A man like none other and the man decree (chinese) Chapter 1131-1132

Chapter 1131

"Master Ning, it turned out to be a misunderstanding, but your Ning family is thousands of miles away, why did you come to the barren land of Xichuan to build a house?"

Luo Xiang asked Ning Zhi.

Ning Zhi knew that Luo Xiang didn't know the secret of the town's magic tower, and he wouldn't tell Luo Xiang, so he smiled slightly: "Although Xichuan is barren, the environment is good, the scenery is beautiful, and there is no noise, it is a good place to practice. "

Besides, it's good that the Gu family and my Ning family came quickly. This time the Gu family suffered and the Gu family was killed. I will rebuild this place so that the rest of the Gu family will not have a stable place to live!"

Luo Xiang listened haha A smile: "Hahaha, I didn't expect Young Master Ning to be a warmhearted person!"

"But this Xichuan is not as peaceful as Kyoto, and there are evil cultivators from time to time. When it comes to hurting Young Master Ning, it will not be worth the loss."

"Young Master Ning is delicate and tender . Meat, you must be unaccustomed to staying in this place. As for rebuilding the Gu family, let me do the work of the Luo family. After all, the Luo family and the Gu family have been in contact for hundreds of years, and we are still adjacent to each other. Far!"

When Ning Zhi heard this, his brows twitched and his face turned cold.

He could hear that Luo Xiang actually wanted to follow him to compete for this place in the Gu family.

If there is no Demon Suppression Tower, Ning Zhi would not be rude to this broken place, but now that there is a Demon Suppression Tower, no matter who it is, Ning Zhi will not let go.

"Young Master Luo, do you mean that you want to compete with me for this place in the Gu family?"

Ning Zhi's face was gloomy, and there was a cold glow in his eyes.

"Young Master Ning, you have to think so, and I have nothing to explain. You are far away in Kyoto, and come to Xichuan to fight for territory with us. Isn't it a bit too bullying?"

Luo Xiang admitted generously.

"Hmph, you Luo Xiang are in Mobei, what am I doing in Xichuan, it's not up to you Luo family to dictate, let me tell you, I have to make a decision on the place of the Gu family, if you are not convinced, then we will compare "

I want to see if your Luo family is powerful, or our Ning family is powerful, don't think that our Ning family has a long way to go, so I'm afraid of you!"

Ning Zhi had a firm look on his face, he was going to set this land, and he would never give it to others.

Luo Xiang did not expect that Ning Zhi would be determined now for such a piece of land as the Gu Family Manor, which was somewhat unexpected!

Although Luo Xiang was very angry now, it would be worth the loss if he really wanted to fall out with the Ning family because of the ruins of the Gu family.

However, since the Ning family has a foothold in Xichuan, it will be much more difficult for the Luo family to expand in the future.

After thinking for a while, Luo Xiang compromised and said with a faint smile: "Since Young Master Ning likes this place, then just use it as you like. How could I have a bad relationship with Young Master Ning for such a place."

"Young Master Ning has time, go. My Luo family is doing it, I will definitely entertain Ning Gongzi..."

Luo Xiang didn't know the secret of the town of magic tower, so he compromised and left.

If he knew, he would definitely fight to the death with Ning Zhi.

Seeing Luo Xiang leaving, Ning Zhi breathed a sigh of relief. As the saying goes, a strong dragon can't overwhelm the local snakes. If Luo Xiang really wants to do it, Ning Zhi is no match.

And if you want to dispatch people from the Ning family thousands of miles away to fight with the Luo family, it is not necessarily who will win or lose.

"How long have I been practicing this time?"

Ning Zhi asked his subordinates.

"Master, you have been practicing for nearly half a month..." the subordinate replied.

"Half a month!" Ning Zhi's face showed joy: "At this speed, I would have been able to reach half a step Marquis Wu a few years ago, hahaha..."

Ning Zhi laughed wildly, and then ordered to Uncle Zhong: "The construction of the manor should be accelerated. From now on, this will be where I live."

"As ordered..." Uncle Zhong nodded.

Ning Zhi turned around and walked into the Demon Suppression Tower, and started to practice again!

Chapter 1132

At this time, Kai was flying to Xichuan.

He now has to use the Demon Suppression Tower to quickly improve his strength and strive to rescue his mother and Su Yuqi before the Chinese New Year.

After about five hours, the plane stopped steadily in Xichuan!

After taking a taxi, Kai went to Gujia Manor.

The Gu family manor, which was originally thought to be in ruins, has now been re-built with walls, and the machines in the manor are roaring!

This time, Kai was a little puzzled. He didn't know who had taken the Gu Family Manor for himself in just ten days.

When Kai walked to the door, he was stopped by the guards. Seeing that the door could not be entered, Kai jumped and jumped directly over the wall.

Kai intends to go to Zhenmo Tower to have a look. If anyone here is re-developed, just some ordinary developers, Kai intends to pay for this place!

Since there is no way to take away the Demon Suppression Tower, then make it his own place. Kai even planned to make this place a sect, and set up a sect by himself in order to compete with the Martial Arts Alliance.

Although Kai has a Tianlong Hall, the Tianlong Hall is not suitable for exposure. Kai can re-establish a sect, and then gather several halls of the Tianlong Hall together.

In this case, Kai's strength will be greatly increased, and then it is not impossible to rescue his mother and Su Yuqi years ago in cooperation with the secret of the Town Demon Tower.

Kai avoided the construction workers in the manor, and after walking to the Demon Town Tower, he immediately found several Wu Zongs under the Town Demon Tower.

After seeing these Wu Zongs, Kai's brows instantly wrinkled.

The appearance of these few Wu Zongs proves that this Gu Family Manor is not a redevelopment by ordinary developers, it must be a certain sect family that occupied this place.

Kai now hopes that this certain sect family has not discovered the secret of the Zhenmo Tower. In this case, Kai can still negotiate with the other party.

At this time, several Wuzong masters also discovered Kai, and someone immediately stopped Kai: "Who are you? How did you break into here?"

Seeing Kai, several Wuzong masters were all very nervous. People don't come near here.

"This is my place, I just want to ask, who are you? Why are you occupying my place?"

Kai asked in disbelief.

Kai's question directly confused several Wuzong masters.

They also didn't know who Kai was. After hearing what Kai said, they thought that Kai was someone else from the Gu family.

So the master Wuzong who spoke gave a wink to the others and asked to find Uncle Zhong.

As long as Uncle Zhong was found, it would be easy to explain.

Soon, Uncle Zhong was found. When Uncle Zhong saw Kai for the first time, he was stunned.

"He... he..."

Uncle Zhong pointed at Kai, and was so frightened that he was speechless for a while.

And Kai also recognized Uncle Zhong, and the corner of his mouth raised slightly: "It seems that these people are all recruited by you?"

"He is Kai, he is Kai..."

Uncle Zhong finally called out.

When several of the Ning family's Wuzong masters heard this, their faces were instantly shocked, and then their breaths soared and their weapons were displayed.

As soon as Kai reached out, he slapped the head of Uncle Zhong with a slap.

Kai did this to kill people. He knew that Uncle Zhong was the old housekeeper of the Gu family, and he must know the secret of the town magic tower.

Although I don't know if Uncle Zhong has revealed the secrets of this Devil Town Tower, I still want to kill him first.

"You dare to kill my Ning family, damn it..."

a martial arts master said with a grim face.

"Are you from the Ning family in Jingjing?"

Kai frowned.

He didn't expect that the people of the Ning family would come here, but when he thought that Ning Zhi and Gu Kaiyuan were mixed together at that time, they wanted to kill themselves, so it was not surprising that the people of the Ning family came here.

"Since we know that we are from the Ning family, we will capture it without restraint, so as not to suffer from flesh and blood..."

A Wuzong master reprimanded Kai.

"Hey, I killed the people of your Ning family. It's true that there is a way to heaven, you don't go, and there is no way to hell, you break in..."

Kai said, a bully stepped forward and slapped the person who was talking. Wuzong master.

The other party didn't have time to react, but only felt a strong attack, and then the whole person flew out.

The Wuzong master's chest was sunken, his eyes were wide open, and there was no breath.

The remaining few Wuzong masters of the Ning family were taken aback.

"You...don't mess around..."

Several people were a little scared.

Kai sneered: "If you say don't mess around, I won't mess around?"

After that, Kai's figure disappeared in a flash!

A few screams were heard shortly after.

Several Wuzong masters could not even hold a single move under Kai.

Looking at the tragic deaths of several Ning family Wuzong masters, Kai smiled.

He found that he became more and more handy in terms of strength and combat experience.

As long as you practice hard and rescue your mother and Su Yuqi years ago, there should be great hope.

Kai stepped on the bodies of several Wuzong masters from the Ning family and walked into the Demon Suppression Tower.

As soon as he walked into the Zhenmo Tower, Kai felt like he was immersed in a hot spring, very comfortable!

At this moment, on the third floor of the Demon Suppression Tower, Ning Zhi was sitting cross-legged, absorbing the breath of the Demon Suppressing Tower, and Ning Zhi's strength grew rapidly.

But just as Ning Zhi was immersed in his cultivation, a dangerous aura suddenly rushed towards him!

Ning Zhi suddenly opened his eyes and stared at the stairs in front of him!

Da da da.....

There was a sound of footsteps on the stairs, which made Ning Zhi frown.

He had already told those subordinates not to let anyone in, but now someone has come in in the Demon Suppression Tower, which made Ning Zhi feel very strange.

"Who?"

Ning Zhi yelled at the stairs.

But no one responded to him, and the sound of footsteps still came clearly.

Ning Zhi stood up suddenly, frowning deeper.

If someone breaks into the Demon Suppression Tower, his subordinates will definitely block it. Who can break through the hurried Wuzong master's block?

Even if he could break through, there would still be the sound of fighting, but Ning Zhi didn't hear a single sound.

Ning Zhi's heart began to panic.

In this area, the people who can silently eliminate their subordinates and then enter the Town Demon Tower are probably the only people from the Luo family.

"Could it be that Luo Xiang is back?"

Ning Zhi suspected that Luo Xiang did not really leave, but was looking for an opportunity to kill himself.

As long as he kills people, Ning Zhi has no chance to inform the Ning family!

And it is impossible for the Ning family to suspect the Luo family!

Thinking of this, Ning Zhi looked around the Demon Town Tower, trying to find an opportunity to escape.

But Devil Town Tower has only one exit from the gate, and it is impossible to go out from other places.

Ning Zhi gritted his teeth, his eyes bursting with cold light, staring at the stairs.

Soon, a figure appeared, and when Ning Zhi saw the person coming, he was stunned.

"It's you?"

Ning Zhi asked with wide eyes.

"Of course it's me, who do you think it is?"

Kai's mouth twitched into a smile.

"Hahaha... I was just looking for you, but I didn't expect you to come by yourself..."

Ning Zhi suddenly laughed.

He is now at the peak of Wuzong's strength, so he doesn't need to be afraid of Kai at all.

But Ning Zhi didn't know that Kai's current strength was no longer what it used to be. Ning Zhi didn't know about Kai's killing of Guo Wei.

"It seems that you are very confident in yourself?"

Kai asked lightly when he saw Ning Zhi suddenly burst out laughing with a face full of indifference.

Chapter 1134

"Of course, I'm going to kill you today, take your dragon crystal, and with this dragon crystal, I think who is still my opponent..."

Ning Zhi's eyes showed enthusiasm, and the breath on his body slightly spread out, and murderous aura came from all directions.

Kai looked at Ning Zhi, who was almost mad, and said lightly, "Can we go out and talk about it?"

"What? Are you afraid?"

Ning Zhi looked at Kai sarcastically.

"I'm afraid of destroying the Demon Town Tower. If I kill you, I can do it anywhere..."

Kai sneered.

"Don't be mad, I'll let you taste my power in a while..."

After Ning Zhi finished speaking, he walked towards the bottom of the tower.

Ning Zhi was also afraid that the fight between the two of them would destroy the Demon Suppression Tower. This Demon Suppression Tower is a treasure and must not be damaged.

Kai followed Ning Zhi out of the Demon Suppression Tower. When Ning Zhi saw the tragic deaths of his subordinates outside the tower, his face instantly became extremely gloomy.

Seeing Ning Zhi's face, Kai smiled slightly: "Your servants of Ning's family are too unbearable, I just patted it a few times, and it became like this..."

"Kai, don't be complacent. , I'll tell you the truth, I'm already at the peak of Wuzong. Do you know what the peak of Wuzong represents? No one of the younger generation of warriors in Kyoto has reached the peak of Wuzong."

"My current strength, even in You can also have a place on the Free and Easy List, if you fight with me, I will make you die ugly..."

Ning Zhi gritted his teeth and said viciously.

"The peak of Wuzong?" Kai pretended to be surprised: "You have reached the peak of Wuzong so quickly, it's really scary..."

Seeing Kai's surprised look, Ning Zhi looked proud: "Kai, now Knowing how good I am, if you hand over Longjing and those treasures on your body, I may still save your life."

"Otherwise, I will make you unable to survive or die..."

Looking at Ning Zhi's smug look, Kai smiled lightly and said, "Your strength at the peak of Wuzong is really awesome, but in my eyes, it's almost meaningless. If you want to kill me, I'm afraid it's not that simple.

" , the peak of Wuzong can't kill you, then you are more powerful than the peak of Wuzong..."

Ning Zhi sneered.

He doesn't think that Kai's strength can surpass the peak of Wuzong, and how long does it take to separate from Suolong Island? Even if Kai is a genius, it is impossible to increase his strength to the point of ignoring the peak of Wuzong in a short time.

"Maybe only a little bit better..."

Kai stretched out his hand and gestured.

"Hey, you can't bluff me, I have just been promoted to the peak of Wuzong with the help of the Demon Suppression Tower, and how could you..."

Ning Zhi didn't finish speaking, and suddenly closed his mouth.

He almost revealed the secret of the Demon Suppression Tower, and Ning Zhi thought that Kai didn't know the secret of the Demon Suppression Tower.

"If you don't believe it, we can try..."

After Kai finished speaking, the aura on his body began to expand rapidly, and terrifying spiritual power surrounded Kai's body.

As the breath on Kai's body rose, the ground began to tremble.

Rumbling...

It was like an earthquake. The building that was under construction not far away began to collapse again amid the tremors, scaring many workers to flee.

"This...this..."

Ning Zhi's face was ugly, his eyes were wide open, and he couldn't believe everything just now.

The breath that Kai exudes just now is no worse than the peak of Wuzong, or even worse.

Ning Zhi's eyelids were beating, and the killing intent in his heart was getting stronger and stronger.

A man like none other and the man decree (chinese) Chapter 1135-1136

Chapter 1135

"Do you still want to try it now?"

Kai looked at Ning Zhi playfully.

Ning Zhi's eyes narrowed, but he didn't speak, but after a loud shout, his fist came to Kai in an instant.

"Holy Light Fist..."

Kai raised his hand and greeted him with a punch.

The fists were offset, and the terrifying energy erupted one after another, instantly centered on the two people, and dispersed towards the surroundings.

The houses that had just been built began to collapse one after another under this terrifying energy, and many people were running around and dodging.

Ning Zhi's figure swayed a few times before it stabilized, while Kai stepped back with his right foot, and landed firmly on the ground, and a crack instantly appeared on the ground.

"Don't think about preserving your strength, if you don't do your best, you are not qualified to do it with me..."

Kai looked at Ning Zhi and said coldly.

Ning Zhi looked at Kai solemnly, he didn't understand what happened to Kai's Holy Light Fist just now.

With the simple punch just now, Ning Zhi felt that his body's breath was beginning to become disordered, and he was instantly stressed.

At this moment, Ning Zhi was trying to adjust his breathing.

Soon, the breath of Ning Zhi broke out again. This time, Ning Zhi did not hold back at all. The breath of Wu Zong's peak exploded at once.

This terrifying aura is much more tyrannical than the air. Some migrant workers who were watching the fun from a distance of hundreds of meters were actually shocked by this terrifying aura and vomited blood, and some people even fell to the ground and died!

Kai frowned, and with a quick movement in his hand, a barrier appeared, instantly blocking the terrifying aura.

He didn't expect that Ning Zhi, as a son of an aristocratic family, would be so careless.

In Kyoto, as a warrior, you cannot kill ordinary people casually, and there are very strict rules!

But in this barren Xichuan, although there are rules, but after all, the mountains are high and the emperor is far away, so Ning Zhi dared to be so presumptuous.

"As a son of an aristocratic family, you are killing people like this, you deserve to die..."

Kai looked at Ning Zhi coldly, killing intent rising in his eyes.

"Hmph, as long as I can kill you, what's the point of dying for these ordinary people. They are just ants. The big deal is that in the end, each family will pay hundreds of thousands of dollars. Our Ning family is not bad for money..."

Ning Zhi snorted coldly. .

"If that's the case, then I'll kill you and pay your Ning family a million dollars, and I'm not short of money..."

After Kai finished speaking, the whole person instantly moved towards Ning Zhi.

Kai smashed it hard, but Ning Zhi's body disappeared when Kai smashed it.

Immediately afterwards, a dangerous aura appeared above Kai's head.

Kai looked up and found that Ning Zhi was in the air, and then the whole person turned into a sharp sword, coming towards Kai from top to bottom.

Ning Zhi used inertia to maximize the speed of his body, the sound of breaking the air sounded, Ning Zhi's speed was so fast that a vacuum was formed around him!

The huge shock wave caused the ground under Kai's feet to begin to crack, and Kai's body seemed to be pressed against a mountain.

Kai frowned, then his right hand flashed golden light, and then he threw a punch.

"Holy Light Fist..."

In an instant, a beam of golden light rushed towards Ning Zhi fiercely.

boom!

With a loud sound, the whole world seemed to tremble, and the dazzling rays of light outshone the sunlight.

It must be said that after Ning Zhi was promoted to the peak of Wuzong, his strength has indeed increased a lot.

Kai's punch shattered the air waves around Ning Zhi, and as the golden light scattered, Ning Zhi's body fell steadily in front of Kai.

At this moment, Kai's feet had already been sunk into the ground by the enormous pressure.

"Your strength is indeed beyond my imagination. You can withstand my blow. Even the younger generation in the entire Kyoto has few people. Now you are afraid to be famous on the Free and Easy List!"

Ning Zhi looked towards Kai said lightly.

Chapter 1136

Kai didn't know what the Free and Easy List was, and it was the second time he heard Ning Zhi mention it, but Kai didn't ask.

"Is this your strongest blow? If it is, I will be disappointed. I thought I would be able to hold you again and again..."

Kai gently pulled out his legs and looked at Ning Zhi playfully. said.

"Didn't you also use all your strength?"

Ning Zhi looked at Kai coldly.

Kai smiled lightly: "If I used all my strength, you would be a corpse now..."

"You are too arrogant..."

Ning Zhi frowned, and then his breath rose again.

The golden light on Kai's body also flickered at the same time, and Kai's golden body was brought to the extreme.

Kai's current body, even if it is an eighth-rank Martial Sect, is basically indestructible and indefensible. Under the blessing of the divine dragon's power, this indestructible golden body has already been improved by an unknown amount.

The current Kai is like the great Luo Jinxian who has descended into the world. Many ordinary people are watching from a distance and kneeling on the ground one after another!

Looking at Kai, who was shining with golden light, Ning Zhi's face became more and more solemn, and then one after another of shining spells began to surround Ning Zhi!

At this moment, Ning Zhi seemed to be in a huge beam of light. The surrounding spells flickered, and then became bigger and disappeared.

Slowly, Ning Zhi's body turned into spells, and these spells formed the shape of a person.

"What is this?"

Kai frowned when he saw this.

This was the first time he had seen such a situation. Whether it was the ninjutsu of the island warriors or the stealth technique, Kai had seen it before.

It was the first time Kai had seen Ningzhi like this.

This strange technique made Kai unable to start for a while.

A series of incantations suddenly came towards Kai, and instantly spread into a large net of several meters, to wrap Kai in it.

Kai slapped it with a savage palm, and the huge wind made those spells blown away instantly.

It's just that after these spells were broken up, they reunited in an instant.

Seeing this, Kai threw a few more punches!

Bang bang bang...

A strong wind roared, making those spells have no chance to condense!

But soon, the scattered spells turned into huge palms and slapped Kai down.

A slapped palm on Kai's body.

Kai's body made a sound like a bell.

The scales flickering with golden light began to fall off and disappear, and the golden light on the body began to dim.

Soon, the undamaged golden body on Kai's body was shattered, and the bronze-colored skin was exposed outside, shining brightly under the sunlight.

The spells condensed in an instant, and Ning Zhi's body appeared faintly. Seeing Kai's undead golden body disappearing, Ning Zhi's face was full of pride.

"The peak of Wuzong is not only the improvement of strength. After I reach this state, I can start to use many of our Ning family's spells. You must know our Ning family's spells, but they spent a lot of money and invited a lot of spells. Master, tailor-made for me."

"You don't deserve to fight with me at all, remember, you are not fighting with me, but with our entire Ning family..." Ning

Zhi smiled coldly, and tightened his grip. Then the figure changed again and smashed towards Kai fiercely.

Bang bang bang...

A punch hit Kai's body, Kai's body instantly retreated, and his chest sank even more.

Without the indestructible golden body, but relying on the tyranny of the flesh, it is still difficult to resist Ning Zhi's attack.

Every punch Kai threw, like hitting in the air, could not cause damage to Ning Zhi at all, and could not stop Ning Zhi's attack.

Chapter 1137 Humiliation_

Kai's body slammed heavily on the ground, directly smashing a deep hole into the ground.

The manor, which was already half-built, is now in ruins.

Blood spilled out from the corner of Kai's mouth, and there were even more shocking scars on his body.

"Hahaha, that's all?"

Ning Zhi solidified, looked at Kai and laughed.

Kai got up slowly, wiped the blood from the corner of his mouth, and suddenly grinned.

Seeing that Kai was still smiling, Ning Zhi was slightly taken aback: "You are dying, but you are still smiling?"

"How do you know that I am dying?"

Kai smiled coldly, and then stretched out his hand, the Dragon Slaying Sword appeared in his hand.

A raging flame was burning on the Dragon Slaying Sword, and the flames reflected half of the sky!

At the end, six identical Chen Pings, holding the Dragon Slaying Sword, stood in front of Ning Zhi.

In an instant, the spells began to turn into huge palms and slapped towards Kai.

Six Chen Pings, six huge palms.

There were bursts of energy fluctuations on each palm.

Rumbling.... As

"Fire...fire..."

Ning Zhi fought desperately, and was still rolling on the ground before putting out the flames.

Just when Ning Zhi breathed a sigh of relief, he saw a big golden hand grabbing it.

Ning Zhi's face changed suddenly, he wanted to dodge, but at this moment, his body seemed to be bound by someone, and he couldn't dodge at all!

Kai grabbed Ning Zhi's collar and then carried it to him.

Ning Zhi's face was blackened by flames, he looked very embarrassed, and there was something incredible in his eyes.

"That's it?"

Kai grinned, and then slapped him fiercely.

Snapped!

The teeth fell out of Ning Zhi's mouth, and blood flowed out.

As for Kai turning those island warriors into human sticks and cutting off Guo Wei's head, it was all to deter those sect families in Kyoto, so don't provoke yourself easily.

I don't know how many slaps I slapped Ning Zhi, but in the end, Ning Zhi's face was swollen.

There is still a slit in his eyes, as if the Pekingese were stung by a bee.

As soon as Kai let go, Ning Zhi fell to the ground like a dead dog.

"You're not my opponent, hurry up, if you dare to provoke me, you will kill you next time..."

Kai looked at Ning Zhi coldly, and then walked directly towards the Demon Tower.

Chapter 1138

Ning Zhi glared at Kai's back, and suddenly there was a sound of bones shattering from his body.

Kai turned back suddenly, but found that Ning Zhi's body was paralyzed on the ground like a pile of mud, and then he reshaped his body and stood up.

When Ning Zhi stood up again, the swelling on his face disappeared.

A burst of black light erupted in Ning Zhi's body, as if it were radiated from within.

"I want you to die..."

Ning Zhi shouted angrily, and a drop of black blood flew from the center of his eyebrows!

Ning Zhi's hands moved, and the black drop of blood suddenly started to burn!

A drop of blood erupted into a raging fire!

However, Ning Zhi's body was scorched in this raging fire.

Every inch of Ning Zhi's skin began to shrink, and then turned into a pitch-black color. Under the irradiation of the flames, the black skin flashed a strange light.

The flames gradually went out, and Ning Zhi's body was like tempered steel.

Sensen's cold light rose from Ning Zhi's body.

Looking at Ning Zhi, who had suddenly turned dark, Kai's mouth twitched: "So you are still half-African, I didn't expect your dad to have such a hobby..."

Hearing Kai's words, Ning Zhi was not angry, and was angry. Staring at him, "I'm going to tear your mouth apart..."

Ning Zhi rushed towards Kai and smashed Kai with a punch.

Kai did not show weakness, his body flashed golden light, and then layers of scales began to adhere to the skin.

Dangdangdang.....

The two attacked each other with the most primitive and pure power.

Every punch made a sound like steel colliding.

The flames were blazing, and the blasts of thunder continued to explode.

I saw a black figure and a golden figure intertwined in the air, and a terrifying energy wave spread around.

There is no one intact place in the entire manor, only the Town Demon Tower is still standing.

Bang...

Ning Zhi and Kai threw a punch at the same time, Ning Zhi's punch hit Kai's chest fiercely, and a terrifying energy exploded in Kai's chest, like a cannonball blasting, a huge explosion. The impact force made Kai shake!

At this moment, Kai also punched Ning Zhi, and after the same explosion, Ning Zhi's figure took a few steps back.

In this way, even if Ning Zhi reincarnated as a technique, there was still some gap between him and Kai.

Ning Zhi roared, his eyes full of fighting intent and anger!

In an instant, Ning Zhi's body turned into a streamer, and with a loud breaking sound, he rushed towards Kai.

"It's really a good opportunity to practice..."

Kai's eyes narrowed slightly, and he rushed forward.

Strength can be cultivated and increased, but fighting skills and control of strength require constant battles to improve.

The battle with Ning Zhi this time made Kai feel a lot again.

Rumbling.....

The two people's bodies collided constantly, making a deafening sound.

Kai mobilized Shengguang Fist, and the golden fists fell on Ning Zhi like raindrops.

Similarly, Ning Zhi also punched out, constantly beating Kai's body.

You come and go between two people, this is already a confrontation between pure strength and flesh!

Boom.....

The two people are separated, and everyone is slightly panting.

This kind of consumption is huge. Kai relies on the spiritual power in his dantian and the power of the dragon to support it to the present, while Ningzhi relies on magic to support it.

"Is this your last trump card?"

Kai looked at Ning Zhi with a gloomy expression: "If it is, then I won't play with you..."

Ning Zhi's expression was calm, and an ugly expression flashed on his face.

He kept showing his cards, but Kai seemed to be able to deal with it easily.

"Hey, you don't have to pretend to be easy, now you are only the end of the shot, and then I will show you my real trump card..."

Ning Zhi said, suddenly the black light on his body skyrocketed, and then the black light slowly escaped from Ning Zhi. Zhi's body, and Ning Zhi's skin also returned to its original appearance.

The black light slowly converged and formed on the top of Ning Zhi's head, and soon a pitch-black aperture appeared. The aperture was pitch black, and nothing could be seen.

And the space within the aperture seems to have ripples, like a calm lake being blown by a mighty wind!

Seeing this scene, Kai frowned slightly.

"Could it be that this guy is summoning some alien beast?"

On Suolong Island, Ning Zhi and Gu Kaiyuan had summoned alien beasts before, and Kai thought that Ning Zhi was repeating his old trick this time.

But after waiting for a while, nothing appeared from the dark circle of light.

Instead, humming sounds sounded, followed by a series of coercive pressures that spread out from the aperture. These coercive pressures were like sound waves, rushing towards Kai's body one after another.

"Kai, let me tell you, this is the Immortal Execution Formation. This technique is learned from an ancient book that is hundreds of years old. Let alone a mere mortal, even if you are an immortal, you can't escape..."

Ning Zhi glared. Kai, but at this time Ning Zhi's entire face began to distort.

Performing such a technique is also a great challenge and loss for Ning Zhi.

But in order to kill Kai, Ning Zhi could only fight.

The black rays of light condensed, and the coercion continued to emit, and all the objects touched by the coercion turned into powder.

One after another, the pressure spread, and even the ruins in the entire manor turned into powder at this moment, and there was nothing in the radius of hundreds of meters. Those ordinary people who were shocked to death by Ning Zhi's energy were not even able to leave their bodies. directly into a mash.

The Demon Suppression Tower not far away was roaring at this moment, as if resisting the pressure.

Just when Kai was controlled by this coercion and the scales on his body kept collapsing, the earth suddenly trembled!

A chain of black ink-like chains grew out like tentacles.

One, two... A

total of eighteen dark iron chains, exuding bursts of cold light, formed a cage, trapping Kai in it.

These chains seemed to come from the eighteenth hell, and even above the chains, the cries of ghosts from hell could be heard.

A soul-stirring cry made people's scalp numb and tremble all over!

"It's a good Immortal Execution Formation, but I don't know if it can trap me as a true immortal..."

After Kai finished speaking, the dragon crystal in his chest began to flicker, and the power of dragons erupted, forming giant dragons entangled in Kai. on the body.

Just when the power of Kai's dragon broke out, the Zhenmo Tower suddenly trembled, and then many dense light spots flew out from the Zhenmo Tower.

These light spots can be clearly seen even for a long time. The billions of light spots are constantly approaching, and finally they converge into Kai's body.

Ning Zhi's pupils shrank, and his eyes were full of incredible!

He didn't know what these light spots that suddenly flew out of the Demon Town Tower were.

The power in Kai's body was constantly growing, and the dragons roared, rising into the sky from Kai's body.

Eighteen giant dragons were directly wrapped around the eighteen black iron chains. The giant dragon radiated golden light, which formed a sharp contrast with the icy iron chains.

Ning Zhi stared at the scene in front of him, his mouth opened involuntarily.

"Dragon Crystal? The power of the dragon?"

Ning Zhi's eyes were full of greed and anger!

If it weren't for Kai, this dragon crystal would be his own, and the terrifying dragon power would also be his own.

Now these have become Kai's capital!

Kai's body continued to emit light, and a bead with five-color brilliance flew directly out of Kai's body.

Chapter 1140 The real immortal

When this bead appeared, it was instantly radiant, and a peaceful force instantly shrouded it.

"Is this his own golden pill?"

Kai looked at the beads in front of him, a little incredible, especially the peaceful power emanating from the beads made Kai very comfortable.

Originally, the iron chains that were so cold and the ghosts howled, now under the irradiation of this peaceful force, all have no sound, and slowly those iron chains have retracted back to the ground!

The chains returned to the ground, and the dragons roared and disappeared in Kai's body instantly.

Ning Zhi frowned, looking at the radiant beads in front of him, his eyes were full of surprise.

In his eyes, this should be another treasure of Kai, because there are too many treasures on Kai's body.

Whether it is the Dragon Slaying Sword or the Storage Ring, whether it is the Dragon Crystal or the bead in front of him, each one is a priceless treasure.

Seeing Ning Zhi's eyes turning red, he was so envious!

"Kai, if you die, these treasures will be mine, all mine..."

After Ning Zhi finished speaking, the black aperture above his head exuded a brilliance, and there was a strong killing intent on this brilliance.

The black light emitted is like a laser, destroying everything it penetrates!

Seeing this, Kai slowly stepped forward with both hands, and the golden pill slowly fell into Kai's palm.

A gentle force swept through Kai's body.

Condensing into a golden pill, it also means that he has entered the path of immortality.

This gentle force should be the power of immortality!

This power was gently waved by Kai, and instantly moved towards the black brilliance.

Two forces that can destroy the sky and destroy the earth, and the energy that erupts when they touch together is terrifying.

But when the two forces really touched each other, there was no landslide as imagined, not even a single sound.

I saw that black brilliance disappeared at the moment of touching it, and the black aperture above Ning Zhi's head also became fragmented and disappeared in a trembling.

Ning Zhi's eyes widened, unable to believe his own.

He didn't understand what kind of treasure the bead in Kai's hand was, how could it be so powerful?

"What treasure do you have in your hand?"

Ning Zhi couldn't help but asked Kai curiously.

Kai looked at his golden pill and smiled lightly: "When you die, I will tell you..."

Kai opened his mouth and swallowed the golden pill, and then the peaceful power disappeared!

Ning Zhi looked at Kai in disbelief, and for a moment, Ning Zhi thought he was standing in front of a real immortal.

"Your Immortal Execution Formation is not very good, even a mortal like me can't sleep..."

Kai finished speaking, his right hand flashed golden light, and then he slapped Ning Zhi with his palm.

He just let Ning Zhi live, but unfortunately Ning Zhi is not rare, so now he can only kill.

Feeling the terrifying aura coming from the attack, Ning Zhi was extremely horrified, and he did not dare to follow Kai to fight.

He has no cards left, he stays, and what awaits him is death...

Ning Zhi put his hand into his arms, and then took out the Qiankun circle.

As soon as Kai saw Ning Zhi take out the Qiankun circle, he immediately knew that this guy was going to use the Qiankun circle to escape.

Then the figure flashed, and a palm slapped it fiercely.

Ning Zhi frowned tightly.

Mobei, Luo family!

Luo Xiang closed his eyes slightly and was still basking in the sun, but at this moment, he was thinking of other things.

"Luo Jiu, why did Ning Zhi travel thousands of miles and go to Xichuan to practice? He even occupied Gu Kaiyuan's manor?"

Luo Xiang asked the servants beside him.

After he returned from Xichuan, he had been thinking about this matter. Gu Kaiyuan died, and Ning Zhi would never be kind enough to repair the manor for Gu Kaiyuan's family.

As for what Ning Zhi said about the beautiful environment of Xichuan, it was pure fart. Luo Xiang didn't believe it at all. What kind of environment does the barren place in Xichuan have?

"Master, I always feel that there is something wrong with the tower in the Gu Family Manor. In the huge manor, all the buildings have been rebuilt, but the tower is still very old."

"Maybe this Ning Zhi came to that tower. As for the purpose of that tower, I don't know."

Luo Jiu explained carefully.

"Yes, I also thought of this, and I also suspect that there is something wrong with the tower. I have been to Gujia Manor several times, and I have never seen that tower before. It seems to be a very old building."

"I At that time, I also asked Gu Kaiyuan why there was such an old building in the manor, and Gu Kaiyuan just said that it was their Gu family ancestral hall, so it could not be demolished if it was old!"

"Now it seems that the old building is just a pretense. The tower must be wrapped, and there must be some secrets in that tower..."

Luo Xiang stood up suddenly, his eyes gleaming!

"Call the staff immediately, and follow me to Xichuan..."

Luo Xiang wants to go to Xichuan again to find out the secret.

This is his territory, if that tower really has a secret, he will never let Ning Zhi succeed.

Although the Ning family is a wealthy family in Kyoto, this is not the capital, and the Ning family can't reach here.

Just when Luo Jiu was about to gather the staff, suddenly a servant came hurriedly, and then reported to Luo Xia: "Eldest young master, there is someone outside the yard begging to see you..."

"Meet me?" Luo Xiang was taken aback for a moment. "Who is that?"

"He said he was Ning Zhi from the Ning family in Jingjing, and he came to see the eldest young master on purpose, but it looks like he was injured..." the

servant replied.

"Ning Zhi..."

Luo Xiang was a little surprised, then waved his hand: "Invite him to the hall, I'll be there soon!"

After the servants left, Luo Jiu stepped forward immediately: "Eldest young master, this Ning Zhi suddenly came to him. Isn't there any intention?"

"Let's take a look first, this is the Luo family, even if Ning Zhi has a little Jiujiu, what can he do to me..."

After Luo Xiang finished speaking, he walked towards the hall.

At this time, Ning Zhi was sitting in the hall drinking tea, and his face was very ugly.

The body was injured, Ning Zhi ran here with one breath, he did not return to the capital, he wanted to use the Luo family to get rid of Kai.

Chapter 1142

Although I don't know what kind of hatred Luo Xiang has with Kai, when they met for the first time, Luo Xiang took himself as Kai, and the two must have had a festival.

How did Ning Zhi know that Luo Xiang had no hatred with Kai, and the reason why Luo Xiang wanted to fight Kai was just his vanity!

When Luo Xiang appeared in the hall, Ning Zhi hurriedly put down the tea and stood up.

"Young Master Luo..."

Ning Zhi greeted Luo Xiang very politely.

"It turned out to be Young Master Ning, I don't know what Young Master Ning is doing here in my little Luo family? It looks like you are injured?"

Luo Xiang looked at Ning Zhi with a playful expression: "In the barren land of Xichuan, Does anyone else dare to be rude to you, Young Master Ning?" Ning

Zhi didn't take Luo Xiang's ridicule to heart, as the saying goes, people have to bow their heads under the eaves.

"Young Master Luo, aren't you looking for Kai? I'm here to tell you about Kai's whereabouts."

Ning Zhi said lightly.

"Oh, so, the injury on your body was given by that Kai?"

"But I have no grievances with that Kai. It's useless for you to tell me his whereabouts, and I won't do it for you. You, go and deal with that Kai."

"Aren't you very arrogant? Why don't you go home and call someone to get revenge on that Kai?"

Luo Xiang put his face in front of Ning Zhi and continued to sarcastically say.

Ning Zhi's expression changed slightly, but he quickly calmed down and said, "Young Master Luo, I came to see you this time, not for you to help me deal with Kai."

"I have a secret I want to tell you, And this is definitely a good thing for your Luo family."

Luo Xiang squinted his eyes slightly, staring at Ning Zhi: "You want to say, the secret of the tower of the Gu family manor?"

After Ning Zhi heard this, he was stunned for a moment, and then blurted out: "How did you know?"

"Hahaha, I wasn't sure just now, but now I can confirm that the tower in the Gu Family Manor really has a secret."

Ning Zhi's expression froze, he knew that he had been tricked by Luo Xiang, and it turned out that Luo Xiang didn't know the secret of the Demon Town Tower.

"You're right, the tower in Gu Family Manor does have a secret. I can now break through to the peak of Wuzong in a short period of time, thanks to that tower."

Ning Zhi nodded and said.

"Is that tower so amazing? What secrets are there?"

Luo Xiang asked curiously.

Ning Zhi looked around, but did not speak.

Luo Xiang understood in an instant, so he ordered: "Everyone back down..."

"Young master, be careful..."

Luo Jiu reminded Luo Xiang in his ear.

"There's a fart cheat, even if he is at his peak, he is not my opponent, not to mention that he is still injured now, so please quit."

Luo Xiang waved his hand impatiently.

Soon, only Luo Xiang and Ning Zhi were left in the hall.

"You can talk now."

Luo Xiang asked lightly.

Ning Zhi gritted his teeth, and finally told Luo Xiang all the secrets of the Town Demon Tower.

After Luo Xiang heard this, his eyes glowed.

Luo Xiang licked his lips, and then said: "Master Ning, thank you so much for telling me this, don't worry, the tower of Gu's Manor will belong to my Luo family in the future, and no one will want to touch it."

"Of course it also includes your Ning family. If you want to occupy that tower, then you have to see if my Luo family agrees."

Ning Zhi was stunned for a moment, then frowned and said, "Young Master Luo, don't you want to deal with Kai?"

This time, Ning Zhi was dumbfounded. He originally thought that if he told Luo Xiang the secret of the Magic Tower, Luo Xiang would go and help him deal with Kai.

Now it seems that he is still naive.

But then Ning Zhi sneered, turned around and walked out.

"Since Young Master Luo doesn't deal with Kai, then I'll look for someone else. The dragon crystal on Kai's body, the storage ring, and the dragon sword, I believe that some people will be jealous."

"Especially the dragon in his body. Crystal, that was the fusion of two dragon crystals, and the power of the dragon has been generated..."

Ning Zhibian said as he walked out.

"Wait a minute!" Luo Xiang suddenly stopped Ning Zhi.

"Is there anything else Mr. Luo?" Ning Zhi turned around and asked.

"The things you just said are all owned by Kai? And the dragon crystal you mentioned, can it really produce the power of the dragon?"

Luo Xiang asked in disbelief.

"Of course, if Young Master Luo doesn't believe it, you can just find a video of Kai's battle on the martial arts forum. You can definitely see what I said."

After Luo Xiang finished speaking, he directly greeted Luo Jiu and ordered: "You immediately take someone to the Xichuan Gu Family Manor, and keep the tower for me. No one is allowed to enter. It will be my Luo family's place in the future."

"If you encounter that Kai, it is best not to talk to him. If there is a conflict, I'll be there later."

Luo Xiang was afraid that Luo Jiu was not Kai's opponent. He was frightening Kai away. If Kai left, it would be difficult to find him.

"Yes!" Luo Jiu nodded.

Seeing this scene, Ning Zhi smiled and left without saying anything.

He knew that under the great temptation, no one could control it.

After leaving Luo's house, there was a flash of coldness in Ning Zhi's eyes.

"Kai, since I can't get it, I won't let you get it. I want everyone to be your enemy..."

Ning Zhi couldn't stop sneering in his heart.

Soon, an unsigned message appeared on the martial arts forum, saying that Kai had devoured the ice dragon and the flame dragon dragon crystal, and the fusion of the two dragon crystals gave Kai the power of the dragon in his body.

This news instantly exploded in the martial arts forum!

There are ice dragons and flame dragons in Suolong Island. This legend is known to many people, and that Longjing can help cultivate and improve cultivation, which is also known by many people.

It's just that this is a legend after all. In addition to the cultivation base that Longjing can improve, it is not particularly obvious. Even the benefits brought by a Longjing are not as good as a Beast Pill.

So no one wants to take a disproportionate risk to get a dragon crystal.

This is also the reason why Guo Wei was very disdainful of Longjing in Kai's body at that time.

Now I know that the fusion of two dragon crystals can actually produce the power of the dragon, which makes many people regret it all at once.

It's just that these people don't know that even if they really swallow the dragon crystal and fuse it, it will not produce the power of the dragon. This dragon crystal can only exert its strength in Kai's body.

For a time, many people in the martial arts world began to pay attention to Kai, looking for Kai's whereabouts, intending to take the dragon crystal in Kai's body as their own.

At this time, Kai was still immersed in his cultivation in the Demon Suppression Tower, and he didn't know anything about the events on the martial arts forum.

Chapter 1144

The barren Gu family manor!

At this moment, several people are approaching rapidly.

These people are the ones that Luo Jiu of the Luo family brought people to investigate the situation.

Looking at the Gu family manor without even the ruins in front of him, Luo Jiu thought he had gone wrong!

If it wasn't for the Demon Town Tower not far away, Luo Jiu wouldn't know him at all.

Yesterday it was fine here, and it looked like a busy construction.

Today there is nothing, not even rubble, just powder on the ground.

Luo Jiu led people into the Gu Family Manor, and at the moment when they stepped in, Kai, who had been cultivating in the Demon Town Tower, opened his eyes instantly.

When Kai was cultivating, he had already arranged a formation around the Gu Family Manor.

Kai was able to know immediately about all the intrusions.

Otherwise, it is very dangerous to be immersed in cultivation and suddenly attacked by someone.

A sense of consciousness dispersed, and Kai instantly found Luo Jiu and the others who were approaching the Demon Town Tower.

There are five people in total, all of them are Wu Zong.

Among them, Luo Jiu is an existence that is close to the peak of Wuzong.

"Who are these people?"

Kai frowned slightly, not understanding who these people suddenly broke in.

He could feel that these were not from the Ning family, and it was impossible for Ning Zhi to dispatch people from the Ning family in Kyoto in such a short time.

What's more, Ning Zhi's peak Wuzong is not his opponent, how could he send these weaker people to die!

Kai slowly got up and walked outside the tower.

At this time, Luo Jiu was also leading people towards the Demon Town Pagoda.

"Ninth brother, why did this Gu family manor suddenly look like this? I noticed that the powder on the ground should be from the previous buildings, which were directly shaken by the energy."

"What kind of terrifying strength is this, able to destroy such a large manor like this?"

"Look at that tower, it's still standing intact, I guess there must be something strange about that tower!"

"The person said very puzzled.

Luo Jiu glanced at a few people and said, "If you don't want to die, just keep your mouth shut..."

Luo Jiu's words made several people shut their mouths in fright.

Soon, Luo Jiu and several others arrived under the Demon Suppression Tower, and Luo Jiu saw a figure under the Demon Suppression Tower from a distance.

And Kai also found them, and then his eyes fell on Na Luo Jiu.

Luo Jiu approached and found that Kai was standing under the tower

. The owner of this manor? You broke into my manor privately, what are you doing here?"

"Are you the owner of this manor?"

Luo Jiu suddenly sneered: "This manor belongs to the Gu family, and now that Gu Kaiyuan is dead, because Gu Kaiyuan owed us the Luo family money in the past, so we are here to take over his assets, aren't you from the Gu family?"

Kai shook his head: "I'm not from the Gu family, but now the manor is no longer surnamed Gu. Now, hurry up and leave..."

"Boy, you are too crazy, no one dares to refuse what our Luo family wants..."

At this time, a servant of the Luo family was very angry. Kai roared.

Kai just glanced at the man coldly: "As I said, this is my territory now, I don't care what your Luo family is or not, if you don't want to die, get out..."

"You..."

Several servants of the Luo family were immediately angry and wanted to do something to Kai.

It was only stopped by Luo Jiu. These servants of the Luo family didn't know Kai, but Luo Jiu knew it. Now they have a conflict with Kai, I'm afraid there is no chance of winning.

"We are from the Luo family in Mobei. Our young master is the fifth-ranked existence on the Free and Easy List. I hope you..."

Luo Jiu wanted to use Luo Xiang to threaten Kai, but who knew that he was killed by Kai before he finished speaking. Interrupted directly: "I said, I don't care about your Luo family, the dog family, if you don't want to die, get out..."

Chapter 1145

"Damn, kid, you are courting death..."

The servant of the Luo family who spoke at the beginning suddenly clenched his fists.

Snapped!

The servant of the Luo family had just finished speaking when a figure flashed by, and then the servant of the Luo family flew out instantly.

This slap directly caused the servant of the Luo family to fall heavily to the ground, spitting blood.

All of a sudden, everyone's faces were shocked, especially the several servants of the Luo family who had just shouted, their faces were pale and they dared not speak.

Being able to slap a Wuzong with a single slap shows that his strength is by no means ordinary.

"Kai, do you want to be an enemy of my Luo family?"

Luo Jiu frowned when he saw that Kai started without warning.

Kai was stunned for a moment: "You know me?"

Luo Jiu instantly knew that he had missed something, and immediately changed to a smiley face and said, "The martial arts forum is full of your name, how could you not know me? Actually, our young master appreciates you. Yes, those guys in the Martial Arts Alliance are just trying to make a name for themselves."

Kai looked at Luo Jiu coldly, he would not be confused by Luo Jiu's words.

This guy pretended not to know him at first, but now he has leaked his words again, there must be some intention in his heart.

"I don't care if you know me or not, you all leave now, otherwise don't blame me for being rude..."

Kai would not follow Luo Jiutao.

Seeing Kai like this, Luo Jiu could only nod his head and say, "Well, since this is your territory, we won't bother, we'll leave right away..."

Luo Jiu led people away quickly.

Although Luo Jiu was gone, Kai's heart was still not at ease. He knew that these people from the Luo family came suddenly and would not let go easily. It is very likely that they also knew the secret of this town magic tower.

Otherwise, this Gu family manor is not even a ruin, what is the use of the manor? It was clearly aimed at the Demon Town Tower.

Kai didn't return to the tower to practice, but instantly pinched the magic formula, and the spiritual energy swarmed out from the magic tower.

He had to set up a formation around the Demon Suppression Tower to block those who entered the tower, so that he could practice with peace of mind.

Soon, a killing formation containing killing energy was successfully arranged.

As long as you enter the distance of tens of meters from the town magic tower, this killing formation will start, and the killing energy contained in it will smash the intruders to pieces!

After arranging the killing formation, Kai walked into the Demon Suppression Pagoda to practice with peace of mind.

At this time, Luo Jiu was leading someone to guard not far away, and notified Luo Xiang.

"Ninth brother, how powerful is that Kai? Could it be that we can't beat him together? Do you still need to invite the eldest young master?"

A servant of the Luo family asked puzzled.

Luo Jiu glanced at the man and said: "This Kai killed Guo Wei, the director of the Kyoto Martial Arts Alliance, that Guo Wei was the peak of Wu Zong, and the Ning Zhi of the Ning family was also injured by this Kai, what is their strength? Isn't one better than us?"

"If we follow Kai, we might all die here. When we come, the eldest young master will explain that we can't provoke that Kai, and we can find a way to keep him first..."

At this time, the person from the Luo family suddenly realized: "It turns out that Kai is so powerful..."

Luo Jiu looked at his watch, and then put his eyes on the Suppression Pagoda, and sneered in his heart: "Wait for the eldest young master to come. I'll see how you can escape..."

Inside the Demon Suppression Tower, Kai practiced with great concentration.

The Heart Concentrate Art is spinning rapidly, and the aura in the Demon Town Tower is rapidly approaching Kai.

Because of the power of the Heart Concentration Technique, the entire Demon Suppression Pagoda began to tremble slightly, as if it couldn't bear Kai's crazy absorption.

Outside the Demon Suppression Tower, Luo Jiu looked at the shaking Demon Suppression Tower with incredible expressions in his eyes!!

Chapter 1146

"There is no earthquake, so how come this tower is shaking?"

Luo Jiu frowned.

"Ninth brother, could it be that Kai is doing the damage and wants to demolish the tower?"

a servant of the Luo family whispered.

When Luo Jiu heard this, her expression changed instantly.

Luo Xiang sent him here to guard the tower. If Kai demolished it, Luo Xiang would definitely not forgive himself after he came.

"Let's go, let's go and have a look..."

Luo Jiu hurriedly led people towards the Demon Town Pagoda.

Soon, when they were tens of meters away from the Demon Town Tower, a servant of the Luo family who suddenly walked to the front screamed.

Immediately after, a few people saw a dense mass of killing energy suddenly appear in the air, and these killing auras roamed continuously, covering the entire town magic tower.

And the screaming servant of the Luo family just now was harvested by the killing energy, and his body instantly turned into pieces of minced meat, and his death was very tragic.

Looking at the scene in front of him, someone couldn't control it and spit it out.

Luo Jiu's expression was also extremely ugly.

He didn't expect Kai to set up a killing formation around the Demon Town Tower.

"Damn..."

Luo Jiu cursed, and could only lead people back and wait by the side, waiting for Luo Xiang to come and make plans.

Luo Jiu didn't dare to test the killing formation.

About five hours later, when it was completely dark, Luo Xiang arrived at Xichuan.

"Eldest young master..."

Seeing Luo Xiang coming, Luo Jiu hurriedly led someone to greet him.

"Where is Kai?"

Luo Xiang asked.

"Eldest young master, then Kai is in this tower, and he has set up a killing array around..."

Luo Jiu said with the corpse of the servant of the Luo family who was stirred to death by the killing formation on the ground.

Looking at the appalling corpse on the ground, Luo Xiang's expression changed slightly.

He didn't expect that Kai actually knew how to arrange a killing formation.

Moreover, the power of the killing formation is still so huge. It must be known that the minimum strength of these people is Wuzong, and they can be easily killed by the killing formation. It can be seen that the killing formation is very powerful.

It would take a long time to set up such a powerful killing formation, even for a true master of magic. Luo Xiang did not expect Kai to set up such a large killing formation in just a few hours.

Luo Xiang slowly stepped forward, and then slowly extended his hand towards the void.

"Master, be careful..."

Luo Jiu hurriedly reminded Luo Xiang.

Luo Xiang did not speak, but continued to extend his hand forward.

When Luo Xiang's hand touched the killing formation, the killing formation suddenly started, and under the moonlight, the killing aura shimmering with light began to attack Luo Xiang.

Luo Xiang hurriedly retracted his outstretched hand. Even though Luo Xiang was mentally prepared, there were still tiny wounds on his hand.

Luo Xiang looked at his wound with a solemn expression on his face.

This killing energy is really powerful enough.

"You all back up..."

Luo Xiang urged, and asked Luo Jiu to lead the people back.

Immediately afterwards, Luo Xiang clenched his fists slightly, and then the strength of Marquis Wu began to condense after half a step, and then he punched the void in front of him.

Rumbling...

This punch smashed into the void in front of him, but there was an instant ripple in the air.

And the killing formation began to appear under this punch.

The huge movement caused Kai, who was practicing, to wake up instantly.

He could feel that the killing formation he arranged was being violently destroyed.

Kai got up in a hurry, and when he walked out of the Devil Town Tower, he saw a man under the moonlight, throwing his fist towards his killing formation!

Every punch contained the power to destroy the sky and the earth, and the killing formation that was arranged began to weaken under this violent blow.

"Master, that's Kai..."

Luo Jiu said hurriedly when he saw Kai coming out.

Luo Xiang stopped, then looked at Kai in front of him.

Although the two were separated by a few meters, Luo Xiang could not get close to Kai because of the killing formation.

Kai looked at Luo Xiang, Luo Xiang looked at Kai!

The two looked at each other like this for more than ten minutes.

"Sure enough, you are young and promising. No wonder many people say that you are completely stronger than me..."

Luo Xiang suddenly grinned.

"I don't know you, why did you break into my killing formation?"

Kai asked Luo Xiang.

"You don't need to know me, it's enough for me to know you. I didn't expect that an ordinary looking guy could kill Guo Wei..."

Luo Xiang finished speaking, and in front of Kai, he was another one. The fist smashed hard on the killing formation.

Luo Xiang's punch was even more powerful. Many of the killing power in the killing formation began to crumble under this huge attack!

Kai's face became a little ugly.

The strength of Luo Xiang in front of him seems to be higher than that of Guo Wei.

If Kai faced Luo Xiang alone, even if Kai was not sure of winning, it would not be difficult to escape.

boom!

Luo Xiang struck again with another punch, and the killing formation began to crumble.

Kai knew that with Luo Xiang's strength, it was only a matter of time before this killing formation was destroyed.

Without any hesitation, Kai turned his head and returned to the Demon Town Tower.

Listening to Luo Xiang's punches outside, Kai couldn't calm down and practice.

Looking at the Demon Tower, Kai fell into deep thought.

This Devil Town Tower seems to be a magic weapon, but who would refine such a huge magic weapon?

Otherwise, the Devil Town Tower can be big or small, or there are other things running in the Devil Town Tower, and this Devil Town Tower is just a carrier.

Thinking of this, Kai began to look for it layer by layer in the Town Demon Tower.

But every floor is empty, and there is nothing to be found at all.

Listening to the outside, Luo Xiang's strength is getting stronger every time, Kai knows that the killing formation won't last long.

If Luo Xiang broke through the killing formation, Kai would only have the chance to escape, and the Demon Suppression Tower would be occupied.

Just when Kai was anxious, Kai's eyes suddenly lit up, and he thought of a way.

Since there is aura in this town magic tower, he can feel where those auras come from.

In this way, we may be able to find the secret of the operation of the Demon Town Tower.

Thinking of this, Kai immediately held his breath, and then exuded divine consciousness, feeling the aura in the Demon Suppression Tower.

Kai's consciousness, following the aura in the tower, gradually reached the top of the tower.

On the top of the tower is just a room of dozens of square meters.

After Kai felt the aura coming from the top of the tower, he quickly got up and walked towards the top of the tower.

When Kai reached the top of the tower, he found that there was nothing on the top of the tower, and he could see the entire top of the tower at a glance.

Kai has come up several times. If there is something on the top of the tower, Kai would have discovered it long ago.

"This is strange, obviously those auras are emitted from the top of the tower..."

Kai frowned and carefully inspected the top of the tower.

"Could it be?" Kai suddenly thought of something.

Then he closed his eyes slightly, and the whole person's consciousness was instantly detached, and then it was as if he had entered the void.

When Kai opened his eyes again, this time he found that there was a copper door in front of him.

"it is as expected....."

Kai was overjoyed and hurriedly reached out to push it, but found that he couldn't open the copper door in front of him!

Seeing that he couldn't push it away, Kai clenched his fist, golden light flashed above his fist, and then he punched out!

boom!

This punch caused the entire tower to shake, but the copper door in front of him remained unmoved.

"Come again..."

Kai punched out again, the sound was deafening!

Seeing this, Luo Xiang, who was outside the Demon Suppression Tower, couldn't help but change his face: "What is this guy doing inside? It's like tearing down a house..."

"Master, this Kai is afraid that he will destroy the Demon Suppressing Tower inside. , he can't get it, and he doesn't want us to get it..."

Luo Jiu said.

When Luo Xiang heard this, his hand suddenly increased his strength and speed. He wanted to rush in to stop Kai from destroying it!

And Kai threw a few punches in a row, and the bronze door in front of him was still the same as before, as if it had not been moved.

"What's going on here?"

Kai frowned, then looked at his fist: "Does this also require Shengguang Fist?"

Kai put away his spiritual power, and then took a deep breath, The muscles on his body were bulging, and he would use pure body power to open the bronze door.

"Holy Light Fist..."

Kai's forehead burst with blue veins, and then relying on the strength of muscle contraction, he punched the copper door.

Creeping.....

Tongmen began to move slowly under Kai's punch.

Seeing the copper door open, Kai was overjoyed.

Soon, a dim light flickered from the room, and a pure and strange aura rushed towards him.

Feeling this breath, Kai quickly walked in.

The whole room was dark, and Kai seemed to be in the void, with only a little flickering light in front of him.

Kai walked towards the light, and soon a miniature version of the Town Demon Tower appeared in front of Kai.

This town magic tower is only more than twenty centimeters high, and a gem is inlaid on the top of the tower, and this flashing light comes from this gem.

Above the tower, there is a simple atmosphere, which makes Kai feel very comfortable.

"Sure enough, this is the real essence of the Demon Suppression Tower, this is the real Demon Suppression Tower..."

Kai saw the Demon Suppression Tower in front of him, his face full of excitement.

Just when Kai stretched out his hand and wanted to take the Demon Town Tower in his hand, the surroundings suddenly became extremely bright.

An old man with a childish face and a crutch in his hand was glaring at Kai.

"Hmph, you just let that Demon Venerable go, but you still want to take away the old man's Demon Suppression Tower..." The

old man's voice was loud and majestic!

When Kai saw the old man, he immediately looked respectful and said politely: "Senior, I didn't know that this Demon Town Pagoda belonged to you. I didn't mean to offend, and I ask the senior to forgive me..."

old man said, the dragon head in his hand smashed towards Kai instantly.

The terrifying momentum suddenly shocked Kai to retreat.

"Senior, I don't want this Pagoda, I'll leave now..."

Kai knew that he was no match for the old man in front of him.

This old man looks like a master, and his realm is many times higher than Kai.

"I said, if you want to leave, you must beat me first..." The

old man slammed again.

Kai hurriedly ducked to the side and muttered, "At such an old age, he still has such a violent temper..." The

old man ignored Kai, but a series of attacks made Kai dodge again and again.

In a blink of an eye, the old man attacked more than a dozen moves in a row, all of which were dodged by Kai.

This time, Kai had confidence in his heart.

"It seems that you are not as strong as you imagined. Since you have repeatedly forced me, I will fight with you..."

After that, Kai's body was golden, and the power of the dragon broke out.

A golden dragon sprang out of Kai's body and surrounded Kai's body.

"Son of the Dragon, it's really good..." The

old man suddenly raised the corner of his mouth, and then the dragon head crutch in his hand suddenly jabbed on the ground!

A dragon roar sounded, and the old man's dragon head crutch turned into a giant dragon.

A man like none other and the man decree (chinese) Chapter 1149-1150

Chapter 1149

When Kai saw this, he felt very surprised. This was the second time he heard someone mention the three words "Son of the Dragon".

And the golden dragon that he is now surrounded by, Kai can't control it at all.

He also never knew when this golden dragon would appear.

"Could it be that my father is a dragon?"

Suddenly, an absurd thought popped into Kai's mind.

When he was on Suolong Island, the fierce flame dragon willingly spit out dragon crystals for himself after encountering him.

Is it because he has dragon blood in his body?

"Senior, can you tell me, what is the son of the dragon? Am I the son of the dragon?"

Kai asked the old man eagerly.

At that time, he wanted to ask the old man who was trapped in the Demon Suppression Tower, but who knew that the guy ran away without saying anything.

Now Kai has encountered another person who said the son of the dragon, he can't let it go, he must ask clearly.

The two dragons tussled in an instant.

Kai's eyes widened, looking at everything in front of him in disbelief.

Because the scene of these two dragons fighting is too shocking.

Even if his current strength can kill the existence of the peak of Wuzong, in front of these two dragons, he seems so small and insignificant.

Any dragon can shoot himself to death with one paw!

The golden dragon rushing out of Kai's body exudes golden light, and every scale flashes with light, just like Kai's indestructible golden body, the scales attached to his body.

The golden dragon let out a roar, and then both claws came out, grabbing the old man's giant dragon directly, and pressing it firmly on the ground.

In the blink of an eye, the giant dragon turned back into a dragon-headed crutch and returned to the old man's hand.

And the golden dragon also hovered above Kai's head, and finally returned to Kai's body in an instant.

Although the old man was defeated, he was not angry, but had a smile on his face.

"The road to immortality is long and arduous, and the Three Realms in the future may be guarded by your descendants..."

old man finished speaking, he waved his palm lightly.

A gentle force instantly enveloped Kai, and then the Heart Clearing Mantra appeared in Kai's mind.

Kai was very surprised. He didn't understand why the old man helped him and gave him a heart-clearing spell.

But just when he wanted to ask, he found that the old man had disappeared.

Kai looked around, but still couldn't find the shadow of the old man, and finally put his eyes on the body of the town magic tower.

Kai stretched out his hand to pick up the Demon Suppression Tower, and the moment he picked up the Demon Suppression Tower, his eyes suddenly darkened!

When Kai opened his eyes, he found that he was on the top floor of the tower. He fell to the ground, as if he had a long dream. On his right side, the Demon Town Tower was quietly placed on the ground. on.

Kai slowly got up with the Suppression Tower, when a rumbling sound began to sound outside.

Immediately afterwards, the entire tower trembled, and Kai knew that the killing formation had been broken.

"Are you trying to run?"

Luo Xiang looked at Kai coldly.

"This place is given to you, I won't earn it from you..."

Kai lowered his stance. At this time, it would be better for him not to conflict with Luo Xiang.

Chapter 1150

He knew that Luo Xiang came to the Town Demon Tower.

The current Devil Suppression Tower is just an ordinary tower. The real Devil Suppression Tower is already in the storage ring, so there is no need for Kai to stay.

"What I want is not just this tower..."

Luo Xiang's eyes flashed with greed: "I know you still have a lot of treasures on your body. If you hand them all, I can consider letting you go!"

Kai frowned . , It turns out that Luo Xiang is not only here for the Demon Suppression Tower, but also the treasure on his body.

Looking around, Kai knew that it would not be easy to escape head-on.

And now the Demon Town Tower behind him has become an ordinary tower, and the restrictions inside have disappeared, so he can rush out from other directions.

Thinking of this, Kai's body quickly retreated to the Demon Suppression Tower, and then threw a punch at a wall.

Rumbling...

A big hole was smashed out in an instant, Kai hurried out, and then concentrated his spiritual power on the soles of his feet, and quickly fled.

"Quickly chase..."

Luo Xiang didn't expect Kai to come out through the wall, so he hurriedly ran into the Demon Town Tower, and then chased after Kai.

But just when Luo Xiang and the others entered the Demon Town Tower.

The Demon Town Tower suddenly began to collapse, the bricks and rubble kept falling, and the dust flew up, directly burying Luo Xiang and the others inside.

Listening to the voice behind him, Kai turned his head to look at the collapsed Demon Tower, and the corner of his mouth couldn't help but raise slightly.

Immediately afterwards, Kai's figure quickly disappeared without a trace.

Crash...

Soon, from the rubble, several figures came out.

These people are at least the strength of Wuzong, so these collapsed bricks can't hurt them at all.

It's just that a few people are disgraced and look very embarrassed.

Luo Xiang looked around and found that Kai had long since disappeared.

"Eldest young master..."

Luo Jiu called out softly, looking at Luo Xiang with a gloomy face.

"No matter where this Kai escapes, I must catch him..."

Luo Xiang's eyes flashed fiercely.

After Kai escaped, he flew non-stop to go back to Kyoto!

Just when he was at the airport, Zhao Liguó suddenly called Kai.

After receiving a call from Zhao Liguó, Kai thought there was something wrong with Shadowless Villa.

"Palace Master, you must not go back to the capital during this time. Now many sect families are eagerly looking for you!"

Zhao Liguó said anxiously.

"Looking for me? What are you looking for? Was it assigned by the Martial Arts Alliance to deal with me?"

Kai asked with a frown.

He killed Guo Wei, and Zhu Zhishan must be furious, and he may use his status as the leader of the Martial Arts Alliance to force other sect families to attack him.

"No, it doesn't matter if you follow the Martial Arts Alliance, you can see it by looking at the Martial Arts Forum..."

Zhao Liguó said.

Kai hung up the phone, then opened the Martial Arts Forum, and soon a sticky message popped up.

It was Ning Zhi who posted it anonymously, telling that Kai possesses the power of the dragon and the fusion of Longjing.

Seeing this, Kai's face became more and more gloomy.

He knew that this information must be sent by Ning Zhi, because only Ning Zhi and Gu Kaiyuan knew the secret of Longjing in his body.

Gu Kaiyuan is dead, of course he will not be posting.
