: "I don't know where Kai is during this time, but I can ask, so many people are looking for it. He is probably hiding."

"Well, you can inquire, if you can find that Kai, you can bring him to the house, in our Dong's house, I don't think a few people would dare to break into our Dong's house. VIP."

Dong Liqun said lightly.

"Okay, I'll go and find out!" Dong Jiahao nodded and then walked out.

After Dong Jiahao left, the housekeeper beside Dong Liqun immediately leaned into Dong Liqun's ear and whispered a few words!

Dong Liqun's face changed slightly: "So, the news is really spread by that kid from the Ning family?"

"Yes, although Ning Zhi used his signature, I still found out that Ning Zhi was injured. Most of it is what Kai did, it seems that the Ning family has long known the secret of Long Jing on Kai."

Dong Liqun's eyes narrowed slightly, and his eyes were shining!

"Master, do you really plan to find Kai and let him stay at Dong's house, do we give shelter? You really don't want the dragon crystal on Kai's body?" the

butler asked.

"Shelter him?" Dong Liqun raised his mouth: "That Kai offended the Martial Arts Alliance and the Long Family, and now almost the entire Martial Arts community is hunting down, how can our Dong Family have the strength to protect him!"

"You also know Jiahao's Temperament, I don't say that, how could he be willing to find that Kai? When I find that Kai, I will get Long Jing first. As for Kai's life and death, even if I don't kill him, I believe he won't be able to live much longer. It's been a long time."

"I'm still smart..." The butler immediately flattered.

.....

Above the vast sea, a luxurious cruise ship floats on it.

On the huge cruise ship, except for some staff, only Kai was alone.

Kai locked himself in the room and began to practice continuously.

If Nascent Soul could be cultivated a few years ago, Kai would be sure to rescue his mother and Su Yuqi.

It's just that it is extremely difficult to cultivate the Nascent Soul.

At the Nascent Soul stage, he almost has an immortal body.

As long as the Nascent Soul does not die, even if the body is destroyed, it can still reshape the body.

At the Nascent Soul stage, he can almost become an immortal immortal in the eyes of ordinary people.

At this time, in the control room of the cruise ship, several staff members were chatting.

Because the cruise ship floats on the sea, they don't need to operate anything, just eat, sleep, and chat casually every day.

Anyway, there are wages, and the wages are particularly high, so these staff are also very happy.

"Xiao Mao, what do you think the boss thinks? With such a big cruise ship, just pulling one person and floating on the sea all day without leaving, isn't this cruise ship a waste?"

" We paid the money, and even bought the cruise ship, we just clocked in at work to earn money."

"That's how easy it is, just floating at sea all day, but don't encounter pirates, I heard that the one on Skull Island Pirates are very cruel, they roast people and eat them directly."

"Don't talk nonsense, it's all a lie, where is there any Skull Island, I've been running for so many years, and I haven't encountered a pirate.

" While the staff were chatting, several speedboats suddenly appeared on the sea around the cruise ship.

The speed of the speedboat is very fast, and behind each speedboat there is a white spray!

Seeing that several speedboats were about to hit the yacht, I saw several figures jumping up from the speedboats.

On a cruise ship more than 20 meters high, a few people jumped onto the deck without any tools.

If the staff saw this scene, they would definitely drop their jaws.

These people were all wearing black clothes, and on the left chest of the clothes, they all had a skull pattern embroidered.

After getting on the cruise ship, several people went straight to the control room.

With one kick, the door of the control room was opened, and several staff members were brought under control.

Seeing that someone suddenly broke in, especially seeing the clothes of several people, several staff members were trembling with fright.

Because they had heard that the pirates on Skull Island wore this kind of clothes.

They didn't believe it just now, but now seeing these pirates really appear in front of them, they were all shocked.

"How many people are on your ship? Gather them all on the deck for me..."

A pirate with a red skull on his left chest yelled at a staff member.

The staff member's legs were so frightened that if someone hadn't carried it, he would have slumped on the ground long ago.

Chapter 1160 Skull Island

"Big... Big Brother, our cruise ship has only one passenger, and counting our staff, there are only fifteen people..."

The staff member said stutteringly.

Snapped!

I saw that the pirate gave the staff a slap in the face.

"Paralyzed, who are you kidding? With such a big cruise ship, one passenger goes to sea?"

The pirate obviously didn't believe it.

The staff was slapped with blood, and said with a look of grievance: "Brother, really, there is really only one passenger. If you don't believe me, you can check it out..."

The pirate saw this and moved towards the other pirates. With a wink, the pirates went straight to check.

Soon, all the staff were rushed to the deck. At this time, Kai was practicing cross-legged in a room.

There was a sudden loud noise, and the door was kicked open.

Kai suddenly opened his eyes, and before Kai could move, two bright knives were already on Kai's neck.

"Don't move, you will be hacked to death if you move..."

Kai glanced at the people who broke in. All of them were wearing black clothes.

Originally, Kai wanted to do it, but he felt that these two people were just little masters, so Kai gave up the plan to do it.

He knew that these people were definitely not here to find him. After all, no one would send two people with the strength of the Grandmaster to find him.

Isn't that the same as being sent to death?

"Two big brothers, who are you? What do you want, just tell me, as long as you don't hurt me!"

Kai pretended to be afraid and asked.

"We are the pirates of Skull Island. When it falls into our hands, consider yourself unlucky!"

After one of the pirates said, he picked up Kai and went to the deck.

"Hey, there's really only one passenger..."

After reaching the deck, a pirate said to the pirate with a red skull on his chest.

Looking at the dozen or so trembling people in front of him, the pirate with a red skull on his chest frowned.

"Damn it, it's really bad luck!" After cursing, he said, "Let's just bring all these people back."

"Hey, these guys are all ordinary people, not a single martial artist. I don't know when they go back. , won't the boss get angry?"

a pirate asked cautiously.

"Let's go back and talk about it!"

The pirate with the red skull on his chest waved his hand impatiently.

Soon, the cruise ship started and drove in the direction of the sun.

Kai and the others were locked in the same room again, and the staff inside were trembling with fright, and some were still crying.

Only Kai looked indifferently at the boundless sea outside the window.

Kai did not understand why he was a pirate because of his strength as a master?

Although the strength of the master is nothing in the martial arts world of some big cities, it is also very powerful in some small cities of the third and fourth tiers.

Just like Nanhua City and Hongcheng, although the economy is developed, there are not many warriors in the martial arts world, and there are even fewer masters.

The strength of the master goes to such a small place, it is also respected, how can he go to the sea and become a pirate?

I can't remember how long it took to drive, and slowly a small island appeared in everyone's field of vision.

I saw that this small island is not large, there are bare stones everywhere, and almost no plants can be seen.

After getting close, Kai and the others were driven to the speedboat and then sailed to the island.

On landing on the island, the island is full of animal skeletons that can be seen everywhere, scattered everywhere.

However, among these skeletons, Kai keenly discovered that there are still many human skeletons.

It's just that the bones are missing the skull.

And this small island has a thick bloody smell.

Looking at the bones all over the mountains and plains, the legs of those cruise ship staff were weak and could only be carried away.

After walking for more than ten minutes, Kai saw several houses stacked with stones on a relatively flat area.

The pirate with a red skull on his chest walked straight towards a larger house.

Kai and the others were locked up.

When the pirate entered the largest house, a man with disheveled hair was sitting in the house.

Looking at the man's hair, it seems that he hasn't had a haircut for several years.

The body smelled of blood.

This man is the head of the pirate on Skull Island, called Batu.

Seeing the pirates coming in, Batu frowned slightly.

"Blood Hand, why did you come back so quickly this time? How was the harvest?"

Batu asked coldly to the pirate.

"Boss, this time we have a cruise ship, but there are no tourists, only fifteen people!"

Bloody said cautiously.

"What? Fifteen people?"

Batu instantly burst into anger: "What is the use of fifteen people? My magic is at a critical juncture now, and fifty people are required!"

" Looking for..."

Bloody hands trembled in fright.

"Forget it, I'll go to the sea in two days!"

Batu waved his hand, and then asked, "Are there any warriors among these fifteen people?"

Bloody shook his head: "No, all of them are ordinary. People."

Hearing this, Batu frowned more deeply, and after thinking for a moment, he said, "Which company does the cruise ship belong to? Find a way to contact them and let them redeem them, and then just detain the people who come!"

"I know . It's gone!"

Bloody nodded and left.

Batu has a depressed look on his face. With the energy of fifty more people, he will be able to step into Wuzong in one step, and his strength will have a qualitative leap!

Originally, Batu and the others were evil cultivators, but they were hunted down and forced to come to this deserted island.

It was later renamed Skull Island, and Batu lived on Skull Island by robbery at sea.

Skull Island is short of materials, and there are almost no resources to cultivate, so the essence of living people has become the only resource for Batu to cultivate.

At this time, Kai, who was locked in the stone house, spread his consciousness and quickly got a clear picture of the situation of the entire island.

And in a place near the sea in the southwest of Skull Island, where the sky is overcast, there should be a lot of bones buried in the ground.

Just when Kai's consciousness spread, he moved towards the largest stone house.

Batu, who was originally depressed, suddenly stood up suddenly.

Then he looked around nervously.

Because he just felt an extremely dangerous breath.

Although this breath was fleeting, he was still aware of it.

Batu frowned and his face became extremely ugly.

This kind of breath will never be emitted by his subordinates.

"Blood hand, bloody hand..."

Batu shouted loudly.

Soon, the bloody hand pushed the door and walked in.

"Boss, what's the matter?"

Bloody asked.

"Where is the person you caught? Take me to see..."

Batu said.

The bloody hand nodded, and then took Batu towards the stone house where Kai and the others were imprisoned.

At this time, those who were caught were all huddled together, shivering one by one, and some kept praying.

Only Kai stood by himself, looking at the situation outside through the small window.

The door was pushed open, and the bloody hand walked in with Batu.

Those who were caught saw Batu, who was like a savage, and panicked even more, and some people even screamed in surprise.

"What's it called? It will kill you all if you are dishonest..."

Bloody hand reprimanded loudly.

Chapter 1162 Do you know me? _

Sure enough, those people were so frightened that no one dared to speak out.

Batu glanced at it, and finally his eyes fell on Kai.

Bloody said to Batu.

Batu nodded, then slowly walked towards Kai.

And Kai looked at Batu like that, without a trace of panic, but when Batu approached, the stench and blood on his body made Kai frown.

Batu still wanted to approach Kai, but was stopped by Kai: "Stop, don't go forward, you won't scare people to death, you will also kill people."

"There is water everywhere, I have nothing to do to take a bath. , it stinks..."

Kai's words made Batu instantly stunned.

Because for so many years, no one has spoken to him like this, and no one has said that he stinks.

"f*ck, what are you talking about? Are you courting death?"

Bloody hands glared, and then a quick step came to Kai, ready to teach Kai a lesson.

But who knows, the body of the bloody hand has just approached Kai.

I felt a terrifying force erupting from Kai's body. Kai didn't move, and the bloody body flew out instantly.

Then he slammed into the stone wall savagely and vomited blood.

This sudden change made Batu instantly dumbfounded.

How to say the blood hand is the strength of the peak of the master, and he will soon enter the great master.

Now that he hasn't even touched the opponent, he was directly shot and flew out.

This is also outrageous.

Even in the peak state of his great master, he can't do this, unless he steps into Wuzong.

Could it be that the person in front of him is Wu Zong?

Thinking of this Batu's forehead instantly broke out in a cold sweat!

On the other hand, Kai flashed a faint golden light on his body, and the breath on his body skyrocketed instantly!

Batu, who was standing in front of Kai, suddenly felt a mountain pressing down on him, and then he bent his knees and knelt to the ground.

At this moment, Batu understood that the person in front of him was definitely a Martial Sect, and he definitely surpassed the strength of the Fifth Grade Martial Sect.

He couldn't understand, why would he capture a Wuzong this time?

"You are the boss of this island?"

Kai asked, looking at Batu who was kneeling on the ground.

"Yes, yes, I am, my name is Batu, I don't know the name of the high-ranking person?"

Batu nodded again and again.

In front of Kai, Batu dared not have any thoughts.

The gap in strength made him know that no matter what he thought, it was futile.

Now the only thing he can do is obey!

"My name is Kai..."

Kai said lightly.

As soon as Kai's name was spoken, Nabatu sat on the ground with a puff.

Then he looked at Kai in horror.

"You... you are Kai?"

Batu trembled.

"You know me?" Kai was a little strange.

In this place where birds don't shit, and there is no Internet, how can this Batu know himself.

Batu nodded: "I've heard of Mr. Chen's name, and he beheaded Guo Wei, director of the Kyoto Martial Arts Alliance..."

Kai was a little surprised after hearing this. He didn't expect this matter to have such a big impact.

Even in places where birds don't poop, they can also hear their own deeds.

"You put all these away now..."

Kai looked at the staff huddled in the corner and said to Batu.

"Okay, let it go now..."

After Batu finished speaking, he said to Xueshou: "Hurry up and listen to Mr. Chen, let him go..."

Xueshou climbed up with difficulty, and then called someone to put all the staff let go.

These are just ordinary people, where have I seen such a scene!

So after being put back on the cruise ship, he started the ship and ran away, ignoring Kai.

"If you are just pirates and have never hurt anyone's life, I want to spare you, but you are evil cultivators who have killed an unknown number of people. How can you tell me to let you go?"

Kai looked at Batu coldly. asked.

"Mr. Chen has been wronged, we are not evil cultivators, we were just chased by our enemies and had to come to this deserted island..."

"I have never killed an ordinary person, please let me go..."

Batu began grievance.

"You said I wronged you?" Kai's eyes narrowed slightly, and then he said: "Come with me, I think you won't cry without seeing the coffin..."

After Kai finished speaking, he walked directly towards the southwest.

Batu led someone to follow, and when he saw Kai's direction, he began to panic.

Because in that direction, many corpses and skulls were buried there.

It's just that Batu doesn't understand, how could Kai know?

With an uneasy mood, Batu followed Kai to the place where the bones were buried.

Batu kept retreating, and finally a cold light flashed in his eyes, then he grabbed the bloody hand beside him and threw it towards Kai.

Kai waved his hand.

boom!

The body of the bloody hand exploded in mid-air, turning into a cloud of blood.

Taking advantage of this opportunity, Batu jumped up, and then plunged into the sea.

Over the years on this island, Batu's water has been well-trained.

Seeing Batu jumping into the sea, Kai did not go after him.

In this vast sea, he knew that even if Batu jumped into the sea, he would not be able to escape.

Without the boat, it is impossible to get back to land at all.

Kai turned his head and looked at the remaining pirates.

Seeing Kai looking at them, these pirates were terrified one by one, and then they all wanted to escape.

But this small island is so big, where can you escape to?

There was no movement, and the pirates who escaped began to bleed from their seven orifices one by one and exploded to death.

They simply couldn't bear the coercion emanating from Kai.

All the pirates on the island died at the hands of Kai.

But when Kai looked towards the sea, he found that Nabatu had disappeared!

"Did this guy drown?"

Kai frowned slightly.

It is said that with the strength of the great master, it is impossible to drown in the sea so easily.

Just when Kai was wondering, waves of several meters suddenly exploded on the sea surface, and the entire island was shaken by the waves.

Chapter 1164

Then a giant beast more than ten meters high showed its head, and above that head, Batu was riding on it.

After the giant beast emerged from the water, it quickly swam in the direction of the landing.

Kai instantly understood why this Batu jumped into the sea.

It turns out that he still has a hole card, knowing that there is such a giant beast in the water.

It is very likely that this giant beast was raised by him.

Looking at Batu who had fled far away, Kai suddenly took a breath and jumped up.

The body instantly draws a white wave on the sea!

Although the speed of the behemoth was very fast, Kai quickly caught up.

Seeing Kai catching up, Batu's eyes were full of horror!

"Kai, you and I have no grievances and no grudges, how about letting me go?"

Batu said to Kai.

"Let you go?"

Kai sneered: "Let you go, those who died tragically in your hands, the souls of the dead will never rest in peace..." With

that, Kai patted Batu with a palm.

When Batu saw this, he pressed a palm on the head of the giant beast, and the beast's eyes radiated a strange light, which was obviously controlled by Nabatu.

Immediately afterwards, the tail of the giant beast rushed out of the water, then met Kai, and slapped it at once.

boom!

The power of the monster is great, and after hitting with Kai, Kai's body quickly retreated.

Kai was suspended above the water, looking at the giant beast, his eyes slightly condensed!

The moment the giant beast just touched, Kai knew that the giant beast had already given birth to a beast pill, and its strength was comparable to that of the fifth-grade martial arts.

If a martial artist with the strength of the fifth rank Wuzong fights with this giant beast, he will definitely lose.

It's just that the monsters have no thoughts, let alone fighting skills.

Batu saw that Kai was repelled by the monster, and his panicked look disappeared.

"Hahaha, Kai, you may be very strong on land, but in the water, your strength is greatly reduced, and you are not the opponent of my behemoth at all."

"You let me go now, and I will no longer care about you . , otherwise we will have a lose-lose situation..."

Batu just wanted to escape, he didn't want to really fight Kai.

"It's just a small monster, you want to talk to me with it? It's not worthy..."

A raging flame is burning on the Dragon Slaying Sword!

And Kai's whole body exudes golden light, like a god!

Seeing this scene, Batu's face instantly began to look ugly again.

And the giant beast seemed to be afraid of Kai and didn't dare to move forward.

"Take your life..."

Kai jumped up high holding the Dragon Slaying Sword.

The sharp sword energy raised waves several meters high above the sea.

Seeing this, Batu hurriedly controlled the giant beast and leaped out of the water.

Then the tail of the giant beast swept towards Kai.

With a wave of the Dragon Slaying Sword in Kai's hand, the tail of the giant beast was instantly cut off, and the blood stained a large area of the sea!

The giant beast wailed for a while, and its body fell heavily back to the surface of the water.

Batu's body fell from the head of the giant beast, and the giant beast wanted to escape from the water!

Kai's body rushed straight into the water from mid-air, and the Dragon Slaying Sword penetrated the body of the giant beast at once.

The Dragon Slaying Sword then slashed across the body of the giant beast, and a crystal clear beast pill floated in the water!

Kai opened his hand, took the beast pill in his hand, and then put it into the storage ring.

And Nabatu fled into the distance with desperate luck.

The corner of Kai's mouth raised slightly, and the Dragon Slaying Sword in his hand came out!

Pfft...

The Dragon Slaying Sword slid across Batu's body, and then returned to Kai's hands.

And Batu's body was cut off by laziness, and he fell heavily into the water.

Several sharks came and devoured Batu's body.

Good and evil will be rewarded eventually, it's not that the time has not come...

Chapter 1165

After beheading Batu, Kai lived on Skull Island.

It is a good place to practice cultivation.

At the same time, more than a dozen staff members drove the cruise ship to the shore!

Looking at the returning cruise ship, Jin Fusheng looked puzzled.

Because before departure, Kai had already said that the cruise ship would be allowed to wander overseas for a period of time, and he needed to practice.

But now that he came back so quickly, it seemed very abnormal.

It was only after Jin Fusheng called all the crew together that he understood what had happened.

However, Jin Fusheng knew Kai's strength, so he was not worried.

Instead, he gave those crew members a large sum of money, and then said with a cold expression: "Now you take the money and go on a trip!"

"No matter who asks you, you don't know anything, and you are not allowed to expose it. Get out of where Mr. Chen is."

"Otherwise, you will never stay in Nanhua City."

"Don't worry, Boss Jin, we won't say anything." With the

money, the staff all left.

Time passed day by day, and half a month passed in the blink of an eye.

In the past two weeks, the discussion on Kai on the martial arts forum has obviously not been as intense as before.

However, there are still several forces that are secretly investigating Kai's whereabouts.

In the past two weeks, Kai's strength has been greatly improved.

The current Kai has reached the strength of the eighth-rank Wuzong.

After giving him a period of time, it is not a problem to break through the peak of Wuzong and step into the half-step Wuhou.

It is even possible to step into the real Wuzong realm a few years ago!

That is, the Nascent Soul Stage of the Immortal Cultivation World.

If it really reaches this state, then Kai will become immortal.

As long as the Nascent Soul within the body is not injured, even if the physical body is severely damaged, it can slowly recover.

Now, apart from Jin Fusheng and the crew of the cruise ship, no one knows Kai's whereabouts.

Jin Fusheng, on the other hand, was tight-lipped and never mentioned Kai to anyone else.

But on this day!

Jin Fusheng basks in the sun in his yard.

Suddenly, several people in tight clothes broke in, and several members of the Jin family died tragically.

Jin Fusheng was startled and hurriedly got up and looked at the few people in front of him.

"Who are you?"

Jin Fusheng revealed panic in his eyes.

Because he can feel it, the strength of the few people in front of him is far stronger than him.

"Where is Kai?"

One person took a step forward and asked Jin Fusheng.

"What did you say? What Kai, I don't know!"

Jin Fusheng shook his head.

"Humph!" The man snorted coldly, and then waved, Jin Fusheng's body involuntarily came to the man.

"I'll tell you who I am, I'm the Tibetan Qing of Tianshamen!"

"Can you tell me now, where is Kai?"

Zang Qing held Jin Fusheng in one hand, his eyes cold.

As soon as he heard the words "Tianshamen", Jin Fusheng's legs instantly softened.

Tianshamen is a sect of evil cultivation. Although it was chased and killed, it has been hidden for the past two years, but the reputation of Tianshamen is outside, and almost everyone in the martial arts world knows it.

Who doesn't know that the evil cultivator's methods are cruel and bloodthirsty, and are not controlled by any martial arts rules at all.

"I... I really don't know!"

Jin Fusheng trembled, but he still didn't tell Kai's whereabouts.

Zang Qing smiled coldly: "Don't be in such a hurry to reject me, I'll give you three days back."

"If I haven't seen Kai in three days, I'll let you guys stay!" Zang

Qing After speaking, he let go of Jin Fusheng, then turned and left.

He did not kill Jin Fusheng, because after killing Jin Fusheng, no one would know Kai's whereabouts.

Seeing Tibetan Qing leaving, Jin Fusheng slumped on the ground instantly, caught in a dilemma!

Chapter 1166: Acting in a high profile

But after thinking about it again and again, Jin Fusheng explained a few words, and immediately went to the pier, got on the boat and sailed to the sea.

He is going to go to Kai, after all, he is risking the life of the entire Jin family, and he does not dare to bet!

Just after Jin Fusheng left, in a hotel room.

A disciple of Tianshamen hurriedly reported to Tibetan Qing.

"Sect Master, that Jin Fusheng just went out to sea by boat, so he should be looking for Kai." The

disciple reported.

"En!" Zang Qing nodded: "I didn't think that Kai was very smart, and he actually knew how to hide at sea. No wonder he couldn't find him for so long!"

During the time when Jin Fusheng went to sea to find Kai, Tibetan Qing posted the news of killing Kai on the martial arts forum.

Soon, the news spread in the martial arts world, and everyone was a little puzzled. Why did the Tianshamen, which has disappeared, suddenly show up and kill Kai?

In fact, Tibetan Qing doesn't want to be so high-profile. After all, they are evil cultivators. If they act in such a high-profile manner, they may be hunted down by other sect families.

But there is no way, what Zhu Zhishan asked, Tibetan Qing can only do it!

The reason why Zhu Zhishan wants to do this is to prevent people from doubting their martial arts alliance.

Kai died, and that was also done by Tianshamen.

Moreover, Tianshamen is an evil cultivator, and has nothing to do with the Martial Arts Alliance.

.....

Kyoto Dragon House!

Long Jingguo narrowed his eyes slightly after learning that the Tibetan Qing of Tianshamen was going to kill Kai: "It's getting more and more interesting, and even Tianshamen popped out."

"It seems that the treasure on Kai's body is indeed It makes people miss..."

Long Jingguo thought that Tianshamen Tibetan Qing wanted to kill Kai, but also for Longjing on Kai.

Although many aristocratic sects also want the dragon crystal on Kai, they are all decent and decent, and there is official control on them, so no one dares to publicly publish the news of killing Kai on the martial arts forum.

Even if these people wanted to kill Kai, they would act in secret and would not be so high profile.

Otherwise, it will soon be targeted by the authorities, not to mention that Kai is also a person that Mr. Shi pays special attention to.

But this Tianshamen is different. They are evil cultivators themselves, and they are not officially recognized at all.

So it doesn't matter to say that Kai was killed in such a high-profile manner.

"Patriarch, Tianshamen is so high-profile, is there something behind the scenes?"

Long Xingxu asked Long Jingguo in confusion.

After all, Xie Xiu is like a mouse crossing the street, everyone shouts and fights, and all the evil Xiu sects are hidden.

At this time, Tianshamen acted in a high-profile manner, there must be a reason.

"There may not be a backstage, maybe this Tibetan Qing has stepped into Wuhou."

"I remember that two years ago, this guy was already at the peak of Wuzong. Now count the time, it is very likely to enter the realm of Wuhou!"

"But this guy is indeed It's a bit high-profile, even if you step into the realm of Marquis Wu and act in such a high-profile manner, it is inevitable that you will be killed."

Long Jingguo said lightly.

"Then what should we do? Do we still need to send someone to deal with Kai in secret?"

Long Xingxu asked.

Long Jingguo waved his hand: "No need for now, even if we don't take action, then Kai will definitely not be able to live!"

Mr. Shi looked at Zao Wou-Ki and asked.

Zao Wou-Ki shook his head: "Mr. Shi, I really don't know where Kai is hiding."

"Mr. Shi, since Kai came to Kyoto, the world of martial arts in Kyoto has been turned upside down."

"I If you see it, you should drive him away. Now many martial arts families secretly want his life."

"This The Tianshamen suddenly appeared, such a high-profile act is the best example!"

Mr. Shi narrowed his eyes and said lightly.

Neither Xing Jun nor Zao Wou-Ki understood what Mr. Shi meant, so no one spoke.

"Captain Xing, you lead someone to track down the current location of Tianshamen Tibetan Qing, and lead someone to arrest these guys!"

"These evil cultivators are so high-profile, this is a provocation to our officials."

Mr. Shi ordered.

"Follow the order!" Xing Jun led the order to leave.

"Mr. Chen, please save my family..."

After Jin Fusheng said, he knelt in front of Kai.

Kai raised his palm lightly and lifted Jin Fusheng up, and then asked, "You first explain what happened?"

Jin Fusheng followed Kai to repeat the threat of Tibetan Qing.

Listening to Tianshamen and this navy blue, Kai felt very unfamiliar.

After all, when Tianshamen disappeared, Kai never came into contact with the martial arts world.

"Mr. Chen, these evil cultivators have no humanity. Now only Mr. Chen can save my family!"

Jin Fusheng now put all his hopes on Kai.

"Don't worry, I won't let anyone hurt your family, I'll go back with you now!"

Since the Jin family is in danger for themselves, Kai will not sit idly by.

Kai got on the boat and rushed back to Nanhua City with Jin Fusheng!

Just when Kai and the others were on their way back, Zang Qing led someone to bloodbath the Jin family!

Dozens of people were killed, and the girl from the Jin family many years ago was humiliated before she died!

For these evil cultivators, killing people is a normal thing.

The entire Jin family was shrouded in blood, like a purgatory!

Just as Tibetan Qing was about to leave Jin's house, several people in uniforms approached.

"The law enforcement team?"

Zang Qing frowned instantly when he saw the person coming.

And Xing Jun looked at the corpses of the Jin family, his face became ashen, and his eyes burst into anger.

"Zang Qing, I let you escape a few years ago, but I didn't expect you to show up and kill unscrupulously."

"Today, I must take you back and sentenced to death..."

Xing Jun gritted his teeth and said word by word.

And the other law enforcement members are also furious!

"Xing Jun, I haven't seen you for many years, but your strength has not increased. You injured me back then, but now I just want to take revenge!"

After saying that, the aura on his body skyrocketed, and then he punched Xing Jun!

Seeing this, Xing Jun frowned, and then a halo began to flash around his body!

The silver halo, like a wave of light, continued to spread.

At the same time, the other law enforcement team members threw a golden rope in their hands!

Several ropes were instantly woven into a large net in the air, shrouded in the dark blue.

As long as it is covered by this big net, no matter how powerful the evil cultivator is, there is no way to escape.

Chapter 1168

After seeing the big net, Zang Qing suddenly retreated, and said with a look of disdain: "Xing Jun, don't you dare to fight me one-on-one? You are using this net to catch me?"

"Xie Xiu has nothing to do single-handedly, my mission is to catch you back!"

The halo on Xing Jun's body flew towards Zang Qing one by one.

A halo covered the dark blue body.

"If that's the case, then I won't play with you..."

Zang Qing shrank suddenly, escaped from the halo, and then jumped up and fled towards the wall.

But just as Zang Qing jumped up, a figure suddenly appeared in front of him.

Immediately afterwards, he kicked the body of Tibetan Qing fiercely.

Tibetan Qing's figure instantly fell to the ground, and then smashed a huge pit on the ground.

Zang Qing stared at the figure that suddenly appeared, his eyes slightly condensed.

"Kai?"

When Zang Qing saw the person coming, there was a dignified look on his face.

If he was asked to deal with Xing Jun and Kai at the same time, he would definitely not be an opponent.

"Wife..."

"Son..."

Jin Fusheng entered the yard, and after seeing the corpses in the yard and the tragic state of his own relatives, he rushed up in tears.

Jin Fusheng was holding the corpses of his wife and children in his arms, crying up to the sky!

Kai's face was extremely gloomy, and his murderous aura instantly enveloped the entire Jin family.

At this time, Xing Jun looked at Kai who suddenly appeared, and the expression on his face was a bit complicated.

He still remembered the first time he saw Kai, at that time Kai was still an insignificant guy in his eyes.

If Long Wu hadn't rescued Kai, Kai would have been killed long ago.

But look at Kai today, just a few months.

Kai's strength has grown to the point where he takes it seriously.

Jin Fusheng cried bitterly, his whole person seemed to be insane.

"Zang Qing, I killed you..."

Jin Fusheng suddenly charged towards Tibetan Qing.

At this time, Jin Fusheng was no longer afraid, and his only thought was to avenge his relatives.

"Don't..."

Seeing this, Kai hurriedly wanted to stop Jin Fusheng.

But it was already too late, Jin Fusheng rushed in front of Zang Qing, but before he could make a move, he was slapped on the head by Zang Qing, instantly smashing his head!

Seeing this, Kai clenched his fists tightly, his teeth rattling.

"Zang Qing, you are too arrogant. You dare to hurt people in front of me. If I don't take you back today, I don't deserve to be the captain!"

" He pulled out a silver whip.

But when Xing Jun was about to attack Tibetan Qing, he was stopped by Kai.

"What are you doing?"

Xing Jun frowned and asked Kai.

"He's mine, none of you can kill him..."

Kai said coldly with his eyes cold.

"Bold, this Tibetan Qing is an evil cultivator. I was ordered by Mr. Shi to arrest him."

Xing Jun didn't expect Kai to dare to talk to him like this.

Kai's eyes burst into cold light: "I said, only I can kill him, if anyone dares to do it, don't blame me for being rude..."

The killing intent on Kai's body continued to rise, and his eyes began to turn scarlet!

As if enchanted, the six relatives do not recognize it!

Seeing Kai like that, Xing Jun was startled for a moment, but he retreated.

Seeing this, the azure blue immediately showed smugness on his face!

If he is alone, he is not afraid of anyone here.

"Today, I'm going to kill you and avenge the dozens of Jin's family..."

Kai looked at Zang Qing and said indifferently.

"Hmph, it

's up to you..." After Zang Qing finished speaking, his aura suddenly exploded.

Immediately afterwards, like a gust of wind, the tiles on the roof kept rolling and flying.

A man like none other and the man decree (chinese) Chapter 1169-1170

Chapter 1169 Who is better?

The strength of the half-step Wuhou was instantly revealed. Although it was only one step away from the peak of Wuzong, the half-step Wuhou's breath was obviously much stronger.

But this powerful aura had no effect on Kai.

At this moment, Kai's momentum was like a rainbow, and he remained motionless.

Seeing this, Zang Qing's momentum soared again, and Kai's body was shocked at this moment, and a majestic golden light erupted from his body.

In an instant, the two breaths collided together, producing a violent explosion.

At this moment, the sky and the earth changed color, the sun and the moon were dull, the whole earth was shaking, and the Jin family's villa began to collapse!

Everyone was affected by this huge energy, and they started to retreat one by one.

And Xing Jun waved his hands, and a huge force surrounded him, making the scope of the explosion as small as possible.

"Kai, don't fight here, otherwise the entire Nanhua City will be destroyed by both of you..."

Xing Jun's face became very ugly, he gritted his teeth, and tried to wave a wave of light to offset the The aftermath of the collision between Kai and the Tibetan blue breath.

Seeing this, Kai hurriedly put his hand away, and then looked at Zang Qing coldly: "If you have the ability, let's go to the suburbs, do you dare?"

Kai jumped in an instant, and then saw an afterimage heading straight to the barren hills in the suburbs.

Tibetan Qing followed closely, and the speed was also extremely fast.

Xing Jun let out a long sigh, and then led someone to chase after him.

At this moment, Kai and that Tibetan Qing had already reached the barren mountain.

As soon as the Tibetan Qing arrived, he immediately launched an attack!

With endless coercion on him, he headed towards Kai like a mountain.

The terrifying aura made the rocks fly across the barren mountain, and the entire mountain began to crumble.

Immediately afterwards, the endless coercion condensed on the top of Kai's head.

An unparalleled giant hammer appeared above Kai's head!

The giant hammer seemed to fall from the sky, shining with golden light.

Above the giant hammer, one after another lightning flashed across, and then slashed down.

In an instant, the ground made a rumbling sound, the rocks and trees were destroyed, and Kai's body also seemed to be scorched at this moment, giving off a smoky smell.

Xing Jun at the foot of the mountain, looking at the scene in front of him, his face instantly condensed.

"The strength of this Tibetan Qing is so fast, it is too strong..."

Xing Jun did not expect that the growth rate of Tibetan Qing in the past few years was obviously much faster than his.

Evil cultivators practice qigong, and their strength grows rapidly. Otherwise, why would there be so many people who would take the risk of not chasing them and practise wicked qigong.

"Captain, I'm afraid this Kai is not the opponent of that Tibetan Qing at all, right?"

A law enforcement member asked Xing Jun, looking at the scene in front of him.

"It's hard to say now. Although Kai has an undead golden body, the strength of this navy blue is almost close to Marquis Wu. It's hard to say who is better!"

Xing Jun stared at the man on the top of the mountain. fighting.

At this moment, Kai's body began to flash with golden light, and pieces of golden scales grew out of Kai's body, like an armor on Kai's body.

Rumbling.....

Another flash of lightning struck Kai, and Kai jumped up under tremendous pressure.

Immediately afterwards, Kai made a fist with his right hand, and the entire fist was wrapped in golden light.

"Holy Light Fist..."

Kai punched out, and smashed it hard on the giant hammer that had condensed out!

When Kai's fist touched the giant hammer, the condensed giant hammer instantly shattered, turning into a little white light and disappearing.

And Kai's figure is in mid-air, like a goddess descended from the earth, looking down at all things in the sky!

Xing Jun looked up at Kai, his eyes full of horror: "This Kai's strength is really hard to fathom, he is indeed a genius, no wonder Mr. Shi values him so much!"

Chapter 1170

"It's no wonder that so many people want to kill you." Zang Qing stared at Kai: "If you let you develop, the martial arts world will probably

be reshuffled!"

A dazzling golden light began to flash, and this golden light followed Kai, and some even fought!

Afterwards, Tibetan Qing's entire body seemed to be enveloped in golden light armor.

"Look at how powerful my Holy Body Art is, or how powerful your undead golden body is..."

After Zang Qing finished speaking, his body began to exude endless power, and the rolling energy began to rise. After an angry shout, he rose into the sky.

Tibetan Qing's body was like a rocket that was launched, with a tail flame behind him, rushing towards Kai extremely fast.

I thought the speed was too fast, so that there were bursts of breaking sounds in the sky, and the sound was incessant, so that others hurriedly covered their ears.

Kai looked at Zang Qing who was rushing over, his body fell rapidly, and he even collided with Zang Qing.

The two of them will rely on speed and strength to make their body harder than the other.

The sound of metal collision came out, and the stones on the entire mountain were instantly turned into powder by the sound waves emitted.

But Tibetan Qing was dizzy, and his internal organs began to tumble.

Pieces of golden light fell from the air, and pieces of scales were mixed with the golden light!

But these golden lights and scales disappeared instantly after falling to the ground!

"Come again..."

Zang Qing shouted angrily, and then slammed into Kai fiercely.

Clang...

clang...

The two people turned into two golden streamers, colliding and separating in mid-air, colliding...

Others were stunned when they saw this scene.

They have never seen such a competition before, where is this fight, it is simply the most primitive collision.

Xing Jun is more and more frightened, he is thinking, if it is himself at this moment, can he resist the collision of Tibetan Qing or Kai alone?

In the end, the answer Xing Jun got was no.

With such a collision, Xing Jun estimated that he would not be able to hold on at all, and his physical body was not so indestructible.

Soon, the golden light on Tibetan Qing's body dimmed, his face became a little ugly, and he was panting heavily.

Such a collision is too exhausting.

"Kai, at such a young age, he has such strength. He is really a genius. I can just use your skills to help me leap to the realm of Marquis..."

Zang Qing gasped and looked at Kai and said.

He wants to defeat Kai, and then absorb Kai's skills to help himself cultivate.

If you can absorb Kai's power, it can be hundreds of times stronger than the essence of ordinary people.

"That's exactly what I mean. A strength like yours can just help me cultivate..."

Kai looked at Zang Qing coldly.

Kai also had this intention for a long time. He wanted to absorb all the cultivation base of Tibetan blue and use it for his own use!

If it is just an ordinary Wuzong, it will not help Kai's current cultivation.

But for a half-step Marquis like Tibetan Qing, the help would be different.

"You can also absorb the power?" Zang Qing looked at Kai in surprise: "Could it be that you can't succeed in practicing evil power?"

"Hmph, how could I be the same as you evil practitioners."

Kai snorted coldly with disdain: "You evil cultivators, in order to cultivate, are no longer human, and you are not even as good as beasts."

"Presumptuous!" Tibetan

Qing was furious: "In this world, force is the most respected, as long as my strength is high, who dares to say me?"
