A man like none other and the man decree (chinese) Chapter 1461-1462

Chapter 1461 Despicable villain

Seeing this situation, Kai hurriedly mobilized his last strength and ran outside. If the entire Bliss City collapsed, even if Daluo Jinxian was here, he would die here.

Especially the recovered mermaid sculpture gave Kai a great sense of threat!

In that dream, Kai watched the mermaid with his own eyes, and killed many masters as soon as he made a shot. With his current strength, he was afraid that he would be blown to death by someone in one breath!

"Haha...haha..."

"Thousands of years, thousands of years..." The

mermaid got rid of the shackles completely and laughed loudly.

With the laughter of the mermaid, one after another terrifying murderous intent kept coming!

Puff puff.....

People began to vomit blood and die, which made everyone panic even more and ran out desperately.

With a wave of the mermaid's palm, the gate of the palace began to slowly close.

This time, everyone began to scramble to crowd out, for fear of dying here.

One after another murderous intent is still pounding down, and people continue to fall to the ground, being harvested for their lives!

And the mermaid looked at everything in front of him indifferently, as if these people were just ants in his eyes.

Pfft...

A ray of murderous intent penetrated Kai's chest and instantly knocked Kai to the ground. Kai, who was already weak, looked even more ugly at this moment!

Blood kept pouring out, Kai gritted his teeth and stood up again desperately.

He can't die, he can't die here.

He is dead, what will Yuqi do? What about your own mother?

Who is the father that you have never met?

Kai still wants to know all this!

Kai struggled to get up and rushed towards the door with difficulty, but at this moment, most of them had already escaped from the palace and headed out of the city without looking back.

After Zhu Zhishan escaped from the palace, he looked at the gate of the palace that was about to close slowly, and his eyes showed a bit of joy!

I thought you Kai was still inside, but didn't escape.

"Kai..."

Just when Kai arrived at the door and the palace gate was about to close, Ge Jiayi suddenly shot and pulled Kai, trying to pull Kai out.

Seeing this, Zhu Zhishan's face turned cold: "Mind your own business..."

After that, Zhu Zhishan slapped Ge Jiayi with a palm, and Ge Jiayi hurriedly dodged to the side, but failed to catch Kai!

"Kai, just stay inside and die inside..."

Zhu Zhishan sneered on his face, swung his fist away, and a terrifying energy went straight to Kai.

Kai, who originally arrived at the door, was hit directly on the body by this terrifying energy, and his body flew back upside down.

At this moment, the gate of the palace was also directly closed.

Looking at the closed door, Kai roared: "Zhu Zhishan, you despicable villain..."

"Hahaha, I am a despicable villain, what can you do to me?"

Zhu Zhishan raised his mouth proudly .

Rumbling.....

The whole city of bliss shook, and Zhu Zhishan didn't dare to stop when he saw this, and hurriedly headed out of the city.

After taking a look at the palace, Ge Jiayi also turned around and left, and now no one can save Kai.

At this time, Kai was lying on the ground, and he didn't even have the strength to stand up. One after another murderous intent hit him, and every blow was a terrifying wound!

Chen Pingsheng was helpless and stared at the mermaid in front of him!

Kai knew that he would never have the chance to escape from here again!

But just when Kai thought that he was bound to be bombarded to death by this murderous intention, he didn't want that terrifying murderous intention to suddenly disappear.

The mermaid, who was originally arrogant, turned pale at this moment, his forehead was covered in cold sweat, and he was panting heavily.

## Chapter 1462

Seeing this, Kai couldn't help feeling overjoyed. He suddenly bit the tip of his tongue, leaning on a strand of blood essence, and stood up directly.

The mermaid was surprised when she saw that Kai was still able to stand up.

"As expected of the son of the dragon, his body is really strong..." The

mermaid said with surprise.

Kai once again heard the three words "Son of the Dragon" from the mermaid's mouth. He couldn't help but be stunned, and hurriedly asked: "Who are you? Do you know what I am?" The

mermaid gasped for breath, but did not answer Kai. Flat, but the body is slowly absorbing the spiritual energy in the beast pills on the ground.

After being sealed for thousands of years, the strength of this mermaid has long been lost.

If the mermaid's strength is still preserved, he will definitely not let these people in front of him, because these people are the best cultivation resources for him.

Kai found that the mermaid was recovering his strength, he suddenly fought with the last ounce of strength, and smashed it with one punch.

The golden light on the fist is extremely dim, and even the power of the dragon is not much left!

The mermaid frowned, dodging Kai's punch.

"Boy, if I still have the strength, I can kill you thousands of times with a single spit. How dare you do something to me?"

"When my strength is restored, I will make your life worse than death..." The

mermaid looked furiously at me. Kai.

At this moment, Kai's consciousness is not light because of forcibly urging blood essence, and his eyes are blurred!

But he knew that if he didn't want to kill the mermaid now, after he absorbed the spiritual energy to restore some of his strength, his soldiers would surely die.

"I won't give you a chance..."

Kai suddenly bit the tip of his tongue again, followed by a mouthful of blood mist, Kai's breath instantly increased a lot.

The golden light on the fist began to become bright, and then he shouted angrily, and smashed the mermaid with one punch!

There was endless anger on the mermaid's face, and he had never been ignored by the ants like this.

It's just that the strength in the body is gone, the mermaid is angry, and there is no way to do it.

Seeing Kai's punch coming in front of his eyes, the mermaid gritted his teeth and shot a white and transparent fishbone from his body!

This fishbone is about half a meter long, with a cold light on it, like it was carved from white marble!

When the fishbone penetrated Kai's body, it disappeared in an instant, and Kai fell to the ground with a thud, and then it became darker and darker, and he fainted directly...

Looking at the fainted Kai, the mermaid His eyes were slightly condensed: "Well, you stinky boy, force me to waste the immobilization thorns in my body, and I will rip your skin and cramp your muscles in a while, and suck everything from your body..." The

mermaid looked at it angrily. Kai, then began to absorb the spiritual energy in the beast pill, and slowly regained his strength!

.....

On the other hand, Zhu Zhishan and the others escaped from Bliss City, but only after they came out did they discover that Suolong Island had begun to collapse, and the originally huge island was now only very large. Small areas, even these places are collapsing towards the bottom of the sea.

Fortunately, there was a cruise ship, and everyone hurriedly boarded the ship, and then watched Suolong Island disappear into the sea.

Soon, everything became calm, as if there had never been an island here!

"It's a pity..."

"So many beast pills are wasted..."

"I hope to have a chance to come again in the future, this is all over."

Many people began to feel regretful.

Long Xiao looked at the silent Suolong Island, and his face was full of regret!

Only Zhu Zhishan's face darkened slightly, staring at the sea where Suolong Island disappeared, not knowing what he was thinking.

Long Xiao walked over, both of them were missing an arm at this time, and it was the same person who caused all this, that is Kai!

A man like none other and the man decree (chinese) Chapter 1463-1464

Chapter 1463 Regret

It can be said that both of them now hate Kai to the core!

"Do you think that Kai will escape?"

Zhu Zhishan asked suddenly. Long Xiao was stunned for a moment, and then said:  
"This time, he will never be alive. Even if he escapes

, how many days can he survive in this vast sea without a boat?"

Finally a smile appeared.

"It's just that I couldn't kill him with my own hands. It's a pity..."

Long Xiao had always wanted to kill Kai with his own hands, but in the end this wish could not be fulfilled.

Zhu Zhishan looked at Long Xiao and said, "What happened when you killed Kai? Why did you cut off your arm suddenly?"

Zhu Zhishan remembered the incident when Long Xiao tore off his arm in the palace. So curiously asked.

Long Xiao forgot to glance at his severed arm, with an indescribable look on his face.

There are some things he can't say with Zhu Zhishan.

Zhu Zhishan looked at Long Xiao like this and knew that Long Xiao didn't want to say anything, so he smiled slightly and said, "It's the soul in your body that broke your arm, right?"

Long Xiao was stunned, and then looked at Zhu in disbelief. Zhishan, but quickly nodded: "Yes, at that time Kai practiced the exercises, which was very strange. Originally, I wanted to absorb his strength, but I didn't want to be controlled by him, and the strength in my body was constantly sucking up. ."

When Zhu Zhishan heard that Kai's exercises were so powerful, he couldn't help but gasp.

"Fortunately, this guy is dead now, otherwise the strength of this guy in the future will be absolutely inestimable..."

"At that time, we people will probably die."

Zhu Zhishan said with some fear.

After hearing this, Long Xiao smiled awkwardly. Originally, he was the most talented person in the younger generation, but now, he was forcibly suppressed by Kai. Although Kai will never appear again in the future, the legend of Kai is very scary. It will take a long time to fade.

"Long Xiao, what happened to the soul in your body? Why did your breath drop significantly during the battle just now?"

Zhu Zhishan asked strangely, not understanding why Long Xiao's strength suddenly dropped!

In fact, Long Xiao himself didn't understand, and he was just about to ask what happened to the soul.

It's just that I didn't have time to ask!

Soon, Long Xiao's consciousness dived and asked the soul: "Senior, when the girl's armor appeared just now, where did you go? Why can't I feel you anymore?"

"The armor on that girl is Buddha. The treasure of the home, that light is the light of the Buddha."

"That is the light of the Buddha. If I didn't hide it, where would I be able to talk to you now, it would have vanished long ago..." The

soul said in a fearful voice.

It seems that the Buddha's light just now really gave him a lot of pressure.

But after Xiaoru escaped, the spirit came out again.

When Long Xiao heard this, a light flashed in his eyes. He didn't expect a seemingly ordinary armor to be a treasure!

"Long Xiao?"

Seeing Long Xiao's expression, Zhu Zhishan called out softly.

Long Xiao reacted and said to Zhu Zhishan, "I wish the alliance leader, then Dong Jiahao escaped with the girl. In this sea, he will definitely not be able to escape. He should be still on this boat. Let's look for it..."

Long Xiao finished. , even impatiently ran to find it.

Zhu Zhishan frowned, not understanding why Long Xiao was suddenly interested in these two people.

Long Xiao searched the whole ship, but there was no sign of Dong Jiahao and Xiaoru. It turned out that the two put down the lifeboat and escaped.

This made Long Xiao feel very regretful!

"The two of you escaped and escaped, as long as Kai couldn't escape."

"Let's get down to business now..."

Zhu Zhishan patted Long Xiao on the shoulder and said.

## Chapter 1464

Long Xiao nodded: "Okay, let's get down to business!"

After that, Long Xiao gathered all the people on the cruise ship who participated in the trial.

In this trial, it can be said that the casualties were heavy. They fought with the monsters on the shore, and some people died. After the battle with Kai, more than ten more died.

At the end of the escape, several were killed in the palace!

More than 20 people died in one trial, this is the first time!

But in the same way, in the trial, it is the only time to get so many resources!

Everyone has at least a hundred beast pills on them. You must know that there are many rare beast pills in them, but their efficacy has been reduced due to the age.

But these beast pills are absolutely priceless!

"Everyone, I called everyone together to tell you that this trial was organized by our Long Family, so the resources obtained this time need to be handed over to our Long Family, and then distributed to all of you."

"I hope you can hand over the beast pills you got, and I will redistribute them at that time."

Long Xiao said loudly to the crowd.

Long Xiao's words instantly caused everyone to shout in dissatisfaction.

"Master Long, what do you mean? Even though the trial was done by your Long family, you didn't say that you need to allocate resources?"

"Long Xiao, you are just killing the donkey and killing Kai just now. What did you say?"

"Yes, what are you doing? Now that Kai is dead and Suolong Island is gone, you will fall into trouble?"

"If I don't pay, I will do it if I can. I'm afraid you won't succeed?"

Everyone roared, how could anyone be willing to hand over the resources they got.

Listening to the roar of the crowd, Long Xiao was not angry, and the corners of his mouth raised slightly: "You can do it if you don't pay, then wait for seven days before your bowels will rot and die..."

"Long Xiao, what are you doing? mean?"

someone. asked loudly.

"Nothing else, before you set off, do you remember the Qi Gathering Pill you ate? If you don't want to die, then obediently hand over the Beast Pill, and I will distribute it to you again."

Long Xiao said with a sneer.

Hearing what Long Xiao said, everyone began to curse.

It's shameless to scold the Long family, and it's a shame to scold the Long family...

No matter how much you scold, Long Xiao is not angry, and even Zhu Zhishan, who is on the side, admires Long Xiao a little.

But scolding and scolding, when it comes to the moment of life and death, someone will compromise after all.

Soon, someone handed over the beast pill.

Immediately afterwards, more and more people handed over the beast pill!

In the end, only Ge Jiayi did not hand over the beast pill.

"Miss Ge, aren't you afraid that your bowels will rot?"

Long Xiao looked at Ge Jiayi doubtfully: "I can tell you, I didn't lie to you at all, if you don't hand over the beast pill, I won't give you the solution. Medicine."

"I'm not afraid, I can die, but the beast pill will not be handed over."

Ge Jiayi sneered.

Because Ge Jiayi didn't eat the Qi Gathering Pill at all, so there was nothing to be afraid of.

Long Xiao looked at Ge Jiayi angrily, but because of Ge Jiayi's identity, Long Xiao didn't treat her like that.

Long Xiao put all the beast pills together and began to distribute them uniformly!

It's just that the distribution is not evenly distributed, but distributed according to the size and strength of the sect family.

The children of those big sect families get more, while the children of some small sect families get very little.

Although the children of the small sect family were dissatisfied, they had no choice but to curse in their hearts!

And the children of those big sect families are very satisfied, so they will not trouble the Long family!

This is a society where the strong eat the weak, and this is the law of survival.

In this trial trip, Long Xiao got a lot of beast pills, and also destroyed Kai, which can be said to be a double harvest.

The only regret is that Long Xiao lost an arm.

A man like none other and the man decree (chinese) Chapter 1465-1466

Chapter 1465

Bliss City, inside the palace!

Kai still fainted on the ground, and the mermaid's eyes became sharp after absorbing part of the spiritual energy.

Looking at Kai on the ground, the corner of the mermaid's mouth raised slightly.

"I didn't expect that thousands of years later, I would be able to meet the Son of Dragon just after waking up. It seems that this is God's favor for me..." The

mermaid walked slowly to Kai.

A pair of merman's eyes radiated red light, like a scanner, it swept across Kai's body, and then the light disappeared!

"Little cultivator Yuanying, the son of a dignified dragon, his strength is so poor."

"But the dragon crystal in the body is not small. I absorb your kid first, and I am slowly recovering my strength..." The

mermaid said, and suddenly turned towards Chen. The dragon crystal in the flat body was grabbed.

But just when the mermaid got it right away!

Om...

Suddenly there was a flash of golden light, and then a figure flew out of Kai's body!

This figure is incomparably tall, covered with dazzling scales, and the breath exuding from his body makes people shudder!

After the mermaid saw the sudden appearance of the figure, she was so frightened that she hurriedly backed away!

This chapter is provided by [m.informativestore.com](http://m.informativestore.com). Visit [m.informativestore.com](http://m.informativestore.com) for daily update.

His eyes were full of fear and anxiety!

"Just a stinky fish, can't you do something wrong?" The

figure said coldly!

The mermaid trembled all over and knelt directly on the ground!

His eyes were full of disbelief: "You...you are...you are a dragon..." But

before the mermaid finished speaking, I saw the figure wave lightly with one hand, and a fluttering breath instantly moved towards the mermaid.

The mermaid didn't even dodge, and disappeared in an instant, as if it had never been here before.

Only a crystal clear shark bead appeared on the ground, indicating that this mermaid had appeared!

The figure turned his head slowly, his deep eyes fixed on Kai, his angular face had some similarities with Kai.

"Child, in the future, you can only go on your own..."

A trace of tenderness flashed in the shadow's eyes.

Kai seemed to sense something, his eyelids moved slightly, but he didn't wake up!

Rumbling.....

The City of Bliss is still collapsing, and the sound is shocking!

I saw a slight wave of the figure, and the city of Bliss, which had vibrated violently and collapsed quickly, was quiet at this moment!

The wind and waves caused by the collapse on the sea also subsided in an instant.

Soon, the figure slowly disappeared, as if it had never been here!

And Kai was still in a coma and knew nothing about the outside world!

.....

Kyoto!

Returning from this trial, how much joy and how much sorrow!

Many sect families have lost their best children, but there are also many sect families who have received generous rewards, and a large number of beast pills can allow them to cultivate a few more masters.

It's just that this trial has also brought the Long Family and the Martial Dao Alliance into the cusp of the storm. Some small sect families have taken place in the forum to denounce the Long Family's practices!

At this moment, Long Jingguo of the Long family looked at Long Xiao who had broken his arm, and he had an indescribable feeling in his heart!

"Xiaoer, your trial this time is too reckless, isn't this creating an enemy for our Long family?"

Long Jingguo said to Long Xiao.

Many aristocratic sects denounced the Long family, making the reputation of the Long family a complete failure!

"Dad, how can you care about the small section when you do things? Look at how many experts I can bring back so many beast pills to our Long family this time?"

"And with these beast pills, I am confident that in a short period of time, Become the first person in the Kyoto martial arts world."

Long Xiao's eyes narrowed slightly, and he said arrogantly.

"Hey..." Long Jingguo sighed slightly, and then said: "Then Kai, did you see him die with your own eyes?"

"No, but the entire Suolong Island collapsed and disappeared into the sea, then Kai was alive at all. No, it's just a pity for those beast pills in Bliss City."

A trace of pity flashed in Long Xiao's eyes.

## Chapter 1466

"Then it's good that Kai is dead, and now we have to calm down the anger of those martial arts families."

After Long Jingguo finished speaking, he walked straight out. He just took two steps, but stopped and turned around and said, "Xiaoer, you Don't go anywhere during this time, and practice well at home, if you are like this, it will be very troublesome if you are known..."

After Long Jingguo finished speaking, he walked straight out of the Long family and went straight to the Martial Arts Alliance!

In the hall of the Martial Arts Alliance, Zhu Zhishan was in a good mood. This time he not only killed Kai, but also brought back so many beast pills to the Martial Arts Alliance!

I believe that the high-level will definitely not punish him, maybe the almighty can reward him with some treasures!

Just when Zhu Zhishan was happy, Long Jingguo walked in!

"Patriarch Long, please take a seat..."

Zhu Zhishan was very polite to Long Jingguo.

This trial was done by the Long family. It was the Long family's credit that he could kill Kai and get so many beast pills, so of course Zhu Zhishan had to be polite to Long Jingguo.

"I wish the leader, this trial, Xiao'er was young and energetic, and changed the rules randomly, which made a lot of martial arts families dissatisfied, and now there is negative news about my Long family everywhere, so I would like to ask the leader of the alliance to think of a way to put this The matter is suppressed."

Long Jingguo said straight to the point.

When Zhu Zhishan heard this, his brows slightly wrinkled: "Long Family Master, your Long Family is also a member of the Martial Arts Alliance. Of course, our Martial Arts Alliance should take care of this kind of thing, but you also know that there are many noble families here. I didn't join the Martial Arts Alliance, so I said it doesn't count."

"But I can guarantee that any sect family that belongs to the Martial Arts Alliance dares to make irresponsible remarks against the Long family, and I will punish them."

Long Jingguo Hearing this, his brows were tightly knit together.

However, what Zhu Zhishan said is indeed right. Many aristocratic sects have not joined the Martial Arts Alliance, so even if Zhu Zhishan speaks, no one may listen!

But if these people are allowed to make trouble, the reputation of the Long family will be ruined. After all, the Long family is also a famous martial arts family in Kyoto. If such a thing happens, it is better to find a way to suppress it.

Could it be that there is still a rumored national martial arts circle that knows about this matter, then the Long family can't be ashamed.

"I have a solution here, I don't know if it is suitable or not..."

At this moment, Ning Zhi walked out from the side.

Ning Zhi always had that kind of faint smile on his face, no one could guess what he was thinking!

"Ning... what can the deputy leader of Ning do?"

Long Jingguo wanted to call Ning Zhi, but now Ning Zhi is the deputy leader. Besides, this trial was approved by Ning Zhi, so Long Jingguo also gave Ning Zhi a face.

"Long family, these sect families have not joined the martial arts alliance, so we can't control it, but from now on, we can let them join."

"As long as these sect families have joined the martial arts alliance, then I wish the alliance leader is talking, no. Is it okay?"

Ning Zhi said with a faint smile.

When Long Jingguo heard this, he suddenly smiled bitterly: "Vice Alliance Leader Ning, after so many years, these aristocratic sects have already joined the Martial Arts Alliance

. The Dragon Clan Master is right, many aristocratic sects do not want to join the Martial Dao Alliance, they feel that they are bound, and we can't force them to join."

Zhu Zhishan also explained.

"This is so easy to do. In this trial, Young Master Long got a lot of beast pills. We can use some of them as resources. As long as they join the Martial Arts Alliance, we can give them resources and increase the resources of our Martial Arts Alliance. Sharing."

"In addition to the annual trial, there are other benefits that can be added. In the face of interests, who can refuse?"

Ning Zhi said to Zhu Zhishan and Long Jingguo.

## Chapter 1467

Hearing what Ning Zhi said, Zhu Zhishan nodded with satisfaction. After all, the more Martial Dao families joined in the Martial Dao Alliance, the stronger their Martial Dao Alliance would be.

However, Long Jingguo was a little hesitant. After all, these beast pills are now the resources of the Long family. Let him take them out and recruit members for the Martial Arts Alliance. Long Jingguo is a little reluctant.

"Vice Alliance Leader Ning, if there are so many benefits, what if there are still aristocratic families who don't join?"

Long Jingguo asked.

The corner of Ning Zhi's mouth lifted, revealing a sneer: "Since you don't want to eat toast, then you will be punished. Anyone who doesn't join the Martial Arts Alliance, just go directly..."

Ning Zhi wiped his neck and rubbed Zhu Zhi Both Shan and Long Jingguo were taken aback.

Killing without joining the Martial Arts Alliance is not forcing others to join?

"Ning Zhi, what you think is good, but have you forgotten that there is a Mr. Shi in Kyoto?"

Zhu Zhishan reminded Ning Zhi.

"Leader, we are recruiting members normally, and Mr. Shi can't stop them, right?"

"Those stubborn sects and aristocratic families, leave it to me to deal with, I will deal with it in secret, and Mr. Shi will not know."

"There is no evidence . . . , Mr. Shi can still disband our martial arts alliance?"

Ning Zhi said with a sneer.

After listening to Zhu Zhishan, he pondered for a moment, then nodded and said: "Then you can do this matter. When the time comes, our martial arts alliance will grow, and your credit will be the greatest."

Zhu Zhishan got up and patted Ning Zhi. said on the shoulders.

Ning Zhi nodded, then looked at Long Jingguo: "Patriarch Long, I will trouble you to send someone to deliver the resources."

Seeing this, Long Jingguo could only agree: "Okay, I will send someone to deliver it. ."

Long Jingguo got up and left, while Zhu Zhishan looked at Ning Zhi: "Ning Zhi, you must be careful not to cause serious trouble..."

Zhu Zhishan is still in the position of the leader of the alliance, and he has finally settled down. He does not want to cause trouble, nor does he want to take responsibility.

"Don't worry, Alliance Leader!"

Ning Zhiman said confidently.

Zhu Zhishan then nodded, got up and went to the back to rest, while Ning Zhi looked at Zhu Zhishan's back with a gloomy smile on his face.

.....

Inside the Dharma Protector Pavilion in Kyoto!

The atmosphere is very depressing, everyone is silent, and Mr. Shi is sitting in the main seat, with a cigarette in his hand, taking a sip from time to time, frowning!

Xing Jun on the side didn't dare to breathe. He had been with Mr. Shi for more than ten years, and this was the first time he saw Mr. Shi's expression.

And that Zao Wou-Ki was trembling slightly all over. Although he had been with Mr. Shi for a while, every time he faced Mr. Shi, Zao Wou-Ki felt nervous all over.

After smoking a cigarette, Mr. Shi slowly looked at Zao Wou-Ki: "Is the news you heard accurate?"

"Mr. Shi, it is absolutely true, and I also brought Dong Jiahao, the boy of the Dong family, and he Just outside the Protectorate Pavilion."

"There is also a girl named Xiao Ru, they all escaped from Suolong Island."

Zao Wou-Ki hurriedly said to Mr. Shi.

As soon as Mr. Shi heard Xiao Ru, he hurriedly said, "Bring the two of them in..."

Zao Wou-Ki didn't dare to neglect, and hurriedly brought Dong Jiahao and Xiao Ru in!

After seeing Xiao Ru, Mr. Shi's eyes looked up and down, making Xiao Ru a little scared!

Facing Mr. Shi, Dong Jiahao was extremely nervous, and hurriedly bowed to Mr. Shi: "Dong Jiahao, see Mr. Shi."

"Dong Jiahao, tell me what you see and know. Say it again!"

Realization asked Dong Jiahao.

Dong Jiahao hurriedly explained everything after he met Kai, without any concealment.

Chapter 1468 Self-reproach \_

After Xing Jun and Zhao Wuji heard it, they were all filled with righteous indignation. They did not expect that at the last moment, all the guys in the Kyoto martial arts world would target Kai for their own benefit, and it would be shameless to kill Kai.

Is this still a well-known sect, or the style of a martial arts family? What's the difference between following those evil cultivators?

Mr. Shi's face was also extremely ugly. He did not expect such a change. It seemed that he still overestimated human nature.

"Could it be that Kai really died at the bottom of the sea?"

Mr. Shi's face flashed with remorse.

"Mr. Shi, the only information I've heard is that Mr. Chen was trapped in the City of Bliss. When those people escaped, Mr. Chen didn't die."

Zao Wou-Ki explained to Mr. Shi.

"Trapped in Bliss City, there is no difference between following death. Since Bliss City collapses, I am afraid that the entire Suolong Island will no longer exist. If you are trapped at the bottom of the sea, how can you live?"

Mr. Shi looked solemn!

"Mr. Shi, where is Bliss City? Have you been to that place?"

Xing Jun asked Mr. Shi curiously.

He had never heard of this Bliss City.

Mr. Shi shook his head: "I just heard that it was an ancient city thousands of years ago, and it suddenly disappeared overnight. No one knew where the city of bliss went, and I didn't expect it to sink to the bottom of the sea."

"Mr. Shi, do you want me to take someone to find Kai, even if Kai is trapped at the bottom of the sea, with our current strength, we can rescue him.

" Right ?"

Xing Jun asked.

Mr. Shi did not speak, lit a cigarette again, and then inhaled hard.

Suddenly, a white light flashed in Mr. Shi's mind, and Mr. Shi, who was originally gloomy, now smiled.

The change in Mr. Shi's expression stunned everyone!

I don't know if this Mr. Shi is stupid, why he suddenly grinned.

"Okay, don't worry about Kai, you go out."

Mr. Shi kicked everyone out.

"This kid's life is really big, I knew he would not die, I hope this time is his good fortune!"

Mr. Shi put out the cigarette, and his face returned to a cold state. "Miss Xiaoru, why don't you rest at our house for a few days first, and I'm taking you to Yaoshen Valley?"

Dong Jiahao said to Xiaoru after walking out of the Dharma Protector Pavilion. "Brother Dong, I want to go to Yaoshen Valley now. Now that Brother Kai is alive or dead, I want to discuss with Uncle Long and the others. I believe that Brother Kai will not die." Xiaoru said gratefully to Dong Jiahao. After coming to Kyoto, Xiaoru is not familiar with the place of life, but fortunately there is Dong Jiahao, which makes Xiaoru very grateful to Dong Jiahao! "Alright then, I'll take you to Yaoshen Valley now." Dong Jiahao nodded and said. Dong Liqun sent several half-step Wuhou and Wuhou masters to escort Dong Jiahao and Xiaoru to Yaoshen Valley! In this trial, Kai was targeted by the entire Kyoto martial arts world, Dong Jiahao was injured, and Dong Liqun was very angry! It's just that the current Dong family is not enough to compete with the entire Kyoto martial arts world, so he can only bear it! When the Dong family is strong enough, he will definitely avenge Kai! Because without Kai, there would be no Dong Family! There is also the Valley of the Wicked with the same idea. Kai is dead. Whether it is Zhao Ligu or the four villains, as Kai's subordinates, they have the responsibility to avenge Kai. But they also know that their strength is not enough to fight against the entire Kyoto martial arts world, but this hatred has been recorded in each of them, and one day, this blood feud will be avenged.

A man like none other and the man decree (chinese) Chapter 1469-1470

Chapter 1469

On the martial arts forum at this time, the news of Kai's death is also flooding all sections!

"This is the third time Kai has died, right?"

"In a short period of time, Kai has died three times. I don't know if this time is true."

"I heard that it is true . I saw that Kai was trapped at the bottom of the sea, and he must have died."

"Have you heard that people in the entire Kyoto martial arts world deal with Kai alone, this is the first time I have seen such a shameless person."

"The trial was agreed. , Zhu Zhishan, the leader of the Kyoto Martial Arts Alliance, also went there, isn't this an obvious trap? It seems that the Kyoto Martial Arts Alliance hates Kai to the core."

For a while, there was a lot of discussion, saying everything, but some A large number of people do not believe that Kai is really dead.

After all, this is the third time Kai has died, and every time it is the same as the truth, and there are pictures to prove it.

What happened in the end?

Kai is not alive and well, maybe this time too!

In Yaoshen Valley, after Xiaoru saw Gu Linger and Long Wu, she immediately hugged and cried together!

Xiaoru was frozen for several months. Whether it was Long Wu or Gu Linger, they felt that it was impossible to see Xiaoru in their entire life, but they didn't want to see Xiaoru again, which made them a little unbelievable.

After crying, Long Wu followed Xiao Ru to understand the situation at that time. After hearing that Kai was trapped in Bliss City, Long Wu's face was very ugly.

"Uncle Long, I believe it's impossible for Kai to die like this, he will definitely be fine..."

Xiaoru persuaded Long Wu.

At this moment, Gu Linger was also surprisingly calm. She always believed in her heart that Kai would be fine.

Kai encountered danger again and again, and was declared dead on the forum several times, but every time he was safe and sound.

This time, she believed that Kai would be all right.

Time passed day by day, and the Martial Arts Alliance finally took hold of the entire Martial Arts world in Kyoto.

Under the huge interests, many aristocratic sect families announced to join the martial arts alliance, and some sect families hesitated, but they were destroyed!

In an instant, the Kyoto martial arts world was in chaos, and in the end most of them joined the martial arts alliance!

Only a few big sect families are still competing, such as the Dong family, such as the Ge family.

And the Martial Arts Alliance has also begun to target these big families, as well as the Valley of the Wicked, and the Valley of Yaoshen, who are relatively close to Kai, and are ready to start.

Zhu Zhishan wanted to completely erase the traces of Kai's existence. Anyone who came close to Kai became the enemy of the Martial Arts Alliance.

During this time, Long Xiao was also taking the time to cultivate. With a large number of beast pills as resources, Long Xiao's strength was also advancing by leaps and bounds.

Ten days passed in the blink of an eye, and still no Kai appeared, and everyone began to believe that Kai was dead.

And the most important festival in the summer, the Spring Festival is also slowly approaching!

Many people are starting to prepare things for the New Year.

.....

Bliss City, inside the palace!

Kai slowly opened his eyes, he didn't know how long he had been in a coma, let alone what happened outside during this time!

Looking inside the palace, I didn't see the figure of the mermaid, which made Kai very strange!

I don't understand where the mermaid went and why he let him go.

"What is this?"

Kai suddenly saw the shark bead on the ground!

This shark pearl is different from other beast pills. Under the glossy exterior, there is actually a hint of chaos inside!

Kai took the shark pearl in his hand, and a huge spiritual energy instantly swept through Kai's body.

"What a terrifying aura..."

Kai couldn't help being surprised.

He found that the aura emanating from this shark bead was no less than that of Du Da's Nascent Soul.

"What the hell is this? How can there be such a strong spiritual energy?"

Kai carefully looked at the shark bead in front of him.

## Chapter 1470 The plan

It's just that after watching it for a long time, Kai didn't see the reason, so he could only temporarily put away the shark beads.

Kai pushed open the gate of the palace, and the beast pills exuded a faint light.

Kai released his consciousness and started a carpet-like search. He wanted to see if there was anyone else in the City of Bliss.

When Kai searched upwards, he found that he couldn't rush out of the city of bliss at all, and he couldn't feel the existence of Suolong Island.

"How can there be no more Dragon Island?"

Kai was shocked and wanted to spread his consciousness here, but found that his body was already very weak, and his mental strength could not support it at all.

The helpless Kai could only choose to retreat to practice and recover his physical strength.

Fortunately, there are countless beast pill resources here, enough for him to recover his stamina!

Thinking of this, Kai sat cross-legged, and the Heart Condensation Art began to run quickly.

A large amount of spiritual energy poured into Kai's body... In the

blink of an eye, another ten days have passed, and the New Year is only a few days away.

In the past ten days, the Kyoto martial arts world has been quietly changing, and the power of the martial arts alliance has almost reached its peak.

This time the expansion of the Martial Arts Alliance has not been officially blocked, which has also caused many people to talk about it!

In Yaoshen Valley, Zhao Ligu and the four evil men are all here.

They mobilized everyone to protect Long Wu and Gu Linger!

Whether it is Zhao Ligu or the four villains, they are all Kai's subordinates. They know their mission. No matter whether Kai is really dead, they must protect Kai's friends and family.

Gu Linger's heart also began to shake. After such a long time, there is still no trace of Kai, and the Martial Arts Alliance is ready to start an attack on the Valley of the Wicked. At this juncture, if Kai is really alive, he will definitely appear. of.

"Kai, you...are you really dead?"

Gu Ling'er stared at the east with tears all over her face.

Having known Kai for so long, Gu Linger followed Kai all the way from Hongcheng to Kyoto. From a small detective, she has now become a Wu Zong. This is something Gu Linger never dared to imagine before. of.

"Kai, if you really die, I will definitely go with you, you are waiting for me..."

Gu Linger's face was ashen, and he had already made a plan in his heart!

.....

Kyoto Budo Alliance!

Zhu Zhishan sits in the position of the leader of the alliance, and his heart is very happy!

Kai is dead, and now that the Martial Arts Alliance has grown to such a degree, Zhu Zhishan is waiting for the reward above.

Originally, Zhu Zhishan was very disdainful of Ning Zhi, but after this time, he found that Ning Zhi is a talented guy, and he took care of everything in an orderly manner!

In this way, Zhu Zhishan looks much more relaxed, but Zhu Zhishan doesn't know that the more relaxed he is, the more dangerous he will be. When a person loses value, it is time to lose his life. .

"I wish the alliance leader, now that almost all the sects in the entire Kyoto martial arts world have joined our martial arts alliance, is it time to teach those guys who are very close to Kai."

Ning Zhi walked into the hall of the martial arts alliance, Said to Zhu Zhishan.

"Ning Zhi, do you have any good plans?"

Zhu Zhishan asked Ning Zhi.

During this time, he was used to letting Ning Zhi arrange it.

"Now the Dong family and the Ge family are always reluctant to join our martial arts alliance, and these two families have a certain influence in Kyoto. If we rashly attack and destroy these two families, it will definitely cause official dissatisfaction, so I thought. ..."

Ning Zhi leaned into Zhu Zhishan's ear and whispered a few words softly!

After Zhu Zhishan heard this, he suddenly burst out laughing: "Ning Zhi, you really have it, you can come up with such a method, you can do it yourself..."

Zhu Zhishan waved his hand in satisfaction and said.

The corners of Ning Zhi's mouth twitched slightly, then turned and left the Martial Arts Alliance!

.....

Dong family!

Dong Liqun had a sad face, he knew that the time for the Dong family's life and death had come.

In the past, the Dong family and the Ning family were at odds with each other. Now that Ning Zhi has become the deputy leader of the Martial Arts Alliance, he will definitely attack the Dong family first.

Nowadays, almost all the aristocratic families in the martial arts world in Kyoto have become members of the martial arts alliance. If Dong Liqun wants to fight with the martial arts alliance, he will almost hit a stone with an egg.

"Dad, our Dong family is also a famous family in Kyoto. Even if Ning Zhi became the deputy leader of the Martial Arts Alliance, would he dare to openly attack us?"

"If he dares to do it, we can go to Mr. Shi to call the shots. , the entire Kyoto martial arts world, not the martial arts alliance itself."

Dong Jiahao saw his father's sad face, so he persuaded.

"Hey..." Dong Liqun sighed: "What do you know, if Mr. Shi wanted to take care of it, he would have taken action long ago. How could the Martial Dao Alliance expand like this..."

"Then why does Mr. Shi care?" Dong Jiahao asked inexplicably. road.

"How could I know that the official attitude, we can't figure it out!"

Dong Liqun shook his head!

For a while, Dong Jiahao stopped talking, and all fell into silence.

"Dad, why don't we seek help from the Ge family? Now in the martial arts world in Kyoto, only the Ge family has not joined the martial arts alliance and dares to compete with the martial arts alliance."

This chapter is provided by [m.informativestore.com](http://m.informativestore.com). Visit [m.informativestore.com](http://m.informativestore.com) for daily update.

Suddenly, Dong Jiahao said to Dong Liqun.

"The Ge family has always been independent from the world, and we have nothing to do with the Ge family. Why should they help us?"

Dong Liqun said with a frown.

"Dad, I'm going to find that Ge Jiayi. I don't think she has a bad heart. She was in Elysium City, and she even rescued me..."

Dong Jiahao is still grateful for Ge Jiayi's life-saving grace!

Dong Liqun pondered for a moment, then nodded and said, "Okay, you can bring some more gifts. One is to thank Miss Ge for her life-saving grace, and the other is to inquire about the tone of the Ge family."

"Okay!" After hearing this, Dong Jiahao turned around happily. left.

.....

Kyoto, the Ge family!

The strength of the Ge family is also considered one of the best in Kyoto, but the Ge family has always been independent from the world, never had disputes with others, and never joined any alliances, associations, etc., so the Ge family's popularity in Kyoto is not equal. not tall!

As the most talented person of the younger generation, Ge Jiayi became famous at a young age, but because of Ge Jiayi's retreat, his reputation has slowly receded a lot.

On this day, Ge Jiayi was sitting in the gazebo at home, staring at the east in a trance.

"This guy won't really die like this..."

Ge Jiayi said to himself.

"Jiayi, since you came back from the trial, you've been fascinated, what are you thinking?"

At this moment, a middle-aged man walked up to Ge Jiayi with a smile on his face.

This middle-aged man is Ge Jiayi's father, Ge Fuhai.

Ge Jiayi hurriedly regained her senses, turned her head to look at Ge Fuhai and said, "I didn't think anything, it's just too stuffy in the room, come out and sit..."

"It's such a cold day, you're sitting outside in a trance, don't you think? Thinking of a man? You should have a boyfriend at your age!"

Ge Fuhai smiled slightly.

"Dad, what did you say? Who misses a man? I ignore you..."

Ge Jiayi rolled her eyes at Ge Fuhai, got up and was about to leave, but was held back by Ge Fuhai.

"Hahaha, you are my daughter, don't I know what you are thinking?" Ge Fuhai laughed: "That Kai is indeed a genius, and I like him very much, but his life is too short. I'm dead, I don't have this blessing!"

"Dad, who thinks about Kai? Don't talk nonsense! I don't know him either..."

Ge Jiayi seemed to have a guilty conscience. She shook off Ge Fuhai and was about to flee, not wanting to talk to Ge Fuhai.

## Chapter 1472

At this moment, a servant of the Ge family rushed to report: "Patriarch, Miss, Dong Jiahao, the young master of the Dong family, came to visit and said he was looking for Miss!"

"Dong Jiahao? What did he want me to do?"

Ge Jiayi frowned slightly. wrinkle!

"This Dong Jiahao is not bad either. Although he is a bit rambunctious, he is not bad..."

Ge Fuhai smiled at Ge Jiayi.

Ge Jiayi rolled her eyes at Ge Fuhai: "I'll ignore you..."

After speaking, Ge Jiayi walked towards the door.

She went to see what Dong Jiahao was looking for himself!

When Ge Jiayi arrived at the door, she found Dong Jiahao standing at the door, dressed in a straight suit as if she had been specially dressed.

"Dong Jiahao, what are you looking for from me?"

Ge Jiayi asked Dong Jiahao.

Although Ge Jiayi saved Dong Jiahao's life in Bliss City, it does not mean that Ge Jiayi likes Dong Jiahao!

Ge Jiayi didn't have a crush on those young masters in Kyoto.

Seeing Ge Jiayi, a bright light flashed in Dong Jiahao's eyes!

"Miss Ge, I take the liberty to disturb me. I have something I want to talk to with Miss Ge!"

Dong Jiahao hurriedly approached Ge Jiayi and said.

"What's the matter, just tell me, why are you so close?"

Ge Jiayi took a step back in disgust, very dissatisfied with Dong Jiahao's frivolous appearance!

"Miss Ge, this is not the place to talk, let's talk in another place!"

Dong Jiahao said with a smile.

"If you want to say it, say it. If you don't say it, I will go back. I don't have time to accompany you to betray you..."

Ge Jiayi said, turning around and going back.

"Miss Ge, it's about Kai, don't you want to hear it?"

Dong Jiahao said suddenly.

Hearing Kai, Ge Jiayi stopped, turned around and asked, "What's wrong with Kai? Is Kai still alive?"

Seeing Ge Jiayi's slightly anxious look, Dong Jiahao's eyes showed a bit of evil charm!

"Miss Ge, let's find a place, I'll tell you slowly, so as to prevent others from listening..."

After Dong Jiahao finished speaking, he opened the door very gentlemanly!

Ge Jiayi hesitated, but finally sat up.

Dong Jiahao got into the car, then started the car and drove towards a hotel. Looking at Ge Jiayi through the rearview mirror, the corner of Dong Jiahao's mouth rose slightly, revealing a sinister smile.

This kind of smile has never appeared on Dong Jiahao's face, but Ge Jiayi didn't notice it.

.....

In the City of Bliss, Kai sat there cross-legged, and the countless beast pills on the ground had been reduced by half at this moment!

With the continuous reduction of beast pills, Kai's strength is also rapidly improving.

At this time, Kai has stepped into the second realm of Nascent Soul. Although it is only a small improvement in realm, his strength has undergone a qualitative change!

Slowly opening his eyes and looking at the large pieces of beast pills disappearing on the ground, Kai couldn't help but sigh: "Cultivation in the Nascent Soul Realm requires such a huge amount of resources, wouldn't it be more difficult to cultivate after that... "

Looking at the large amount of beast pills left in front of him, Kai doesn't know when he will be able to absorb it!

"I don't know how long it has been, what's going on outside..."

Kai now has no concept of time.

He doesn't know how long he's been here, let alone what's going on outside!

I don't know if the Spring Festival has passed, but he secretly made up his mind to rescue Su Yuqi and his mother before the Spring Festival, but now it seems that he does not know whether his wish can still be realized.

However, this is the end of the matter. In the face of a lot of beast pill resources, Kai can't just walk away and leave it alone!

If these beast pills can be carried, it is a pity that the space in his storage ring is not so large, and he can't take all these beast pills away.

"You can only continue to practice first..."

Kai shook his head helplessly, then ran the Heart Concentration Technique and practiced again.

A man like none other and the man decree (chinese) Chapter 1473-1474

Chapter 1473

Kyoto, inside a hotel!

Ge Jiayi followed Dong Jiahao to a room. The room was well furnished and warm!

Ge Jiayi looked around, and then asked Dong Jiahao indifferently, "Dong Jiahao, isn't it inappropriate for you to bring me here to talk about things?"

Although Ge Jiayi said this, she didn't take it to heart, because she knew Dong Jiahao. With the strength of her, she can subdue Dong Jiahao with her own hand, so she is not afraid of Dong Jiahao's bad intentions!

"Miss Ge, there's nothing inappropriate. I have liked you for a long time. I called you today to confess to you..."

Dong Jiahao said, actually took out a bouquet of flowers, and then knelt on one knee on Ge Jiayi in front of.

Seeing this, Ge Jiayi's face was cold and frosty, and she said with disdain: "You're dead, I don't look down on you at all..."

After Ge Jiayi finished speaking, she turned around and walked out. She didn't expect that Dong Jiahao was actually a liar who lied to confess.

Although Ge Jiayi was very angry now, she did not do anything to Dong Jiahao.

After all, now that the world of martial arts in Kyoto is being reshuffled, it is very difficult for the Ge family to be free from the world, so she doesn't want to give Ge Jiashu an enemy...

But just when Ge Jiayi turned to leave, Dong Jiahao suddenly shot and grabbed it directly. Got Ge Jiayi's wrist!

"Miss Ge, since you're here, I think we'd better have a good chat before leaving..."

Dong Jiahao said with a bit of a sinister smile on his face.

Ge Jiayi frowned: "Let go of me..."

After saying that, Ge Jiayi raised her hand and punched it out.

But Ge Jiayi didn't use all her strength. If she hit with all her strength, Dong Jiahao would definitely not be able to bear it!

But who knew that when Ge Jiayi punched out, Dong Jiahao didn't dodge or dodge, and directly reached out and grabbed Ge Jiayi's fist, so that Ge Jiayi couldn't move!

Ge Jiayi was stunned for a moment, and a mist emanated from Dong Jiahao's body in an instant. Then Ge Jiayi's mind began to become dizzy, and finally closed his eyes and fainted...

Looking at the fainted Ge Jiayi, Dong Jiahao raised his mouth and hugged Ge Jiayi directly. On the bed, then slowly take off Ge Jiayi's clothes!

Looking at Ge Jiayi's body, a black mist filled Dong Jiahao's body, and then Dong Jiahao's face changed, turning into Ning Zhi.

It turned out that this Dong Jiahao was actually made by Ning Zhi Yirong, no wonder Ge Jiayi's punch was easily caught.

"Tsk tsk tsk... What a wonderful woman, if it weren't for the fact that I no longer have the ability to be a man, I would definitely get you..."

Ning Zhi regretted for a while, then took out the prepared camera and started taking pictures of Ge Jiayi!

After everything was done, Ning Zhi left the hotel. For the next thing, he slowly waited for the Ge family to follow the Dong family to the point of life and death...

I don't know how long it took, Ge Jiayi slowly woke up. When she looked at her disheveled clothes, she burst into tears in an instant.

She is the arrogant daughter of heaven, and she is the dream lover of many young masters from sects.

But now, she has been spoiled!

"Dong Jiahao, I must smash your body into ten thousand pieces..."

Ge Jiayi exuded a strong killing intent, she thought at this time that it was Dong Jiahao who was disrespecting her.

Depressed, Ge Jiayi returned home, washed her body desperately, and then changed into a new dress!

She wants to go to Dong's house to ask for an explanation in person, even if she dies, she will kill Dong Jiahao!

But just when Ge Jiayi was about to go to the Dong family to find Dong Jiahao, a servant of the Ge family hurried in: "Miss, Dong Jiahao, the young master of the Dong family, is asking to see you outside the door..."

When Ge Jiayi heard this, her whole body burst into terror. The killing intent, then flashed away, and rushed towards the door.

Chapter 1474

She didn't expect Dong Jiahao to do such a thing, and even dare to come to her.

The servant felt the killing intent on Ge Jiayi, and was so frightened that he hurried to find Ge Fuhai.

At this time, Dong Jiahao, holding a gift in his hand, looked a little nervous. After all, it was the first time he entered the gate of Ge's house, and he felt like a new uncle came to the door!

But when Dong Jiahao was waiting nervously at the door with a gift, he suddenly found a figure in front of him in a flash.

"Miss Ge..."

Dong Jiahao shouted nervously when he saw Ge Jiayi appear.

"Dong Jiahao, you bastard, take your life..."

Ge Jiayi's eyes widened, her anger continued to rise, and then she punched Dong Jiahao.

Dong Jiahao's face was shocked, he didn't understand what happened to Ge Jiayi, why did he suddenly act on himself?

"Miss Ge, you are..."

Before Dong Jiahao could finish his words, he was punched in the chest by Ge Jiayi!

A mouthful of blood spurted out, and then Dong Jiahao's body flew out instantly.

It smashed heavily on the car not far away, and the body was smashed to pieces!

This punch cost Dong Jiahao half his life, and finally got up slowly. Dong Jiahao found that Ge Jiayi was attacking him again!

Dong Jiahao cried out in his heart for a while, he didn't know what happened, why did Ge Jiayi do it when he saw him, and he still killed him!

His strength is not lower than Ge Jiayi, and now he doesn't even have the ability to dodge, so he can only watch Ge Jiayi's terrifying fist blowing towards him.

"Stop..."

At this critical moment, Ge Fuhai arrived and directly blocked in front of Dong Jiahao, and then resolved Ge Jiayi's fist style with one palm.

"Dad, don't stop me, I must kill him today..."

Ge Jiayi said to Ge Fuhai with a look of anger.

"Jiayi, what happened to you? Why did you kill him?"

Ge Fuhai asked Ge Jiayi.

But Ge Jiayi couldn't say anything, so he could only stamp his feet angrily: "I must kill him today..."

Seeing that Ge Jiayi didn't say anything, Ge Fuhai turned to look at the injured Dong Jiahao and said, "Master Dong, how are you and Jiayi? Why did she want to kill you?"

Dong Jiahao was also confused at this time, shook his head and said, "I don't know, Miss Ge will kill me when she sees me..."

"Did you tell her? What's wrong?"

Ge Fuhai frowned slightly.

Because he knew that Ge Jiayi was not a vexatious person. Although he was a little headstrong at times, he would never kill for no reason.

"No, I didn't say anything..."

Dong Jiahao was so wronged that he was about to cry.

I just came over with a gift to thank me, but Ge Jiayi would beat him as soon as they met.

Seeing this, Ge Fuhai could only say to Dong Jiahao: "Master Dong, you should go back first, and I'll talk about it when I'm done with the situation..."

Seeing this, Dong Jiahao could only leave, otherwise his life would be lost!

Seeing that Dong Jiahao was about to leave, Ge Jiayi shot directly at Dong Jiahao, but was blocked by Ge Fuhai.

Looking at Dong Jiahao who had left, Ge Jiayi could only cry helplessly, and then ran back to the room!

When the injured Dong Jiahao returned home, he fainted directly.

Dong Liqun was extremely angry when he looked at Dong Jiahao who fainted!

It's just that both Dong Liqun and Ge Fuhai are considered wily people, so they didn't immediately plunge the two into the flames of war!

Ning Zhi, who was originally waiting for a good show, was a little disappointed, but even if the two did not start a war, they would never be united. The martial arts alliance could be defeated one by one. A family of aristocrats will become a member of the Martial Arts Alliance.

Chapter 1475

Inside Bliss City!

Kai is still cultivating frantically, and the beast pills that were all over the place are actually very few at this moment!

If someone saw that so many beast pills were absorbed by Kai alone, he would be shocked to drop his jaw.

Now that the Spring Festival has passed, it is precisely because of this traditional festival that the Dong family and Yaoshengu have a chance to breathe, otherwise the Martial Arts Alliance would have already started.

Kai's strength has been further improved under this crazy training. At this time, Kai's strength has reached the edge of the second realm of Nascent Soul. If he tries hard, breaking through the third realm is not a problem.

It's a pity that there are not many beast pills left in Bliss City, and I am afraid that it will not be able to support Kai's breakthrough.

"It's almost, what a pity..."

Kai sighed softly.

As long as he reaches the third realm of Nascent Soul, he can go directly to the Martial Dao Alliance to save people. Even if he encounters a fifth-rank Marquis, Kai has no fear.

Suddenly, Kai remembered the shark bead he picked up at the beginning, and then took out the shark bead, feeling the aura emanating from the shark bead, a smile appeared on Kai's face!

He swallowed the shark pearl without hesitation, and then Kai closed his eyes again, ready to break through!

Kyoto, Dharma Protector Pavilion!

Xing Jun reported with Mr. Shi with a solemn expression.

Although there are so many things happening in the martial arts world in Kyoto recently, Mr. Shi has not intervened, but it does not mean that Mr. Shi is unaware.

"Mr. Shi, more than 95 percent of the entire Kyoto martial arts world has become a member of the martial arts alliance. Now the martial arts alliance has grown a lot."

"And the martial arts alliance has recently frequently cultivated a lot of martial arts masters. It's like a production line."

"The Long Xiao of the Long family has also made breakthroughs in recent times, and his strength has grown rapidly."

"Currently, the Dong family and Yaoshengu are not in any danger, and the Martial Arts Alliance has not yet attacked them!"

Xing Jun reported, and Mr. Shi closed his eyes slightly, his face was calm!

"The resources of the beast pills tested by the Long family years ago should be almost exhausted, right?"

Mr. Shi said lightly.

"Yes, the resources obtained by the major sects and families have basically been used up, but it has also improved the strength of the major families!"

Xing Jun nodded and said.

"Well, the current peace is expected to be broken. Without resources and interests, the entire Kyoto martial arts world, a martial arts alliance, can't control it at all..."

"You just need to watch carefully, no matter what the time is Whatever happens in the martial arts world, you are not allowed to intervene..."

Mr. Shi told Xing Jun.

"Understood!" Xing Jun nodded, then turned to leave!

But when he reached the door, Xing Jun stopped and turned to look at Mr. Shi, looking like he was hesitant to say anything.

"If you have something to say..."

Mr. Shi said with his eyes still slightly closed.

"Mr. Shi, is Kai really dead? It's been so long, the Spring Festival is over, and there's still no trace of Kai. It's probably a lot of luck."

Xing Jun also suspected that Kai can't die, but for so long, Kai didn't even show up for the most important festival, the Spring Festival, so maybe Kai really died.

"Kai is dead or not, time will give the answer, and the time has not yet come..."

Mr. Shi said lightly.

After Xing Jun heard this, he sighed slightly, turned and walked out.

After Xing Jun walked back, Mr. Shi slowly opened his eyes, and his eyes flashed with brilliance!

"Kai, you have to show up soon, or else when the Kyoto martial arts world is completely controlled by the martial arts alliance, you are trying to rescue your girlfriend, but you will have to pay a higher price..."

Mr. Shi said with a smile on his face. Smiling and muttering to himself!

## Chapter 1476: Immortality

Kyoto, the dragon family!

After Long Xiao had absorbed the last Beast Pill, the aura of his whole body had undergone a qualitative change!

In this short month, Long Xiao actually made breakthroughs one after another, jumping to the strength of a fifth-rank Marquis!

Now that Long Jingguo is facing Long Xiao, it is beyond his reach!

However, this is not because of Long Xiao's talent, but because of the soul in his body, coupled with sufficient resources, Long Xiao's strength has grown by leaps and bounds!

"Xiaoer, I really can't believe that your strength has improved so quickly. You are a genius. I have never seen someone who cultivated so quickly..."

Long Jingguo said with a face full of surprise.

From the very beginning, Long Jingguo resisted the soul in Long Xiao's body, and now he is full of envy.

Long Jingguo wished he had a soul attached to his body. That way, cultivation would be more effective with less effort!

"Dad, it's a pity that there are too few resources. Otherwise, my strength could still be improved."

Long Xiao said with a proud look on his face.

Long Jingguo also frowned. The so many beast pills he obtained this time were absorbed by Long Xiao alone, and the resources he collected from various places were also given to Long Xiao, but they still could not satisfy Long Xiao's cultivation. Make Long Jingguo a little embarrassed!

At this moment, Long Xingxu came over, feeling the surging breath of Long Xiao, Long Xingxu was envious.

At this time, he and Long Xiao were completely different, and there was no comparison.

"Congratulations, young master, your strength has improved a lot..."

Long Xingxu said respectfully.

"Xingxu, do you have anything to do with me?"

Long Jingguo saw Long Xingxu appear and knew that he must be looking for him.

"Master..."

Long Xingxu shouted, then looked at Long Xiao and did not continue.

Seeing this, Long Jingguo knew what Long Xingxu wanted to say. It must be because of his sister Long Ruotong. Because this matter has been hidden from Long Xiao, Long Xingxu did not dare to say it in front of Long Xiao.

Long Xiao also seemed to be aware of it, so he said, "Dad, are you hiding something from me?"

"Xiaoer, there are some things I don't want you to know about, but now that you're older, you can be on your own. You should also know about the matter..."

After Long Jingguo finished speaking, he began to talk with Long Xiao, and took Long Xiao to the dungeon of the Long family!

Long Xiao looked at the gloomy dungeon and his aunt in the dungeon, feeling a little incredible!

And Long Ruotong was a little surprised when he saw Long Xiao who suddenly appeared!

After all, over the years, the only people Long Ruotong could see were Long Jingguo, who had never brought strangers here.

But now, seeing the strange Long Xiao, Long Ruotong seemed surprised!

"Xiaoer, this is your aunt, she has been imprisoned here for more than 20 years..."

Long Jingguo pointed at Long Ruotong and said.

When Long Ruotong heard Long Jingguo's introduction, he immediately understood that this Long Xiao was Long Jingguo's son.

"Dad, you said you want to get a secret from my aunt, what is the secret?"

Long Xiao asked curiously.

After more than 20 years of detention, this secret has not been obtained, which makes Long Xiao very curious.

"Mind method, a set of mental methods that can immortalize..."

Long Jingguo said slowly.

"Immortal?"

Long Xiao was instantly shocked when he heard these four words!

Even if he is now a fifth-rank Marquis, he still can't stop the ravages of the years, and he will grow old sooner or later.

It would be great if you could live forever!

"Is it possible that my aunt has not spoken for more than 20 years?"

Long Xiao asked.

Long Jingguo nodded: "Yes, it's been more than 20 years, I've tried my best, she didn't say a word, I even threatened her with her son, it's useless."

"Her son?" Long Xiaoyi stunned!

"Yes, if my guess is correct, that Kai should be your aunt's son, and the two of you are cousins..."

Long Jingguo's voice fell, and Long Xiao's head exploded with a bang.

## Chapter 1477

Long Xiao never imagined that he would have such a relationship with Kai.

But now that Kai is dead, it doesn't matter.

"The idea of immortality is really a good thing, I have a way to get her to speak..."

At this time, the soul in Long Xiao said.

"Dad, I have a way to get my aunt to speak."

Long Xiao said to Long Jingguo.

"Really?" After Long Jingguo heard this, he instantly became excited.

He imprisoned Long Ruotong for more than 20 years for this mental method, but he still failed to get what he wanted.

Now Long Xiao has a solution.

"Of course it's true, have you forgotten the exercises I've learned now?"

Long Xiao smiled slightly.

"Well, hurry up and do it..."

Long Jingguo said impatiently.

Long Xiao nodded, then looked at Long Xingxu and said, "You go out, you are not allowed to come in without my permission..."

"As per your order..."

Long Xingxu bent down and stepped back, but just before Long Xingxu bends At the moment of the waist, there was a flash of fierceness in his eyes!

Even though his strength is now a world apart from that of Long Xiao, Long Xingxu is not reconciled.

Now almost all the resources of the Long family have been given to Long Xiao, and Long Xingxu has been conscientious and hard-working and won't get anything.

He would never be reconciled to such a mediocre life.

After Long Xingxu left, Long Xiao looked at Long Ruotong, his eyes twinkling.

Immediately after that, a black mist rose up from the body, and then a figure escaped from Long Xiao's body!

This is the soul in Long Xiao's body, Long Jingguo knew it, so he didn't panic!

However, Long Ruotong had never seen such a scene before, so she seemed a little surprised and panicked!

After the soul escaped from Long Xiao's body, it instantly moved towards Long Ruotong, trying to get into Long Ruotong's mind.

But just when the soul wanted to enter Long Ruotong's mind, a golden light suddenly flashed between Long Ruotong's eyebrows.

This golden light was so dazzling that Long Xiao and Long Jingguo couldn't help but close their eyes.

But the spirit screamed, as if it was frightened, and quickly returned to Long Xiao's body.

Long Xiao spurted out a mouthful of blood, and his face instantly became extremely pale!

"Xiaoer..."

Seeing this, Long Jingguo hurriedly looked at it with concern.

"Senior, what's going on?"

Long Xiao frowned slightly and asked in confusion.

"This woman has a mighty righteousness in her body, I can't get into her body at all..."

Soul Spirit said in a weak voice.

When Long Xiao heard this, he was immediately speechless. He didn't understand the level of this soul in his body, and why was it always unreliable!

In Bliss City, he was scared to hide by the Buddha's light, and he didn't dare to show his head. Now he was injured by a mighty aura. Speaking of which, it was too rubbish.

It's just that Long Xiao didn't dare to really say it, after all, he still has to rely on the other party for his cultivation.

The two of them are now both prosperous, and both lost.

"Xiaoer, what's going on?"

Long Jingguo asked Long Xiao.

"Dad, this woman has an aura of arrogance and righteousness. There is no way to enter her body and search her memory. It seems that she has to find another way..."

Long Xiao followed Long Jingguo and said.

"Hmph, this stinky girl is the hardest. Now her son has lost one of your arms. Today, I'm going to take revenge on her..."

After Long Jingguo finished speaking, he picked up the whip. The leather whip slapped Long Ruotong fiercely.

Long Ruotong didn't say a word, didn't make a single sound, as if the whip wasn't hitting him.

After Long Jingguo was tired, he dropped his whip and walked out angrily.

Just after Long Jingguo and Long Xiao walked out of the dungeon, someone from the Long family came to report that Zhu Zhishan of the Martial Arts Alliance invited Long Jingguo to come over.

## Chapter 1478

"Xiaoer, Zhu Zhishan is looking for me for resources. I will find a way to get some resources for you. You can rest at home for the time being..."

Long Jingguo knew that the resources of the major sects and families were now consumed. Soon, almost all the sect families in the entire Kyoto martial arts world have joined the martial arts alliance, so they will definitely ask the martial arts alliance for resources.

After all, the promise at the beginning must be fulfilled by the Martial Dao Alliance, otherwise it will definitely cause dissatisfaction among many aristocratic families.

After Long Jingguo left, the soul in Long Xiao immediately said, "You are now trying to find that girl named Xiaoru and arrest her. The armor on this girl is a sacred object."

"And this girl's body is the same as Unlike ordinary people, if you can absorb the strength of this girl, I believe your strength will be stronger."

"Okay, I'll send someone to investigate the whereabouts of this girl right away..."

Long Xiao licked his lips, his eyes filled with tears hot.

On the other side, Long Jingguo came to the Martial Arts Alliance!

Zhu Zhishan was waiting for him anxiously at the moment.

"Leader Zhu, you find me..."

Long Jingguo asked Zhu Zhishan.

"Long Patriarch, during this period of time, there have been sects from aristocratic families asking for resources from the Martial Dao Alliance. Look at this..."

Zhu Zhishan looked at Long Jingguo and didn't finish his words. He was observing Long Jingguo. Reaction.

"Lord Zhu, our Long family's resources are extremely limited now. Even the Longquan water has begun to dry up, and there are no resources to be taken out."

Long Jingguo thought that Zhu Zhishan wanted to let the Long family take out the resources, so he hurriedly said .

"Long Family Master, you misunderstood, I am not asking for the resources of your Long Family." Zhu Zhishan waved his hands again and again: "I was thinking, there are thousands of beast pills in the City of Bliss, can we go there once? , take out a part of the beast pill, and the resource matter will be solved."

"I wish the leader, the dragon island sank and the city of bliss collapsed, how can we get the beast pill?"

Long Jingguo asked in surprise.

"I think that even if the city of bliss collapses, those beast pills will definitely not disappear. It's just that it's dangerous to take the beast pills. It's not that you can't take out the beast pills."

"I have prepared water beads, As long as there is enough time, the beast pill can definitely be taken out."

Zhu Zhishan said.

Long Jingguo was silent for a while, it seemed that Zhu Zhishan had already made plans, and calling him was nothing more than a notification.

Even if the City of Bliss collapses, it is the resource of their Long Family, so they will inform themselves.

"Since the leader of the alliance is ready, then you can do as the leader of the alliance has arranged, but our Long family can't dispatch people for the time being..."

Long Jingguo knew that it was very dangerous to do these things in the deep sea. , Although there are water droplets, it is impossible to stay underwater for a long time, and he will not let his masters do this dangerous thing.

Anyway, after the beast pill is taken out, their Long family will take the big head. After all, this is the resource place of the Long family!

"Long family master, I have prepared the candidates, you Long family just wait for the allocation of resources."

Zhu Zhishan said.

"That's good, then I'll wait for the good news from the Alliance Leader."

Long Jingguo left the Martial Arts Alliance.

And Zhu Zhishan then called together the four of Xu Song, and distributed the water beads, and asked them to go get the beast pill.

Although the four of them knew that this errand was dangerous, let's not talk about how difficult it was to get the beast pill in the collapsed Bliss City on the bottom of the sea. If the beasts in the sea were encountered in the water, they would only have to run for their lives!

On the bottom of the sea, but the home of those monsters, even the monsters with only Wuzong's strength, if they are on the bottom of the sea, these Marquis are probably very difficult to deal with.

Chapter 1479

But in danger, they can only bite the bullet. They can only obey orders now. For the Martial Arts Alliance, these people are just puppets cultivated by the Martial Arts Alliance!

In the future, there will be a steady stream of people to replace them. They are chess pieces and can be abandoned at any time.

.....

On the vast sea!

A speedboat is floating on it, and there are four people sitting on the speedboat, it is Xu Song and the four!

Looking at the bottomless sea, the four people's faces were extremely solemn. They knew better than anyone else that this was a task of a lifetime of survival.

Otherwise, other aristocratic sects would have secretly sent people to get beast pills. After all, the resources of these beast pills are very attractive.

It's just because it's too difficult and dangerous, so no one comes to take the risk.

"Okay, we should go down. If we can come back alive this time, I believe that the leader of the alliance will not treat us badly..."

After Xu Song finished speaking, he swallowed the water droplets. Take some time!

Puff, puff...

Four people quickly plunged into the water and swam towards the bottom of the sea!

At this time, in the City of Bliss, Kai's body flashed with golden light, and the endless aura was rolling. The whole city of Bliss was filled with the aura of Kai.

After breaking through, Kai broke through again. The strength of the three realms of Nascent Soul makes Kai look even more immortal!

This chapter is provided by [m.informativestore.com](http://m.informativestore.com). Visit [m.informativestore.com](http://m.informativestore.com) for daily update.

"Huh, I finally broke through, I don't know what time it is..."

Kai let out a long sigh.

He is here, he has no concept of time, and he has no idea how long it has been.

"It's time to leave, but how do you get out of here?"

Kai frowned.

Here in the sea, if there is no ship, Kai's current strength, I am afraid it is difficult to return to the land, because the distance is too far.

In addition, there must be monsters harassing them along the way. Without a boat, it would be difficult to return to the land.

Just when Kai was in trouble, Kai suddenly felt a few breaths.

"Someone?"

Kai looked surprised, he didn't understand why someone would come at this time?

However, Kai still hid, wanting to see who it was.

Soon, the four figures of Xu Song appeared. Looking at the intact Bliss City, the four fell into shock.

"This City of Bliss still exists, and it hasn't collapsed..."

Someone exclaimed excitedly.

If the City of Bliss did not collapse, it would be much easier for them to obtain the beast pill, and there would not be too much danger.

"It's really strange. Suolong Island has sunk. I didn't expect that the city of bliss has not collapsed. I just don't know if Kai is dead."

Xu Song saw that the city of bliss did not collapse, and immediately thought of Kai. .

"It's been almost two months, so Kai must have died long ago. This place is so far from the landing site, if there is no ship, then Kai will not be able to live at all..."

someone said.

"Let's be careful when we go in for a while. I always have a bad feeling that after taking the beast pill, I will leave quickly..."

After Xu Song finished speaking, he led people into the City of Bliss!

And Kai, who was hiding at the moment, listened to the conversations of several people, and then realized that he had been staying for more than a month. In this way, the Spring Festival has already passed.

And it seems that the outside world has long thought that he is dead. This is a good thing for Kai. At that time, he will be dark, and the martial arts alliance will be bright, and he can do whatever he wants a lot of time!

Soon, Xu Song and the four entered the city of bliss, but looking at the empty city of bliss, the four of them were dumbfounded.

Where is there any beast pill, except for some ruins, not even a single beast pill could be found.

"This...what's going on here?"

Someone asked in surprise.

## Chapter 1480

Xu Song also frowned, his face full of puzzlement. It was obvious that when they left, there were still thousands of beast pills here.

How come it has become empty in just over a month?

"Brother Xu, could there be other aristocratic sects who sneaked in here and stole these beast pills?"

Someone asked Xu Song.

Xu Song nodded: "It's possible..."

After all, in the last trial, many people from aristocratic sects knew this place, so they were not afraid of danger, and it was not impossible to sneak in here to take the beast pill.

"Let's go, let's hurry back and report to the leader, this matter is no trivial matter..."

Xu Song knew that this was a big deal.

If these beast pills are really acquired by a sect family, it will not be long before the Kyoto martial arts world will be shuffled again.

After all, with such a large resource, I don't know how many masters can be cultivated.

But when Xu Song and the others were about to leave, they all stopped suddenly, and then turned their heads in confusion.

Because they found that there was an aura that locked them in an instant, so that they didn't dare to move around.

When the four of them turned around and saw Kai coming out of the cover, they were all surprised!

"Kai, you didn't die?"

Xu Song said with horror in his eyes.

"You people are not dead yet, how can I die..."

Kai's face was gloomy, and his body was full of killing intent!

These four guys all rely on Su Yuqi's blood to improve their strength.

Thinking of the suffering Su Yuqi, Kai hated these four guys to the core!

Feeling the killing intent on Kai, the four of them also became very cautious!

"Brothers, let's go together, kill Kai, and go back with his head. The leader will definitely reward us heavily..."

Xu Song said to the other three.

The three nodded, and then their energy exploded, attacking Kai together!

All four of them are in the realm of Marquis, and the strength of the four of them has greatly increased!

"Hmph, the guy who doesn't know whether to live or die..."

Kai snorted coldly, and then his body shook slightly, and a terrifying spiritual force suddenly erupted.

Now that Kai has stepped into the third realm of Nascent Soul, his strength has doubled. Before the four of them could reach Kai, they were blown away by the terrifying spiritual power.

"You..."

Xu Song looked at Kai in horror, his face full of incredulity!

In just over a month, Kai's strength has risen to such a terrifying level!

"Kai, you are trapped here. If you don't have a boat, you can't escape at all. Why don't we make a deal, you let us go, and we take you back to the land..."

Xu Song felt Kai's breath The horror, began to follow Kai to negotiate terms!

"Kill you all, the boat is mine, and I can go back..."

Kai looked at the four of them coldly, and the icy aura on his body became more and more raging!

The next second, Kai opened his hand, and the Dragon Slaying Sword appeared in Kai's hand. Under the blessing of the divine dragon, the Dragon Slaying Sword kept humming.

And the sword spirit in the Dragon Slaying Sword has grown a lot with the improvement of Kai's strength.

The Dragon Slaying Sword made a bloodthirsty hum, as if it was desperate for blood!

Seeing this, the four of them hurriedly showed their weapons and looked at Kai solemnly.

"I have a sword that can cut everything..."

Kai said, he took a step forward, and then slashed with a sword in the sky.

The terrifying Jianmang instantly brought a gust of wind and went directly towards the four!

Seeing this, Xu Song shouted loudly, holding a jet-black short blade, and instantly blocked it!

The other three also stepped forward, bursting out with terrifying energy, blocking Kai's sword glow!

Chapter 1481

Swipe...

I saw the sword light flashed, and the weapons in Xu Song's hands were instantly cut into two pieces!

And everyone's chest left a bloodstain of dozens of centimeters, and the body retreated again and again!

The four of them looked at the weapons in their hands in shock. They had to know that these weapons were also made of tungsten steel by the Martial Arts Alliance. They were extremely hard, but they were easily cut off by Kai.

"Brothers, it looks like I'm going to work hard this time..."

Xu Song said, the aura on his body became even more raging.

"Hmph, all of you together, it's just a man's arm blocking the car..."

Kai snorted coldly, followed by another sword swing!

Boom...

The sword energy roared, and the entire Bliss City began to tremble under this sword!

Xu Song roared loudly, and then his hands gathered a ray of light, and rushed up to meet him.

Seeing this, the others also hurriedly activated the magic technique to welcome Kai's sword!

Stab...

The sword energy directly smashed Xu Song's rays of light in a destructive manner, and continued to move towards the four without stopping.

Xu Song turned pale in shock and instinctively stepped back, while the other three directed countless bright rays of light towards Kai.

The rays of light hit Kai's body, and Kai did not move at all, as if he was unconscious!

Swish...

Sword Qi swept across the four of them instantly, everyone looked at Kai in shock, and the movements in their hands completely stopped!

Puff...

Suddenly, one person lay down without warning, and then blood began to spew from the waist up, and all the internal organs flowed out.

This sword directly cut the man in half!

Seeing his tragically dead companion, Xu Song couldn't help gasping for air.

You must know that the four of them are all powerful warriors in the Marquis Realm cultivated by the Martial Arts Alliance!

Now that the four of them joined forces, they couldn't help Kai, and they were killed by Kai's backhand sword. Kai's strength had completely dumbfounded them.

"I haven't seen blood on my Dragon Slaying Sword for a long time, and today I just let your blood feed my Dragon Slaying Sword..."

Kai shook the Dragon Slaying Sword in his hand and said.

Kai could feel the bloodthirsty impulse on the Dragon Slaying Sword, and then another sword came out!

The first sword of the Nine Shadows Divine Sword, in an instant, a sword light several meters long descended from the sky, and then slashed down with a fierce sword.

Jianmang emits a dazzling light, making the entire Bliss City radiant!

The huge sense of oppression made all three of Xu Song tremble.

Not to mention whether they can defeat Kai, the power of Kai's sword has already made them terrified and have no fighting spirit.

"Quick, fit together..."

Seeing this, Xu Song hurriedly shouted.

Immediately afterwards, the three of them suddenly stood back-to-back, shouted loudly, and waved rays of light from their hands, turning into a barrier to block them in front of them.

The thick breath made Kai feel a little familiar in an instant, and his mind was in a trance at this moment.

It was only a momentary event, and then the invincible Jianmang had arrived in front of Xu Song and the others.

Stab.....

Jianmang easily slashed the barrier in front of the three, just like slashing a piece of waste paper!

Jianmang flashed across the three of them in an instant, and finally formed a deep ravine behind them!

All the defenses on the three of them were broken open, and the sword glow was like a destructive force, leaving deep sword marks on the three of them!

The eyes of the three are full of horror!

They all looked down at their bodies. They didn't know if this sword would cut off their bodies as well!

Xu Song saw that there was only blood coming out of his chest, and when he touched it with his hand, although the wound was deep to the bone, it did not cut his body in two!

Xu Song let out a long breath, it seems that their defense just now worked.

Chapter 1482

But at this moment, the two people around Xu Song opened their eyes wider and wider, and their eyes were full of incredible!

Pfft! Pfft!

Immediately after the sound of two falling to the ground, Xu Song looked at his companions in horror. At this moment, they all fell into a pool of blood, and their bodies became two pieces.

The thick bloody smell instantly stimulated Xu Song's nerves, and Xu Song seemed to be stupid at the moment.

It wasn't that Kai's sword was blocked by their defenses, but that Kai deliberately left Xu Song's life behind!

He wanted Xu Song to die in panic. As long as they were members of the Martial Arts Alliance, Kai would use cruel methods to let them die.

Kai took the Dragon Slaying Sword and walked towards Xu Song step by step.

"Kill me, you kill me, kill me quickly..."

Xu Song was stimulated, and the whole person fell into madness. Looking at Kai walking over, he suddenly rushed towards Kai, and then grabbed tightly. Wearing Kai's collar, let Kai kill himself.

A sword ended in life, and that kind of death was a little more pleasant, but this time for a general who was facing death and waiting for death was the most torturous.

"Don't worry, I will definitely kill you, but I won't let you die happily..."

Kai put away the Dragon Slaying Sword, and said with a cold face.

"You... what are you going to do to me? We were sent by the leader of the alliance, and the leader of the alliance will avenge us..."

Xu Song gritted his teeth, and the corners of his eyes kept shaking.

"Vengeance?" Kai's eyes narrowed slightly: "If Zhu Zhishan doesn't find me, I will kill him..."

After Kai finished speaking, he slapped Xu Song's head with his palm, and then Xu Song only I feel like my body is losing strength rapidly.

Xu Song's body began to shrink, and finally turned into a dry old man.

However, Kai did not let Xu Song die, but gave him a sigh of relief.

"Just stay here and wait for death slowly..."

After Kai finished speaking, he slowly walked out of Bliss City.

"Kill me, kill me..."

Xu Song fell to the ground, screaming desperately, but Kai's figure had long since disappeared.

.....

Kyoto!

After Long Xiao got Xiaoru in Medicine God Valley, he immediately brought many experts from the Long family to Medicine God Valley to arrest people.

At this moment, Long Xiao's face was filled with pride, and his heart swelled to the extreme!

He even began to imagine that the Dragon family would rule the entire Kyoto martial arts world in the future.

"As long as you catch this little girl, get the armor on her body, and absorb her strength, I believe that in Kyoto, no one will be your opponent anymore."

The old voice of the soul sounded in my mind.

Long Xiao raised the corner of his mouth and said with a gloomy smile: "Could it be that I absorb the strength of that little girl and can be promoted to the realm of the Great Marquis?"

"Even if you are promoted to the realm of Marquis of Great Marquis, it is impossible for you to be invincible in the martial arts world of Kyoto. , what really makes you invincible is that armor, that is a holy thing, at that time that Zhu Zhishan kicked the little girl, but the little girl was not injured, you know how powerful this armor is... "..."

Soul said excitedly.

"What if that little girl is using the Buddha's Light? Then you are not hiding again, and I have to face it myself..."

Long Xiao asked the soul.

Listening to the tone, Long Xiao was still a little dissatisfied with the spirit hiding and leaving him alone.

"Your current strength, even if I don't show up, how many people are your opponents, not to mention that you have brought so many people, can't even catch a little girl?"

Soul Spirit asked with a bit of sarcasm in his tone. road.

"Hmph, of course I can catch it, the Yaoshen Valley can't stop me..."

Long Xiao snorted coldly.

"All speed up for me, I can't wait..."

Long Xiao ordered loudly, and then increased his speed.

Chapter 1483 Consolation

At this moment, no one in Yaoshen Valley has recovered from the sadness of Kai's death.

The entire Yaoshen Valley was enveloped by a depressing atmosphere!

"Sister Linger, I can feel that Brother Kai is definitely not dead..." On

a hilltop, Xiaoru persuaded Gu Linger.

During this time, Gu Linger would be here every day, looking to the east, the direction of Suolong Island.

Every time she wanted to see Kai's figure appear, but every time she was disappointed!

More than a month later, Gu Linger still couldn't accept the fact that Kai had died.

Gu Ling'er's eyes were blank, as if the whole person was in a daze, and Xiao Ru didn't seem to hear what she said.

"Xiaoru..."

At this moment, Zhao Chuang came over with a handful of flowers picked from the mountains in his hand.

Through this period of contact, Zhao Chuang fell in love with Xiaoru, and the two were of the same age.

Seeing Zhao Chuang finding herself with flowers, Xiaoru's face became a little ugly!

Now Gu Linger is sad because of Kai, and Zhao Chuang brought flowers to show his hospitality at this time. When Gu Linger sees it, he will definitely feel bad.

"What are you doing here, didn't you see me talking with Sister Ling'er?"

Xiaoru gave Zhao Chuang a blank look and said.

Zhao Chuang looked embarrassed, and then said: "Sister Linger, Brother Kai will be fine. The beasts of the Martial Arts Alliance who can't kill Brother Kai must be fake news released by them.

" Brother Kai will be back soon, so don't be too sad."

"Sister Linger, I think Brother Kai will be fine. You are so sullen all day long. When Brother Kai comes back, seeing you like this, you will feel distressed. ..."

Xiaoru also persuaded Gu Linger.

"Xiaoru, let's go, I want to be alone..."

Gu Linger said with a smile at Xiao Ru.

Seeing this, Xiao Ru could only nod her head and leave, while Zhao Chuang followed closely behind Xiao Ru.

In fact, Xiaoru also has a good impression of this guy Zhao Chuang. Although he looks carefree, he is very caring and loyal!

It's just that the strength is a little bit worse, and the talent is not good.

"Xiaoru, this is the flower I picked for you. Elder Xu said that it is called Moonlight Fragrance. This flower can last for a month..."

Zhao Chuang handed the flower in his hand to Xiaoru.

Xiaoru smiled shyly, took the flower, and then quickly kissed Zhao Chuang's face!

This time, Zhao Chuang was stunned, the whole person didn't react yet, and he lightly stroked his face with one hand, he was stupid!

Soon, a happy smile appeared on Zhao Chuang's face, and he suddenly stepped forward and picked up Xiaoru and jumped up.

"You are so young, so kiss me..."

At this moment, a gloomy and cold voice suddenly came.

This shocked Xiaoru and Zhao Chuang, and the two immediately looked towards the place where the sound came from.

Soon, Long Xiao and the Long Family appeared in front of them.

"Long Xiao?"

Zhao Chuang saw that it was Long Xiao, and his expression changed greatly!

When Xiaoru saw Long Xiao, her face became extremely angry.

Although he didn't know Long Xiao, she knew that there was this guy in front of Kai in Bliss City!

"Long Xiao, what are you doing here?"

Zhao Chuang asked Long Xiao loudly.

Wearing a black robe, Long Xiao said with a gloomy smile, "I'm here for this little girl, her physique is different from ordinary people. This is a rare occurrence in a century..."

Long Xiao's eyes stared at the little girl. Ru, like a beast seeing its prey.

Seeing this, Zhao Chuang hurriedly protected Xiaoru behind him: "Long Xiao, don't mess around, this is Medicine God Valley, my father and the four villains are here..."

Zhao Chuang knew that he was not Long Xiao's opponent, So he moved out his father and the four wicked men.

#### Chapter 1484 Threat

"Hahaha, even if they're all there, what can I do? Today I'm going to take this little girl away, who can stop me..."

Long Xiao said, he actually reached out and grabbed Xiaoru.

Zhao Chuang gritted his teeth: "Long Xiao, I fought with you..."

After speaking, Zhao Chuang tried his best to smash Long Xiao with his palm.

But Long Xiao didn't take Zhao Chuang into his eyes at all. After all, Zhao Chuang's current strength is not comparable to him at all.

The two were not at the same level at all. Even if Long Xiao stood still and let Zhao Chuang hit him, Long Xiao would not be hurt.

boom!

Zhao Chuang punched Long Xiao fiercely, but he took a few steps back and fell to the ground. At this moment, Zhao Chuang's wrist was hurting even more, and his hand bone was broken!

Is there anything more humiliating than this?

"Just like you, it's better to save your energy and learn what kind of hero to save beauty..."

Long Xiao sneered at Zhao Chuang, then grabbed Xiaoru.

Xiao Ru's face was full of anger, she waved her hands lightly, and in an instant, a coldness hit, Xiao Ru's hands actually condensed frost at this moment!

Afterwards, both palms came out, and two spiritual powers mixed with frost roared towards Long Xiao.

"The body of ice crystals, this little girl is the body of ice crystals..."

The surprised voice of the soul flashed in Long Xiao's mind instantly!

Before Long Xiao could react, what is the body of ice crystals, his whole body was hit by those two frost powers, and then his body began to freeze.

Layer after layer of frost began to condense on Long Xiao's body, and at this moment Long Xiao directly turned into an ice man!

"You killed Brother Kai, I'm going to kill you..."

Seeing that her hand froze Long Xiao, Xiao Ru hurriedly jumped up and slapped Long Xiao's head with her palm.

But just when Xiaoru was in front of Long Xiao, the frost on Long Xiao's body began to shatter, and then Long Xiao smashed Xiao Ru's body with a punch.

Xiaoru's body flew out like a kite with a broken string, and fell heavily on the ground.

"Xiaoru..."

Zhao Chuang saw this, his eyes were full of grief and anger, and then he rushed towards Long Xiao desperately.

"Hmph, I'm not self-sufficient..."

Long Xiao waved his hand gently, and Zhao Chuang's body flew out instantly.

He fell directly beside Xiaoru, his face was pale, he vomited blood, and he couldn't get up!

"Zhao Chuang, Zhao Chuang..."

Xiaoru got up and called out to Zhao Chuang nervously.

Xiaoru has armor to protect himself, so he didn't suffer any damage, but Zhao Chuang couldn't do it. At this moment, his ribs were broken, and his internal organs were severely injured!

Blood continued to spurt out of his mouth, and his eyes stared at Xiao Ru tightly.

Zhao Chuang wanted to say something, but his mouth was full of blood, and he couldn't say a word.

"Don't say anything, if you die, we will die together..."

Xiaoru grabbed Zhao Chuang's hand tightly, and Zhao Chuang laughed at this moment.

Hearing Xiao Ru's words, Zhao Chuang smiled even though he was seriously injured and faced death.

"Little girl, follow me obediently, as long as you are obedient, I can spare his life..."

Long Xiao took a few steps forward and said to Xiaoru.

Xiaoru looked at Zhao Chuang, who was seriously injured, and got up slowly, while Zhao Chuang pulled Xiaoru firmly and squeezed out a few words: "No, don't go with him..."

Zhao Chuang didn't want to make himself a threat Xiaoru's chips!

"Shut up for me..."

Long Xiao's eyes narrowed slightly, his palm suddenly sucked, and he actually grabbed Zhao Chuang directly into his hand.

Long Xiao's hand stuck tightly around Zhao Chuang's neck, then looked at Xiaoru: "Have you made up your mind?"

Long Xiao threatened Xiaoru, he wanted Xiaoru to follow him obediently, If Ru died, it would be of no use to him.

### Chapter 1485

Xiaoru looked at Zhao Chuang's blushing face due to suffocation, and her face was grim with pain. She nodded and said, "Okay, I'll go with you, you let him go..."

Long Xiao saw Xiaoru agree, and the corners of his mouth twitched. With a smile, he threw Zhao Chuang out like a dead dog.

"Don't..." Zhao Chuang yelled, even if the blood kept pouring out of his mouth, Zhao Chuang didn't care: "Long Xiao, my day. Your ancestor, you killed me, killed me..."

Zhao Chuang begged wholeheartedly Death, as long as he is dead, Long Xiao will not threaten Xiao Ru's capital!

Long Xiao didn't even look at Zhao Chuang, but said to Xiaoru, "Come with me, don't think about any crooked thoughts..."

After Long Xiao finished speaking, he glanced at his subordinates, and soon after a few moments The master of the famous dragon family stepped forward, and the rays of light turned into chains, directly binding Xiaoru.

Xiaoru glanced at Zhao Chuang, didn't say anything, but left with Long Xiao.

Zhao Chuang roared desperately, he wanted to stand up to catch up, but unfortunately he couldn't stand up at all.

After Xiaoru was taken away, Gu Linger heard the voice and hurried over.

When she saw Zhao Chuang who was seriously injured, she was shocked!

"Zhao Chuang, what's wrong? Where is Xiaoru?"

Gu Linger asked Zhao Chuang.

"Xiaoru was taken away by Long Xiao, taken away..."

Zhao Chuang said with a painful expression.

Gu Linger frowned, and quickly helped Zhao Chuang up and rushed back to Yaoshen Valley. She wanted to tell Long Wu about this and see how to rescue Xiaoru!

.....

Kyoto, Xin family!

This is Xin Pengfei's home. Since returning from the trial, Xin Pengfei has attached himself to the Martial Arts Alliance and the Long Family, and has obtained a lot of beast pill resources.

During this period of time, Xin Pengfei's strength has also improved a lot. How can he say that he is also the number one on the Happy List. Although this Happy List is not officially recognized, Xin Pengfei is very concerned about this title.

Especially after seeing the strength of the younger generation such as Kai and Long Xiao, Xin Pengfei knew that he still had a long way to follow the true talents, so he practiced even harder!

At this time, outside the Xin's house, a man shrouded in black robe appeared, the man in black robe slowly raised his head, and Kai's handsome face was revealed.

Kai looked at the plaque at the door of the Xin family, and whispered secretly: "Let's start with your Xin family, I will not let anyone off the hook..."

Kai slowly put on a mask, and then pushed Open the door of Xin's house!

After seeing that someone suddenly broke in, many children of the Xin family immediately gathered around!

"Who are you? Dare to break into the Xin family privately..."

Someone asked Kai loudly.

Kai didn't speak, a cold light flashed in his eyes, followed by a slight wave of his palm, a huge spiritual force moved towards the surroundings.

The children of the Xin family who surrounded Kai, before they had time to react, all flew out one by one, and then died tragically on the spot!

Hearing the movement, Xin Pengfei hurriedly led someone out and frowned when he saw his children were dead.

"Who are you? Why did you break into my Xin family and kill my Xin family members?"

Xin Pengfei asked Kai angrily.

"I am the one who killed you!"

Kai said coldly.

"Kill me? Do I have any grudges with you? Why do you want to kill me?"

Xin Pengfei was puzzled, he didn't feel that he had offended anyone.

"Why?"

Kai snorted coldly, then took off his mask.

When Xin Pengfei saw Kai's face, he was instantly stunned, and his face became extremely ugly.

Kai waved his hands, and a faint light flickered, and then enveloped the entire Xin family.

Chapter 1486

Kai did not intend to let the Xin family escape alone.

Xin Pengfei's eyes widened: "Kai, you...you are not dead?" "

Of course I am not dead. Not only did I not die, but my strength has improved a lot. Can't you feel it?"

With a shock, a terrifying coercion instantly fell from the sky!

Xin Pengfei only felt his heart tighten, and he almost spit out a mouthful of blood.

However, Xin Pengfei forcibly held back, but his legs trembled.

And the rest of the Xin family has no such ability as Xin Pengfei. Under the terrifying pressure of Kai, their eyes widened and their bodies exploded to death...

The blood filled the air of the entire Xin family in an instant, and Xin Pengfei watched the tragic death. These Xin family disciples are all stupid.

Kai lightly relied on the power of coercion to easily kill these people. It can be seen that Kai's strength has improved a lot.

"Kai, since you are not dead, you should find a place to hide, but you openly went to my house to kill, aren't you afraid that the Martial Arts Alliance will know?"

Xin Pengfei asked Kai.

"Why should you be afraid? This time, I want to completely eradicate the Kyoto Martial Arts Alliance..."

Kai said with his eyes narrowed slightly.

Xin Pengfei looked at Kai, knowing that it would be difficult to be kind today, so he gritted his teeth, and the breath on his body exploded.

Xin Pengfei can reach the realm of Marquis at a young age, which is not comparable to ordinary people. This punch is extremely fierce, and all the energy in his body is condensed on the fist.

Kai looked at Xin Pengfei, who was attacking, with a disdainful smile on the corner of his mouth!

Then he raised his hand lightly, and directly grabbed Xin Pengfei's fist. Xin Pengfei was startled and wanted to retract it, but found that his fist was tightly squeezed by Kai.

kakaka .....

Only hearing the sound of bone cracks, Xin Pengfei showed a painful expression on his face, his face full of hideousness!

"The moment you confronted me, you should think about today..."

Kai suddenly exerted force, Xin Pengfei's fist shattered instantly, and Xin Pengfei screamed in pain!

Immediately afterwards, Kai slapped Xin Pengfei on the face and slapped Xin Pengfei out.

Xin Pengfei's mouth full of teeth was spat out, and blood was dripping from the corner of his mouth!

At this moment, he finally knew the gap between himself and Kai. In front of Kai, he had no power to fight back. Pfft

... Xin Pengfei knelt in front of Kai all of a sudden. "Kai, Uncle Chen, please spare my life. At that time, I was forced to be helpless, so I would target you. Now the entire Kyoto martial arts world has become a member of the martial arts alliance, and I have no choice..."

Xin Pengfei cried bitterly and followed Kai to beg for mercy! "The entire Kyoto martial arts world has joined the martial arts alliance?" Kai couldn't help but feel a little shocked.

No matter how powerful the martial arts alliance is, it is impossible to include the entire Kyoto martial arts world. And it is impossible for officials to watch the Kyoto Martial Arts Alliance become bigger and stronger, and it will lose control. "Yes, except for the Dong family and the Ge family, almost all of them have joined the martial arts alliance now, just for that little resource..." Xin Pengfei said quickly. "Don't Mr. Shi care?" Kai was very puzzled. Why did the government ignore the expansion of the Martial Arts Alliance? "I don't know about this. No one from the government came forward to stop it. It seems that the Martial Arts Alliance has tacitly agreed to do so." Xin Pengfei shook his head and continued: "But now the Martial Arts Alliance is not monolithic, and many sect families consume resources. It's empty, they're all looking for resources from the Martial Arts Alliance!"

Xin Pengfei's words reminded Kai of Xu Song. It seems that the martial arts alliance needs a lot of resources to support so many sect families, so Xu Song and the four took the risk to go to the city of bliss to get the beast pill.

Zhang:

Without these four people, Kai would not be able to come back now. Without a boat, it would be very difficult for Kai to get to the land.

"It seems that I will kill a good person in the entire Kyoto martial arts world, and I will not kill a good person..."

Kai's eyes flashed with cold light, tonight will be the Kyoto martial arts world, an earth-shattering night!

"I've told you everything I know, please forgive me, I won't say anything, I can leave the capital and go far..."

Xin Pengfei begged for mercy, and there was a lot of snot and tears. Pitiful!

"I only believe in the words of the dead..."

Kai finished speaking and reached out and patted Xin Pengfei's head!

Soon, Xin Pengfei turned into a mummified corpse, and the entire Xin family was left alone, with no survivors!

Putting on the mask again, Kai walked out of Xin's house slowly!

"The next family..."

Kai's back disappeared into the night!

.....

In the early morning of the next day, the entire Kyoto martial arts world exploded in an instant!

This chapter is provided by [m.informativestore.com](http://m.informativestore.com). Visit [m.informativestore.com](http://m.informativestore.com) for daily update.

In one night, all thirteen sect families were wiped out!

And without exception, the masters above Wuhou have all become mummified corpses, obviously their strength has been absorbed by others.

"The world of martial arts in Kyoto is about to change. Who is so daring to directly destroy thirteen aristocratic families?"

"These aristocratic families have all joined the Kyoto Martial Arts Alliance. Isn't this directly hitting the Martial Arts Alliance's face?"

"This must be done by evil cultivators, otherwise how could they suck people into mummified corpses..."

"It's over, it's over, it's going to change in the future, and the evil cultivators have started to blatantly haunt..."

Countless discussions made the Kyoto martial arts The league is drowning!

And at this moment, within the Martial Arts Alliance!

Several mummified corpses were placed in front of Zhu Zhishan.

And every mummy has a word engraved on it!

Combining them together, it turned out to be: Join the Martial Arts Alliance, die...

This is obviously aimed at the Martial Arts Alliance.

"Who is it? Who is making trouble with our Martial Arts Alliance?"

Zhu Zhishan slapped the table angrily.

At this moment, Ning Zhi squatted down and put his hand on each mummy body, as if he was feeling something.

Soon, Ning Zhi stood up: "I wish the alliance leader, although these people have been absorbed by others, they are not evil cultivators. The reason why this person does this may be to confuse the public and divert our attention..."

"Who is it? Since it's not an evil cultivator, who has the power to draw strength from the living?"

Zhu Zhishan frowned when he heard Ning Zhi say this.

Ning Zhi was also a little confused at the moment. After all, with the current strength of the Martial Arts Alliance, no one dared to openly oppose the Martial Arts Alliance like this.

Moreover, these people who were killed were not ordinary people. If they could destroy thirteen sect families overnight, their strength must be very strong.

Ning Zhi didn't dare to think about how strong it was. Anyway, with his current strength, it would be a little stressful to destroy these thirteen aristocratic sects overnight.

"Is there no one alive at the scene?"

Ning Zhi asked those who had been there.

"If you go back to the deputy leader, there was no one alive at the scene, and even the dog was killed..."

the man replied.

Ning Zhi frowned, the person who started the attack was too ruthless, and Ning Zhi felt a little flustered when he met such a ruthless opponent.

"It seems that we have to notify those high-level officials. This matter is beyond our ability, and the other party's strength is too strong..."

Zhu Zhishan was a little scared, and wanted to push this matter to the high-level officials to deal with!

Ning Zhi didn't speak, his face was gloomy, his eyes were slightly closed, and he seemed to be thinking about something.

Soon, Ning Zhi opened his eyes, and then looked at Zhu Zhishan: "Alliance leader, did you send Xu Song four people to get the beast pill?"

"Yes!" Zhu Zhishan nodded and then said: "But these days, it's time to come back. Even if you can't come back, you should tell me how things are going."

Chapter 1488

Zhang

Ningzhi's face instantly became even more ugly after listening to Zhu Zhishan's words.

"It's broken, it's broken..." Ning Zhi said with a

gloomy face.

"Ning Zhi, what's wrong?" Zhu Zhishan asked with a puzzled face.

"I suspect that Kai is not dead, and what happened last night was what Kai did..."

Ning Zhi said solemnly.

After hearing this, Zhu Zhishan's expression changed greatly, and then he shook his head and said: "Impossible, then how could Kai not die, even if he did not die, with Kai's strength, it is impossible to destroy thirteen sects overnight. From a family of aristocrats, don't be alarmist..."

Zhu Zhishan didn't believe that Kai didn't die, and he couldn't accept that Kai didn't die. In his heart, Kai was already dead, and it was impossible to live.

At this moment, Long Jingguo and Long Xiao who heard the news also came to the Martial Arts Alliance!

After hearing that Ning Zhi suspected that Kai was not dead, and that Kai destroyed these sects, the Long family didn't believe it at all!

"Vice Alliance Leader Ning, if you spread these words out, I'm afraid it will make people laugh. Even if Kai is alive, he doesn't have such great ability."

Long Jingguo sneered.

That Long Xiao also said: "Yes, I can't do it with my strength now. Even if Kai is alive, it is impossible to do it."

"You can't do it, but it doesn't mean he can't do it. During this period of time, your strength has increased several times, but it does not mean that Kai has not increased, maybe his strength has increased faster than yours..."

Ning Zhi gave Long Xiao a disdainful look.

It was not for no reason that he suspected that it was Kai's. There were various indications that Kai was probably not dead. Since Kai was not dead, he could do such a thing to destroy thirteen sects.

Moreover, Kai has always been ruthless towards the enemy, and he has never encountered it. What's more, now Kai hates the Martial Arts Alliance. All these sect families have joined the Martial Arts Alliance, which is Kai's enemy.

"I think you're scared of being beaten by Kai. Your Ning family was destroyed by Kai. You're being chased by Kai. You must have a shadow in your heart, so it's normal for you to suspect that it's Kai. Ping should be your inner demon now..."

Although Ning Zhi was the deputy leader, Long Xiao didn't give face at all.

"You..."

Ning Zhi's eyes suddenly burst into anger, but he held back and did not do anything.

Now is not the time for him to do it, the time is not yet ripe!

"I'm going to practice. Since you don't believe me, just wait and see..."

Ning Zhi turned around and left. He was going to hurry up to practice. Fortunately, the Martial Arts Alliance has Su Yuqi's blood, which can help Ning Zhi practice quickly.

"Long family master, you have to be careful, maybe this person will go to your dragon family."

Zhu Zhishan urged Long Jingguo.

"I wish the leader of the alliance rest assured, as long as that person dares to come, I will definitely be able to catch him..."

Long Jingguo did not speak, but Long Xiao said firmly.

Because he will soon be able to improve his strength again, and when he gets the armor on Xiaoru's body and absorbs Xiaoru's strength, he will be able to look down on the entire Kyoto martial arts world.

After sending off the Long family and his son, Zhu Zhishan immediately sent someone to investigate the matter, who did it, and Zhu Zhishan himself was not idle, he needed to appease those sect families in the Martial Arts Alliance.

Now many aristocratic sects are in fear and trembling, because they don't know when that person will appear, and they risk destroying the sect.

Some Zongmen families started to choose to withdraw from the Martial Arts Alliance. After all, the other party could not hide the fact that they were targeting the Martial Arts Alliance. The fact that several mummies were engraved on their bodies soon spread, so some Zongmen aristocratic families chose to withdraw from the martial arts. Alliance for self-preservation.

A man like none other and the man decree (chinese) Chapter 1489-1490

## Chapter 1489

Although many aristocratic families withdrew from the Martial Arts Alliance, they still could not avoid the fate of being wiped out!

For a time, the entire Kyoto martial arts world was panicking, and even a family of sects moved out of the capital in order to avoid the fate of being wiped out!

Rumors abounded in the martial arts circles in Kyoto, saying that Fan Jiang was the one who killed the sect family in this black robe.

Talking about Fan Jiang, the younger generation of martial artists in the Kyoto martial arts world don't know much, because more than 20 years ago, this Fan Jiang was a well-known evil cultivator. How many sect families do you know!

Later, the entire Kyoto martial arts world was dispatched and cooperated with the official arrest, and finally Fan Jiang was forced off the cliff. More than 20 years later, everyone thought he was dead.

But now, such a black-robed man suddenly appeared again, slaughtering sect families everywhere, absorbing the strength of others, this has to make people think of the devil Fan Jiang!

Back then, Fan Jiang, by his own strength, beheaded several Marquis masters and was besieged by hundreds of people before he was forced to fall off a cliff.

Now that more than 20 years have passed, if it really is that Fan Jiang returns, then his strength will definitely be extremely terrifying, and he will be ruthless, and he will not stay alive. This style is too similar!

Many aristocratic sects in Kyoto have reached the point where they are full of grass and trees, including some large sects, and they have also called back the masters scattered all over the place to deal with the coming danger!

There are even many aristocratic sect families united to petition, asking Mr. Shi to take action, kill the black-robed man, and bring peace to the martial arts world in Kyoto!

.....

The Dharma Protector Pavilion!

Mr. Shi was drinking tea leisurely, as if he didn't care about the noise of those sect families! "Mr. Shi, every day for the past two days, there have been people from Zongmen aristocratic families who came to ask to see you. Now the entire Kyoto martial arts world is in chaos, and people are panicking

..." Xing Jun said to Mr. Shi slightly tired.

This chapter is provided by [m.informativestore.com](http://m.informativestore.com). Visit [m.informativestore.com](http://m.informativestore.com) for daily update.

In the past two days, Xing Jun has come forward. Mr. Shi has never seen those people from the sect family and let them come again and again.

"I didn't say it, I sent them away when I found them. I won't see them..."

Mr. Shi said with a light sip of tea.

"But...but..." Xing Jun looked embarrassed: "Mr. Shi, many people are now rumouring that the man in black robe is the big devil Fan Jiang twenty years ago. If Fan Jiang really appeared, I'm afraid it's more than that. The Zongmen family, I am afraid that even our officials are in danger." The

official was the leader in the pursuit of Fan Jiang, and all the martial arts circles in Kyoto were united at that time.

If that Fan Jiang is here to take revenge, maybe he will do something to the official law enforcement team, even if he doesn't dare to do something to the law enforcement team, it is not impossible to kill a few members of the law-enforcement pavilion to vent his anger!

"Hahaha, don't say that this man in black robe is not Fan Jiang, even if it is Fan Jiang, how dare he take action against the official? Although this Fan Jiang is an evil cultivator and a big devil, he is not a fool..."

Mr. Shi laughed . stand up.

Xing Jun was taken aback for a moment, and asked randomly and curiously, "Mr. Shi, how do you know that this man in black robe is not Fan Jiang? Judging from the brutal method of killing, it looks like that of Fan Jiang..."

Xing Jun also doubted this . The man in black robe is Fan Jiang, otherwise who can have such great strength.

"Some things, you will know later!" Mr. Shi said lightly, then waved his hand and let Xing Jun go out.

After Xing Jun left, there was a smile on Mr. Shi's mouth: "Kai, this kid is getting more and more bloody..."

Looking at Mr. Shi's expression, he had already guessed that the man in black robe was Kai, so he didn't He didn't even let the officials come forward. He needed Kai to have this kind of blood. Mr. Shi knew that in the near future, there would be more cruel things waiting for Kai.

Chapter 1490 The secret in the depths of the dungeon

.....

Kyoto Budo Alliance!

Many aristocratic sect families saw that they had no success in seeking Mr. Shi, so they could only come to the Martial Arts Alliance, and even Long Jingguo and Long Xiao also came.

Originally, Long Xiao didn't care, as long as he could absorb Xiaoru's strength, he would have the confidence to deal with the man in black after getting Xiaoru's armor.

But in the past two days, he tried every means, but couldn't get Xiaoru's armor. Xiaoru's armor has been integrated with the body, and can only be taken off when the armor is revealed.

Before he could get the armor, Long Xiao couldn't do anything to Xiao Ru, so he had to find another way.

And now there are rumors everywhere that the man in black robe is Fan Jiang, which can frighten Long Xiao enough. Although Long Xiao has not seen Fan Jiang's strength with his own eyes, he has heard Long Jingguo talk about it.

You must know that the Long family also participated in the roundup of Fan Jiang that year, and Long Jingguo was also one of them. As the largest martial arts family in the Kyoto martial arts world, the Long family contributed the most.

Now if Fan Jiang really returned, their Long family would be in danger, so Long Jingguo brought Long Xiao directly to the Martial Arts Alliance, and followed Zhu Zhishan to discuss countermeasures!

"I wish the alliance leader, now that there is such a big mess in the martial arts world in Kyoto, and the officials are sitting idly by, now only the martial arts alliance can come forward. If the martial arts alliance can catch the black-robed man now, I believe that many sect families will return to Under the command of the Martial Arts Alliance!"

Long Jingguo said to Zhu Zhishan.

"Patriarch Long, I'm also sending people to inquire around, but the whereabouts of the man in black robe is erratic and irregular, which makes it difficult for me..."

Zhu Zhishan said with a slight frown.

"Leader Zhu, it is rumored that the man in black robe is Fan Jiang, do you think it is possible?"

Long Xiao asked Zhu Zhishan.

"Impossible..."

Zhu Zhishan shook his head firmly.

"Leader Zhu, why are you so sure?"

Seeing that Zhu Zhishan was so sure, Long Xiao couldn't help but wonder.

"That year, Fan Jiang was forced to fall off the cliff. We saw it with our own eyes, and we found a body behind the cliff. Although the body was eaten by wild beasts beyond recognition, it must be that Fan Jiang."

"One died twenty years ago . How can people who have been there for many years come back?"

"It's all just rumors. In order to cause panic in the martial arts world, I can guarantee that it will never be that Fan Jiang, and although this man in black robe is very strong, But compared with Fan Jiang, there is still a gap."

"Back then, Fan Jiang was the strength of a fifth-grade Marquis. Now, for more than 20 years, I am afraid that he has already become a great Marquis, or even a Martial Saint."

" Do you think that a martial sage came back to seek revenge, would he still use it to cover up?"

Zhu Zhishan analyzed it for Long Xiao, and nodded again and again after what Long Xiao said, feeling that what Zhu Zhishan said was right.

"Since it's not that Fan Jiang, who could it be?"

Long Xiao was confused, and Long Jingguo also frowned, not knowing who this man in black robe was and what he was for.

After Zhu Zhishan sent the Long family and his son away, he walked quickly into the dungeon of the Martial Arts Alliance.

And in the deepest part of the dungeon, a shadow was sitting there, and in front of the shadow was a bowl of bright red blood!

"It's been more than 20 years. I didn't expect someone to bring you up again. I thought you came back for revenge. What a big joke!

" Now, how is it possible to get out!"

Zhu Zhishan muttered to the black shadow in front of him.

It turned out that the deepest part of this dungeon was the great devil Fan Jiang. After Fan Jiang fell off the cliff, the Martial Arts Alliance sent someone to rescue Fan Jiang, and then found an unrecognizable body and put it in place, blinding other people. !

"For more than 20 years, I have also helped you do a lot of things. Otherwise, with your strength, how can you mobilize those hidden evil cultivators..."

Fan Jiang spoke slowly, and then put the blood in front of him. All in one drink!

Zhu Zhishan didn't say anything, but turned around and left!
