A man like none other and the man decree (chinese) Chapter 1101-1102

Chapter 1101

"How could I lie to Young Master Ning? If Young Master Ning goes and finds out that I lied to you, you can slap me to death..."

Uncle Zhong hurriedly shook his head.

This time, Ning Zhi's heart was moved. One hour of practice in the tower was equivalent to one day of practice outside. He had never heard of such a thing, and Gu Kaiyuan had never told him.

In this way, Gu Kaiyuan still had reservations about him, and did not tell him all his secrets.

"Okay, I'll trust you once..."

Ning Zhi nodded, then led someone to follow Uncle Zhong to the Gu Family Manor!

Soon, when several people arrived, they were stunned by the sight in front of them.

I saw the manor of thousands of acres, which has long been in ruins at this moment, and there is no complete building at all, and there are broken walls and deep pits everywhere.

On the northernmost side of the manor, a tall tower stands, and the old tower exudes a quaint atmosphere.

"Patriarch..."

Uncle Zhong looked at the pile of human-shaped ashes on the ground, and immediately realized that it was Gu Kaiyuan!

After all, after being with Gu Kaiyuan for so many years, he can recognize it even if it turns into ashes!

"It seems that we are late, then Kai killed your master and escaped..."

Ning Zhi said, but his eyes kept scanning on the Demon Suppression Tower.

At the first sight of the town magic tower, Ning Zhi was attracted by the quaint atmosphere of the town magic tower!

"Young Master Ning, you have to avenge our family master..."

Uncle Zhong was full of tears, and no one would have thought that when he left Gu Kaiyuan and fled just now, he didn't hesitate at all.

"Don't worry, I want to see if what you said is true first."

Ning Zhi said it, and walked directly into the town magic tower.

Inside the tower, the rich aura was constantly invading Ning Zhi's body, causing Ning Zhi's blood to boil!

Unconsciously, Ning Zhi sat cross-legged, and the energy in his dantian began to run fast!

It also felt that after an hour, Ning Zhi felt that his whole body was full of power!

"Hahaha, it really is a pagoda. Gu Kaiyuan, this guy has such a good thing, he actually hid it by himself..."

Ning Zhi walked out of the tower, but found that it was already dark.

Ning Zhi was stunned for a moment, then looked at his subordinate and said, "How long have I been in?"

"Master, you have been in for a day!"

said the subordinate.

"One day?" Ning Zhi was shocked, he didn't expect this to be true.

No wonder his body was full of strength. It turned out that he had practiced for a day, not an hour, but he clearly felt that it would soon pass, and the time in the tower was very short.

"Mr. Ning, I lied to you beautifully. After seeing our Patriarch's death, there is no need to activate this Pagoda. It has already started by itself."

Uncle Zhong said quickly.

"Hahaha...hahaha..."

Ning Zhi frantically raised his head and laughed, his eyes exuding frenzy!

"You did a good job. Since Gu Kaiyuan is dead, then this place has become a land without owners. I will invest in you, and you can rebuild this place. In the future, this place will be the affiliated family of my Ning family..."

Ning Zhi said to Uncle Zhong.

When Uncle Zhong heard this, he hurriedly knelt down, and kowtowed repeatedly to thank him: "This old man is willing to go through fire and water for Ning Gongzi..."

"You guys keep me outside, I'm going to retreat, I believe it won't be long before I can reach the peak of Wuzong, and even reach the strength of a half-step Wuhou, when I truly break through the realm of Wuhou, the younger generation in the entire Kyoto, I am the only one, Long Xiao is still a fart..."

Chapter 1103 Samurai_

Kyoto Budo Alliance!

In front of Zhu Zhishan stood five island warriors in kimonos and katana swords!

These five people are the killers sent by the Watanabe family!

Everyone's strength is above the eighth-rank Martial Sect, and everyone's face is grim!

"Leader, these are the people sent by the Watanabe family, but in the past few days, there has been no news of Kai, and I don't dare to let them walk around at will. The Dharma Protector Pavilion has decent people looking for them everywhere!"

Guo Wei said to Zhu said the mountain.

Zhu Zhishan looked at the five killers sent by the Watanabe family, and the corner of his mouth suddenly raised a touch of disdain.

"I heard that the Watanabe family is a famous family in the island country, and they sent five powerful killers. Could it be that the Watanabe family has such strength?"

Zhu Zhishan did not think that the five killers were only above the eighth-rank martial arts sect. , can kill Kai.

Although the eighth-rank Wuzong is only one step away from the peak of Wuzong, the cultivation path, in this small realm, is very different in strength!

The peak of Wuzong is also one step behind the half-step Wuhou, but the strength is very different.

And half-step Wuhou stepped into the realm of Wuhou, then it reached another level.

As a Marquis of Wu, he already has the strength to establish a sect in Kyoto.

Suddenly, one of the warriors glared at Zhu Zhishan: "Our Watanabe clan's masters are like clouds, but we just killed a small Daxia person, we don't need to send our clan masters..."

" ...

Zhu Zhishan waved his hand, and instantly a burst of energy swept the warrior's face!

The samurai was directly swept away.

"Damn, if it wasn't for me, you guys would have been fucking prisoners long ago, how dare you fight me?"

Zhu Zhishan's face was gloomy.

There are just a few rank eight Wuzong warriors, but Zhu Zhishan is not used to them.

Then the samurai who was slapped could only glare at Zhu Zhishan, not daring to say anything!

Zhu Zhishan slapped, obviously letting them know the strength of Zhu Zhishan.

"I wish the alliance leader, they are all servants, why are you so arrogant..."

At this time, Nagamura Masao walked in with a faint smile on his face.

Seeing Nagamura Masao, Zhu Zhishan showed a smile: "Ambassador Nagamura, these warriors in your island country are not very strong, but their tempers are not small. They dare to gossip with anyone..."

"Hahaha, I wish the leader of the alliance not to care about it, I will naturally teach them a lesson when I go back..."

Masao Nagamura laughed.

"Mr. Ambassador..." When the

five island warriors saw Masao Nagamura, they hurriedly bowed respectfully.

Snapped!

Nagamura Masao slapped the samurai who was disrespecting Zhu Zhishan just now!

"I tell you, in the island country, I don't care how rampant your Watanabe family is, but this is Daxia, if you want to survive, please calm down a little bit. Don't leave your life here before the task is completed."

Nagamura Zhengxiong said with a cold face and loudly reprimanded.

The few island warriors did not dare to breathe. Even if the Watanabe family was arrogant, they did not dare to follow the official, and Nagamura Masao was the official representative of the island.

"Hi!"

Several samurai replied quickly.

"Ambassador Nagamura, you don't have to teach them in front of me anymore. I've already done the things you entrusted to me, and now you can take them away..."

Zhu Zhishan took a lot of danger before he These killers secretly entered the territory, and now these people are hot yam.

After Masao Nagamura took these people away, Zhu Zhishan could feel more at ease.

"I wish the leader, where is Kai now? I hope the leader will pay more attention. The leader also wants to kill that Kai, doesn't he?"

Nagamura Masao smiled slightly towards Zhu Zhishan.

Zhu Zhishan waved his hand: "Then where is Kai, how can I know, you can check it yourself..."

Chapter 1104

"I wish you all the best, I hope you'd better help me. If you let me check it myself, let the people in the Protector Pavilion know, and arrest a few of them, if they are tortured to extort confessions, I can't guarantee whether they will take you or not. Go out..."

Nagamura Masao smiled, but there was a strong sense of threat in his tone.

Zhu Zhishan's face turned cold in an instant, and he frowned tightly: "You threaten me?"

"No, no, no, the leader of the alliance misunderstood me, I just kindly reminded you..."

Nagamura Masao always had a smile on his face.

Zhu Zhishan did not speak, and looked at Nagamura Masao coldly, but he knew that he was caught by Nagamura Masao.

After a while, Zhu Zhishan slowly opened his mouth and said, "I will send someone to check. I believe that in a few days, I will know where Kai is..."

"Then I would like to thank the leader of the alliance... .." Masao Nagamura bowed his hands!

"But let me remind you that these killers you sent are just a joke. They may not be able to kill Kai..."

Zhu Zhishan reminded.

"I don't have to worry about it. Although the five of them are not strong, when the five of them join forces, even a peak Wuzong like Director Guo is not necessarily an opponent."

Masao Nagamura looked confident.

"Well, that's good!" Zhu Zhishan nodded.

.....

Kyoto Dragon House!

Long Xiao's defeat in the battle brought the Long family a complete disgrace, and also made Long Xiao, the most talented person of the younger generation, the laughing stock of everyone.

You must know that the Long family has many affiliated families all over the place!

After Long Xiao was defeated, many affiliated families announced their separation from the Long family, and the market value of the Long family in the business world also evaporated a lot in an instant.

"Damn Kai, I will make him pay the price sooner or later..."

Looking at the seriously injured Long Xiao, Long Jingguo gritted his teeth, his eyes full of anger!

"Patriarch, Master Dingchan is here..."

Long Xingxu walked in and said to Long Jingguo.

"Come in quickly..."

Long Jingguo hurriedly stood up to greet him!

At this time, Master Dingchan walked in in a hurry, and when he saw Long Xiao lying on the bed, his eyes burst out with anger!

"Master..."

Seeing Master Dingchan coming, Long Xiao burst into tears.

Long Xiao could still bear the pain on his body, but it was too embarrassing, he couldn't afford to lose this person!

"Teacher, you don't need to cry, I'll check your body later..."

Master Dingchan grabbed Long Xiao's wrist and punched Long Xiao's body with a burst of energy.

After a while, Master Dingchan's face became very ugly.

"It's so vicious, it actually shattered all Long Xiao's bones, this Kai is just damn..."

Master Dingchan gritted his teeth and said viciously.

"Master Dingchan, do you have any panacea to help Xiaoer get better as soon as possible?"

Long Jingguo hurriedly asked.

"In this situation, I'm afraid I can only ask people from Yaoshengu to take action. After all, they are experts in this area..."

said Master Dingchan.

As soon as he heard the Medicine God Valley, Long Jingguo's expression became difficult to look at.

Compared to him, Yaoshengu is obviously standing in Kai's team. Although I don't know what the relationship between Kai and Yaoshengu is, it can be seen that Yaoshengu attaches great importance to Kai.

"What? Your Long family can't even invite people from Medicine God Valley?"

Seeing Long Jingguo's ugly face, Master Dingchan asked.

"Hey, I'm not satisfied with Master Dingchan, we invited the people from Yaoshengu, but Yaoshengu did not refuse, but this time I'm afraid it will be difficult, that Yaoshengu doesn't know what it has to do with Kai, this time Bi Lei actually stood Kai's team."

"If we go to Yaoshen Valley to invite people now, wouldn't we be making fun of ourselves?"

Long Jingguo sighed and said helplessly.

"Is there such a thing?"

Master Dingchan frowned slightly, but then said: "If that's the case, then I'll go there in person, no matter what the relationship between Yaoshengu and Kai is, I believe it will always give me some face. "

That's a big thank you to Master Dingchan, how could Yaoshengu not give face when Master Dingchan came forward..."

Long Jingguo said excitedly.

Master Dingchan left after saying a few words to Long Xiao.

After Master Dingchan walked back, Long Jingguo looked at Long Xingxu and asked, "Have those killers from the Watanabe family already entered the country?"

Long Xingxu nodded: "Yes, he is already in Kyoto, and has been protecting the Dharma for the past two days. The pavilion is looking for these killers everywhere, and I heard that Mr. Shi is very angry, and he is also secretly tracing who brought these killers in."

"Hmph, it still needs to be investigated, it must be the martial arts alliance who came in, and Zhu Zhishan wants it most. Kai is dead."

"But the head of the family, there have been rumors recently that our Long family secretly colluded with the Watanabe family and secretly brought in those killers in order to kill Kai and avenge the eldest young master..."

"f*ck!" Long Jingguo scolded angrily: "I want to kill that Kai, why use the killer of the Watanabe family, is there no one in our Long family? Only Zhu Zhishan and the others, for the reputation of shit, so to do such a thing..."

However, despite the scolding, Long Jingguo was still worried that such rumors would make the government focus on him.

After all, this kind of thing is not a joke. If evidence is caught, it may be fatal!

"You made a statement for our Long family on the Martial Dao Forum, sternly condemning the collusion with the island country's killer, and sent someone to inquire about Kai's movements. After knowing his whereabouts, let the wind out..."

If those island country killers could really kill Kai, Long Jingguo would not have to send someone to do it himself. The last time he sent a few guardians, there was no news after that, and it was obvious that he was killed by Kai.

"Yes!" Long Xingxu nodded.

"Go get my tiger tendon whip..."

Long Jingguo ordered.

Long Xingxu nodded, he knew that Long Jingguo wanted a tiger tendon whip, and he must have vented his anger at Long Ruotong.

Kai is Long Ruotong's son. Now that Kai has beaten Long Xiao like this, Long Jingguo can only vent his anger at his sister.

Soon, Long Xingxu took the tiger tendon whip and followed Long Jingguo to the dungeon of the Long family!

In the dimly lit dungeon, Long Ruotong sat there dumbfounded. If it wasn't for Kai's concern in her heart, she might not be able to last for so many years.

She didn't want to die, and she never saw her son!

This is also the reason why Butler Long took the risk and told Long Ruotong the news of Kai. He just hoped that Long Ruotong could persevere.

As long as you persevere, there is hope...

The door of the dungeon was opened, Long Jingguo walked in slowly, Long Xingxu followed behind with a tiger tendon whip, not daring to look directly at Long Ruotong!

Long Ruotong was imprisoned here. Few people in the entire Long family knew about it. Long Xingxu was regarded as the younger generation of the Long family. Inside the dungeon.

Outsiders don't even know about the Long family. After all, this kind of thing is not a glorious thing.

Poisoning his own father and imprisoning his own younger sister would be insulted and ridiculed, so Long Jingguo kept it a secret.

Of course, there is another reason for concealment, and that is the secret he has always wanted to know. As for what this secret is, Long Xingxu does not know, and it is estimated that only Long Jingguo and Long Ruotong know it.

Seeing that Long Jingguo came with a tiger tendon whip, Long Ruotong instantly understood something, got up slowly, and his face was full of indifference!

For more than 20 years, she has experienced everything she should have experienced, and nothing can make her change again!

Looking at Long Ruotong's indifferent appearance, Long Jingguo became even more angry, took the tiger tendon whip, and beat Long Ruotong fiercely.

A bloody wound appeared in an instant, shocking.

However, the expression on Long Ruotong's face did not change in the slightest, and he did not even frown, as if the whip was not on him.

"Your goddamn savage son is very capable, and he actually injured Xiao'er. I will catch him sooner or later and reunite you mother and son..."

Long Jingguo gritted his teeth and beat the tiger's tendon whip in his hand!

When she heard Long Jingguo mention her son, Long Ruotong's face changed slightly. She wanted to ask how her son was.

But in the end she didn't open her mouth, she knew that even if she asked, she would not get anything from Long Jingguo's mouth.

Long Jingguo beat Long Ruotong to let out his anger, while Long Xingxu took out his mobile phone and quietly recorded the video!

Long Xingxu's forehead was covered in cold sweat, and his hands were shaking slightly. He was desperate, if Long Jingguo knew that he was recording, he would definitely kill him on the spot.

However, Long Xingxu took the risk and secretly videotaped, and the reason why he did so had his own plans.

Long Xingxu knew it would be difficult if he quietly took away the position of Lord Longjing by his strength, and he might never have a chance in his life!

So he needs helpers who can help him destroy Long Jingguo and his son.

After Long Jingguo beat Long Ruotong fiercely, he let out a little breath, threw the tiger tendon whip in his hand to Long Xingxu, and walked out of the dungeon.

Long Xingxu also hurriedly followed.

Long Ruotong, who was covered in scars, sat down slowly. It took a long time for these injuries to heal slowly.

Here, all of Long Ruotong's strength is limited, he is just an ordinary person, it will take a long time for all these injuries to heal...

After walking out of the dungeon, Long Xingxu left, but just after walking out of Long's house, he recorded video posted.

He recorded this video and wanted to send it to Kai. Only in this way would it irritate Kai even more and make Kai follow Long Jingguo and his son forever. It would be better if he could kill Long Jingguo and his son!

It's just that Long Xingxu didn't know Kai's contact information, so this video was sent to Long Wu. After all, Long Wu used to be from the Long family, and he also knew Long Xingxu.

Long Xingxu knew that Long Wu would definitely be able to contact Kai. When Kai saw this video, he would definitely be furious!

"Who knows..."

Long Wu said, opening the message.

When the video jumped out, Long Wu was stunned.

When he looked at the picture, Long Ruotong was severely beaten, his body trembled involuntarily, and the anger in his eyes rose.

If Long Wu didn't lose his strength now, he would kill the Long family without hesitation!

Even if you risk your own life, you must have a good toss in the Long family!

The Long family has a profound background, and the elders are all at the peak of Wuzong, not to mention Long Jingguo himself. Now no one knows what strength Long Jingguo has reached.

Wu Mei'er looked at Long Wu strangely, but did not ask any more, but stepped forward and gently supported the trembling Long Wu!

At this moment, Kai, who was in retreat in the room, suddenly opened his eyes, and Kai's forehead was covered in cold sweat!

He was soaked all over. When he was cultivating, he had never been in such a situation!

I don't know why, but at this moment, Kai felt that his heart was tightly tugged together, as if he was being pulled by something!

"What's going on?"

Kai frowned, his face a little bad!

He wanted to immerse himself in cultivation, but he couldn't calm down.

Slowly getting up, Kai walked out of the door, he wanted to calm down.

At the same time, in Taniguchi of Yaoshen Valley, Yu Dongzheng led people to guard Taniguchi.

A man wearing a Taoist robe and walking fast approached quickly!

"Who? This is Medicine God Valley, outsiders are not allowed to enter..."

Yu Dong hurriedly shouted when he saw the person coming!

"I am Master Dingchan, and I came to the Medicine God Valley to find a doctor and ask for medicine..." The

person here was Long Xiao's master, Master Dingchan. In order for Long Xiao to recover as soon as possible, he could only come to the Medicine God Valley in person.

Hearing that it was Master Dingchan, Yu Dong immediately became extremely respectful.

"It turned out to be Master Dingchan, please wait later, I will immediately invite the elders out..."

After Yu Dong finished speaking, he hurriedly turned around and ran towards the Medicine God Valley.

Master Dingchan found a big rock and sat down to rest!

Looking for it all the way, Master Dingchan has not stopped for the sake of speed.

It can be seen that he cares about Long Xiao very much, and he almost regards Long Xiao as his son.

Soon, Xu Changsheng came in a hurry, and after seeing Master Dingchan, he hurried forward: "Master Dingchan, what do you need, why do you need to run by yourself, and instruct the servants to let me know, I will give Master Chan to send it directly. That's it."

Master Dingchan laughed, and for Xu Changsheng's attitude, Master Dingchan was very happy.

"Elder Xu, one of my disciples was severely injured and his bones were all broken, so I came here on purpose, hoping that you might have some panacea in Medicine God Valley to help my disciple recover..."

Master Dingchan asked.

Chapter 1108 Are you the master of Yaoshen Valley? _

"The injury is so serious?" Xu Changsheng was stunned for a moment, but then said: "But it's not that there is no way to heal, just use the black jade ointment intermittently, within ten days, Master Dingchan's apprentice will definitely be safe... .."

"Really?" Master Dingchan was overjoyed: "If that's the case, then ask Elder Xu to help me get some black jade ointment. As for the price, Elder Xu can ask for as much as he wants.

"Master Chan, this is not a question of money, because this black jade paste can only be refined by our Valley Master, so it will take some time."

Xu Changsheng explained.

"Then ask Elder Xu to explain to you Gu Master as soon as possible that if I can really heal my disciple this time, not only do I owe you Yaoshengu's favor, but I believe the Long Family will also thank you very much,"

said Master Dingchan.

But just after Master Dingchan finished speaking, Xu Changsheng's expression suddenly changed.

"The person that Master Dingchan wants to see is not Long Xiao from the Long family, right?"

Xu Changsheng asked.

"That's right, that Long Xiao is my disciple. This time, he was beaten seriously by Kai, so he needs your Yaoshengu's help, but I know that your Yaoshengu and Kai seem to have some relationship..."

Ding Master Chan said lightly and directly admitted.

"If that's the case, then I'm sorry, Master Dingchan, please come back..."

After Xu Changsheng finished speaking, he turned around and thought about walking into the Medicine God Valley.

This time, Master Dingchan was stunned, and then a momentum burst out from his body, and then directly blocked Xu Changsheng's way.

"Elder Xu, what do you mean?"

Master Dingchan asked with a cold face.

"Our Medicine God Valley will not treat the people of the Long family, especially that Long Xiao..."

Xu Changsheng said blankly.

"Why? Could it be that your Yaoshengu and the Long family have a festival? If there is any misunderstanding between the Yaoshengu and the Long family, I can help to make peace and let the Long family apologize..."

Master Dingchan still didn't understand, Xu Changsheng Why do you hate the dragon family so much!

"Master Dingchan doesn't need to say any more, you should go back, we can't see Long Xiao's illness..."

Xu Changshi's attitude was tough, and there was no room for negotiation.

"What if I must let you see it?"

Master Dingchan's face turned cold, followed by a tyrannical aura that enveloped Xu Changsheng.

Facing Master Ding Chan, Xu Changsheng had no power to fight back, so he didn't plan to struggle.

"Even if you kill me, or even kill everyone in our Medicine God Valley, we won't treat Long Xiao..."

Xu Changsheng said calmly.

At this time, many people in Yaoshengu had already rushed out, and they all surrounded Master Dingchan.

Master Dingchan did not panic at all, but stretched out his hand and stuck it directly on Xu Changsheng's neck.

"Believe it or not, I can send you to hell now?"

Master Dingchan's eyes narrowed slightly, and his body was full of killing intent.

Xu Changsheng closed his eyes slightly and said nothing.

Seeing this scene, Master Dingchan was about to die of anger, gritted his teeth and said, "I'm asking you again, do you want to see a doctor for Long Xiao?"

"No!" Xu Changsheng said decisively.

"If you don't look, I'll kill you..."

Master Dingchan suddenly exerted force in his hands, causing Xu Changsheng to breathe quickly and his face changed.

"Damn, dare to go wild in my Medicine God Valley..."

At this moment, a sharp sword qi suddenly attacked and slashed directly at Master Dingchan's arm.

Master Dingchan was startled, let go of Xu Changsheng, and retreated abruptly.

"Valley Lord..."

Seeing that Kai was coming, all the people in Yaoshengu shouted in unison.

Master Dingchan frowned, "Are you the Valley Master of Medicine God Valley?"

Chapter 1109

"You old man, you should have an attitude of asking for help. Are you relying on your own strength to deceive me that there is no one in Yaoshengu?"

Kai stared at Master Dingchan and said in a cold voice.

Master Dingchan gritted his teeth, but in the end he held back his anger, but clasped his fist at Kai and said: "Gu master, I invite you people from Medicine God Valley to save my apprentice, as long as you medicine God Valley is willing to take action, the conditions are arbitrary. You mention it!"

"Bah, even if you give Lao Tzu Jinshan Yinshan, Lao Tzu will not heal that Long Xiao, he was injured by me, do you think I will go to heal him?"

Kai Leng He smiled coldly.

Master Dingchan was stunned for a moment and looked at Kai in disbelief: "You... are you Kai?"

"Yes, I am Kai!"

Kai nodded.

This time, Master Dingchan was even more confused. He never imagined that Kai would be the valley owner of Yaoshen Valley.

how can that be?

"How can you be the Valley Master of Medicine God Valley?"

Master Dingchan turned his gaze to Xu Changsheng. Although Master Dingchan had never met the Valley Master of Medicine God Valley, he had dealt with Xu Changsheng.

"You don't have to look at me, this is the valley owner of our Medicine God Valley..."

Seeing Xu Changsheng saying this, Master Dingchan couldn't help but look at Kai in disbelief.

The last gritted teeth: "Boy, you hurt my apprentice, I will avenge this revenge sooner or later. I can heal my apprentice's injury without your Medicine God Valley..."

After Master Dingchan gave Kai a vicious look, Angrily, he left.

After Master Dingchan left, Xu Changsheng was a little worried: "Gu Master, let this guy go, then your whereabouts in Yaoshen Valley will be exposed, maybe someone will hurt you..."

"The soldiers will stop the water. Soil cover, let alone with our current strength, I'm afraid we won't be able to keep this guy..."

Kai could feel that this Master Dingchan was very powerful.

Xu Changsheng didn't speak, and he knew that Kai was right. Even if they all started together in Medicine God Valley, if they wanted to keep Master Dingchan, they would have to pay a painful price.

"Kai, what happened just now?"

At this time, Long Wu came over accompanied by Wu Meier.

Then Gu Linger and Xiaolan also came.

"Uncle Long, it was Long Xiao's master who came to the Medicine God Valley to ask for medicine, but I drove him away..."

"That Master Dingchan?" Long Wu's face was slightly startled: "It seems that it is not a long-term solution for you to hide in Medicine God Valley in the future. Why did you suddenly wake up after practicing in seclusion?"

"I don't know!" Kai shook his head blankly: "When I was cultivating, I suddenly felt a heart-wrenching pain, and then the whole person was not well, and I wanted to calm down, but I couldn't calm down..."

Long Wuyi heard it, and instantly thought of it. After seeing the video he just received, Kai must be connected with his mother and his mother was beaten, and Kai also felt it!

However, Long Wu did not show the video to Kai. With Kai's current strength, he is not enough to compete with the Long family. However, with Kai's character, if he saw his mother being beaten, he would definitely kill him. Dragon's.

After Master Dingchan left, Yaoshen Valley became quiet again, and Kai went back to retreat again, trying his best to calm himself down.

Long Wu, on the other hand, was very worried. He locked himself in the room for several days, and stopped walking.

Three days later!

Medicine God Valley welcomes five uninvited guests!

Five island warriors with samurai swords stood coldly at the entrance of Yaoshen Valley.

"That Kai is actually hidden here, really hidden..."

Kawashima Hiroji smiled.

Kawashima Hiroshi nodded: "Our five brothers, this trip is worth it, if there is something good for a while, just take it."

"Hahaha, I want to see if there is a beautiful flower girl here... "

Kawashima Hiroshi's eyes shine brightly, but in his eyes there are only women.

Soon, the terrifying aura of the five people shrouded the Yaoshen Valley in an instant.

After Xu Changsheng, who was concocting pills, felt this breath, his face changed suddenly, and then he rushed towards Taniguchi.

Gu Linger and Xiao Lan, who were practicing the exercises, also flashed their bodies and rushed towards Taniguchi!

The horror of these breaths made them all change their faces!

"Who are you? This is Medicine God Valley, outsiders are not allowed to enter..."

"Our Valley Master is not here, what do you have to do with him?"

Xu Changsheng asked, pretending to be confused.

"Stop pretending..."

When Kawashima Hiro saw Xu Changsheng saying that Kai was not there, he waved his palm, followed by a huge burst of energy.

Xu Changsheng's expression changed, and he hurriedly resisted with luck, but after all, there was a huge gap in strength, and this palm of Kawashima Koichi made Xu Changsheng's body fly upside down.

Seeing this, everyone in Yaoshengu hurriedly surrounded all five of them.

But the five people didn't panic at all, and even had a bit of sneer on their faces!

Kawashima Hiroshi glared at Kawashima Hiroshi, and then put the knife back.

"You two give me back..."

Kawashima Hiroichi said coldly.

Kawashima Hiroshi and Kawashima Hiroshi all retreated obediently, while Kawashima Hiroshi looked at Xu Changsheng: "You'd better let Kai come out and die, and I'll do it to you..."

"Our Valley Master No, he's not..."

Xu Changsheng said in a deep voice.
