A man like none other and the man decree (chinese) Chapter 1279-1280

Chapter 1279

Relying on these people from the Ning family, Kai could not be stopped at all.

On the martial arts forum, comments are everywhere!

"Kai is too awesome. He broke into the Ning family alone and scared Ning Dahai to run away .

"

I must be scared. Two days ago, I was bragging, saying that I killed Kai, and now I am slapped in the face."

"This Kai must have stepped into the Marquis of Wu. You can see it just by looking at it!"

On the forum, many people watched the live broadcast and commented frantically.

At this time, a challenge post that was originally posted on the top of the martial arts forum was quietly deleted.

But soon, it was discovered by sharp-eyed people.

"Damn it, Xin Pengfei's previous post about challenging Kai on New Year's Day is gone. Is this guy scared?"

"It's really gone, then Xin Pengfei must be scared and scared."

"Now this Kai is on the free list . First, I'm afraid no one will dare to disagree."

It's just that Kai didn't read the forum and didn't care about it. He just waited for Ning Dahai's arrival.

He was looking at the time, and after an hour, when he didn't see Ning Dahai's figure, he would make another move to kill the two Ning family members.

At this time, Ning Dahai and Ning Zhi were also paying attention to the Martial Dao Forum. When they saw that Kai made a move, he killed two Wu Zongs, and when the two of them didn't even have a chance to react, Ning Dahai's face was extremely ugly!

He never imagined that in just a few days, Kai's strength had grown by leaps and bounds, and it was no longer a level.

Seeing the humiliation and foul language towards him and the Ning family on the forum, Ning Dahai almost died of anger!

At this moment, the housekeeper of the Ning family called Ning Dahai!

"Master, then Kai came and killed the two of us. Now I want to see you, but if I can't see you, he said he will kill two people within an hour!" The

butler said in a trembling voice.

"I already knew, let him kill, I have to deal with things first!"

After speaking, Ning Dahai hung up the phone.

For those servants of the Ning family, it doesn't matter how many you kill, as long as he is fine.

"Dad, are we just watching Kai kill everyone in the Ning family?"

Ning Zhi asked Ning Dahai.

"Aren't I trying to figure out a way? It's best not to fight against Kai at this time. Once I lose, Kai won't kill me, and there will be many aristocratic sects who will attack our Ning family."

"These people They are all jackals, just waiting for our Ning family to fall!" The reason why Ning

Dahai didn't want to fight with Kai was that he was afraid of losing and getting hurt after fighting with Kai.

Even if Kai spared his life, the other Zongmen families would take advantage of the situation to rob him.

In front of interests, there are no eternal friends!

"Otherwise, let's go to the leader of the alliance, and let him talk to Kai directly in the name of the leader of the martial arts alliance. We can give him what Kai wants, as long as Kai can stop targeting us!

" It's not too late for a gentleman to take revenge, and when I step into the realm of Marquis, I'm looking for Kai..."

Ning Zhi said to Ning Dahai.

"It's a good idea to find someone to make peace with, but Zhu Zhishan can't do it, Kai won't give him face, and now only one person can persuade Kai!"

Ning Dahai narrowed his eyes slightly and said.

"Who is it?" Ning Zhi asked.

"Mr. Shi..."

Ning Dahai said slowly.

Now, only when Mr. Shi speaks, Kai will listen.

"But, will Mr. Shi agree to us? He has always been on Kai's side!"

Ning Zhi asked.

"Try it, I don't think Mr. Shi doesn't want the chaos in the martial arts world in Kyoto!"

After Ning Dahai finished speaking, he immediately stopped a car to find Mr. Shi.

Chapter 1280

In the Law Enforcement Pavilion, Mr. Shi sat quietly in the hall drinking tea, as if waiting for something.

Zao Wou-Ki waited by the side, not daring to breathe.

Normally, Mr. Shi would leave after a while in the Dharma Protector Pavilion, but looking at it today, he would not leave for a short time.

At this moment, a member of the Protectorate Pavilion hurried in, and then said to Zao Wou-Ki: "Pavilion Zhao, someone asked to see Mr. Shi..."

"Who is it?"

Zhao Wuji asked.

"Is it Ning Dahai?"

Mr. Shi asked.

"That's right, it's their father and son!"

The member of the Dharma Protector Pavilion nodded.

"It seems that Ning Dahai is not foolish enough for you!"

Mr. Shi smiled lightly: "Let him come in!"

The member of the Dharma Protector Pavilion withdrew, while Zao Wou-Ki looked at Mr. Shi in surprise.

It seems that Mr. Shi came to the Dharma Protector Pavilion early in the morning, so he was waiting for Ning Dahai.

"Mr. Shi, did you guess that Ning Dahai would come to you?"

Zhao Wuji asked curiously.

"I guessed it, but I don't have full confidence. It seems that Ning Dahai doesn't want to follow Kai to death!"

Mr. Shi said.

Zao Wou-Ki looked at Mr. Shi with admiration, his eyes full of admiration!

Soon, Ning Dahai was invited in along with Ning Zhi.

After seeing Mr. Shi, Ning Dahai and Ning Zhi saluted Mr. Shi in unison: "Mr. Shi..."

Mr. Shi nodded slightly: "Well, sit down!"

Mr. Shi asked the father and son to sit down, but it was very difficult. Quickly, Mr. Shi's eyes fell on Ning Zhi, and his face became a little dignified.

Seeing Mr. Shi staring at him, Ning Zhi suddenly became a little uncomfortable!

But soon, Mr. Shi looked away from Ning Zhi and asked Ning Dahai, "Ning Dahai, what are you looking for?"

"Mr. Shi, then Kai is at the door of my Ning's house now. If you have to challenge me, as a veteran Marquis, I will fight with him!"

"Whether I win or lose, I have nowhere to put my old face, and the two of us fight, I am afraid that the entire Kyoto martial arts world that we are going to provoke will shake.
"Yeah!"

"So I want to ask Mr. Shi to come forward and talk about Kai. If he has any requirements, you can mention it, and I will try my best to satisfy him..."

Ning Dahai lowered his posture and said to Mr. Shi.

Mr. Shi smiled slightly: "Ning Dahai, when you went to kill Kai, didn't you say that as a veteran Wuhou, you have no place to save face when you attack a newcomer?"

"Ning Dahai's weakness.

Ning Dahai could only smile awkwardly, but he couldn't say a word.

"I can persuade Kai, but as for whether Kai will listen to me, I can't tell. This kid has a very stubborn temper."

Mr. Shi said slowly.

"It doesn't matter, as long as Mr. Shi comes forward, no one in the entire martial arts world dares to give face. I believe that Mr. Shi will be fine!"

Ning Dahai did not expect Mr. Shi to agree to his request so happily.

You must know that Kai is backed by Mr. Shi, and when Kai challenged himself, he must have been inspired by Mr. Shi.

Ning Dahai didn't want to, but Mr. Shi agreed to persuade Kai.

"Okay, you guys go out and wait for me..."

Mr. Shi said.

Ning Dahai thanked him repeatedly and followed Ning Zhi to wait outside the door.

"Mr. Shi, are you really going to persuade Mr. Chen? You know about his challenge to Ning Dahai."

Zao Wou-Ki asked Mr. Shi with an incredible face.

He didn't understand why Mr. Shi agreed to Ning Dahai's request.

"Of course I'm going, but then Kai will definitely not give me face..."

Mr. Shi smiled and then walked out.

Ning Dahai hurriedly opened the car door for Mr. Shi in person, and then the car set off towards the Ning family.
