The entire Red Lotus Palace has long been ready for battle, and the guardian formation in the palace has begun to operate!

But for three days in a row, there was no news at all.

There was no movement in the Holy Beast Palace, which made Ji Ruxue a little restless!

"Sister, you haven't had a good rest for three days. You look haggard. You should go and rest!"

Xiaomin looked at her sister so haggard and said very distressed.

"No, the Holy Beast Palace is silent, I can't sleep!"

Ji Ruxue shook her head.

At this moment, a disciple of the Red Lotus Palace suddenly ran in.

"Palace Master, the people from the Holy Beast Palace are here..."

One sentence shocked Ji Ruxue, and her expression became extremely nervous.

"It should come, it will always come!"

Ji Ruxue murmured.

"How many people came to the Holy Beast Palace?"

an elder asked.

"One person..."

The disciple said truthfully.

"Alone?"

Ji Ruxue was stunned at this moment.

Even if their Red Lotus Palace is not as powerful as the Holy Beast Palace, but to send someone here, it is too contempt for their Red Lotus Palace.

"Who sent the Holy Beast Palace? You dare to come here alone, you look down on our Red Lotus Palace!"

Ji Ruxue's face was full of anger.

"It's Xiao Da, the elder of the Holy Beast Palace..."

the disciple said.

Ji Ruxue frowned slightly, and then said, "Invite him in!"

Soon, Xiao Da walked into the Red Lotus Palace with a smile, not like a crusade.

"Palace Ji, I take the liberty to interrupt, and I hope you don't take offense..."

Xiao Da smiled and gave Ji Ruxue a salute!

Chapter 1252 Invitation

Although Ji Ruxue was a little puzzled, but the other party was so polite, she couldn't be rude.

"Elder Xiao, you're very kind, you can come to our Red Lotus Palace, that's a blessing for our Red Lotus Palace!"

"Watch the seat, serve tea..."

Ji Ruxue sat down on the chair after she finished speaking.

Someone immediately brought Xiao Da a chair and served a cup of tea!

"Palace Master Ji, we Mingren don't speak secretly. I came this time under the order of our Palace Master, for the sake of Xiang Chong."

Xiao Da said directly.

When Ji Ruxue heard it, she knew that the other party really came for this matter.

"Elder Xiao, that Xiang Chong was killed by our Red Lotus Palace. If you want to take revenge for that Xiang Chong, just do it directly."

Ji Ruxue's aura began to rise, ready to take action at any time.

Seeing this, Xiao Da quickly waved his hand: "Palace Ji misunderstood, I didn't come to take revenge for Xiang Chong."

"That Xiang Chong is so daring, he actually plotted against Palace Lord Ji, and he will die..."

"I am here . The next time I came to apologize to Palace Master Ji, our Palace Master said that it was he who was incapable of discipline and made Xiang Chong do such a dirty thing."

Xiao Da's remarks made Ji Ruxue stunned. Living.

She didn't even know what to say next, it was completely different from what she thought!

What kind of person Fei Qingping is, the master of the Holy Beast Palace, Ji Ruxue knows too well that she will not take the initiative to admit her fault and make amends.

Besides, as the largest sect in the south, Fei Qingping didn't need to apologize to others.

But now they have found someone to apologize to the Red Lotus Palace.

This made Ji Ruxue not understand what medicine was sold in the gourd of the Holy Beast Palace.

"Elder Xiao, if you have anything to do, just say it. You say that, and I don't even know what to say."

Ji Ruxue felt that the Holy Beast Palace must have some intentions, so she hoped that Xiao Da could say it.

Seeing Ji Ruxue like this, Xiao Da laughed: "Palace Ji, I am indeed here to apologize this time, but there is one more thing, that is to invite Kai to sit in the Holy Beast Palace!

"Knowing that Kai came to the south and was in your Red Lotus Palace, he immediately sent me to invite him, our palace master appreciates Kai very much."

Ji Ruxue immediately understood when she heard it, the Holy Beast Palace came to apologize, it turned out to be it came for Kai.

If Kai was not in the Red Lotus Palace, the Holy Beast Palace would definitely not be so polite.

In this way, it should be the Holy Beast Palace's reputation for Kai, and it is also a little afraid. After knowing that Xiang Chong was killed by Kai, he did not dare to shoot Kai.

After all, Kai also has his own power in Kyoto, and Mr. Shi, the official Kyoto official, has a good relationship with Kai and has come forward to help Kai many times.

"Elder Xiao, it's too unfortunate that you came here. Mr. Chen is cultivating, so I don't want to disturb you..."

Ji Ruxue said apologetically.

"Cultivating?" Xiao Da frowned slightly: "How long does it take Kai to get out of the customs?"

"I can't say for sure, but it shouldn't take a few days!"

Kai gave Ji Ruxue time It was ten days, and now three days have passed, so Kai will come out in a few days.

"Alright then, I'll be here to invite him in a few days!"

Xiao Da got up, and after giving Ji Ruxue a salute, he turned and left.

After Xiao Da left, everyone in the Red Lotus Palace was excited. As long as the Holy Beast Palace did not take action against them, they would be able to stay in the Red Lotus Palace safely.

Ji Ruxue breathed a sigh of relief, and fell asleep.

This sleep, Ji Ruxue actually slept for two days and two nights!

In the past two days and two nights, Kai was constantly attacking, constantly attacking.

But if you can't break through that barrier, you can't reach the realm of Marquis, and you can't form Nascent Soul within your body!

Chapter 1253

Just when Kai broke through in the cave, it was thousands of kilometers away in Kyoto.

The head of the Ning family, Ning Dahai, has left the customs.

After exiting the customs, Ning Dahai looked at the ruined Ning family, and the whole person was full of anger.

"What the hell is going on? What the hell is going on here?"

Ning Dahai roared.

On the side, Ning Zhi, whose face was covered by a black scarf, walked carefully to Ning Dahai's side: "Dad, Kai did all this. He ruined our Ning family, and I almost died at his hands."

Ning Chi's voice was dark and sinister.

Ning Dahai frowned slightly, looking at Ning Zhi in front of him, he always felt that his son seemed to have changed.

"In broad daylight, what are you doing?"

Ning Dahai tore off Ning Zhi's black turban and was stunned.

He found that half of Ning Zhi's face had been deformed, like a skeleton, and his appearance was very scary.

The wounds on Ning Zhi's body were repaired, but the wound on his face was not healed.

He also has one leg, and he walks with a limp.

Seeing his son turn into such a ghostly person, Ning Dahai almost lost his mind.

"It seems that such a forcible breakthrough is not enough, it still needs an opportunity!"

Kai shook his head involuntarily.

"Brother Chen..."

Seeing Kai coming out of the cave, Xiaomin hurriedly shouted.

"Xiaomi, why are you here?"

Kai felt a little surprised when he saw Xiaomin coming to him: "Is someone from the Holy Beast Palace here?"

"Yes, here..."

Xiaomin nodded.

When Kai heard this, his face changed slightly: "Take me there, how is your sister?"

Xiaomin looked at Kai's nervous look and covered her mouth with a smile.

"Brother Chen, do you like my sister?"

Xiaomin asked with a smile.

Kai was stunned: "Why do you say that?"

"You see that you are nervous, my sister is fine, don't worry."

"The people from the Holy Beast Palace are here, but only one person is here, and they say they want to invite You went to the Holy Beast Palace."

Kai was a little puzzled. He had nothing to do with the Holy Beast Palace. What did the Holy Beast Palace ask him to do?

"Let's go, Elder Xiao of the Holy Beast Palace is waiting for you!"

Xiaomin took Kai and walked towards the main hall of the Red Lotus Palace.

"Brother Chen, my sister is the palace lord. She can't marry you. According to the rules of our Red Lotus Palace, the palace lord cannot get married."

"But I can be your little lover. I think my sister likes you very much. Yes, you also care about her so much, you should stay in the Red Lotus Palace in the future!"

"It's good to go out with my sister, and we are all beautiful women here, isn't it what you guys like the most?"

"Min looked at Kai with a smirk and said.

"You're so young, what are you talking about? I'll tell your sister later and let him take care of you!"

Kai gently hit Xiaomin on the head.

The Red Lotus Palace is indeed the place where every man goes out, but Kai will not stay here, he still has a lot of things to do.

Soon, Kai followed Xiaomin to the main hall, and saw Ji Ruxue chatting with a middle-aged man.

Seeing Kai coming, Ji Ruxue hurriedly stood up and said, "Mr. Chen, this is Elder Xiao from the Holy Beast Palace, who came here specially to invite you."

"Tell me about it? There won't be any conspiracy here, right? I Killing the adopted son of your palace master, doesn't he want revenge?"

Kai looked at Xiao Da and asked cautiously.

There is nothing to be courteous, either a traitor or a thief...

Kai followed the Holy Beast Palace without any affiliation, and even killed Fei Qingping's adopted son, and now you want to invite him as a guest?

This is so abnormal...

"Hahaha, Mr. Chen is really joking, it's just an adopted son, how could our palace lord take it seriously, there are more than ten adopted sons of our palace lord, and that Xiang Chong has a count. What?"

Xiao Da laughed.

When Kai heard it, he realized that Xiang Chong had been holding the Holy Beast Palace to support him. It turned out that in front of Fei Qingping, Xiang Chong's adopted son was nothing but bullshit!

Kai looked at Xiao Da, who was not a treacherous person, so he nodded and said, "Okay, I'll go see your palace master with you!"

After explaining a few words to Ji Ruxue, Kai followed Xiao Da. Holy Beast Palace!

The Holy Beast Palace is more than two hours' drive away from the Red Lotus Palace!

It was only after the Holy Beast Palace that Kai knew what luxury was!

The Sacred Beast Palace is full of Chinese-style villas, with mountains and waters, and the environment is particularly good. It is like a tourist resort.

Xiao Da took Kai to the front of a villa, pushed the door and walked in. As soon as he entered the door, he saw a huge seat, and the seat was covered with a tiger skin!

And Fei Qingping, the master of the Holy Beast Palace, was sitting on the seat, and there were several Wu Zongs standing beside Fei Qingping!

"Palace Master, Mr. Chen is here..."

Xiao Da said towards Fei Qingping.

Fei Qingping looked at Kai, his eyes burst with light, and a force of coercion erupted from Fei Qingping's body.

Kai frowned, and bursts of golden light flashed on his body instantly, resisting this coercive force!

Kai's face was gloomy. He didn't expect that Fei Qingping would do it to himself as soon as they met.

It seems that this is a feast for the family...

But just when Kai was about to display his indestructible golden body and prepare to fight, Fei Qingping suddenly took back the pressure.

"Hahaha, sure enough, a hero is a teenager. No wonder you turned the world of martial arts in Kyoto upside down at such a young age..."

Fei Qingping narrowed his eyes and laughed.

"I don't know why Palace Master Fei is looking for me?"

Kai directly found a seat and sat down, and asked lightly.

"I just admire your strength, I just want to see you!"

Fei Qingping stood up, walked towards Kai, and then sat beside Kai: "I want to know your strength of a half-step Wuhou, how did you The Kyoto martial arts world has been turned upside down, and how did you escape from the capital?"

Fei Qingping was a little puzzled, it is said that with Kai's strength, it is nothing in the Kyoto martial arts world.

It should be easy for those people to kill Kai, but now Kai can live well.

"If you invite me here, just want to ask these questions, then I have no comment..."

Kai got up and was about to leave.

"You are young and your temperament is quite explosive. You came to our south from Kyoto, didn't you just come to escape?"

"I know that many people in the Kyoto martial arts world want to kill you, so you stay in our Holy Beast Palace, I can I will take care of you."

"And I can accept you as my adopted son. As long as you become my adopted son, who would dare to be your enemy in the entire South?"

"Even if the people from Kyoto come, they will give me a face. "

Fei Qingping said very arrogantly.

When Kai heard this, Fei Qingping actually wanted to accept himself as his adopted son, so he couldn't help laughing.

Although Kai is now a half-step Wuhou, it is not difficult to fight against Fu Qingping.

After all, this guy is also a new Marquis, and his strength is not very strong.

"I don't have the habit of being a son to others, not to mention my own affairs. I can handle it myself. The kindness of Palace Master Fei is fine!"

Kai didn't give Fei Qing any face.

Fei Qingping was taken aback, he didn't expect Kai to reject him.

To know how many people want to worship him as adoptive father, Fei Qingping chooses his adopted son, but it is very harsh.

But Kai refused without hesitation, which surprised Fei Qingping.

"Kai, I have a good intention, don't you think about it?"

Fei Qingping asked.

"Don't think about it, because even if I worship you as my adoptive father, you can't help me."

"Do you dare to follow the Kyoto Martial Arts Alliance? Do you dare to follow the Dragon family?"

"Even the Ning family in Kyoto. Come and catch me, do you dare to say nothing from the Holy Beast Palace?"

Kai looked at Fei Qingping and asked a series of questions, which made Fei Qingping bewildered.

Fei Qingping blushed, because Kai's words were heartbreaking!

Whether it is the Kyoto Martial Arts Alliance, the Long Family, or even the Ning Family, their Holy Beast Palace really does not dare to offend!

If these people came to arrest Kai, the Holy Beast Palace would not dare to stop him!

Fei Qingping wanted to keep Kai and accept Kai as his adopted son, and he also had his own plans.

Since knowing that Kai killed Xiang Chong, Fei Qingping has checked Kai on the martial arts forum.

And know that Kai has a lot of treasures!

Fei Qingping thought that the soldiers would not kill the sword, and take the treasures on Kai's body as his own!

If Kai joined the Holy Beast Palace, those treasures would naturally become Fei Qingping's.

Fei Qingping did not expect that Kai would be so disrespectful.

"Since you look down on my Holy Beast Palace so much, don't blame me. You killed my adopted son, you have to give me an explanation today..." As

These are all senior disciples of the Holy Beast Palace, and each of them is in the realm of Wuzong.

"Palace Master, didn't you say you won't take revenge for that Xiangchong?"

At this time, Xiao Da saw that Fei Qingping was going to attack Kai, so he hurriedly stood in front of Kai.

Fei Qingping frowned: "Elder Xiao, what do you mean?"

"Even if Mr. Chen I don't agree to stay in the Holy Beast Palace now, we can give him time to think about it, I believe he can make the right choice."

Xiao Da fought for Kai again.

It's not that Xiao Da has any friendship with Kai, it's just that Xiao Da thinks he promised Kai, but now Fei Qingping has backed out, which makes Xiao Da feel that he has broken his trust in Kai!

"Elder Xiao, get out of the way, have you forgotten your identity? You are the elder of the Holy Beast Palace..."

Fei Qingping roared angrily.

Kai glanced at Xiao Da gratefully, and then said lightly: "Elder Xiao, you better stay out of the way, today's affairs have nothing to do with you..."

Xiao Da glanced at Kai ashamed, and in the end could only dodge away .

Only Fei Qingping can call the Holy Beast Palace. Although he is an elder, he has no right at all.

"Kai, I'll give you another chance. If you can hand over your treasure, I don't need to hold you accountable for killing my adopted son."

Fei Qingping said to Kai.

When Kai heard it, he suddenly laughed. It turned out that Fei Qingping was not here to take revenge on Xiang Chong, but for the treasure on his body.

"If you have the ability, just get it yourself..."

After Kai finished speaking, golden light flickered on his body, and scales quickly covered Kai's whole body.

At this moment, Kai is like a golden fighter.

Chapter 1256 Contempt _

"Hmph, I'm not self-sufficient..."

Fei Qingping snorted coldly: "Do it..."

All the disciples of the Holy Beast Palace rushed towards Kai.

Kai's body trembled slightly, and a terrifying aura erupted, directly sending the disciples of the Holy Beast Palace flying out.

Some people with low strength were directly shaken, and their internal organs were shattered, and there was no sound in an instant.

Kai is now a half-step Marquis, and he is not afraid even in the face of new Marquis. To him, these Martial Sects are like ants!

Fei Qingping frowned: "Looks like I underestimated you..."

After speaking, Fei Qingping's martial power exploded, and then his fists smashed directly at Kai.

Fei Qingping's fists, like a giant hammer, directly tore apart time and space.

Seeing this, Kai dodged Fei Qingping's attack in a flash, but with this punch, Fei Qingping directly smashed the villa in half.

"Kai, I know you have an indestructible golden body, but under my iron fist, your indestructible golden body is completely useless..."

After Fei Qingping finished speaking, he slammed it down again.

Kai frowned slightly, it seems that being too famous is not a good thing.

Many details have been exposed on the martial arts forum. As long as the other party checks a little, they can know their details.

"Holy Light Fist..."

Kai's fist was wrapped in golden light, and then he punched him.

Kai also wants to try, what is the state of his half-step Wuhou peak.

Maybe following Fei Qingping in this battle will give him a chance to break through!

boom!

The fists met, and after a loud noise, the entire villa collapsed with a bang.

Kai and Fei Qingping all soared into the sky from the ruins!

Then it fell on the mountainside not far away, and at this moment, a large number of disciples of the Holy Beast Palace saw this, and they all gathered around.

"Don't approach anyone, if you get too close, you will die..."

Xiao Da shouted at the disciples of the Holy Beast Palace.

The battle of Marquis Wu's strength is not something that ordinary disciples can intervene in and get close to. It is only the Yuwei of the counter-attack that can grind these disciples into flesh.

Hearing what Xiao Da said, the disciples of the Holy Beast Palace did not dare to approach, and they all stepped back.

Fei Qingping looked at Kai with narrowed eyes, at this moment his arm was numb from the shock.

"You are a half-step Marquis, how can you have such terrifying power?"

Fei Qingping looked at Kai in surprise.

Although the realm of Marquis Wu and Marquis Banbu is only a tiny difference, in terms of strength and aura, there is a gap.

But now Fei Qingping, the Marquis, did not take advantage of Kai, the half-step Marquis.

"It's not that my power is terrifying, it's that your Marquis is too bad. You shouldn't be taking medicine pills to drive yourself to the realm of Marquis, right?"

Kai sneered at Fei Qingping.

"You bastard, you dare to despise me so much, I've been in the Marquis realm, and it took me ten years to cultivate, how can I let you despise me!"

After Fei Qingping finished speaking, his terrifying energy erupted and rushed towards Kai again.

For a time, the figures of the two people shuttled across the mountain, and there were rumbling explosions everywhere.

From the mountainside to the top of the mountain, the entire top of the mountain has been sold off a lot.

After fighting hundreds of moves, Fei Qingping felt that his physical strength was a little weak, but watching Kai, the more he fought, the more courageous he became!

Kai is very excited at the moment, he is not in a hurry to defeat Fei Qingping, but is using him to temper himself.

Stepping into the threshold of Marquis Wu might be broken by Fei Qingping.

Fei Qingping panted heavily and looked at Kai in disbelief.

"No wonder those in the martial arts world in Kyoto want to kill you. You are a half-step Marquis, and even my Marquis can't help you?"

Fei Qingping only felt powerless at this moment, and his energy was exhausted!

"You are also worthy of being called Marquis Marquis? Just like you, Marquis Marquis can beat you with just a half-step..."

A man like none other and the man decree (chinese) Chapter 1257-1258

Chapter 1257

"Kai, it's too much of a deception..."

Fei Qingping stared, then bit the tip of his tongue!

A mouthful of blood spurted from the tip of the tongue, turning into a bright red blood mist... The blood mist

drifted away, and the entire sky began to change color.

Rumbling...

It seems that the thunder is rolling in, and then the earth begins to shake!

"It's broken, the master of the palace has activated the mountain protection formation, and everyone should leave quickly..."

Xiao Da roared at all the disciples of the Holy Beast Palace.

The disciples of the Holy Beast Palace were so frightened that they all fled, and the Holy Beast Palace, which was like a resort, collapsed at this moment, and it was a mess!

"Kai, you forced me to do this today, and I will make you pay the price..."

Fei Qingping roared.

Kai's face became solemn. He did not expect that the Holy Beast Palace would have such a high-level formation.

It seems that the ancestor of this Holy Beast Palace was definitely a master before.

The blood fog filled the air, and then bloody hands appeared in the blood fog, like hell.

This chapter is provided by m.informativestore.com. Visit m.informativestore.com for daily update.

These bloody hands grabbed Kai directly, no matter how hard Kai tried, he couldn't break free.

"Elder Xiao, start the battle..."

Fei Qingping said to Elder Xiao at this time.

"The palace master thinks twice, the mountain protection formation is activated, the Holy Beast Palace will be destroyed, and the disciples of the Holy Beast Palace will be killed and injured countless times..."

Xiao Da persuaded Fei Qingping.

"As long as I am alive, the Holy Beast Palace will not be destroyed. As for those disciples, it is their honor to dedicate their lives to the Holy Beast Palace. Quickly start the battle..."

Fei Qingping glared at Xiao Da.

With a hesitant expression on his face, Xiao Da slowly stepped forward and walked to Fei Qingping's side.

Now as long as Elder Xiao starts the formation, Kai will be instantly pulled into the void formation by those bloody hands, and he will never be able to get out.

In order to prevent the mountain guarding formation from being opened indiscriminately, the ancestors of the Holy Beast Palace had to have two people in order to truly activate the mountain guarding formation.

Therefore, after Fei Qingping started the mountain protection formation, it was officially started only when Xiao Da started the formation.

But at this time, Xiao Da, looking at Kai who was controlled by the bloody hand, did not act for a long time.

"Xiao Da, do you dare to disobey?"

Fei Qingping's face was full of anger. He was already very weak at this moment. If Xiao Da didn't do anything, he would be unable to hold on.

Xiao Da gritted his teeth, and a cold light flashed in his eyes!

Suddenly there was a Sen Han's dagger in his hand, and then it stabbed into Fei Qingping's chest.

Blood spurted out instantly, Fei Qingping's eyes widened, looking at Xiao Da in disbelief.

Fei Qingping's aura was sluggish, and the blood fog and bloody hands disappeared instantly!

Kai got rid of the shackles, and looked at the scene in front of him in disbelief.

He also didn't expect that Xiao Da attacked Fei Qingping from behind.

"Why, why..."

Fei Qingping glared at Xiao Da. Although his life was not in danger at this moment, his breath dissipated, and he could be slapped to death with just a light palm.

Xiao Da looked at Fei Qingping and said angrily: "You are cruel and inhumane, the entire Holy Beast Palace is about to become your private property, if you are unhappy, you will kill people and put the lives of all the disciples in the Holy Beast Palace. See."

"I've had enough of you, I've already had enough of you..."

Xiao Da roared, then drew out his dagger and stabbed Fei Qingping again.

Seeing this, Kai stepped forward and snatched the dagger from Xiao Da's hand!

Xiao Da looked at Kai in surprise: "Mr. Chen, what are you doing? Why are you stopping me?"

Xiao Da didn't understand why Kai stopped himself from killing Fei Qingping.

Fei Qingping killed Kai just now, and he was not at all soft-hearted.

Even Fei Qingping wondered why Kai wanted to save himself?

"Elder Xiao, don't kill him first, can you leave him for me?"

Kai asked Xiao Da.

Chapter 1258

Xiao Da looked at Kai suspiciously: "Mr. Chen, what do you want to do?"

"I want to borrow him to help myself break through..."

Kai said truthfully.

Kai wanted to use Fei Qingping's strength to help him break through to Marquis Wu.

You must know that Fei Qingping is Marquis of Wu. If he can absorb Fei Qingping's strength, he might be able to break through.

Xiao Da didn't understand what Kai meant, but nodded anyway.

And Fei Qingping looked at Kai and said, "Kai, what do you want to do to me?"

Fei Qingping's face was full of fear!

"Of course it's absorbing your strength..."

After Kai finished speaking, he stretched out his hand and pressed it on Fei Qingping's head!

Immediately afterwards, Fei Qingping began to become distorted, and the strength in his body was continuously inhaled by Kai.

Fei Qingping struggled, but to no avail.

Xiao Da, who was on the side, looked at Kai in shock. He felt a little unbelievable. He didn't understand how Kai could do such evil!

Wuhou is Wuhou!

Kai took a full hour to absorb Fei Qingping's strength, and Fei Qingping had already turned into a mummified corpse.

Kai sat on the ground and began to refine Fei Qingping's strength.

The Heart Condensation Technique worked to the extreme, and after three full hours, Kai slowly opened his eyes!

Feeling the golden core in the body, there is no sign of a breakthrough.

"I absorb the strength of a Marquis, and there is no movement?"

Kai frowned, he felt that this Nascent Soul stage was too difficult to break through.

"Mr. Chen, you... are you an evil cultivator?"

Xiao Da looked at Kai in horror.

"What do you think?" Kai smiled lightly: "If I am a evil cultivator, do you think I can still leave Kyoto?"

Xiao Da thought it right, if Kai was a cultist, let alone those martial arts families, even the Kyoto officials would not be able to let Kai run around.

Kai was arrested long ago and put in jail.

"Mr. Chen, I'm sorry, I misunderstood!" Xiao Da followed Kai to apologize, and then said: "Thanks to Mr. Chen today, if Fei Qingping does not die, our Holy Beast Palace will become the target of public criticism sooner or later..."

"I should thank you, if it weren't for you, I wouldn't be able to break through this mountain protection formation easily." Kai knew that if it wasn't for Xiao Da, he might still be trapped in the formation.

Xiao Da smiled: "We each have what we need. Now the Holy Beast Palace has been destroyed and many disciples have fled. I will slowly develop the Holy Beast Palace."

"Elder Xiao... No, it should be called Xiao. Palace Master, I hope that after you take charge of the Holy Beast Palace, you don't go to the Red Lotus Palace, or I will not agree."

Kai said with a smile.

Although there was a smile on his face, his tone was threatening Xiao Da.

Kai couldn't stay in the Red Lotus Palace forever, so he had to let Xiao Da know in advance.

"Don't worry, Mr. Chen, I will make an announcement that our Holy Beast Palace and the Red Lotus Palace will form an alliance, so that no sect family in the entire South dares to fight the Red Lotus Palace!"

Xiao Da understood that they could not fight against Kai, since he knew If you can't fight it, it's better to give Kai a face.

"Haha, this is the best!" Kai smiled: "Now that Fei Qingping is dead, I should go back."

After Kai bid farewell to Xiao Da, he returned to the Red Lotus Palace!

Seeing Kai gone for a whole day, Xiaomin and Ji Ruxue asked Kai curiously what Fei Qingping asked Kai to do in the Holy Beast Palace.

Kai looked at the two sisters and said with a faint smile: "In the future, the Red Lotus Palace will no longer have to worry about being spied on, then Fei Qingping has already been killed by me. Now that Xiao Da has become the Palace Master of the Holy Beast Palace, he decided to follow the Red Lotus Palace. If the palace forms an alliance, then no one will dare to spy on the Red Lotus Palace."

Kai's words made Ji Ruxue and Xiaomin stunned.

"Brother Chen, did you really kill that Fei Qingping?"

Xiaomin asked in surprise.

"Of course, don't you believe my strength?"

Kai said with a playful smile.

"I believe, I believe too much." Xiaomin jumped up excitedly: "Brother Chen, you are amazing, I love you so much..."

After saying that, Xiaomin actually kissed Kai fiercely on the face. One bite, this made Kai a little embarrassed.

Ji Ruxue was also very happy, and no longer had to worry about the day when the Red Lotus Palace would be attacked by the Holy Beast Palace.

"Sister, Brother Chen helped us in addition to such a big hidden danger in the Red Lotus Palace, you still don't thank Brother Chen, show me!"

Xiaomin said to Ji Ruxue.

"How do you express it?"

Ji Ruxue was taken aback.

"Of course I gave Brother Chen a kiss and gave him a sweet kiss..."

Xiaomin said with a smile.

When Ji Ruxue heard this, her face turned red.

Kai was also full of embarrassment, and hurriedly said: "It's nothing to do now, I should go too..."

"Mr. Chen, it's too late today, or you should stay for one night..."

Ji Ruxue's face Pei Hong whispered to Kai.

Kai looked at the sky, it was indeed a little late, so he nodded and agreed, and left tomorrow.

In the evening, Ji Ruxue cooked again and gave Kai a table of delicious food.

During the meal, Kai could see that neither Xiaomin nor Ji Ruxue wanted him to leave.

But Kai knew that there were still many things waiting for him to deal with, and he had to fly away.

"Brother Chen, will you really come back after you leave?"

Xiaomin asked sadly.

"Of course it's true, I haven't figured out the secrets in the cave, of course I'll come back, don't worry..."

Kai said with a slight smile.

"Is it just to come back to find out the secret?"

Ji Ruxue looked at Kai, her eyes filled with emotion.

Kai glanced at Ji Ruxue, hurriedly lowered his head and started to eat, not knowing what to say.

Now Su Yuqi is still suffering, Kai has no heart to think about other things.

He can't do something sorry for Su Yuqi at this time.

As for Gu Linger, it was Su Yuqi's best efforts to match, and Kai agreed to give Su Yuqi a companion.

After dinner, Kai went to bed early to rest. He didn't want to chat more with Ji Ruxue and Xiaomin, the more chat, the deeper the relationship.

In the middle of the night, Kai was in a daze!

Suddenly I felt a warm body, followed by a burst of body fragrance.

Kai was startled, got up quickly, and found Ji Ruxue on his bed.

Kai wanted to turn on the light, but was stopped by Ji Ruxue.

"Don't turn on the light..."

Ji Ruxue didn't ask Kai to turn on the light, probably because she was shy.

Kai didn't turn on the light, but got out of bed and lit a chimney for himself: "Miss Ji, I understand your kindness, but I already have a girlfriend, and he is still locked in the dungeon of the Martial Arts Alliance. I can't be sorry for her!"

Ji Ruxue listened to Kai's words and put on her clothes silently.

"I'm sorry..."

Ji Ruxue was lost and walked out, just when she reached the door, Ji Ruxue stopped and looked back at Kai: "I'm not a slut, I'm not self-respecting, I'm just sincere I like you, I hope you can understand..."

"I understand..."

Kai nodded.

Ji Ruxue turned and left, she didn't want Kai to misunderstand that she was a casual woman.

Ji Ruxue walked back, Kai looked at the stars in the sky and missed Su Yuqi.

At the same time, in the dungeon of the Kyoto Martial Arts Alliance!

Zhu Zhishan put on his clothes and came to the dungeon. He would wait until midnight every day before coming to the dungeon.

In a room in the dungeon, Su Yuqi was sitting quietly, waiting for the arrival of Zhu Zhishan.

Chapter 1260 Alive

Because every night, Zhu Zhishan will come to this cell!

Su Yuqi's cell is well arranged, and no matter what kind of treatment, it is the best. The only drawback is that she can't see the sun and has no freedom.

When Zhu Zhishan entered the room, Su Yuqi got up mechanically, took off her jacket, and revealed her snow-white arms.

On Su Yuqi's arm, there are large and small needles everywhere!

Zhu Zhishan didn't talk nonsense either, he took out the needle and pried it, and soon the blood was sucked out along the needle.

Su Yuqi lost her expression as she watched her blood being sucked out.

She's used to it!

After sucking the blood, Zhu Zhishan put a pill on the table.

It was used to replenish the body with Su Yuqi. Zhu Zhishan knew that Su Yuqi was a treasure and would not do anything to dry up the water.

Zhu Zhishan collected the blood, then turned around and prepared to walk out of the cell!

At this moment, Su Yuqi spoke.

"How is Kai?"

Su Yuqi asked Zhu Zhishan.

Su Yuqi hadn't spoken for a long time, but today she suddenly did.

Zhu Zhishan said as he walked out, "Alive..."

Su Yuqi breathed a sigh of relief after knowing that Kai was still alive.

Zhu Zhishan took Su Yuqi's blood and walked directly into the depths of the dungeon.

The depths of the dungeon are filled with all kinds of unpleasant smells.

After reaching the innermost cell, Zhu Zhishan threw the blood he had just drawn into it.

Immediately afterwards, the sound of swallowing began to appear in the dark cell.

The voice stopped quickly, and then a hoarse voice came out: "Has Kai killed it?"

"Not yet, Ning Dahai of the Ning family has already rushed to the south to kill Kai, so I postponed our assassination mission. later."

Zhu Zhishan replied.

"Well, remember, Kai must not stay, this son will definitely be the biggest hidden danger in the future."

said a hoarse voice.

Zhu Zhishan opened his mouth and seemed to want to say something, but he didn't say it, and finally turned and left.

.....

Early in the morning, Kai got up and said goodbye to Ji Ruxue and the others!

Ji Ruxue and Xiaomin reluctantly sent Kai to the gate of the Red Lotus Palace!

"Brother Chen, don't forget what you said, come and see us when you have time..."

Xiaomin said to Kai.

"Don't worry, I definitely will!"

Kai gently stroked Xiaomin's head, and after glancing at Ji Ruxue, he turned around and was about to leave.

But before Kai took a step, he was stunned for a moment, and his brows furrowed deeply at random.

I saw one after another tyrannical breath coming, coming in a posture of enveloping.

There was an aura that was extremely tyrannical, and the entire Red Lotus Palace was enveloped by this tyrannical aura. This aura seemed to be deliberate, in order to prevent the people in the Red Lotus Palace from escaping.

Ji Ruxue and everyone in the Red Lotus Palace felt the terrifying pressure, and their expressions changed drastically.

Soon, I saw several people arriving at the door of the Red Lotus Palace. One of them, a middle-aged man with a cold face, glanced at Kai and asked, "Are you Kai?"

Kai nodded, and then asked "Who are you?"

"Ning Dahai..."

The middle-aged man replied.

boom!

Kai's scalp went numb. He didn't expect that Ning Zhi's father had left the customs and found it here.

Feeling the breath of Ning Dahai, he was obviously stronger than that of Fei Qingping.

With such strength, Kai is really not sure how to deal with it.

"Your son can't beat me, now I'm here..."

Although Kai was worried that he was not Ning Dahai's opponent, he couldn't lose in terms of momentum, so he sneered.

"Boy, stop talking nonsense, today I'm here to take revenge, you destroy my Ning family, hurt my son, I'm going to smash your corpse into ten thousand pieces..."

Ning Dahai's face was gloomy, and the breath on his body kept exploding. Come on.

A man like none other and the man decree (chinese) Chapter 1261-1262

Chapter 1261

"It's up to you, if you fight alone, you are not necessarily my opponent."

Kai said aggressively to Ning Dahai.

If Kai deals with Ning Dahai alone, he is not necessarily an opponent. If Ning Dahai brings those masters to join him, Kai will not be able to fight back.

"Arrogant!" Ning Dahai's eyes narrowed, and then he waved his hand: "You all step back, no one is allowed to move without my order..."

Ning Dahai screened his subordinates back.

And Kai looked at Ji Ruxue: "Miss Ji, you take Xiaomin and the disciples of the Red Lotus Palace back to the palace quickly, don't get close."

"Mr. Chen, this person is Marquis Wu, I'm afraid..."

Ji Ruxue could feel that Ning Dahai's breath was in the realm of Marquis, and she was afraid that Kai would not be an opponent at all.

"Don't worry, that Fei Qingping is also a Marquis of Martial Arts, so he was killed by me."

Kai smiled slightly: "Even if you help first in this kind of battle, you won't be able to help at all, and you will lose your life in vain. Whatever happens, none of you are allowed to come forward."

"Otherwise you won't be able to help me, but instead you will distract me and do me a disservice..."

Ji Ruxue also understood that this kind of battle between Marquis, like this With such strength, they have no ability to intervene at all.

"Well, be careful yourself..."

Soon, Ji Ruxue and the others also retreated hundreds of meters, and directly retreated into the Red Lotus Palace.

At this moment, only Kai and Ning Dahai were left facing each other.

"Kid, I know that you are using aggressive tactics to deliberately let me and you duel, but in the face of absolute strength, any kind of strategy is futile."

After Ning Dahai finished speaking, a terrifying aura rushed out of his body instantly. .

Immediately after that, a streak of energy was like a flying knife, rushing towards Kai directly.

Kai frowned, he didn't expect Ning Dahai's speed to be so fast, and he shot unprepared.

Brush brush.....

In an instant, countless energy left many scars on Kai's body!

Fortunately, Kai's body was strong enough, so he didn't hurt his bones.

Before he could think about it, Kai's body radiated golden light, and the golden scales grew, and Kai's undamaged golden body was brought into play.

In the next second, Ning Dahai slapped Kai's head with one palm, and this palm would kill Kai!

Facing Ning Dahai, Kai didn't dare to show any slights.

Tannin's burst of breath is enough to make Kai breathless.

Kai gritted his teeth and waved Shengguang Fist out.

The golden light exploded, piercing the void, and the dazzling golden light slammed into the palm of Ning Dahai's palm.

boom!

Like a nuclear explosion, a deafening sound rang out, followed by a wave of air visible to the naked eye swept all around!

And Kai's body quickly retreated, Ning Dahai's strength, Kai was not enough to resist.

There was a large pit of more than ten meters left at the scene, and Ning Hai did not move at all.

Kai squinted his eyes slightly, and his heart was full of mixed feelings. He knew that facing Ning Dahai, he had no chance of winning.

Ning Dahai's strength is too strong, and he is simply not comparable to his half-step Wuhou.

"It's no wonder that you can destroy the Ning family and hurt my son. Sure enough, there are some skills in the younger generation. There are not many young people with strength like you.

" Well, it happened to provoke my Ning family..." Ning

Dahai finished speaking, without giving Kai a chance to breathe, a huge palm slapped towards Kai with overwhelming force.

The energy contained in Ning Dahai's move was more powerful than a bomb.

Moreover, Ning Dahai's speed was extremely fast, and an afterimage flashed away, and then appeared in front of Kai.

Before Kai could react, Ning Dahai slapped Kai's chest with a palm.

Kai's body instantly flew backwards like a kite with a broken string, and the large scales on his chest fell off and disappeared.

"Brother Chen..."

"Mr. Chen..."

Seeing Kai fly away with a slap, Xiaomin and Ji Ruxue were all nervous.

Kai fell heavily to the ground, then looked at the two people and said, "Don't come here..."

At this time, Kai's chest had collapsed, and it was obvious that he had several broken ribs!

There was blood overflowing from the corner of his mouth, and the blood in Kai's body was scurrying everywhere!

The strength of Ning Dahai's palm was beyond Kai's imagination.

This is fortunate that there is no damage to the golden body, and Kai's physical body is also very strong, so it does not cause more damage.

Kai wiped the blood from the corner of his mouth and stood up slowly.

Ning Dahai looked at Kai, his brows were slightly wrinkled, and he was a little surprised: "You actually resisted my palm, it seems that your body is strong enough..."

Ning Dahai is not a new Wuhou now, he stepped into the Marquis Wu has been around for six or seven years. Otherwise, even if the Ning family did not join the Martial Arts Alliance, would there be no other sect family that would dare to provoke them?

Ning Dahai is a veteran Wuhou, and he was already famous in Kyoto before.

However, he did not expect that his palm would not kill Kai.

"You are too weak..."

Kai looked at Ning Dahai coldly. Although Ning Dahai's strength far surpassed him, Kai would never admit defeat and surrender.

Ning Dahai's face turned cold, he didn't expect Kai to have a hard mouth, and he dared to say such a thing.

"I'll make you stubborn, die for me..."

Ning Dahai had an angry look on his face, and then his figure disappeared in an instant, and it was almost a moment before he arrived in front of Kai.

Kai had been staring at Ning Dahai for a long time, and did not dare to be distracted at all. When Ning Dahai moved, the hairs on Kai's whole body had already exploded.

"Shengguang Fist..."

Kai shouted angrily, even though he hadn't seen Ning Dahai's figure yet, Kai had already thrown a punch.

Kai knew that when he saw Ning Dahai's figure, it was too late to start.

Kai's fist was wrapped in golden light, and a swimming golden dragon wrapped around his arm.

The power of the dragon was brought into play by Kai.

"The power of the dragon..."

Ning Dahai's eyes narrowed slightly, and then he slapped Kai's chest fiercely.

This palm contains all of Ning Dahai's inner strength, not to mention Kai's half-step Wuhou, even a real Wuhou would not dare to follow Ning Dahai to fight hard!

With a loud noise, Kai's arm was twisted instantly, and his body flew out backwards.

But this time, Ning Dahai did not stand still, his body swayed, and there was a pain in the palm of his hand!

Ning Dahai showed surprise in his eyes, and looked at Kai in disbelief.

"The power of the dragon is really extraordinary..."

Ning Dahai looked at Kai with greed in his eyes.

And Kai looked at his twisted arm, and his other hand tugged instantly, restoring the twisted arm.

Just now he mobilized almost all the power of the dragon to block Ning Dahai's palm.

But now Kai knew that the power of the dragon in his body could not support him to fight.

"Boy, hand over the dragon crystal in your body, and I will let you die a little more happily, what do you think?"

Ning Dahai also became interested in the dragon crystal in Kai's body.

"Long Jing can't be obtained by a person like you. You, like your son, are both robbers. Your entire Ning family is the stuff of male thieves and female prostitutes..."

Kai insulted Ning Dahai.

"Little beast, you are courting death..."

A man like none other and the man decree (chinese) Chapter 1263-1264

Chapter 1263

As the head of the Ning family, who would dare to speak to him like this, dare to scold him?

Immediately afterwards, Ning Dahai took out both palms, and rushed towards Kai with rolling energy.

"Little beast, I'm going to abolish your bones, crush your

dantian, and make you suffer for the rest of your life..." Ning Dahai roared, murderous!

Kai's face was cold, and he didn't dare to be slighted in the slightest. The dragon crystal in his body flickered with golden light, and a golden dragon hovered above Kai's head!

The power of the dragon was fully released by Kai. He knew that he needed to work hard, otherwise he would not be able to carry it at all.

Ning Dahai looked at the golden dragon hovering above Kai's head, but was stunned for a moment, but he didn't stop his hands.

Kai threw out his fists and greeted him fiercely.

Dodging is useless, Kai can only hit hard now...

Boom!

Smoke and dust rose, the earth trembled, and a huge force spread out. Even Ji Ruxue and the others, who were hundreds of meters away, felt incomparable pressure and hurriedly tried to resist!

The smoke and dust dissipated, and there was a large pit on the ground, and the golden light of Kai's whole body disappeared, replaced by bloody scars!

Kai's strength is still far from that of Ning Dahai. Even if he exerts all the power of the dragon, he still cannot resist Ning Dahai's attack.

Kai lay in the deep pit, staring blankly at the sky, the sky at this moment has become gray.

Gritting his teeth, Kai slowly stood up.

Kai stood up even though his body was covered in scars now.

When Ning Dahai saw that Kai could still stand up, his whole body was shaking with anger.

If this is spread out, how can he Ning Dahai have the face to see people?

It's too embarrassing to say that an old-fashioned Marquis can deal with a young man who is half a step Marquis.

"I don't believe it, you are Xiaoqiang who can't be beaten..."

Ning Dahai gritted his teeth, and bursts of red light appeared on the palm of his hand, followed by a burst of red light, which compared the sun.

Immediately afterwards, the red light was like a sharp sword, blazing out towards Kai!

Then the red light burst into a shower of swords, directly wrapping Kai in it.

Seeing this, Kai knew that he had no way to dodge, so he closed his eyes, and the spiritual power in his body formed a faint mist around his body, trying to block these sword rains!

Puff puff.....

A sword rain hit Kai's body, and the faint mist formed by Kai's spiritual power could not stop the sharp sword rain at all.

It was defeated in an instant, and then wounds were shot out on Kai's body!

Kai's body was almost penetrated by these sword rains, and the blood dyed Kai into a blood man.

And the spiritual power of the body also collapsed instantly, and the bones of the limbs were also cut off!

Kai fell heavily to the ground, his eyes were scarlet, looking at Ning Dahai.

Even at this time, there was no trace of fear in Kai's eyes.

Seeing that Kai is already like this, there is still war in his eyes.

This made Ning Dahai feel challenged and despised...

"I will let you experience death slowly..."

Ning Dahai stretched out his hand, and a huge suction force directly sucked Kai from the deep pit. Ning Dahai's hand.

Kai gritted his teeth, the Condensation Art in his dantian was running frantically, hoping to mobilize his spiritual power and take this good opportunity to give Ning Hai a blow.

It's a pity that the spiritual energy in Kai's body seems to have collapsed, and it can't be condensed together at all.

Ning Dahai held Kai in one hand with a grim smile on his face.

And Kai's face became more and more ugly...

"Don't worry, I suddenly don't want to kill you anymore. I want to make you live in pain for the rest of your life. You are my son's life, and I can't make it easier for you..."

Ning Dahai said, and put Kai fell to the ground.

Then Ning Dahai stepped on Kai's head and looked at Kai indifferently.

"Old man, you can kill me if you have the ability. As long as I have a breath, I will let your Ning family perish forever..."

Kai stared at Ning Dahai and said.

"Little beast, it's already like this, and you dare to speak hard..."

Ning Dahai was furious, and then kicked at Kai.

Kai's body was like a ball, and was kicked out by Ning Dahai.

Kai's internal organs were tumbling, and blood spurted out of his mouth!

Immediately afterwards, Ning Dahai walked up to Kai and kicked it out again.

Just like that, one foot after another!

Ning Dahai took Kai as a ball.

Kai was already blood and blood at this moment, and there was no intact place on his body.

"Brother Chen..."

Seeing Kai's tragic state, Xiaomin couldn't bear it any longer and wanted to rush out, but was pulled by Ji Ruxue.

"Don't go there..."

Ji Ruxue pulled Xiaomin firmly.

Every word spewed out a mouthful of blood.

Ning Dahai beat Kai, but all avoided the key points. What he wants now is not that Kai should die, but that he will suffer all the pain!

Kai's consciousness began to become blurred at this moment, and his eyes were hazy!

Soon, Su Yuqi appeared in Kai's mind, and his mother appeared. Although he couldn't see his mother's face clearly, the feeling of closeness made Kai very comfortable.

The previous scenes, like a movie, appeared scene by scene in Kai's mind.

"Am I really going to die?"

Kai shouted deep in his heart and wanted to resist, but his body had long since stopped moving.

Ning Dahai didn't know how long he tortured Kai, anyway, none of the bones on Kai's body were complete.

Seeing Kai dying, Ning Dahai was also a little tired.

"Little beast, you can just lie in bed like this for the rest of your life..."

Ning Dahai finished speaking, and then slapped Kai's lower abdomen with a palm.

The huge force instantly shattered Kai's dantian, and the golden core above his dantian also shattered into countless pieces!

The trace of life in Kai's body disappeared in an instant.

And Kai also directly closed his eyes and passed out.

Seeing this, Ning Dahai hurriedly kicked Kai, frowning: "Damn, dead? How could he be dead?"

Ning Dahai didn't expect that Kai was so resistant to fighting that he directly destroyed his dantian and died. ...

This makes Ning Dahai a little pity, the Longjing in Kai's body has not been taken, and it is dead, so there is no way to take the Longjing.

Ning Dahai glanced at the people in the Red Lotus Palace, but he did not attack them. It was not that Ning Dahai was kind and soft-hearted, but he was a veteran Marquis. If he attacked such a small sect, he would be ridiculed.

Ning Dahai is disdainful to take action, and there is no need to take action!

"Let's go..."

Ning Dahai saw that Kai was dead, so he waved his hand and led him away.

When Ning Dahai walked back, Xiaomin and Ji Ruxue rushed towards them in an instant.

"Brother Chen..."

"Mr. Chen..."

Xiaomin and Ji Ruxue cried bitterly, looking at Kai like that, they couldn't bear it any longer.

"Sister, hurry up and save Brother Chen..."

Xiaomin begged to Ji Ruxue.

Ji Ruxue looked at Kai like that, her whole body was shattered, even her dantian was shattered, how could she be saved?

Even if Kai was rescued, life would be worse than death in the future.

"Sister, do you save Brother Chen?"

Seeing that Ji Ruxue still didn't save Kai, Xiaomin shook Ji Ruxue's arm.

Chapter 1265

"No, it's impossible, Brother Chen won't die..."

Xiaomin cried bitterly, shaking Kai's body desperately: "Brother Chen, wake up, wake up..."

But no matter what Xiaomin did, Kai closed his eyes tightly, motionless!

Ji Ruxue bit her lip, she was very sad and wanted to cry, but in front of everyone in the Red Lotus Palace, as the palace lord, she couldn't be like Xiaomin.

"Come here, carry Mr. Chen in..."

Ji Ruxue sent someone to carry Kai into the Red Lotus Palace!

At this moment, Kai was placed in Ji Ruxue's yard, and Ji Ruxue turned everyone away!

Ji Ruxue gave Xiaomin an elixir to calm her mood and rest.

Ji Ruxue faced Kai alone, called a basin of water, and began to slowly wipe Kai's body.

Tears fell down Ji Ruxue's face. Although she knew Kai for a short time, Ji Ruxue knew that Kai had already lived in her heart.

"Don't worry, I will wipe you clean, I won't let you go like this..."

It's as if consciousness and body have been detached.

"Am I really dead?"

Kai's eyes were full of white chaos, and he couldn't figure out whether he was alive or dead.

I don't know how long it took, and Farewell Ji Ruxue wiped cleanly on Kai's body.

Ji Ruxue, a big girl with no experience, cast aside her shame and wiped Kai's body all over.

As the night fell, the full moon rose.

Ji Ruxue was still sitting beside Kai, sitting quietly like this, quietly looking at Kai.

Until midnight, Ji Ruxue still didn't move!

Several elders called her several times and asked her to rest, but Ji Ruxue didn't move at all.

A breeze blew, and suddenly a soft moonlight shone on Kai's body.

The dantian in Kai's body was healing, but the broken golden core did not come together, but kept changing. Soon the golden core fragments turned into a small golden figure, standing above Kai's dantian.

Boom.....

Kai, who has been in chaos all the time, suddenly felt his eyes light up.

When he opened his eyes, he found a soft moonlight shining on him.

Kai was a little surprised. He didn't know how much time had passed. He turned his head slightly and found that Ji Ruxue was sitting beside him.

Ji Ruxue's eyes were very red, obviously crying for a long time.

"You're gone. In this life, I may not like any man anymore."

"You are the only man who impresses me, and the only man who sincerely helps me, but doesn't covet my body."

"Wait for tomorrow . . . I will bury you beautifully, and bury you in this red lotus palace."

"Don't worry, I will visit you every day and burn paper for you..."

Ji Ruxue's eyes were dull and she said to herself Whispering!

She didn't realize at all that Kai had opened his eyes at this moment.

"Since you like me so much, why do you still bury me alive?"

Kai looked at Ji Ruxue and smiled lightly.

Kai had heard from Ji Ruxue's words, it turned out that they all thought they were dead.

In fact, Kai himself thought he was dead, but he didn't want to come back to life.

Kai's words shocked Ji Ruxue instantly and jumped up from the chair.

Ji Ruxue was stunned when she saw that Kai was looking at her with a smile.

After a while, Ji Ruxue reacted and threw herself into Kai's arms.

"So you're not dead, so you're not dead..."

Ji Ruxue cried with joy.

Kai wanted to raise his hand and pat Ji Ruxue lightly, but found that his hand couldn't move at all.

Kai was startled, and hurriedly wanted to sit up, but found that his legs couldn't move.

Apart from controlling his head, he couldn't control his whole body at all.

This time, Kai was a little panicked.

Kai hurriedly checked it with a deep heart. He was surprised to find that the golden core in his body turned into a little golden man.

The little golden man is lifelike, and his appearance is exactly the same as himself!

"This...is this the Yuan Ying?"

Kai almost shouted excitedly.

He didn't expect that he would get a blessing in disguise and break through to the realm of Nascent Soul.

At this time, Kai remembered the last battle with Ning Dahai.

Ning Dahai shattered his Dantian and Jindan!

"Is it necessary to break the Jin Dan to break through the realm of Nascent Soul?"

Kai was thinking: "This may be called "no breaking, no standing?"

Kai seems to know why he always has no way to break through, he never thought about it at all Breaking one's own golden core, let alone breaking through Nascent Soul, needs such an opportunity!

Now Kai is like a pony crossing the river, and many things need to be explored by himself.

Ji Ruxue raised her head and looked at Kai who was alive, not to mention how happy she was.

"Don't worry about crying, help me up..."

Kai said to Ji Ruxue.

After Ji Ruxue heard this, she was stunned and said: "Kai, you can't get up, you can only lie down, your bones are all broken..."

Kai frowned, no wonder why he couldn't control his body, It turned out that the bones of his whole body were broken.

Then what is the use of breaking through to the realm of Nascent Soul?

Seeing Kai like that, Ji Ruxue said quickly: "Don't worry, I will go to find a doctor for you and ask for medicine. Even if you can't be cured, I will support you and guard you for the rest of your life..."

Looking at Ji Ruxue like this, Kai has mixed feelings in his heart, and he can't tell what he feels.

He could see that Ji Ruxue was sincere to him, but Kai didn't dare to be tempted by Ji Ruxue.

Su Yuqi is still suffering, he has to rescue Su Yuqi.

If at that time, Su Yuqi can accept Ji Ruxue, she may be tempted by Ji Ruxue.

Suddenly, a light of lightning slashed down and struck Kai impartially.

In an instant, Kai's skin was split open, and a burnt smell filled the air.

"Kai..."

Ji Ruxue was shocked, Kai finally came back to life, and was struck to death by lightning again.

Ji Ruxue wanted to step forward and carry Kai into the room.

"Don't move, step back, this is thunder..."

Kai shouted at Ji Ruxue, asking Ji Ruxue to step back!

Kai knew that this was a thunder calamity. Since he had broken through to the Nascent Soul Realm, there would definitely be a thunder calamity.

At this time, Kai was facing Lei Jie incomparably outward.

After the thunder calamity, the body will be reshaped, and the broken bones on Kai's body will be intact.

And after the thunder calamity, Kai's body will become more powerful!

"Thunder calamity?"

Ji Ruxue was confused and didn't understand what thunder robbery was.

After all, a martial artist does not need any thunder tribulation to cross the realm, so it is normal for Ji Ruxue not to know.

Kai's consciousness entered his body instantly, and found that Nascent Soul was also struck by a lightning bolt at this moment.

Then the Nascent Soul released bursts of golden light!

Another thunder robbery hit Kai's body fiercely.

This thunder tribulation was extremely powerful, and the enormous energy blew Ji Ruxue away.

"Quick, hide in the room..."

Kai shouted at Ji Ruxue.

Ji Ruxue was also a little stunned at the moment, and hurriedly rushed into the room.

The two thunderstorms almost made Kai's body black, like a burnt mummy.

And after this thunder calamity, the light emitted by the Nascent Soul in Kai's body actually skyrocketed again!

Kai is now covered with golden light, and the layer of dark material begins to fall off, but the scars on Kai's body are gone.

At this moment, Kai's skin is white and bright, even better than a baby's skin, as if it was growing again.

This made Ji Ruxue in the room look stupid.

Soon, the palms could move, followed by the feet, and soon Kai stood up slowly.

At this moment, Kai's face was radiant, and his whole body radiated light.

But when Kai stood up, he suddenly felt a chill down below, and after he lowered his head suddenly, he almost scared Kai to death.

It turned out that he was standing naked at the moment.

Kai looked at Ji Ruxue who was looking at him through the window in the room, Kai almost died of embarrassment.

With his fingers pinched, a blindfold appeared instantly, directly hiding Kai.

Kai couldn't stand being watched like this.

What's more, he has to endure thunder calamity and cannot be distracted.

Soon, the dark clouds piled up and became thicker and thicker, indicating that the third thunderstorm was coming.

Rumbling...

The third thunder robbery fell, and a lightning bolt rushed out of the dark cloud like a silver snake, and the huge force directly bombarded Kai.

The entire Red Lotus Palace was shaken by this thunderstorm.

This also caused many people in the Red Lotus Palace to wake up from their sleep.

Then looked at the vision outside the window in surprise, no one dared to leave the room, and no one knew how there was such a bad weather at night.

They didn't know that the ghost weather was caused by Kai.

The thunder robbery hit Kai's body, and the golden light on Kai's body was a little more exuberant.

And the Nascent Soul seems to be growing like a baby, obviously bigger than the beginning.

Rumbling.....

Another thunder robbery fell.

Kai sat cross-legged, his eyes were slightly closed, his consciousness entered directly into his body, observing Nascent Soul, without caring about his own body at all.

Now, if Yuan Ying doesn't die, Kai can't die. Even if his body rots away and disappears, Kai can slowly recover.

Kacha...

The thunder tribulation containing the power of heaven and earth smashed hard on Kai's body.

Each thunder is stronger than the last.

Kai's body was split into flesh instantly, but it would soon be repaired by golden light.

After thinking about Kai's blindfold, Ji Ruxue would not be able to see him, otherwise, seeing him like this, he would definitely be frightened.

Rumbling....

One after another thunder robbery smashed down, and there were ten thunders, slashing on Kai.

The dark clouds in the sky are slowly dissipating, and this thunder tribulation is over.

But at this moment, Kai, who was sitting cross-legged on the ground, seemed dissatisfied with these ten thunder tribulations.

Because the more fierce Lei Jie, the more powerful the tempering of Kai's body.

"Let's do another thunder calamity!"

Kai raised his head and waved his right hand forward fiercely, and a golden light went directly towards the dark clouds in the sky, randomly disappearing into the dark clouds.

The dark clouds that had dissipated soon gathered together again.

The golden light that was submerged in the dark cloud, after traveling through the dark cloud, turned back towards Kai.

Kai is actually using his own strength to create a thunder calamity. If anyone else sees this, his jaw will drop.

If you want to know that other people have survived the thunder calamity, they are all worried, and how many people have been wiped out in the thunder calamity.

Chapter 1268 Breakthrough

Now Kai actually created his own thunder tribulation and forged his own body, which is simply too perverted.

Rumbling....

Under this thunderstorm, Kai's body was instantly bombarded into scum...

At this time, Kai's consciousness could even see the scene where he was blasted out of scum.

But soon, with the golden light of Nascent Soul, Kai's body began to slowly heal.

The dark clouds in the sky dissipated, and the golden light on Kai's body was restrained, and a faint light flickered on his skin. This light was emitted by the pure flesh.

When the consciousness entered the body, Kai could see that the light on Yuan Ying also changed, and Kai's consciousness seemed to be able to feel the breath of Yuan Ying.

"This is the realm of Nascent Soul, this is the realm of Marquis..."

Kai's eyes burst into two bright lights.

And Kai's body became like crystal jade, crystal clear.

"Mr. Chen..."

Ji Ruxue ran out of the room when she saw the dark clouds dissipate.

With a wave of Kai's hand, the blindfold was removed, and Kai was exposed in front of Ji Ruxue.

Ji Ruxue blushed instantly when she saw Kai, and then threw the clothes in her hand to Kai.

Kai hurriedly put it on, but also embarrassed and didn't know what to say.

"Sister, what happened just now?"

At this moment, Xiaomin ran over.

She, who had taken the medicinal pill, had already fallen asleep, but was abruptly awakened by the thunder tribulation just now.

When Xiaomin ran into the yard and saw Kai, he was stunned.

Xiaomin glanced at Kai, then suddenly screamed: "Ghost, ghost..."

Xiaomin turned pale with fright, and hid directly behind Ji Ruxue.

"Little girl, you are the ghost. Have you ever seen such a handsome ghost?"

Seeing that Xiaomin was frightened by himself, Kai said jokingly.

It's no wonder, after all, they thought they were dead, so now that they were standing alive, they would definitely be afraid.

"Xiaomi, your brother Chen is not dead, he is not a ghost..."

Then Xiaomin stuck his head out, and then looked at Kai: "Even if Brother Kai is not dead, can't it be like a different person?"

"He is covered in injuries, and his bones are broken, even if he is not dead, It 's impossible to stand!"

When Xiaomin said this, Ji Ruxue didn't know how to answer Xiaomin, because of many things, she was also confused now.

"I have a magic weapon on my body that can reshape my body, so I will be as good as ever."

"If you don't believe me, come and pinch me to see if I'm a ghost!"

Kai said with a slight smile.

Xiaomin slowly moved over, and then pinched Kai's arm hard.

"You child, are you really trying?"

Kai pretended to be in pain.

Seeing this, Xiaomin immediately became happy: "So you are really Big Brother Chen, not a ghost..."

Xiaomin was happy, but suddenly burst into tears again, and rushed forward into Kai's arms.

Looking at the photos, Kai's appearance is already terrible.

Obviously, the dead can't die anymore.

Mr. Shi looked at Kai's photo and fell into silence. After a while, he said to Xing Jun: "Captain Xing, tell me about your recent discovery."

"I also destroyed a few evil cultivators this time, but these are just some small sects, and those big cult sects have not been seen. trace."

At this moment, a waiter came over and asked Xiaolan and Wu Meier.

"Oh, I'm sorry, we're waiting for someone, someone will arrive in a while, we're ordering!"

Xiao Lan said to the waiter.

The waiter didn't say anything, just turned and left.

However, Wu Mei'er and Xiao Lan's eyes were still fixed on the two Ning family members.

The two Ning family members also felt that someone was staring at them, so they turned to look at Wu Meier and Xiaolan.

When they saw the two girls staring at them, the two Ning family glanced at each other, and a wicked smile appeared on the corners of their mouths, then got up at the same time and sat at the table of Wu Meier and Xiaolan.

"Two little sisters, do you mind if we sit here and eat together?"

said a Ning family member.

"Of course I don't mind, someone pays the bill, but I still mind..."

Xiao Lan smiled slightly, and gave a wink to the Ning family sitting next to her!

At this moment, the Ning family's eyes suddenly lit up, and then they looked at Xiaolan with a smile.

And the Ning family next to Wu Meier was also fascinated by Wu Meier's wink.

"Two big brothers, there are many people here, let's go to a good place, okay?"

Xiao Lan said when she saw the appearance of the two Ning family members, knowing that they had been charmed.

"Okay, okay..." The

two nodded.

Soon, Wu Meier and Xiaolan walked out of the restaurant with the two Ning family members.

When walking to an alley, Gu Linger suddenly flashed out.

Then, with a wave of the dagger in his hand, the two Ning family members instantly fell into a pool of blood.

After killing the two Ning family members, Gu Linger and the others hurriedly fled and began to look for their next target.

They were going to use this method to kill the Ning family bit by bit.

In two days, Gu Linger and the others used this method to kill more than a dozen people in the Ning family.

At this time, in the Ning family hall, Ning Dahai kept walking back and forth, feeling a little uneasy.

In just two days, more than a dozen people in the Ning family died unexpectedly!

He didn't know who in the capital was targeting their Ning family!

In the entire Kyoto martial arts world, there will never be many aristocratic families who dare to target their Ning family like this.

"Trash, it's all a bunch of trash. It's been two days, can't we find any clues?"

Ning Dahai roared at some of the higher-ups of the Ning family.

These people bowed their heads, and no one dared to speak.

"Dad, the other party in this matter is obviously aimed at our Ning family, and I have investigated it, and the other party may be two women!"

Ning Zhi said to Ning Dahai.

"Two women?" Ning Dahai frowned: "Among the people we were killed, there was a Wuzong. Which woman is so powerful?"

"The strength of these two women is not strong. Among the dozen or so people we lost, there were only two Wu Zongs. After we raised our vigilance, they started with some great masters."

"It can be seen that their strength is not strong, the reason why we were able to kill two of our Martial Sects in the first place is likely to be seduced by beauty and let our people lose their vigilance!"

Ning Zhi carefully analyzed.

"Then go check it out, find these two women anyway, I want to see who is targeting our Ning family..." Ning

Dahai roared.

Ning Zhi nodded and immediately took someone to investigate!

Mr. Shi asked Zhao Wuji.

"Mr. Shi, I can't guess, but Mr. Chen was killed by Ning Dahai, but Mr. Chen still has a group of people who follow Mr. Chen to the death."

"Whether it is the Valley of the Wicked or the Shadowless Villa , even Medicine God Valley, these people are possible!"

"But the people who do this will definitely not be too strong, except for killing two Ning family Wuzong at the beginning, there are some great masters in the back. "

Zao Wou-Ki analyzed.

"This Kai, I don't know where the charm came from, so many people follow him with all their hearts..."

Mr. Shi said in surprise.

Zao Wou-Ki shook his head: "I don't know either, but these people respect Mr. Chen very much, and they obey orders..."

"Tell me, is it Kai who has done what he has done in the past two days? What?"

Mr. Shi suddenly asked.

Zao Wou-Ki was taken aback: "Does Mr. Shi still suspect that Mr. Chen is not dead?"

"I still don't believe that Kai would die so easily!"

Mr. Shi sighed.

Zao Wou-Ki shook his head: "This is definitely not what Mr. Chen did. If it were him, he would definitely break into Ning's house in a high-profile manner and follow Ning Hai to fight to the death.

" It's Mr. Chen's temperament..."

"Haha, I didn't expect Pavilion Master Zhao to know me so well..."

Just as Zao Wou-Ki finished speaking, Kai walked in with a big smile.

Seeing Kai, Zao Wou-Ki instantly widened his eyes, his face full of incredulity.

"Chen...Mr. Chen, you...you're really not dead?"

Zao Wou-Ki couldn't believe it. Looking at the photo, Kai was covered in bruises and bruises, and he couldn't even see his appearance.

"Mr. Shi is right, how could I die so easily..."

Kai smiled lightly, then clasped his fist towards Mr. Shi and said, "Mr. Shi..."

"Hahaha, it seems that I guessed right, you The boy really didn't die so easily..."

Mr. Shi laughed loudly: "Not only did you not die, but you seem to have made a breakthrough."

It can be seen that Kai is not dead, and Mr. Shi is also very happy.

"Well, the breakthrough reached Wuhou..."

Kai nodded.

"Mr. Chen, what the hell is going on? Then Ning Dahai spread the news that you had been killed by him, and there are photos to prove it!"

"And the recent assassination of the Ning family, does it have anything to do with you?"

Zao Wou-Ki was full of curiosity, he really wanted to know what was going on.

Kai didn't hide it either. He told about his battle with Ning Dahai, which made Zao Wou-Ki and Mr. Shi nervous.

But in the end, when he heard that Kai was a blessing in disguise and broke through directly to Marquis Wu, Zao Wou-Ki seemed very surprised!

"As for the assassination of the Ning family in the past two days, I don't know who did it. I only arrived in Kyoto today, and I just heard about it."

It took Kai more than three days to arrive in Kyoto.

He didn't go to the Ning family for the first time, but came to the Dharma Protector Pavilion in order to spread the news that he was still alive.

By the way, on the Martial Dao Forum, humiliating Ning Dahai well, Kai's purpose in doing this is to establish his prestige!

"Kai, you chose to come back, what's your plan next?"

Mr. Shi asked Kai.

Kai's face turned cold, and he said coldly, "I want to challenge Ning Dahai and their entire Ning family. I want everyone to know that offending me will end..."

Looking at Kai's killing intent, Mr. Shi did not speak.

"I know!" Kai waved his hand, interrupting Zhao Wuji's words: "I know that there is a sky outside the sky, There are people outside, I dare to say this, it is not arrogance, but everyone in the Ning family, must die..."

Zhao Wuji wanted to persuade him to say something, but was stopped by Mr. Shi.

"Since Kai wants to challenge the Ning family, then let him go. Zao Wou-ki, please post the battle post of the challenge."

"When Kai challenges the Ning family, no other sect family is allowed to intervene, otherwise don't let it go. Blame me for being rude!"

Mr. Shi said to Zao Wou-Ki.

Mr. Shi knew that Kai had many enemies in Kyoto, but there was more than one Ning family.

If Kai was seriously injured when he was dealing with the Ning family, then the other sects and noble families would definitely pounce on him like a tiger.

Mr. Shi is helping Kai to solve his worries!

"Thank you Mr. Shi..."

Kai also understood that Mr. Shi was helping him.

"Don't thank me, I'm not entirely here to help you, I'm also helping myself..."

Mr. Shi said.

After coming out of the Law Enforcement Pavilion, Kai went to investigate what happened to the Ning family in the past two days.

He wants to see who is targeting the Ning family!

At the same time, according to Mr. Shi's instructions, Zao Wou-Ki sent Kai back to the capital to challenge the Ning family and posted it on the martial arts forum!

And Mr. Shi's announcement was also sent out, warning all the martial arts families, when Kai dealt with the Ning family, no one was allowed to intervene.

This time, the Kyoto martial arts world exploded in an instant.

Two days ago, it was said that Kai was dead, but after only three days, Kai actually returned to the capital, and he had to challenge the Ning family!

Although there is no photo of Kai to corroborate it, this information was sent by the Law Enforcement Pavilion, so it cannot be fake.

The Law Enforcement Pavilion represents the official, how could it be possible to publish fake news.

The Ning family became a whirlpool of public opinion for a while, all because Ning Dahai was bragging, deliberately falsifying photos, and did not kill Kai at all.

And when Ning Dahai saw the news on the forum, he was so popular that he almost vomited blood.

He obviously destroyed Kai's dantian, and all the bones of Kai's body were broken.

And there is no life at all, that is, death.

Why did he suddenly return to the capital, and dare to challenge the entire Ning family in such a high-profile manner?

"Impossible, absolutely impossible, this must be fake news!"

"Dad, this is from the Dharma Protector Pavilion, it shouldn't be fake, right?"

Ning Zhi said.

Ning Dahai stared, "What do you mean, they are not fake, so what I said is fake?"

"No, no, that's not what I meant..."

Ning Zhi quickly shook his head and said.

Facing his father, Ning Zhi was very afraid in his heart.

"I don't believe that Kai is still alive. Even if he is alive, he must be a waste!"

Ning Dahai didn't believe what the forum said at all.

He believed in his own eyes.

"Leave this matter on the forum for now, have those two women been found?"

Ning Dahai asked Ning Zhi, not caring about what was said on the forum.

"The two women have been found. I sent someone to arrest them. I believe they will be back soon..."

Ning Zhi said.

"Well, when I catch them, I will strip them off and throw them on the street to be humiliated..."

Ning Dahai gritted his teeth.

"When you catch those two women, remember to keep one for me, I haven't enjoyed it for a long time..."

Chapter 1274

.....

Kyoto, on a not-so-prosperous street!

Because it was late and the weather was a little cold, there were no people on the street.

In a small alley next to the street, Gu Linger and the three of them were hiding inside.

They were waiting, waiting for the Ning family who passed by.

Because they saw the two Ning family members go to a restaurant on the street, they believed they would come out soon.

Soon, from one end of the street, two middle-aged people who were drunk came along with each other's arms.

These two people were the Ning family, the people Gu Linger and the others were waiting for.

"Come on, come here, I'm already drunk, just to start..."

Wu Mei'er said in a low voice when she saw the two Ning family members walking towards this side.

"Let's go..."

Xiaolan pulled Wu Meier up and was about to go out from the alley.

"Be careful, you two, these two are the strengths of Wu Zong."

Gu Ling'er reminded the two of them.

In the beginning, they were able to succeed against the two Wu Zongs of the Ning family, because the other party did not have any psychological precautions.

Later, the Ning family were prepared, and they were thinking that it would not be easy for them to do something at the Wuzong level.

"Don't worry, these two guys are so drunk, they must be fine."

Xiao Lan said confidently.

Soon, the two Ning family members came over, and Xiaolan and Wu Meier greeted them.

"Two eldest brothers, where are you going?"

Xiaolan asked with a flirtatious look.

When the two Ning family members saw Xiaolan and Wu Meier, their eyes suddenly lit up.

"Hahaha, I didn't expect to meet two beauties at night!"

"It just so happens that I'm a little bored, accompany my brother Lele..."

One of the Ning family members grabbed Xiaolan with a wicked smile.

Xiaolan dodged gently: "Brother, what's the hurry, let's find a place, we can't be on the street!" As

she said that, Xiaolan threw a wink, and Wu Meier also turned to another Ning at the same time. The family gave a wink.

I saw a flash of light in the eyes of the two Ning family members, and then their eyes became a little dull.

Seeing that she succeeded, Xiaolan raised a smile on the corner of her mouth, and then pulled out the dagger.

At the same time, Gu Linger also rushed out of the alley and started with Xiaolan.

But at the moment when the two started, the two Ning family members, whose eyes were dull, flashed brightly, and they controlled Xiaolan and Gu Linger.

This sudden change shocked Xiaolan and Gu Linger, as well as Wu Meier who was beside her.

"Big brother, what are you doing?"

Wu Mei'er said softly to a Ning family member.

And the magic of charm constantly radiates from his eyes.

"Hmph, your little charm is useless to us!"

One of the Ning family members grabbed Wu Mei'er as soon as they reached out.

This time, the three girls panicked. It turned out that the two Ning family members had not fallen for their charm.

"It turns out that our Ning family was killed by the three of you in this way. Now I will take you to see the owner..." The

two Ning family members controlled Gu Linger and the three of them and walked towards the end of the street. .

Gu Linger and the others struggled desperately, but to no avail. The opponent was Wu Zong, and they didn't have the strength to fight back.

But when they reached the end of the street, several people suddenly found a person with his back to them, standing in the middle of the street!

When the two Ning family members saw this, they instantly exuded aura and prepared for battle.

"This brother, who are you? We belong to the Ning family!"

"Kai...Kai..."

Gu Linger and the three girls shouted excitedly.

Looking at Kai in front of them, they couldn't believe their eyes!

Especially Gu Linger, her voice was hoarse and her body was shaking.

When the two Ning family members heard that the other was Kai, their expressions became extremely ugly!

"You...you are Kai? Aren't you already dead?"

one of the Ning family members asked with a trembling voice.

"It's dead, but I'm alive again!"

Kai approached slowly with a faint smile on his face!

"You...don't come here, or I'll be rude to them!" The

two Ning family members hurriedly controlled Gu Linger and the others, wanting to use the three of them to blackmail Kai.

But Kai's footsteps did not stop, and he continued to move forward.

"If you let the three of them go, I can spare you from dying. If you dare to touch one of their hairs, I will let you die!"

Kai's voice was indifferent and calm, but every word was like a heavy hammer. It hit the hearts of the two Ning family members fiercely!

"Don't come here, I told you not to come here..."

One of the Ning family panicked, his body trembling violently.

A Wuzong, but was frightened to such a point!

"Did you take my words as a deaf ear? I asked you to let the three of them go..."

Kai's face darkened, and endless killing intent instantly filled him!

A gust of breeze blew past Kai with killing intent, blowing towards the two Ning family members.

The two Ning family members trembled, and they only felt like they had fallen into an ice cave!

"Let them go..."

The two Ning family members were shocked, and then let go of their hands and knelt to the ground with a thud.

Gu Linger and the three hurried to Kai and hid behind Kai.

"Don't kill us, we are also following orders..." The

two Ning family members began to beg for mercy!

Two dignified martial arts masters, but at this moment, like grandsons, begging to Kai.

Kai didn't do anything, and the pressure on his body made the two of them throw away all their dignity!

"I said, if you let people go, I will let you go..."

"You can get out now, go back and tell Ning Dahai, I will come to the door to seek revenge for him tomorrow!"

Kai said coldly.

When the two Ning family members heard this, they were so frightened that they turned their heads and ran away, without daring to hesitate!

"Kai..." After the

two Ning family members ran away, Gu Linger plunged into Kai's arms.

Tears flowed uncontrollably.

Seeing Kai hugging Gu Linger, Xiaolan felt an indescribable feeling in her heart.

She also wanted to rely on Kai's words, and also wanted to have a support for herself.

It's just that she can't, her energy since childhood has made her much stronger than other girls.

"Why are you crying? I'm fine!"

"I'm not so easy to die, I haven't tasted the taste of a big beauty, how can I die..."

Kai said jokingly.

As soon as Gu Linger heard this, her face turned red, and she punched Kai gently: "What nonsense are you talking about, you are still in front of people..."

"Okay, you two stop flirting, let's go back quickly, or Uncle Long will be worried."

At this time, Wu Mei'er couldn't stand it any longer and said.

"Uncle Long is here too?"

Kai was a little surprised. After all, Long Wu has no skill at all now, and he is just an ordinary person. If he comes to Kyoto, it is very dangerous.

If Long Wu was discovered by the Long family, he would definitely be captured and tortured.

"Let's go and see Uncle Long!"

Kai said.

Kyoto, Ning Family!

The two people who patted and captured Gu Linger were kneeling in the hall at the moment.

Ning Dahai sat on it with an unbelievable look on his face.

"Are you sure that the person you saw was Kai?"

Ning Dahai asked.

"The owner of the house is him, he can't be wrong,"

said one of the Ning family members.

Ning Dahai frowned and remained silent. He couldn't understand how Kai survived.

Another point is that it has only been three days, even if Kai is not dead, but his body is so seriously injured, how can he recover?

"Then Kai didn't take action against you, so the two of you ran back like this? Are you afraid of Kai if you have a hostage in your hands?"

Ning Zhi angrily confronted the two Ning family members and asked, "Anyway, you are too . Wu Zong, are you so cowardly?"

"Nonsense, that Kai is only half a step Marquis, how could he have such a terrifying aura?"

Ning Zhi didn't believe it, he fought with Kai.

If you don't want to do it, it is impossible for the two Wuzong masters to bear the aura alone.

"Eldest young master, really, we didn't lie to you. The breath that Kai exudes is probably not worse than the master."

"I think that Kai should have broken through to Marquis Wu..." The

two Ning family members hurriedly explained.

"Breakthrough to Marquis Wu?"

Ning Zhi's eyes widened, full of disbelief.

If Kai broke through to Marquis Wu, wouldn't his hope of revenge be even more remote?

"Breakthrough to Marquis?"

Ning Dahai stood up suddenly, his face full of shock.

"Yes, according to the breath that Kai exudes, it should be Wuhou!"

A Ning family nodded.

Ning Dahai sat back again with a thud.

The whole person fell into silence. If Kai was not dead, he would accept it.

what is this? In just a few days, a man who was on the verge of death, and his dantian was shattered, broke through to Marquis Wu.

Who can I tell you, who can believe it!

"Could it be that I helped him?"

Ning Dahai suddenly remembered something.

At that time, he shattered Kai's dantian and wanted to make Kai an ordinary person.

Always be a jerk!

But he didn't want to, this time directly gave Kai an opportunity to make a breakthrough.

Ning Dahai knew that if he wanted to break through to Marquis Wu, he could not simply practice blindly. The opportunity was also very important.

As for what the opportunity is, it all varies from person to person!

Every person who breaks through Wuhou has a different opportunity. Some people may break through after a sleep and a dream.

Some people may break through by playing chess, and everyone is different.

Some people are trapped in the half-step Wuhou for a lifetime, and they have not found an opportunity!

"Could it be that Kai's opportunity is to break

his dantian?" Ning Dahai now regrets that he broke Kai's dantian.

I regret not being able to turn Kai's head off at that time.

Chapter 1277

Ning Dahai was silent, and he was a little overwhelmed.

If Kai really makes a breakthrough, then it will be uncertain who will live and who will die.

The most important point is the relationship between Kai and Mr. Shi.

When Kai was in the south, he could chase after him and kill Kai.

But now Kai is back in Kyoto, right under Mr. Shi's nose.

Really want to challenge, if Kai is lost, will Mr. Shi come to the rescue?

This is something no one can tell.

At the beginning, Kai made a lot of trouble in the Ning family and was besieged by everyone. Seeing that Kai was about to be killed, Mr. Shi appeared.

Obviously, Mr. Shi did not want Kai to die.

Ning Dahai was caught in a dilemma. It is not a matter of fighting Kai, nor is it not a fight!

"Patriarch of the Luo family? Could it be that the Luo family has a grudge against Kai?"

Ning Dahai asked with a puzzled face.

"Of course there is a grudge..."

Ning Zhi smiled, and then told Ning Dahai about the matter!

It's just that Ning Zhi is his son, so he can't do anything.

But for Ning Zhi's sinister character, Ning Dahai didn't like it very much either.

As a veteran Wuhou, he doesn't like to use such despicable methods.

Kai said firmly.

Long Wu was silent for a moment, and then said: "Kai, don't underestimate the Long Family and the Martial Arts Alliance, you have to be well prepared."

"Will he have any intentions?"

Long Wu frowned.

"I don't know either, but Mr. Shi said that when he helped me, he helped himself, and I didn't understand what it meant!"

Kai said.

"The heart of harming others is indispensable, and the heart of defending others is indispensable. You can have some snacks for yourself, and go to Ning's house tomorrow. Be very careful!"

Long Wu urged Kai.

"Well, Uncle Long, don't worry!"

Kai nodded.

"It's getting late, rest early and recharge your batteries!"

After Long Wu finished speaking, he asked Gu Linger and the others to go back to their rooms to rest. He was afraid that the three girls would disturb Kai's rest.

Long Wu also did not support the three girls to go, and took the three girls back to Yaoshen Valley, in order not to distract Kai.

To prevent a sect family from catching them and then blackmailing Kai, then Kai will be passive.

When Kai came to the Ning family, he found that there were already people standing next to the Ning family's villa, and some people had prepared the equipment for shooting.

It seems that these people are here to watch the fun, but Kai doesn't care.

He posted messages on the martial arts forum just to let people know.

However, although the sun has risen, the door of Ning's house is closed, and no one comes in or out!

Kai walked to the gate of Ning's house, then took a deep breath and shouted: "Ning Dahai, get out of here, your grandfather Kai took your dog's life..."

"It made those who watched the fun dizzy, and even some people with low strength, and some fainted.

This time, everyone was shocked and stepped back.

But after Kai yelled, he didn't see any movement from the Ning family!

When Kai saw this, he stepped forward and knocked the gate of Ning's house flying out.

It was only at this time that the Ning family's butler hurried out.

Seeing Kai's vicious, god-like appearance, everyone in the Ning family didn't dare to make a sound.

Only the housekeeper of the Ning family said, "Our head is not here, you are not here today..." When

the housekeeper of the Ning family spoke, his body was shaking!

"Not here? I think he's avoiding me, right?"

Kai said coldly.

"It's really not here, or you can look for it!"

After finishing speaking, the Ning family's butler told everyone in the Ning family to move out of the way.

And Kai swaggered into the Ning family and began to look for Ning Dahai!

However, after looking around, I didn't find Ning Dahai, not even Ning Zhi.

"Our master has something to do, he's really not at home..."

Ning's housekeeper said.

"Since he's not here, then I'll wait for him..."

After Kai finished speaking, he moved a chair and sat at the door of Ning's house.

Then he glanced at everyone in the Ning family, and said to the two Wuzongs who arrested Gu Linger last night: "You two, go and pour me a pot of water..." The

two Ningjia Wuzong glanced at each other and then looked again. Looking at the crowd outside, I didn't know whether to listen to Kai or not.

After all, so many people are watching and filming, if Kai orders this, it will be a shame.

The two of them don't count as shame, but they're also shameful for the Ning family!

But when the two were hesitating, Kai suddenly put out his palms!

The terrifying spiritual power roared out, like a gust of wind, and instantly moved towards the two Ning family Wuzong.

The two Ning Family Wuzong masters didn't even have a chance to dodge, and their bodies were directly knocked out.

Then he fell heavily to the ground, vomited blood and died!

This scene directly shocked everyone. Kai killed two Wuzong masters at once. This strength is simply too scary.

"Go, pour me a cup of tea..."

Kai said lightly again.

This time, two people from the Ning family rushed to pour tea for Kai, and they didn't dare to hesitate at all.

Kai sips tea and waits for Ning Dahai!

At this time, the martial arts forum had already been blown up, and the matter of Kai's coming to Ning's house had already been broadcast live on the forum.

"You go and inform Ning Dahai that as long as he doesn't come back for an hour, I will kill the two of the Ning family until I kill everyone in the Ning family!"

Kai looked at the housekeeper of the Ning family and said in a cold tone.

At this moment, when Kai said such a thing, no one at the scene would think that he was bragging, because Kai just showed his hand to let everyone know that Kai has this strength.
