Kai did not dare to stop, and galloped all the way towards the nearest city!

The beast core in the body is constantly exuding the power of monsters!

Kai needs to find a place as soon as possible to refine this beast pill!

Otherwise, the power in the beast pill will always rampage in Kai's body!

Although Hu Mazi said it calmly, his face was full of anxiety!

Soon, Kai's breath was sensed by two people, so the two of them had a happy face, and hurriedly rushed towards the breath place!

When they saw Kai, they were a little dumbfounded. They saw that Kai was in tatters and his face was flushed.

The skin on my body started to turn green!

"Kai, what's wrong with you?"

Hu Mazi stepped forward and asked.

"Master Hu, I swallowed the beast pill of the spider beast, but it hasn't been refined yet. I need to find a safe place to refine the beast pill..."

Kai explained with Hu Mazi.

"Follow me..."

Hu Mazi took Kai very quickly towards a hotel!

After checking in, Kai explained that Hu Mazi tried to inform Kyoto that Ge Yuhan was rescued, so as not to be called!

Another point is to let Hu Mazi and Ge Yuhan protect him here and refine this high-level beast pill. Kai knew that the refining could not be completed in a short time.

Soon, Kai entered the training room in the room, constantly refining the beast pills in his body!

Hu Mazi followed Ge Yuhan to take turns guarding outside!

Time passed little by little... In the

blink of an eye, half a month passed, and Kai suddenly opened his eyes in the room!

He let out a long breath!

"It seems that this spiritual energy is not recovering. The speed of cultivation in this world is too slow..."

After Kai's refining of a beast pill, his realm has not yet broken through the third-rank Great Marquis!

Although the law of heaven and earth did not suppress Kai, Kai's cultivation speed still felt very slow!

In fact, Kai didn't know that his current cultivation speed was already considered a perverted level. No one could reach the realm of the Great Marquis in such a short period of time!

Kai opened the door and walked out, only to find that Ge Yuhan was guarding the door!

Seeing that Kai was awake, Ge Yuhan hurriedly asked, "Mr. Chen, how is it?"

"The beast pill has been refined, but it is not as good as expected, and the realm has not improved..."

Kai was a little frustrated!

"In the journey of cultivating immortals, we always pay attention to gradual progress. We must know that many immortal cultivators finally abandon immortals and become demons in order to speed up the progress of cultivation. War!"

"The whole world collapsed, gods and demons fell, and martial arts began to run rampant..."

Ge Yuhan comforted Kai.

"Where's Master Hu?"

Kai asked Ge Yuhan.

"He...he's in the room..."

Ge Yuhan blushed and whispered.

Chapter 1742

"This guy, won't bully you, will only let you protect the law alone?"

Kai said, and walked towards Hu Mazi's room.

As soon as I walked to the door, I heard a woman's voice coming from inside!

Kai instantly understood why Ge Yuhan blushed just now!

"This old guy, isn't he possessed by a lecher?"

Kai stepped forward and kicked the door open!

"Ah..."

A woman screamed, and then a girl ran out disheveled!

Seeing that it was Kai, Hu Mazi said with displeased expression: "You bastard, I have been protecting the Dharma for you for so many days, and now I want to relax, but you bother me?"

"Master Hu, I am here for your own good, Don't let your body collapse in the end, you will never become a true immortal..."

Kai said to Hu Mazi.

"What a real immortal is not a real immortal, let's live every day..."

Hu Mazi put on clothes randomly: "Since you are awake, then I have to go back to Baihai City, the ancient ruins of Tianfuzong are not guarded. No..."

Hu Mazi intends to return to Baihai City, but Kai knows that he is not trying to guard the ancient ruins of Tianfuzong, but thinking about the two girls from the Shen family!

"You accompany me to Penglai Island, and you are going to Baihai City after finishing your business..."

Kai said to Hu Mazi.

"What are you going to do on Penglai Island? The formation there is broken, and there is not much spiritual energy. What are you going to do there?"

Hu Mazi asked.

"Did you forget the sculpture? It contains a lot of spiritual power. You accompany me on a trip, and there is a companion on the way..."

Kai said in a slightly pleading tone.

"Forget it, I don't want to run away, it's not that the little girl is with you, just what the two of you want to do, I'm not an eyesore as an old man..."

Hu Mazi waved his hand!

"I don't have the skills of you. If you don't follow me, don't look for me in the future about Fuzong's affairs that day, and I won't take risks and pass on those spells to you..."

Kai finished, Turn around and go out!

Seeing this, Hu Mazi hurriedly stepped forward and pulled Kai: "Look, I was just joking, you are serious, clean up, let's go now, just to relax..."

Kai looked at Hu Mazi like that Son, smile.

The three simply packed up and then headed towards Penglai Island!

After two days and two nights of travel, we arrived at Penglai Island.

Just as the three of them landed on the island, Ge Yuhan suddenly stopped!

"What's wrong?"

Kai asked.

"How can there be the aura of Gorefiend here?"

Ge Yuhan's face became very ugly!

"The Gorefiend is on this island, but now it's a stone statue!"

Kai explained.

"Stone statue?" Ge Yuhan looked puzzled.

"Let's go, you'll know when you go with me!"

Kai took Ge Yuhan and walked towards the palace on Penglai Island!

Knowing that Kai was back, Du Nan hurriedly brought someone to greet him with high standards!

"You're the boss here, it looks very nourishing..."

After seeing Du Nan, Hu Mazi stepped forward and patted Du Nan on the shoulder.

"Master Hu is here too, please come in..."

Du Nan said with an embarrassed smile.

Hu Mazi said, and asked in Du Nan's ear.

After listening to Du Nan, he nodded again and again: "Yes, I will definitely arrange for Master Hu..."

"Hahaha, not bad..."

Hu Mazi walked into the palace with a smile!

And Kai looked at Hu Mazi like that, without asking him, he knew that Hu Mazi followed Du Nan's request.

"Did the forbidden area change during the time I was gone?"

Kai asked Du Nan.

"Return to Mr. Chen, after you leave, I will send someone to seal the forbidden area, no one has ever entered..."

Du Nan replied.

"Okay, let's go directly to the forbidden area..."

Kai went to see how the statue was.

When Kai brought people into the forbidden area, the whole person was stunned, only to see that the huge stone statue had already fallen apart, and among the stone statues, a corpse was lying lifelike inside the stone statue!

Looking at the integrity of the corpse, it looks like it just died, and even the skin is still elastic!

This time, Kai was a little dumbfounded. He couldn't understand why a corpse suddenly appeared here!

Kai looked at Du Nan, and Du Nan was so frightened that he sweated profusely and said: "Mr. Chen, I... I don't know what's going on, no one has ever come in..."

"This... this corpse I don't even know who it is!"

Kai frowned, wondering why a fresh corpse suddenly appeared here?

But at this time, Ge Yuhan, who was beside Kai, looked at the corpse, his face became more and more ugly...

"This... this is the Gorefiend..."

Ge Yuhan said with a trembling voice.

"Gorefiend?"

Kai was startled, and hurriedly looked at the corpse again, and found that the man's corpse was very young, only about 30, with clear eyes, not like that kind of devil.

And looking at the corpse, it seems that it has just died, how can it be a blood demon that has been dead for thousands of years?

"Girl, what kind of Gorefiend? Do you know this person?"

Hu Mazi didn't know what Gorefiend was, so he asked Ge Yuhan.

Ge Yuhan nodded: "I have seen the Gorefiend, and our Guanghai Palace was slaughtered by the Gorefiend family..."

"I didn't expect this Gorefiend to be so young, and for thousands of years, the corpse didn't rot at all. It's like he just died..."

Kai was very surprised!

"No, he is not dead. As soon as I landed on the island, I could feel his breath. Dead people don't have breath."

Ge Yuhan said.

When Kai heard it, he was taken aback. If this Gorefiend didn't die, then one of them wouldn't even want to live.

This kind of big devil who has lived for thousands of years must be very strong!

Seeing Kai's nervous appearance, Ge Yuhan continued: "Don't worry, although he is not dead, he cannot possibly come back to life. Now he is afraid that he will only have a breath of infuriating energy to keep his body from rot..."

Ge Yuhan said so As soon as he said it, Kai's heart was relieved!

"Since I can't survive, I will burn this guy's body to the ground. It's scary..."

Kai said, a light blue flame was beating in his palm, and then a spiritual power was injected into the flame. A fire is burning!

Kai pushed it, and the fire wrapped the Gorefiend's body, and it began to burn continuously!

But the fire burned for a long time, and the Gorefiend's body did not change in the slightest!

Kai was stunned at once, to know that he is a real fire, almost invincible!

But don't want to burn even a fleshy body?

"What's going on?"

Kai asked in surprise.

"This Gorefiend is powerful, even if it is a physical body, it cannot be easily destroyed by others."

Ge Yuhan said.

When Kai heard this, his brows were slightly wrinkled, and he looked carefully at the fleshly body of the Gorefiend!

"This guy's body is so strong, if he can make a puppet corpse, wouldn't he be invincible in the world..."

At this moment, Hu Mazi said something.

As soon as Kai heard it, his eyes instantly lit up. As Hu Mazi said, if he could make this Gorefiend's corpse into a puppet corpse and obey his orders, then he would be invincible in the world.

What martial arts alliance, go directly to overthrow and rescue Su Yuqi!

But Kai doesn't know how to refine corpses, nor does he know how to refine puppet corpses!

"Master Hu, do you have a way to make this Gorefiend's corpse into a puppet?"

Kai asked Hu Mazi.

"How could I possibly do that kind of sorcery, I am a serious immortal cultivator, not an evil cultivator..."

Hu Mazi waved his hands again and again.

"What do you think of Gorefiend? You still want to make his corpse into a puppet? It's just a joke."

Ge Yuhan said with a blank look at Kai and Hu Mazi.

This Gorefiend was a generation of Venerable Lord thousands of years ago, and even if he only has a breath of infuriating energy, his body is not something that can be easily turned into a puppet corpse by others.

When Kai heard this, he sighed: "Hey, it's a pity that this powerful body can't be destroyed, it can't be used..."

But Ge Yuhan's words changed at this time: "Although it can't be made into a puppet corpse, However, it is possible to possess a soul and control the body of the Gorefiend, but the soul must be strong, and it is impossible to control the body for too long, otherwise the soul will be swallowed by the body."

"Possessed by the soul?" Kai was stunned, but Then he shook his head: "If I possessed my soul, wouldn't my own body become a walking corpse."

"You stupid, why do you have to send your soul, you can find a soul, and then bind it with your spiritual sense, Just let him be possessed by this blood demon body, so that you can control this blood demon body!"

Ge Yuhan smiled at Kai!

When Kai heard the epiphany, he slapped his head and said, "Yeah, why didn't I think of this method..."

"The method is good, where are you going to find that soul? And the strength should not be too bad, otherwise there is no way to control the blood. Demon body..."

Hu Mazi asked Kai.

Kai was stunned, but he soon realized that Fan Jiang's soul was still in his storage ring!

This guy is at the peak of Marquis Wu's strength. To control this blood demon body, there is definitely no problem!

Thinking of this, Kai hurriedly opened the storage ring and released Fan Jiang's soul!

As soon as Fan Jiang's soul appeared, it was directly controlled by Kai with his divine sense!

At this time, Fan Jiang's soul was very weak, and facing Kai, he could only bow his head.

"Fan Jiang, I left your soul and spared your life. Now I have found a body for you, and you can see the sun again."

Kai said to Fan Jiang's soul.

Fan Jiang was stunned. He didn't expect that Kai would really find a body for him?

Aren't you afraid of revenge after you find your physical body?

Looking at Fan Jiang like that, Kai knew what he was thinking, so he continued: "I will leave a piece of spiritual consciousness on you. If you dare to betray me, then I can immediately wipe you out..."

Fan Hearing this, Jiang hurriedly knelt to the ground: "I will never dare to betray Mr. Chen..."

Kai nodded, and then a golden light flew from his eyebrows, instantly entering Fan Jiang's body!

"This is the body I found for you, you can possess it!"

Kai pointed at the body of the Gorefiend and said to Fan Jiang.

Fan Jiang glanced at the Gorefiend's body, still very satisfied, and rushed towards the Gorefiend's fleshly body!

But just as Fan Jiang rushed up, he saw a ray of light emanating from the Gorefiend's body, instantly knocking Fan Jiang's soul into the air!

At this moment, everyone was stunned, and Fan Jiang sucked in a breath of cold air: "What a powerful body, I... I can't get on it at all..."

Kai also looked at Ge Yuhan with a surprised look on his face!

"The strength of this soul is too weak, so it can't break through the barrier of the blood demon body..."

Ge Yuhan explained.

"The strength of the peak of Wuhou is still weak?"

Kai was speechless for a while, this Fan Jiang is the strength of the peak of Wuhou, and he can't possess the body of the blood demon, what kind of strength is needed?

Dawuhou?

Where did Kai go to find the soul of Dawuhou?

This time, Kai was like a deflated ball.

Since Fan Jiang's soul cannot be possessed, Kai can only put Fan Jiang's soul back into the storage ring!

Just when Kai was about to start, Fan Jiang suddenly said, "Mr. Chen, do you want to revive this body?"

"Although I can't possess the body, we can make this corpse into a puppet corpse, and then we can obey Mr. Chen's orders!"

Fan Jiang said quickly, he didn't want to be put into a storage ring by Kai!

"Do you know what strength this corpse is? You still want to make it into a puppet corpse?"

Hu Mazi snorted coldly.

"Any corpse can do, as long as it's a corpse, I can train even if it's a realm transformation..."

Fan Jiang confidently believed.

"You can really practice?" Kai had some doubts!

"Mr. Chen, I will never dare to deceive you..."

Fan Jiang said respectfully.

"Well, you refine it. If you can refine it successfully, I will definitely find you a body."

Kai said.

Fan Jiang looked puzzled: "Mr. Chen, I'm just a soul body now, and I can't make it at all. I need to find a flesh body."

Kai looked at Fan Jiang, didn't speak for a long time, and was stunned for a moment. After that, he nodded and said: "Okay, I will find you a body, but if you dare to lie to me, I will definitely make you regret it..."

Fan Jiang quickly assured.

"Du Nan, go find a corpse..."

Kai ordered to Du Nan.

Du Nan nodded, and soon found a corpse. This corpse was full of beards, and his appearance was not very good!

Although Fan Jiang was a little disgusted, but now, as long as he can see the sun again, he doesn't care about that.

Soon, Fan Jiang was attached to the corpse, and with the bearded corpse opening his eyes, Fan Jiang woke up!

Looking at his body, Fan Jiang's face was full of excitement!

"Now you can make puppet corpses..."

Kai said to Fan Jiang.

"Mr. Chen, to make such a powerful puppet corpse, you need to build a formation..."

Fan Jiang said.

Kai frowned: "How much time will it take?"

"It will take a few hours..."

"Okay, let Du Nan send someone to assist you, hurry up..." Kai nodded, then turned and left the forbidden area!

Kai and the others were tired and had to rest first.

"Kai, do you trust that guy so much?"

Hu Mazi asked Kai.

"He shouldn't dare to lie to me, as the head of the evil cultivator, maybe he really has a way of refining the Gorefiend's corpse into a puppet corpse..."

Kai can only choose to trust Fan Jiang now!

Hours passed quickly!

Du Nan sent someone to call Kai and the others. When he walked into the forbidden area, Kai saw that in the middle position, a five or six meter high formation was set up!

Moreover, there are some magical instruments placed around the formation, which are estimated to be used to stabilize the formation.

"Mr. Chen, the array is ready, but there are no decent instruments here to stabilize the array. I'm afraid that during the refining period, the array can't bear it and collapse. I don't know if Mr. Chen has any advanced instruments?"

Fan Jiang asked Kai.

Kai shook his head with a look of embarrassment: "I don't have any magic weapon either, but I have a spirit sword, can I use it?"

Fan Jiang shook his head: "In order to be safe, I think I need to find a few more magic tools..."

But now where can Kai go to find the magic weapon?

At this moment, Hu Mazi stood up and said, "What kind of magic weapon should I use, I only need to draw a few spells to ensure that the stage is as stable as a rock."

Hu Mazi said, took out the yellow paper, and then recited some words in his mouth. What's on the paper!

Soon, Hu Mazi drew the spell and posted it on all four corners of the stage!

Looking at Hu Mazi's talisman technique, Fan Jiang felt a burst of surprise. He didn't expect that there are people who are so proficient in talisman techniques!

Chapter 1746

Fan Jiang ordered the Gorefiend's body to be placed in the middle of the stage, and then took it out and looked at Kai and said, "Mr. Chen, you still need a few drops of your blood essence to drip into the body, and then you can control him. !"

Kai nodded, jumped up and down on the stage, and then forced a few drops of blood from the eyebrows, dripping on the blood demon body!

When the blood essence dripped onto the blood demon flesh, it was instantly absorbed into the body!

And the Gorefiend's body seemed to be stimulated, and it started to twist!

Kai looked at Fan Jiang in surprise!

Fan Jiang jumped to the top of the stage and said to Kai, "Mr. Chen, when I am refining the puppet corpse, I must not be disturbed, otherwise it will be in vain."

"Don't worry, I will guard here in person, but How many days does it take you to refine the puppet corpse?"

Kai asked.

He couldn't protect Fan Jiang endlessly. If Fan Jiang lied, he couldn't make it at all. Then Kai and the others had to protect the law all the time.

Fan Jiang looked up at the sky, and then said: "The refining can be completed before it gets dark..."

"Yes!" Kai nodded and jumped off the stage.

Soon, Fan Jiang slowly raised his hands, muttering words, and strange forces emerged from the ground, and then these forces converged on the Gorefiend's corpse!

Kai and Hu Mazi waited quietly to protect Fan Jiang!

Seeing that it was about to get dark, Fan Jiang didn't move, and the Gorefiend's body didn't move either.

However, strange forces are still emerging from the ground!

Kai's face showed anxiety, but he could only wait!

At this moment, there was a sudden sound of fighting outside, and accompanied by two terrifying breaths, it was coming in the direction of the forbidden area.

Kai's face changed: "Someone is here?"

"The breath is not weak, the realm of the Great Marquis..."

Hu Mazi also said with a frown.

Kai glanced at Fan Jiang on the stage, and then said to Ge Yuhan: "Yuhan, you stay here, don't let anyone approach, I will go out with Master Hu to see..."

Ge Yuhan nodded, then Kai nodded. Ping quickly rushed out of the forbidden area with the flax seeds!

As soon as he rushed out, he met Du Nan who was in a panic!

"What's going on?"

Kai stopped Du Nan and asked.

"Mr. Chen, it's not good. Two people broke into the palace and came straight to the forbidden area. My people couldn't stop them..."

Du Nan said anxiously.

As soon as Kai heard it, he immediately greeted him.

However, the closer the distance, the more ugly Kai's face was, because he could clearly feel that the opponents were all of the late Dawuhou strength.

This kind of strength, Kai is not sure, if the two opponents are the strength of the late Dawuhou, then Kai can't stop it at all!

No matter whether it can be stopped or not, Kai will always stop it, and they cannot be allowed to rush into the forbidden area!

Hu Mazi was also dignified at the moment, holding yellow paper in his hand, constantly drawing talismans!

When Kai and Hu Mazi rushed into the hall, they found that the ground was full of corpses, and a man and a woman covered in blood were walking towards the back of the palace!

"Stop, who are you? Why did you break into the palace and kill people indiscriminately?"

Kai stopped the two in front of him!

The man just glanced at Kai, and then said coldly, "If you don't want to die, just get out of the way..." After

that, the man and the woman ignored Kai and walked straight to the forbidden area!

Seeing this, Kai smashed it with a punch, blocking the way of the two!

And the man immediately followed with a punch.

With a loud noise, Kai's body flew backwards instantly, and then his arms trembled slightly.

Chapter 1747

The test of this punch let Kai know that the opponent's strength is far superior to himself!

"Who are you? What do you want? I can give it to you..."

Kai knew that if he used force, he and Hu Mazi might not be able to stop them, so he wanted to delay time!

"We are from the Demon Sect, and now we have to take the Gorefiend's body away..."

the man said to Kai.

"Devil Spirit Sect?" Kai was stunned, he had never heard of this sect, and how could the other party know that the body of the Gorefiend was here?

"We don't have the Gorefiend body you mentioned. Have you found the wrong place?"

Kai pretended to be ignorant.

"Boy, stop pretending, what we said, you understand in your heart, if you hand over the Gorefiend's body now, we can leave immediately, and we will never embarrass you..."

The woman spoke up!

"I really don't know..."

Kai shook his head.

"Pretend, I think you won't cry without seeing the coffin..."

After the woman finished speaking, she raised her foot and kicked at Kai!

Kai quickly retreated, then grabbed the man's ankles with both hands, and pulled back suddenly!

And the woman jumped up with strength, her legs like water snakes, coiled around Kai's body!

Kai was instantly embarrassed to be in such close contact with a woman!

"Okay you demon girl, come to me if you have the ability..."

Seeing this, Hu Mazi's eyes were red, and a spell was instantly thrown at the woman!

The spell exploded in the air in front of the woman, causing the woman to let go of Kai and flip back!

"Kai, you are strong enough to deal with that man, this woman let me deal with..."

Hu Mazi stared at the woman in front of her with a pair of eyes.

It's just that his gaze has been swept over the long snow-white legs of the woman...

The woman felt the gaze of Hu Mazi, her brows wrinkled, and her face was full of disgust!

Kai looked at Hu Mazi like that, and felt speechless for a while, when is this all?

Hu Mazi still only has women in his eyes!

"Master Hu, that woman's strength is not weak, you have to be careful..."

Kai told Hu Mazi.

"Don't worry, I haven't learned anything during this time, I just learned how to deal with women, and see how I deal with her..."

Hu Mazi said, throwing a few spells at the woman, followed by Hu Mazi, pounce on the woman!

Bang bang bang...

Several talismans exploded in the air, rising flames, directly blocking the woman's retreat.

At this time, Hu Mazi had already arrived in front of the woman, with a wretched face, she opened her mouth and arms and hugged the woman!

The woman's face was furious, and she smashed it out with a ruthless punch.

Just when the woman was about to hit Hu Mazi's chest with a punch, a spell on Hu Mazi's chest suddenly exploded!

The woman was startled, but she retreated and found that she was also blocked from behind!

At this time, Hu Mazi was already in front of the woman, and she reached out and touched the woman's face directly!

Seeing his hand, Hu Mazi quickly retreated, but he was still a step behind!

The woman was touched by Hu Mazi, and she was already very angry, she kicked her foot out!

He directly kicked the flax seeds and fell heavily on the ground!

Hu Mazi gritted his teeth in pain, but he muttered: "It's so tender, so smooth..."

Kai looked at Hu Mazi, he really didn't know what to say!

How did this guy get a girl to die?

"You are courting death..." The

man was angry, and a terrifying coercion erupted from his body.

Kai suddenly felt a lot of pressure on his body, and his legs were shaking slightly!

The flax was lying directly on the ground, and was pressed on by this coercion, unable to get up!

Chapter 1748

Kai's aura was beginning to rise, trying to resist the pressure!

The golden light flickered from the body, illuminating the night sky, and the entire hall was filled with dazzling golden light!

The man looked at Kai, his eyes narrowed slightly: "I didn't expect your boy's body to be a good thing..."

Come on, the man's figure disappeared in a flash, and then he arrived in front of Kai!

Then a punch hit Kai's chest!

Kai greeted him with a punch, and the two punched against each other!

Boom...

A huge explosion sounded, and then Kai's body instantly retreated!

And the man's figure swayed a few times, and his wrists were slightly numb!

"If this body grows up, I'm afraid it will be even stronger than that Gorefiend..." The

man's eyes narrowed slightly, and his eyes were hot.

"Don't hurt him, grab it and keep it up, this is definitely a superior body..." The

woman's eyes were also full of brilliance, and her gaze towards Kai changed!

The man's face turned cold for a moment, and he looked at the woman and said, "Don't you like this kid?" After the

woman heard this, she frowned and said, "What nonsense, I just like his body..."

"Then you catch it, I don't care..." The

man seemed to be jealous, and he seemed to be angry, so he took his hands and walked to the side!

Kai looked at the man and the woman and felt speechless. The two completely ignored him.

The woman rolled her eyes at the man, then looked at Kai and said, "Little brother, listen to me, we will never hurt you, and we will make you stronger."

"I don't want to hurt you, you still Don't resist..." The

woman said and walked towards Kai!

Moreover, the woman's eyes were full of charm, and she was actually casting a charm on Kai!

It's just that this woman's charm is obviously not a strong point. Compared to the sisters Wu Mei'er and Xiao Lan, they are far behind!

Kai didn't even care about the charm of the sisters, how could he still be charmed by this woman?

Kai secretly smiled in his heart, but his face was expressionless.

Seeing Kai's sluggish face, the woman raised the corners of her mouth slightly, walked to Kai, and gently stroked Kai's face with her hands!

Seeing this, Hu Mazi angrily beat his fists on the ground: "It's too much, why don't you touch me?" The

woman exhaled like a blue and whispered softly: "Little brother, listen to elder sister, go with elder sister, be good..."

The woman took Kai's hand and planned to take Kai away!

This punch slammed into the woman's stomach, instantly knocking the woman out!

Unprepared, the woman was punched by Kai, her body fell heavily to the ground, and there was blood dripping from the corner of her mouth!

"Damn, this guy is so cruel to women?"

Hu Mazi was shocked when he saw this!

When the man saw Kai smash the woman out with one punch, he was instantly furious, and red flames began to rise from his body.

The flames wrapped the man's body, and a wave of heat swept through in an instant!

Kai looked at the flames rising from the man, and his face instantly became a little ugly!

This man actually knew how to control fire, and from the looks of it, he was at the level of perfection!

Kai stimulated the power of the dragon in his body, and golden lights flashed, followed by a golden dragon wrapped around Kai's body!

call.....

I saw the man wave his palm, and the flames on his body attacked Kai, and the huge heat wave was also rolling.

Kai didn't dare to resist, so he could only keep retreating and dodging everywhere, but the flames seemed to have eyes, chasing after Kai.

Kai's body was rapidly condensing ice blue crystals, and icicles suddenly emerged from the ground, trapping Kai on the ground like a cage!

Kai wanted to break free, but his body was so stiff that he couldn't move at all!

"I could have given you a chance, but you ruined the chance with your own hands, so now you have to die..." After the

The man's speed was very fast, and he caught up with Kai in the blink of an eye!

Kai gritted his teeth and turned around with another sword!

Dang...

This time, the Dragon Slaying Sword in Kai's hand was instantly knocked flying, and Kai's tiger mouth cracked, and blood flowed out!

Kai's face changed, without the Dragon Slaying Sword, Kai could only hit hard...

The Dragon Slaying Sword made a humming sound, followed by a golden dragon circling above Kai's head!

But the man didn't pay any attention to Kai's changes, and smashed Kai with a punch!

This punch, with a monstrous momentum, turned into a fire dragon, roaring towards Kai!

The golden dragon made a sound of dragon roar and rushed out!

boom!

The two dragons collided, and the earth shook!

Kai's golden dragon instantly turned into a little spot of light and dissipated, but the fire dragon roared and continued to come towards Kai!

Kai frowned, feeling the powerful breath of the fire dragon, Kai could only use the undamaged golden body to the extreme, and he desperately carried this blow!

Bang...

Kai's body flew out, and in mid-air, the undamaged golden body shattered, and there were also wounds on Kai's body!

Kai slammed heavily on the ground, smashing a deep hole into the ground!

The man jumped up, without any unnecessary nonsense, he volleyed down directly, and punched Kai.

Under this punch, Kai is afraid that he will not be able to bear it anymore!

But at this moment, with a coquettish shout, Ge Yuhan, who was watching immediately, flew out and directly blocked Kai's face. From bottom to top, his body exuded a light blue aura, instantly forming a barrier!

Boom...

The man's punch came and hit directly on the barrier, the barrier shattered in response, and at the same time offset the power of that punch!

However, Ge Yuhan's face turned pale.

Obviously, with Ge Yuhan's body and the saint's soul, his strength has dropped a lot, and he is no match for the man in front of him at all.

Ge Yuhan and Kai hurriedly shot, and bursts of explosions rang in their ears!

Boom.....

But just as the two of them were about to deal with the man together, the ice came one after another, and the woman rushed out of the hall.

Seeing the woman appear, Kai felt sad in his heart, he knew that Hu Mazi might have encountered an accident!

Anger rose in Kai's eyes, and the terrifying killing intent filled Kai's body at this moment!

"Don't waste time, kill the two of them quickly, I feel that the aura of the Gorefiend has changed..." The

woman said to the man.

Fan Jiang said to Kai.

When Kai heard this, his original excitement disappeared in an instant: "After seven days, can't you continue to refine him while using the spell?"

Fan Jiang smiled bitterly: "Mr. Chen, refining a puppet corpse of this strength cannot be used in refining the first corpse. Second, but you can keep the corpse, and when you have a suitable soul, you can use the soul to control the corpse." When

"As far as the puppet corpse is concerned, the strength of the manipulator also has a lot to do with it, but to deal with those people in the martial arts alliance, it should be easy to capture."

Kai nodded and said, "That's it, my own strength is always required. You can't rely on a corpse for protection all day long."

"Mr. Chen, what about Master Hu?"

At this time, Ge Yuhan thought of Hu Mazi, and he never saw him.

"Damn, it's broken, I forgot about Master Hu..."

Kai ran towards the hall in an instant!

Seeing that Hu Mazi was awake, Kai quickly asked happily, "Master Hu, are you okay?"
"Smooth

... tender... white..."

Hu Mazi muttered, and Kai was stunned for a while. Force, I don't know what to say about this flax!

But soon, Kai heard it, and he was speechless. This Hu Mazi was about to die, and he was still thinking about the white thighs of the woman just now!

Because Kai knew that the Gorefiend's body wouldn't last for a few days, so he put the sesame seeds on Penglai Island, let Du Nan watch it carefully, and then brought Ge Yuhan and the others back to Kyoto directly!

Ge Yuhan came back, which made Gu Linger and the others very happy. A group of girls can play happily in the Red Lotus Palace again!

As for Kai's plan to destroy the Martial Arts Alliance, he did not follow Gu Linger and the other girls to say, one is that they are worried about themselves, and the other is that they are in danger if they follow.

Kai took Fan Jiang and Gorefiend back to the Long family, and now the Long family is in charge of Long Wu.

"Kai, during the time you left, the Martial Arts Alliance has not been idle. I don't know where they got the masters. Now I heard that there are eight Great Marquis in the Martial Arts Alliance."

After seeing Kai, Long Wu , said hastily.

"Eight Great Marquis?"

Kai was slightly taken aback: "Where did they find so many Great Marquis?"

Chapter 1755

Kai's body exudes a faint golden light, resisting the oppression of Nie Cheng's breath!

The aura on Nie Cheng became more and more manic, while the golden light on Kai became more and more dazzling!

The two resisted like this, no one moved, and no one retreated!

The two breaths kept colliding with each other.

Nie Cheng frowned slightly. He didn't expect Kai to look weaker than himself, but this time, Kai was not at a disadvantage!

At this moment, Nie Cheng had exerted his breath to the extreme, but Kai remained motionless.

The surrounding people in black robes took a few steps back in unison. They didn't want to waste their strength to resist this coercion!

At this time, no one noticed that the atmosphere in the entire hall had already raged to the extreme. The two breaths were intertwined, and the terrifying coercion had already turned the tables, chairs and benches into powder!

But the Gorefiend, who had been standing behind Kai, did not change at all, his body was motionless, and his face was expressionless!

Boom...

Finally, Nie Cheng and Kai took a step back at the same time, and the breath on their bodies dissipated in an instant!

In this confrontation, the two were half a pound, and neither one took advantage of it!

"Kai, you are so capable, and you dare to break into my martial arts alliance alone. You are really ignorant and fearless."

"Without other people, I can easily kill you with a vajra pestle!"

Nie Cheng disdainfully Looking at Kai said.

"Really? I'm standing here, you want my life, you can come and take it at any time..."

Kai spread his hands, his face was indifferent!

Seeing Kai's indifferent appearance, Nie Cheng really didn't dare to do it for a while. He didn't know if Kai had something behind him.

"What? Don't dare to do it? If you don't dare to do it, let my girlfriend go. If you force me to do it, the Martial Arts Alliance will cease to exist!"

Kai sneered when he saw Nie Cheng like that.

"Hmph, to kill you, why do I need to do it..."

Nie Cheng snorted coldly and stepped back: "You killed him..."

Nie Cheng didn't do anything, but let the others in black silver robe do it!

The black and silver robes of the seven Great Marquis are more than enough to deal with Kai!

One person and one move can knock Kai into scum.

When Nie Cheng spoke, the seven black and silver robes couldn't help but listen, they all took a step forward and surrounded Kai in an instant!

The breath emanating from the seven black and silver robes made the entire Martial Arts Alliance tremble!

Kai looked at the seven people coldly, with a cold glow in his eyes!

"Kill them all, leave none of them..."

Kai said coldly.

Nie Cheng was stunned for a moment, then looked out hastily, and found that there was no one outside at all. Who was Kai speaking to?

Could it be the sluggish guy behind him?

Nie Cheng checked it right away, and the Gorefiend had no breath on his body, like a dead person!

How powerful can such a person be?

Gorefiend got Kai's order and took a step forward to block Kai.

Kai, on the other hand, with a cold smile on his face, retreated directly to the wall!

Facing the Gorefiend, the seven black and silver robes all looked at each other, not knowing what to do for a while.

A guy with a sluggish face stood up, and there was no breath on his body. They didn't know if they should shoot!

"Kill this fool together,"

Nie Cheng said.

A black and silver robe nodded, and then punched the Gorefiend with a punch!

Heiyinpao didn't use all his strength in this punch. After all, to deal with such a breathless person, it only takes 10% of his strength to smash people into flesh!

When Kai saw that the black silver robe was so contemptuous of the blood demon, he laughed and watched the show!

It would be better if there were melon seeds at this time!

The black silver robe punched in front of the Gorefiend, and then hit the Gorefiend in the chest!

Chapter 1756

Bang...

Although I didn't use all my strength, but this punch is also tens of thousands of pounds of power, and it is not a problem to knock off a mountain!

But this punch hit the Gorefiend like a fart!

The Gorefiend didn't react at all, but the black silver robe felt a huge anti-shock force, and then the arm bones broke instantly, directly piercing the skin and exposing it!

Bai Sensen's bones, with bright red blood, made the scene very terrifying!

At this scene, everyone was stunned.

Especially the black and silver robe who started the hands, the heart was shocked, and then the figure quickly retreated!

He knew that the breathless guy in front of him was far more powerful than they thought.

But just as the black silver robe retreated, the Gorefiend moved, and the Gorefiend slapped it out!

This slap may seem slow, but it is extremely fast!

The black and silver robe didn't have time to react, only to be hit by a slap!

Pfft...

Heiyinpao's head was blown up with a slap by the Gorefiend, scarlet blood splashed everywhere, and a terrifying bloody smell spread out!

This time, Nie Cheng and those black robes were dumbfounded!

"This...how is this possible?" Nie Cheng looked at the black silver robe who died tragically, his face full of disbelief.

This is the Great Marquis, Great Marquis!

How can you be slapped to death?

Just want to kill a fly?

Is this too outrageous?

What kind of strength would be able to slap the Great Marquis to death?

Wu Sheng? Transformation environment?

At this moment, Nie Cheng's mind felt a little out of order!

And those black and silver robes looked at their companions and were slapped to death by a slap, and they all had extremely ugly expressions on their faces!

This time, no one dared to move the remaining black and silver robes, and involuntarily took a step back!

"If you release my girlfriend now and apologize on your knees, I can spare your life."

Kai said.

Nie Cheng said with a cold face: "Kai, don't be complacent, although I don't know where you invited the masters, but don't underestimate our Martial Arts Alliance."

"Even if the person you invited is a Martial Sage, what can you do? So, do you think our Martial Arts Alliance doesn't have a Martial Saint?"

"The Martial Saint weapon in my hand can also exert the strength of a Martial Saint."

Nie Cheng held the Vajra pestle, and his aura was constantly rising!

"Okay, then let's all die..."

Kai stopped talking nonsense and directly controlled the blood demon!

"Let's go together, even if it's Martial Saint, we don't have to be afraid."

Nie Cheng said loudly.

The remaining six black and silver robes could only grit their teeth together. Could it be that they dared to escape?

To know the punishment of the mighty for the escapee, it is better to die than life.

The six black and silver robes all headed towards the Gorefiend, but Nie Cheng was at the end, holding a vajra, ready to find an opportunity to give the Gorefiend a fatal blow!

But before Nie Cheng could make a move, he saw the Gorefiend waving his big palm!

One slap and one, and go very fast!

In the blink of an eye, the six black and silver robes became headless corpses, and the entire hall was filled with a thick bloody aura.

Nie Cheng, who originally wanted to do it, suddenly became an idiot!

Staring blankly at the corpse on the ground, his face was full of horror!

You must know that these black silver robes are all Great Marquis, and some even have the strength of the late Great Marquis, and each of them is not weaker than him.

But this kind of existence at the top of the martial arts world was just shot to death?

The problem is that one is slapped to death, and even the souls in these black silver robes have not had time to escape.

In an instant, the ashes vanished...

those black copper robes could no longer control them, and they all ran out desperately. Blown to death in one breath!

"Don't let them escape..."

Kai said, the Gorefiend swayed slightly, and then the whole person appeared in front of those black copper robes!

No one saw how the Gorefiend moved, it was like teleportation!

"Ah..."

When the black copper robes saw this, their eyes were full of fierceness, and then they rushed towards the Gorefiend!

They know that only by working hard can they have a chance!

More than a dozen black copper robes rushed towards the Gorefiend.

The Gorefiend, on the other hand, slapped both palms together, and slapped one of them, and directly scattered the souls of those black copper robes, and not even a slag was left.

More than a dozen black copper robes, that is, in the blink of an eye, not a single one is left, and no corpses are left!

Nie Cheng looked at the scene in front of him, his face was extremely cold!

He was holding the vajra in his hand, and now it seemed that this vajra was his life-saving talisman.

This is a sacred weapon, even if it can't deal with the Gorefiend, but with the sacred weapon in hand, Nie Cheng has the confidence to escape!

"Do you want to talk to me now? If you let my girlfriend go, I can keep you alive..."

Kai said to Nie Cheng.

"As I said, I'm not qualified to let your girlfriend go. I tell you, even if you kill me, you can't open the dungeon..."

Nie Cheng said with a blank expression.

"Then since you are useless, there is only one dead end..."

After Kai finished speaking, he glanced at the Gorefiend, and the Gorefiend slowly walked towards Nie Cheng!

"Hmph, don't forget the sacred weapon in my hand..."

Nie Cheng said that his breath entered the Vajra pestle immediately, and then the Vajra pestle radiated light, and the terrifying aura began to spread!

The aura of the martial sage in the vajra is not only condensed, but the hall is full of terrifying coercion!

Under this pressure, Kai's legs began to tremble, and he finally knelt on one knee with a thud!

Under the aura of Martial Saint, Kai couldn't bear it at all!

Seeing Kai kneeling down, Nie Cheng was full of confidence.

"I promised you this sacred weapon, but you still dislike it. Now you know its power, right?"

Nie Cheng sneered, and then raised the vajra in his hand.

In an instant, terrifying breaths continued to spread out, followed by a dazzling ray of light on the vajra, and that ray of light went straight to the Gorefiend!

Kai was instantly blown away by this dazzling light. In front of the sacred weapon, Kai didn't even have the slightest power to fight back!

At this moment, Kai has truly seen the power of Martial Saint!

This is just a wisp of aura emanating from the Martial Saint Artifact. If it is a true Martial Saint Master, wouldn't the strength be even more terrifying?

Thinking of Fan Jiang's words, saying that there are Martial Saints in the Martial Arts Alliance, this makes Kai's face full of worry!

But now fortunately he has the Gorefiend, and it is not a problem to deal with that Nie Cheng, otherwise Kai himself would really not be able to deal with this sacred weapon.

The Gorefiend ignored the rays of light emanating from the Vajra pestle, and strands of the Martial Saint's power kept hitting the Gorefiend!

But to the terrifying fleshly body of the Gorefiend, it was just like tickling!

Arriving in front of Nie Cheng, the Gorefiend slapped him in the face!

Nie Cheng was startled in his heart and shouted loudly. The vajra in his hand was a little more radiant!

The Gorefiend still ignored the light, and slapped Nie Cheng's Vajra pestle directly.

Nie Cheng only felt that his arm was about to be broken, and the vajra in his hand flew out instantly!

Without the coercion of Martial Saint's breath, Kai got up instantly, jumped straight up, and walked towards the Vajra pestle.

Nie Cheng was very anxious when he saw that Kai wanted to get the vajra pestle, but in the face of the blood demon, he could only escape for his life, and the vajra pestle had no choice!

Nie Cheng turned around and ran away, and after Kai got the Vajra pestle, a force of Martial Saint went towards Nie Cheng!

Nie Cheng only felt a terrifying aura coming towards him from behind him. Before he could react, his whole body was knocked out!

Nie Cheng fell heavily to the ground, his whole body vomited blood and he was obviously seriously injured!

"Don't kill him..."

Kai planned to let Nie Cheng take him to the dungeon and rescue Su Yuqi!

The Gorefiend stopped, then stepped back, while Kai walked in front of Nie Cheng with a vajra pestle, and said coldly, "Now you don't have the chance to talk to me anymore, take me to the dungeon..."

Nie Cheng looked After looking at the Gorefiend, he looked at the Vajra pestle in Kai's hand again, took a deep breath and said, "Even if you enter the dungeon, it is impossible to save your girlfriend."

"Stop talking nonsense, just bring I can go in, whether I can save it is my own business..."

Kai reached out and picked up Nie Cheng.

Like a dead dog, Nie Cheng followed Kai to the back of the Martial Arts Alliance!

In front of the rockery, Kai said, "Go and open the dungeon..."

Nie Cheng didn't dare to open it because he knew the consequences of betraying the great power.

"Kai, even if you open the dungeon, you really can't save your girlfriend. She is locked in a special cell, and you can't save her."

Nie Cheng said with a bitter expression.

Kai looked at Nie Cheng coldly, and suddenly a consciousness entered Nie Cheng's mind.

Nie Cheng, who was seriously injured, how could he bear it? Kai's consciousness was torturing Nie Cheng with all his might!

Nie Cheng felt a splitting headache, and it was as uncomfortable as ten thousand worms!

Kai said to Nie Cheng.

Nie Cheng was helpless, so he could only agree, and then walked to the front of the rockery, activated the magic technique, and slowly moved the rockery, revealing the entrance to the dungeon!

Seeing that the dungeon was opened, Kai was overjoyed!

He was about to rush in, but after thinking about it, he was afraid that there might be an agency inside, so he let Nie Cheng walk in front!

Nie Cheng walked in front, and Kai followed behind!

Going all the way to Su Yuqi's cell, Kai couldn't hold back, and suddenly rushed towards the cell!

Holding the iron door of the cell tightly with both hands, she shouted Su Yuqi loudly!

At this time, Su Yuqi was sitting on the bed. The facilities in the cell were very good, and there were all the necessary living items!

Hearing Kai's cry, Su Yuqi was surprised and hurriedly turned her head to look. When she saw Kai, her tears couldn't help but flow out instantly!

"Kai, Kai..."

Su Yuqi rushed to the old door and held Kai's hand tightly: "How did you get in, did you get caught by them too?"

"No, I am I'm here to save you, I'll save you right away."

Kai stroked Su Yuqi's face!

Although Su Yuqi looks good, she has been detained here for a long time, and her mood is very low.

Kai ordered to Nie Cheng impatiently.

"I can't open this prison door,"

Nie Cheng said.

"f*ck, you can definitely open it. If you don't open it, believe it or not, I'll kill you?"

Kai was angry, and then he punched and kicked Nie Cheng!

In front of Kai, Nie Cheng could only shrink his body and let Kai punch and kick on his body!

Soon, Nie Cheng was beaten with scars all over his body, but still shook his head: "I really can't open it, I don't have the right to open this prison door."

"Then, who can open this prison door? Who can open it?"

Kai picked up Nie Cheng, grabbed his collar tightly and asked.

"Ning Zhi, he can open it, he has a way to open the prison door."

Nie Cheng looked at Kai, who was almost crazy, and was a little scared, so he sold Ning Zhi!

"Where is Ning Zhi? Let him get out, get out..."

Kai roared, telling Ning Zhi to get out.

But Ning Zhi didn't join the Martial Arts Alliance at all, but practiced in the secret training room unique to the Martial Arts Alliance!

Even Nie Cheng didn't know where Ning Zhi's address was!

"No... I don't know, Ning Zhi was recruited from above to practice..."

Nie Cheng explained cautiously.

"I don't believe it can't be opened..."

Kai held the prison door with both hands, his body was constantly rising, and he wanted to work hard to open the prison door!

But no matter how hard Kai tried, the prison door was still intact!

"Open the prison door..."

Kai ordered to the Gorefiend!

Gorefiend stepped forward, and then punched it out!

Boom...

The ground shook for a while, and the entire dungeon was almost collapsed, but the prison door could not be opened!

This made Kai very surprised. To know the strength of the Gorefiend, it was a big demon from thousands of years ago. Why can't even a prison door be opened now?

Just as the Gorefiend was about to smash the second punch, Nie Cheng hurriedly said, "You can't force it open, otherwise the entire dungeon will collapse, and none of us will survive."

Nie Cheng stopped the Gorefiend from forcibly breaking open the prison door again.

Seeing this, Kai hurriedly said, "Stop..."

Although he followed the Gorefiend's body to be strong, even if the dungeon collapsed, the two of them might not be in trouble, but Su Yuqi couldn't. If the dungeon really collapsed, Su Yuqi would surely die. !

This made Kai anxious and angry, and he didn't know what to do!

"You must have a fucking way, open the prison door for me, or die..."

Kai grabbed Nie Cheng by the neck!

If you can't force the door to open, you can only let Nie Cheng find a way. After all, Nie Cheng is the leader of the Martial Arts Alliance. Nie Cheng was caught by Kai's neck and could n't

move at all. He could only blushed and said, "I really can't open it. It's useless if you kill me."

"Since you want to die, I will fulfill you."

Kai's eyes were red.

At this moment, Nie Cheng could hardly even breathe, his face turned purple, and he was about to return to the west at any moment.

"Kai, it looks like he really doesn't know..."

At this moment, Su Yuqi spoke.

Only then did Kai regain his senses and let Nie Cheng go!

Nie Cheng kept coughing and breathing heavily: "I really don't know, I was just temporarily dispatched to replace Ning Zhi to be the leader of the alliance, and he has no rights."

Kai looked at Su Yuqi in the prison, his heart felt like a needle Commonly uncomfortable.

"Kai, don't be sad or discouraged, I believe there is always a way, and they won't kill me, let alone abuse me."

Su Yuqi comforted Kai!

"Well, I will definitely find a way to break this cell, Yuqi, please wait patiently."

Kai said firmly.

"I believe in you. Now that your strength is so high, you can rush into the dungeon. I believe that the day when we will truly reunite is not far away."

Su Yuqi nodded.

Kai held Su Yuqi's hand tightly and was reluctant to let go for a long time, but just like this, a terrifying aura suddenly began to rise in the dungeon, and it seemed that something terrible was waking up!

Feeling the terrifying aura, Kai knew that he couldn't stay in the dungeon. After saying goodbye to Su Yuqi, he immediately picked up Nie Cheng and ran out.

As soon as he ran out of the dungeon, the gate of the dungeon closed automatically, and there were waves of light like fish scales around, which seemed to re-shroud the dungeon with a layer of formation.

Kai frowned as he looked at the dungeon that had re-shrouded the formation.

He knew that someone must be controlling all of this behind his back, and he also knew that he had entered the dungeon!

"Destroy this martial arts alliance to me..."

Since the dungeon cannot be destroyed, Kai will destroy the Martial Arts Alliance!

Chapter 1760 Don't kill me

Originally, the entire Martial Arts Alliance was protected by a formation, but at this time, under the terrifying aura of the Gorefiend, those magnificent buildings instantly turned into ruins!

Looking at Gorefiend's terrifying ability, Kai couldn't help but be speechless!

This **** is too powerful. If the Gorefiend is not dead at the moment, and what remains is not a physical body, then is there anyone else who is his opponent?

Nie Cheng watched the entire martial arts alliance turn into a mess, and his face suddenly turned ashen!

He knew that when he was finished, Kai would not kill him, and Da Neng would not let him go.

In the blink of an eye, the Martial Arts Alliance no longer exists, only the rockery still stands intact!

The members of the Martial Arts Alliance can't even find their bodies, they have become scum!

Kai looked at Nie Cheng, at this moment Nie Cheng couldn't help but feel tight!

As the Great Marquis, the black silver robe of the Martial Arts Alliance has become a prisoner now, and he is still so embarrassed!

"Kai, I opened the dungeon for you, and I have told you everything I know, can you please stop killing me?"

Nie Cheng was begging for mercy, he was afraid of death!

Kai stared at Nie Cheng closely, and then said with a cold face: "I gave you a chance, but you didn't cherish it, don't blame me, blame yourself for not being the leader of this alliance."

In Kyoto, the Martial Arts Alliance was destroyed, and the news of the arrest of Nie Cheng, the new leader of the Martial Arts Alliance, spread instantly!

This time, Kai's reputation has reached its peak!

However, for Kai, all his prestige was meaningless. He had to find a way to break through the cell and rescue Su Yuqi.

"Mr. Chen, are you worried about not being able to break the cell of the Martial Arts Alliance?"

Kai looked at Fan Jiang, and then nodded: "The formation in that cell is so powerful that even the Gorefiend can't break it.

"The method is very strange, but as long as you find the eye of the formation, you may be able to break the formation."

When Kai heard this, he rolled his eyes immediately. Everyone knows that the formation can be broken if the formation is found. After all, the formation is the weakest point of every formation!

But the most difficult thing is how to find the array eye!

Fan Jiang also seemed to see what Kai was thinking, and said quickly: "Mr. Chen, Master Hu is a master of spells, and each spell corresponds to a magic circle. If you find him, maybe Master Hu can I know where the eye of the formation is, or maybe I can break the formation."

When Kai heard this, his eyes suddenly lit up. Indeed, the reason why each talisman has different abilities is because the formations given to each talisman are different, so the ability is different. different!

For example, the killing formation and the mountain protection formation are just condensing the formation into the talisman paper, which makes each talisman have different abilities!

It's just that this ability to draw talismans is not available to everyone.

You can make formations, but you may not be able to draw talismans. Arrange the formations on the talisman paper!

In the same way, Hu Mazi can draw talismans, and the talisman technique is almost invincible, but if he really wants to set up a mountain protection formation in a sect, he can't do it!

All things are interoperable, yet have their own differences!

Kai, who wanted to understand, decided to go to Hu Mazi immediately after beheading Nie Cheng in public tomorrow.

If Hu Mazi can't do it, they can go to the ruins of Tianfuzong, maybe they will have an adventure!

Now that the Gorefiend is in the flesh, it is like a walking tank, and there is absolutely no need to be afraid of the organs set up in the ruins!

This is still the first alliance leader to be executed by the Martial Arts Alliance to this day!

This kind of thing should be stopped by the official. After all, Kai's Dragon Gate is just a sect, and he has no right to execute the leader of the Martial Arts Alliance!

The official word is needed, but Kai decided to execute Nie Cheng, but the official did not say a word.

Everyone also understands that it is normal for the government to remain silent because of the relationship between Kai and Mr. Shi.

Longmen, in a dungeon, Kai personally took Nie Cheng out!

Nie Cheng also seemed to know his fate, and his face became extremely pale!

"Kai, you... can you not kill me, I can tell you more secrets of the Martial Arts Alliance..."

Nie Cheng said with a trembling body.

When Kai heard it, he was stunned and said, "Do you still know the secrets of the Martial Arts Alliance?"

"You promise not to kill me before I tell you..."

Nie Cheng said.

"Do you think you still have the qualifications to bargain with me?"

Kai asked coldly.

Feeling the icy chill on Kai's body, Nie Cheng hesitated for a moment, then finally gritted his teeth and said, "Okay, I'll tell you, I hope you can let me go..."

Nie Cheng was about to speak, but heard the side An old voice came: "You know it's just a fur, how dare you call yourself a secret?"

Kai and Nie Cheng were startled at the same time, and hurriedly turned to look!

It was discovered that at some point, behind them, a hunchbacked old man appeared!

Kai was startled, and asked the old man, "Who are you? How did you get in?" You

must know that the Dragon Gate is now heavily guarded, so how could strangers be able to enter casually.

Moreover, this person is already very close to Kai at this time, and Kai has not discovered it yet, which shows how strong the opponent is!

"It doesn't matter how I got in, the important thing is that the dignified black silver robe is so afraid of death, it's really embarrassing for the Martial Arts Alliance." The

hunchbacked old man sighed and shook his head.

"Are you from the Martial Arts Alliance?" Kai frowned.

And that Nie Cheng was so frightened that his face was extremely ugly. He didn't know the hunchbacked old man, because when they were in the meeting, they were all dressed in black robes, and no one knew the identity of the other party.

Chapter 1762 What a pity

Now that the Martial Arts Alliance has sent people, Nie Cheng's heart is terrified!

"Senior, save me, save me, I was just an expedient measure, and I didn't reveal any secrets of the Martial Arts Alliance."

Nie Cheng shouted for help to the hunchbacked old man!

"It seems that under the black gold robe, it's all rubbish, that's right..." The

hunchbacked old man snorted coldly!

Immediately after a ray of light shot out from his eyes, Kai wanted to shoot, but found that it was too late!

I saw that ray of light entered Nie Cheng's mind instantly, and then Nie Cheng's head exploded instantly, and he died as soon as he saw it.

Kai looked at Nie Cheng who had died tragically in front of him, and his aura began to increase rapidly!

He knew that the strength of this old man was too strong, and he was not an opponent at all!

A ray of divine consciousness emanated, and Kai urgently began to summon the Gorefiend!

"Just because of you, you are not qualified to fight with us at all. If you can submit to us, we can consider letting go of your girlfriend."

"And the resources in our hands can also allow you to quickly improve your cultivation, otherwise it's a pity that you are a golden dragon." The

old man looked at Kai with a sneer.

"If you are sincere, let go of my girlfriend first. I am considering whether to join you."

Kai was deliberately delaying the time to let the Gorefiend come.

"Hahaha, do you think of me as a fool?" The old man laughed loudly: "Don't worry, I will give you time, but I want to see who the masters are around you." The

old man's words, let Kai was surprised, so he asked, "Could it be that the formation in the dungeon is the one you arranged?"

Because only the person who arranged the formation can feel the fluctuation of the formation and know that there are masters around Kai. Formation!

"You look at me too highly. That formation is not something I can arrange. I also advise you not to waste your efforts. No one can break that formation."

"It's impossible for your girlfriend to be rescued by you. You can only let her out when her value disappears."

"But the flesh of the fire spirit body, plus the blood that is comparable to spirit medicine, you It's almost impossible to get your girlfriend out of the dungeon." The

hunchbacked old man sneered.

Seeing Su Yuqi, Kai's body rose with anger, golden light suddenly appeared, and the undamaged golden body began to cover Kai's whole body!

At the same time, the Gorefiend has also arrived behind Kai, waiting for Kai's order with a blank expression!

Seeing the Gorefiend appearing behind Kai, the eyes of the hunchbacked old man instantly flashed with rays of light!

"I thought it was an old thing that was resurrected, it turned out to be the Gorefiend..." The

hunchbacked old man saw the Gorefiend and sneered instantly: "But you are relying on this old thing, do you still expect the world to be invincible?"

Kai saw this The old man was so surprised that he saw the blood demon at a glance, and his eyes were about to pop out.

To know that this Gorefiend has been dead for thousands of years, how could anyone still know it?

Could it be that the old man in front of him is also a monster who has lived for thousands of years?

Seeing Kai's surprised expression, the hunchbacked old man said: "If this Gorefiend was still alive, I might not be able to escape his palm, but now he is just a flesh, you have trained it into a puppet corpse, and with you At the current level, even if you can refine a blood demon into a puppet corpse, the control ability will never exceed seven days."

"I really thought you had some masters around you, but you expected a dead man to show off his power..." The

hunchbacked old man was disdainful, let Kai's face became extremely ugly!

He really didn't understand, who the old man in front of him was, and how did he know so much?

"Even if it's a dead person, it's easy to kill you now."

Kai urged the Gorefiend to attack the hunchbacked old man.

The hunchbacked old man snorted coldly, and then began to sing something in his mouth, and ripples of breath began to flash above his hands.

The hunchbacked old man chanted faster and faster, and the quaint and mysterious atmosphere began to erupt!

Then a light instantly penetrated into the Gorefiend's head!

But the gorefiend who started the action suddenly stopped, and Kai felt it instantly. He was connected with the gorefiend's consciousness and was cut off by something!

This time, Kai's face changed greatly, and he looked at the hunchbacked old man in disbelief.

He couldn't figure out what method the old man used to cut off the connection between him and the Gorefiend.

The hunchbacked old man looked at Kai with a sneer: "It's just a puppet corpse. As long as you lose the control of your consciousness, this is just a dead corpse. Do you really think he can help you solve our martial arts alliance?" The

hunchbacked old man's eyes Wei Ning, obsidian-like eyes, exudes a cold and fierce light, giving people an infinite sense of oppression.

Kai's brows were wrinkled, his consciousness was constantly impacting, and he wanted to regain control of the Gorefiend's body!

The consciousness of the hunchbacked old man wanders in the body of the Gorefiend, controlling the actions of the Gorefiend!

"This corpse is comparable to the power. I didn't expect you to be able to make a puppet corpse, but your consciousness is too weak..." The

hunchbacked old man sneered, and controlled the blood demon to go to Kai!

Kai closed his eyes slightly, and the golden power of consciousness rushed out in his mind, directly wrapping the Gorefiend!

He didn't believe that his divine consciousness could not enter the Gorefiend's body!

Seeing that the Gorefiend was in front of Kai, suddenly a golden light burst out from the center of the Gorefiend's eyebrows, and then Kai's consciousness instantly connected with the golden light!

It turned out that when the puppet corpse was being refined, Kai's blood essence left in the Gorefiend was exerted.

When Kai's consciousness entered the Gorefiend, he immediately followed the hunchbacked old man and began to fight for the control of the Gorefiend!

The consciousness of the two people began to compete with each other in the Gorefiend.

The sneer on the face of the hunchbacked old man, in his eyes, Kai is nothing but an ant!

The battle of the two people's consciousness is getting more and more fierce. If it wasn't for the strong body of the Gorefiend, it would have been completely torn apart by now!

With the battle of the two gods, the hunchbacked old man's face became solemn!

He didn't expect Kai's power of consciousness to be so powerful!

I saw Kai's power of consciousness pouring into the Gorefiend's body crazily. These powers of consciousness turned into sharp swords, constantly attacking the consciousness of the hunchbacked old man.

The consciousness of the hunchbacked old man has begun to retreat, and the blood of Kai is in the blood demon. Kai is now a double attack!

Soon, the consciousness of the hunchbacked old man was instantly shattered, and the control of the Gorefiend returned to Kai's hands.

The hunchbacked old man's face became very ugly, and he looked at Kai in disbelief.

And Kai is not much better at the moment. The battle for consciousness just now took Kai's energy that he understands well, and now Kai feels a little dazed.

However, Kai didn't dare to rest. After he got control of Gorefiend, he immediately ordered Gorefiend to do it.

The Gorefiend slammed a punch at the hunchbacked old man.

The hunchbacked old man snorted coldly, and then the breath on his body continued to rise, then raised his hand and slapped it out, trying to block the attack of the Gorefiend.

Chapter 1764

Boom...

Just this random punch from the Gorefiend, the moment the two of them touched, the hunchbacked old man's face became extremely ugly!

Because he found that the Gorefiend's seemingly random punch contained a very terrifying and huge power, and it was too late to react, and the hunchbacked old man was instantly knocked out.

The hunchbacked old man got up and said with an ugly face: "This old thing, thousands of years old, has such a powerful power in a fleshy body?" The

hunchbacked old man underestimated the power of the Gorefiend. , not just a corpse.

The Gorefiend's body still retains a trace of breath, and it has absorbed the energy of the people on Penglai Island for so many years. If Kai hadn't appeared, the Gorefiend would have been completely resurrected.

Therefore, the hunchbacked old man only regarded the Gorefiend as a corpse, which was a big mistake!

Kai was overjoyed when he saw that the hunchbacked old man was not a Gorefiend opponent, and immediately controlled the Gorefiend to attack the hunchbacked old man again.

The hunchbacked old man's expression changed, his palms swung, and then he swung towards the mid-air. In an instant, the sky became dark, and rolling black clouds began to densely cover.

Immediately afterwards, the black clouds turned into a huge fist and smashed into the Gorefiend in an instant!

Kai's face became very dignified when he looked at the technique performed by the hunchbacked old man!

This terrifying technique shows how powerful this old man is!

At this moment, Kai really felt the power behind the Martial Arts Alliance!

The Gorefiend looked up at the giant fist that was slammed down in midair, and smashed it straight up!

The Gorefiend's body seemed so small under that giant fist, but this one punched out!

A hurricane soared, instantly shattering the giant fist!

The figure of the hunchbacked old man suddenly stepped back, and a trace of blood flowed out from the corner of his mouth!

"How can this happen? This old thing is just a puppet corpse, how can it emit such a powerful force?"

The hunchbacked old man has all kinds of puzzles!

After the Gorefiend smashed the giant fist, he stepped towards the hunchbacked old man, and when the hunchbacked old man saw this, his hands suddenly plunged into the ground, and the spells from his mouth began to drift in the sky!

Rumbling...

After a loud noise, the entire earth began to tremble, and then left a gap nearly one meter wide. Under the bottomless gap, only a roar was heard.

"Come out, hell dog..."

Accompanied by the constant shouting of the hunchbacked old man, in the depths of the bottomless gap, a black wolf dog suddenly rushed out.

The wolf dog that came out looked very gentle, and couldn't think of it at all with the abyss of hell!

Kai frowned slightly as he looked at the wolf dog that suddenly sprang from the ground!

He couldn't believe it, was there really hell in this underground?

And this hunchbacked old man was able to connect this ordinary world with hell and release the vicious dog inside?

Just when Kai was puzzled, he saw the wolf dog meekly ran to the hunchbacked old man, the hunchbacked old man cut his fingers, and blood gushed out instantly!

Then the wolf dog began to lick the blood of the hunchbacked old man, and the blood of the hunchbacked old man entered the wolf dog's body!

The aura on the wolf dog began to change, the body size was also getting bigger, and the eyes were extremely scarlet!

The terrifying aura of the wolf dog began to spread!

Kai looked at the wolf dog whose body was constantly changing, and his eyes were bright!

Chapter 1765

Obviously, the strength of this old man exceeds Kai by a lot. If Kai can absorb his strength, the gains will be huge.

At this moment, the wolf dog, who had sucked the blood of the old man, set his eyes on the Gorefiend.

The aura on the wolf dog was full of bloody aura!

"This god dog, kept in hell, absorbs yin energy all the year round, and devours souls. Now this god dog is sucking my blood, and now it has become invincible..." The

eyes of the hunchback old man flickered, obviously The appearance of this wolf dog gave him a lot of confidence!

"Hmph, do you really take me for a fool? If you can open the gates of the world and hell, how can you not even beat a Gorefiend's corpse, it's just a trick for you."

"What are you raising in hell? , and devoured the soul. I think you were raised in the secret realm of space. Are you releasing it now to scare people? It happened to kill you, the rotten dog, for meat, and that beast pill also happened to help me cultivate..."

Kai snorted coldly.

The hunchbacked old man's face turned cold, obviously this was what Kai said!

In fact, Kai is just guessing. The person who can really open the gates of hell can't possibly have this ability.

"Do it..." The

hunchbacked old man knew that Kai could not be swayed, and immediately let the vicious dog attack the blood demon.

The vicious dog bared his fangs, his eyes were fierce, and every time he breathed, he could set off a gust of wind!

But no matter how vicious the vicious dog showed, the Gorefiend showed no expression at all, because the Gorefiend was just a corpse, and it was useless to intimidate the vicious dog.

Seeing that the Gorefiend could not be frightened, the evil dog could only open the bloodbath and bite directly at the Gorefiend.

The Gorefiend did not dodge or dodge, and was directly bitten on the arm by the vicious dog!

But how could the powerful body of the Gorefiend be injured by a vicious dog.

I saw the vicious dog bite down suddenly, and there was not a trace of scars on the Gorefiend's body, but the vicious dog's teeth broke in an instant, and the pained vicious dog had to let go of his mouth.

At the moment when he let go of his mouth, the Gorefiend slapped out a palm, and saw that the huge body of the vicious dog was knocked into the air.

But soon, the vicious dog became afraid again, and I have to say that the body of this vicious dog is also very powerful!

Under the same strength, the physical body of the monster is much stronger.

Moreover, this vicious dog was not afraid at all, roaring and rushing towards the Gorefiend again, at an extremely fast speed, and bursts of black mist continued to emerge from its body!

Accompanied by the black mist, the sides of the vicious dog's head began to change, and then two huge heads grew.

"Three-headed monster?"

Kai was a little surprised when he saw this!

One body, three heads, each with a big mouth!

Just when Kai was surprised, he suddenly felt a strong wind blow.

Just as Kai reacted, the hunchbacked old man had already arrived in front of Kai, and then the dry palm instantly grabbed towards Kai!

It seemed that he wanted to capture Kai, or control Kai. As long as he controlled Kai, the Gorefiend would not be the slightest threat.

Kai was startled, and hurriedly punched the hunchbacked old man.

Bang...

Kai's body was directly knocked into the air and fell heavily to the ground!

And the figure of the hunchbacked old man was just a meal, and then he grabbed Kai again!

Kai knew that he was not the opponent of the old man at all, so he took out the vajra pestle directly, and injected the power of a divine dragon into the vajra pestle.

The power of this vajra in Kai's hands is much greater than that in Nie Cheng's hands.

The sacred weapon is also divided into who uses it. The stronger the user's strength, the greater the power of the sacred weapon. In the hands of the sacred weapon, the sacred weapon can exert its full power.

Chapter 1766

If only a Martial Sect uses the weapon holy weapon, that power will not be exerted at all.

The hunchbacked old man felt the power of the huge Martial Saint, and his body was obviously stunned, and the speed slowed down a lot!

But in the end, the hunchbacked old man gritted his teeth and still grabbed Kai.

With a wave of the vajra pestle in Kai's hand, a force of Martial Saint went directly towards the hunchbacked old man!

Boom...

The body of the hunchbacked old man slammed into each other with the power of the Martial Saint, and then flew out.

Seeing that the hunchbacked old man could not withstand the attack of the power of the Martial Saint at all, Kai was overjoyed, and the power of the dragon was injected into the vajra again.

The vajra flickered with a faint light, and the breath of the power of the Martial Saint continued to spread!

The hunchbacked old man's face became a little ugly, he slowly got up and looked at Kai, but he didn't do anything!

"Damn, you old man, continue to do it?"

Kai sneered when he saw that the hunchbacked old man was afraid.

The hunchbacked old man's face was very ugly, despite Kai's humiliation, he did not do anything!

And Kai didn't know yet that the vajra in his hand, under the blessing of his divine dragon's power, had begun to crack!

Originally, the vajra would not last long, but Nie Cheng activated the vajra and fought with the Gorefiend.

Now that Kai is using the vajra again, it is clear that this has reached the limit of the vajra.

It could be broken at any time!

"Roar..."

Just when Kai confronted the hunchbacked old man, he suddenly roared, causing the two to look at them all.

I saw the three vicious dogs, there were still two heads left at this moment, and the Gorefiend was waving his iron fist, smashing towards the vicious dog's head.

With this punch, the entire space began to tremble, and the head of the vicious dog was smashed and flew out!

The two extra heads of the vicious dog were all smashed by the Gorefiend at this time!

When the hunchbacked old man saw this, his face instantly became extremely ugly, and there was no time to feel any sadness.

Kai knew that this guy was seeing something bad and wanted to use space magic to escape!

"It's not that easy to leave..."

Kai urged the vajra and smashed it directly at the hunchbacked old man.

But just as Kai exerted force, the vajra in his hand cracked instantly and turned into pieces!

At this moment of delay, the body of the hunchbacked old man slowly disappeared!

"Kai, when the time for your puppet corpse is up, I'll kill you again..."

The voice of the hunchbacked old man echoed in Kai's ears!

Kai snorted coldly: "It should be me who took your dog's life..."

But the hunchbacked old man had already left, so he couldn't hear it at all.

Kai looked at the vicious dog again, and at this moment, it had been smashed into flesh by the Gorefiend!

"Stop..."

Kai hurriedly stopped the Gorefiend, if he continued like this, he might even destroy the beast pill!

The Gorefiend stopped, and Kai hurried forward to find the beast pill from the pile of meat.

Feeling the coldness in the beast pill, Kai did not expect that this vicious dog was indeed nourished by yin qi.

Fortunately, Kai's Concentrating Heart Technique is the same as refining Yin Qi, otherwise this beast pill would be wasted.

Putting away the beast pill, Kai sent someone to the martial arts field to inform everyone that the public beheading of Nie Cheng was cancelled, and Nie Cheng had already been killed.

Nie Cheng's head was gone, and Kai couldn't kill Nie Cheng again in public!

After everyone got the news, there was a lot of discussion. This incident did affect Kai a little in the eyes of everyone, but Kai didn't care. The most important thing for him now is to rescue Su Yuqi.

Because those are all fake, even if Kai can open the cell and rescue Su Yuqi, once he is out of the control of the dungeon formation, the Su Yuqi that Kai saw will disappear in an instant!

The real Su Yuqi was imprisoned in this secret realm, which is why the great master said that the Martial Arts Alliance was a bait, even if it was destroyed, the great master would not feel bad!

Being able to open up a secret realm and even map the entire dungeon to the mundane world, this kind of generous approach shows how powerful the strength behind the Martial Arts Alliance is!

But at this time, Kai didn't know it, and was still working hard to save Su Yuqi!

After the hunchbacked old man entered the secret realm, a black-and-silver robe quickly stepped forward and said, "Evil Envoy, the great power has an order, I need you to open the secret realm and restore the martial arts alliance..." The

"Kai, I will kill you sooner or later and get your body..." The

hunchbacked old man's eyes flickered with cold light...

.....

Penglai Island.

Hu Mazi's injury has been healed long ago, and now he is hugging from left to right, living very casually!

Du Nan offered Hu Mazi as a grandfather.

In particular, Flax's requirements for women are extremely satisfied!

This made Hu Mazi feel that in Penglai Island, it was much better than when he was in the Shen family. At this moment, he had already forgotten the two beauties of the Shen family.

"Master Hu is really elegant. I'm still worried about your body. It seems that I'm worried for no reason..."

Kai walked into the hall and looked at Hu Mazi with a comfortable face.

Seeing Kai coming, Hu Mazi stood up, clutched his chest and said, "I'm still short of breath now. In order to save you, I almost died..."

Kai saw that Hu Mazi was pretending, but he didn't expose it and smiled. Said : "Get ready, follow me to Baihai City..."

"What are you going to do?"

Hu Mazi was taken aback.

"Didn't you keep making trouble and go back to the Shen family? There is someone waiting for you in the Shen family..."

Kai laughed.

"Don't go, don't go, I'm still injured now, I'm not suitable for fatigue, it's good to recuperate here."

Hu Mazi waved his hands again and again, and then sat back!

"Master Hu, do you like the new and hate the old?" Kai asked.

"No way, I'm very single-minded, I'm just not allowed to go back now..."

Hu Mazi shook his head.

"Hey, I originally wanted to ask you to go to Tianfuzong to excavate the ruins. Now if you don't go, then I will go by myself."

Kai sighed, then turned around and left!

Chapter 1768

Hu Mazi stood up and stopped Kai: "With your strength, you are not afraid of death in the ruins of Fuzong?"

"What are you afraid of, don't forget that there is a perverted body like the Gorefiend, this is a good shield, what hidden weapon can hurt us?"

Kai patted the Gorefiend on the shoulder and said to Hu Mazi.

Hu Mazi slapped his forehead: "Yes, how did I forget this guy..."

"Wait for me to clean up, we'll leave right away..."

In front of the woman and the ruins of Tianfuzong, Hu Mazi had to choose the ruins of course!

But just as Kai took Hu Mazi and others out of the hall, he saw a woman walking towards him with a group of people!

The woman's long white legs made Hu Mazi's eyes look straight in an instant!

Kai frowned, because this woman was the one who failed to snatch the Gorefiend's body and escaped some time ago!

This woman almost beat Hu Mazi to death, but looking at Hu Mazi's expression at this time, she doesn't seem to be angry!

A pair of eyes squinted at the woman's legs!

"Are you here for revenge?"

Kai stepped forward and asked the woman.

With the Gorefiend, Kai was not afraid of these people at all.

The woman had a faint smile on her face: "Don't be nervous, I'm not here to take revenge, I'm here to talk to you about something."

"What to talk to me about?"

Kai looked puzzled. He didn't understand what this woman was talking to him about?

Besides, I followed that Demon Sect, and I didn't have any intersection!

The woman glanced at the crowd, and then said: "There are too many people here, are you going to talk here?"

Kai looked at it, and then said, "Come with me..."

Kai took the woman into a room, Hu Mazi followed, and it was not until Kai closed the door that Hu Mazi responded.

"Damn, it's so long, so white..."

Hu Mazi muttered!

After entering the room, Kai said with a cold face: "If you have anything, just say it quickly, I don't have much time to chat with you..." The

woman was not angry, but still had a faint smile on her face: "My name is Zhou Jie, was entrusted by my suzerain to discuss cooperation with Mr. Chen."

"Cooperation?" Kai looked at Zhou Jie up and down: "What cooperation are we talking about? What else do we need to cooperate with?"

"We know some things . Mr. Chen doesn't know the secret, and he also knows that Mr. Chen is troubled by his girlfriend recently, our Demon Sect can help Mr. Chen solve all this..."

Zhou Jie said lightly.

"You investigate me?" Kai frowned slightly, obviously this Demon Sect investigated himself.

"Of course, if you haven't investigated Mr. Chen, what kind of cooperation is there!"

Zhou Jie admitted directly.

"You have investigated me, but I don't know your Demon Sect at all. Isn't this kind of cooperation a bit unfair?"

Kai asked.

"If Mr. Chen is willing to cooperate, I can definitely take you to our sect to see. We are sincere about the cooperation with Mr. Chen, so we have no reservations. You can rest assured."

Zhou Jie said frankly. said.

"What benefits do you want to get from cooperating with me? Could it be that you want to get the body of the Gorefiend?"

Kai looked curious!

It is impossible for this Demon Sect to be generous, and to cooperate with itself, without any benefits.

Zhou Jie nodded: "Yes, we only hope to get the body of the Gorefiend. If Mr. Chen doesn't like to hear it, the fleshly body of the Gorefiend is in Mr. Chen's hands, it's a waste..."

"Although you have tried to refine the blood demon body into a puppet corpse, it will not take too long. In this way, the blood demon body will be wasted in vain, but if it is in the hands of our Demon Spirit Sect, we have a way. Let the blood demon come alive."

"But Mr. Chen, don't worry, when the time comes, our Demon Sect will be Mr. Chen's strong backing, what the Kyoto Martial Arts Alliance, you can destroy him at any time..."

Kai stared at Zhou Jie, only to see that Zhou Jie's eyes were sincere and did not lie.

"You said just now that you can rescue my girlfriend, and there is a secret that I don't know. What is the secret?"

Kai asked.

"Mr. Chen, I'm sorry I can't tell you right now, this secret can only be told to you if we both reach a cooperation..."

Zhou Jie shook his head!

"You talk for a long time, it's all nonsense, how can you convince me that your Demon Sect is powerful?"

Kai saw that Zhou Jie didn't tell any secrets, so he said aggressively.

Zhou Jie smiled, not angry, and exposed Kai's aggressive tactics: "Mr. Chen is using aggressive tactics against me, you don't have to, in order to express our sincerity, I will still have a secret to tell you. "

You are trying so hard to save your girlfriend now. In fact, what you see is just a map. Even if you try to open the door, your girlfriend will not be able to leave the dungeon!"

"As long as she leaves the law Her body will dissipate in an instant, her body is not in the dungeon..."

Zhou Jie's words instantly stunned Kai.

"Impossible, absolutely impossible, I've seen Yuqi several times, the breath on her body, everything is real, how could it be a reflection?"

"You don't have to think of me as a fool, I trust my intuition. , it can't be fake at all..."

"If it's fake, why don't Yuqi ask me to tell me? It can't be fake."

Kai shook his head, not believing it at all.

Zhou Jie smiled coldly: "I have already said what I should say, whether you believe it or not is up to you. As for the cooperation with our Demon Spirit Sect, I hope Mr. Chen will think about it..."

After speaking, Zhou Jie turned and left. After entering the room, as soon as I opened the door, I saw Hu Mazi outside the door, and the two of them collided!

Seeing Zhou Jie coming out, Hu Mazi quickly looked towards Zhou Jie's thigh, and breathed in the fragrance of Zhou Jie's body desperately!

Seeing Hu Mazi's wretched appearance, Zhou Jie rolled her eyes. If she hadn't come to discuss cooperation with Kai, she would have really beaten Hu Mazi!

However, the last time Hu Mazi was able to escape from death, Zhou Jie was a little surprised. He felt that Hu Mazi was not only lustful, but also powerful!

Zhou Jie took the people away, and Kai also walked out of the room!

Hu Mazi hurriedly smelled Kai's body!

Kai said in surprise: "Master Hu, what are you doing?"

"I heard what you guys are doing inside? That's my woman, don't mess around..."

Hu Mazi confronted Kai . Ping warned.

When Kai heard this, he couldn't help laughing and crying: "Your woman, almost killed you..."

"Then don't worry about it, I'm happy, peony flowers are also romantic..." Hu Mazi shook his head and said, "That's right. , what did the little girls say to you?"

Kai didn't hide it, and said directly: "She wants to cooperate with me..."

"Cooperation?" Hu Mazi was taken aback: "Do you agree? If we cooperate, then we She's her own, right?"

Kai nodded: "Yes, if you cooperate, you'll be your own, and you can see her often..."

"Really?" Hu Mazi's eyes lit up: "Promise. She, promise her quickly and cooperate with her..."

Hu Mazi grabbed Kai's shoulder and shook it vigorously, looking very excited!

Seeing Hu Mazi's excited look, Kai asked with a puzzled face: "Master Hu, what do you like about that woman?"

Kai was speechless for a while, and could only say: "Let's go to the ruins of Tianfuzong first, and then we'll talk about it in two days..."

Chapter 1770

The group rushed to the ruins of Tianfuzong, and on the way Kai kept thinking about Zhou Jie's words!

If there is a chance, Kai decides to enter the dungeon of the Martial Arts Alliance once to see if Su Yuqi is just the person who was mapped out as Zhou Jie said!

When Kai and the others arrived at the ruins of Tianfuzong, a few of them were quite familiar.

It was very smooth along the way to enter the position of the door!

Looking at the gate of Tianfuzong Ruins, Kai and Hu Mazi did not dare to act rashly!

Kai glanced at Fan Jiang, and Fan Jiang waved his hands again and again: "Mr. Chen, I can't open this door with my strength..." In the

end, Kai could only let the Gorefiend step forward and open the door!

Boom...

The Gorefiend didn't have any thoughts, he stepped forward and slammed the gate of Fuzong that day with a punch!

This punch directly caused a sensation, and the space of the entire ruins began to fluctuate and become distorted!

Kai was stunned. He didn't understand how the Gorefiend punched the door, how could it still cause fluctuations in space?

"Bold madman, trespassing in Tianfuzong, the crime is unforgivable..." A

faint voice came from the ruins of Tianfuzong!

Accompanied by the sound, one after another killing aura came, which was extremely terrifying!

Kai and the others felt the murderous aura, and their expressions all changed greatly, and they hid behind the Gorefiend!

Fan Jiang also hid behind the Gorefiend, and several people used the Gorefiend's body as a shield!

Ding ding dang dang dang

The killing energy hit the Gorefiend without leaving any scars at all!

Immediately afterwards, the Gorefiend was punched out again, and the gate of Fuzong fell down that day!

As the gate of Tianfuzong fell, a figure appeared in the void, and I saw an old man with Tongyan Hefa, wearing some white clothes, floating in the air!

Seeing this, Hu Mazi hurriedly knelt down to the ground: "Disciple Hu Mazi, see the patriarch..."

It's just that the old man didn't seem to look at Hu Mazi, but at the Gorefiend's body: "I didn't expect thousands of years. , This old devil's body is not rotten, and he was made into a puppet corpse by your little dolls..."

Kai saw this, and quickly said loudly: "Senior, I don't want to offend, it's just that the magic of Tianfuzong is invincible in the world. , If this is lost, it will be a pity for the whole world of immortal cultivation, so I came here after waiting, hoping to carry forward the spells of Tianfuzong..."

Kai was a rainbow fart at the old man, and the old man Shoot smugly!

"You little baby can talk, but my Tianfuzong talisman technique is not rumored to be rumored. You are not my disciple, so how can you promote my Tianfuzong's talisman technique?" The

old man asked Kai.

This made Kai bewildered, but Kai pointed at Hu Mazi and said, "This Master Hu is from your school, you can pass on the spell to him..."

Hu Mazi was very excited when he heard this, and he was very early in his heart. I would like to thank all the eight generations of Kai's ancestors!

He didn't expect that Kai would push himself out at this time and let himself be inherited!

Hu Mazi was trembling all over!

"Hmph, as a talisman master, with a brain full of women, how can I develop my sect's talisman technique?" The

old man snorted coldly.

Kai couldn't help laughing out loud, while Hu Mazi was full of frustration!

Then the old man looked at Kai and said, "Are you willing to worship me now and become a member of my Tianfu Sect?"

Kai was slightly stunned, a little embarrassed!

The old man was obviously already dead, and the remaining ray of spirituality is here.

How could he worship a spiritual sense as a teacher?

Seeing Kai's hesitation, the old man said with a displeased expression: "If you don't want to, then go back, and I will not pursue the matter of destroying my sect..."

"Senior, I am willing..."

Kai was helpless and could only agree.

A man like none other and the man decree (chinese) Chapter 1771-1772

Chapter 1771

Hu Mazi looked at Kai and was speechless for a while, if Kai really worshipped the old man in front of him as his teacher, wouldn't he be his own ancestor...

"Okay, if you want to, then step into the sect, and others won't wait to break in. Enter..."
After the

old man finished speaking, his figure disappeared from the air!

Kai looked at the dark appearance in the sect, and said to Hu Mazi: "Master Hu, wait here, I will go in and see..."

"Kai, you have to be careful!"

Hu Mazi urged.

Kai nodded, and then stepped into the sect!

After Kai stepped into the sect, the space behind him fluctuated, and then the entire figure disappeared!

And after Kai stepped in, the dark scene in front of him disappeared, followed by a towering palace, and a peaceful and busy scene!

I saw that everyone here is dressed as a talisman, and the spells in the sky are flying at will, but these people seem to be unable to see Kai at all!

"Could this be the prosperous period of Tianfuzong?"

Kai couldn't help muttering to himself!

Just when Kai was stunned, the old man suddenly appeared in front of Kai and said to Kai, "Follow me..."

Then he stopped in front of a statue, and then the old man said something, and the statue flashed three times.

At this time, the old man looked at Kai and said: "To enter my Tianfu Zong, you need to have no distractions, a good heart and a firm heart. Now I want to enter your body, you have to relax yourself and let go of all your spiritual consciousness!"

Kai There is no ink, slightly closed eyes, all consciousness is open, waiting for the old man to check!

Soon, the old man turned into a light and entered Kai's body instantly!

The old man had just entered Kai's body, and the spiritual sense kept wandering, but when it came to Kai's mind, a burst of golden light suddenly shone, and then a golden dragon circled up in an instant, opening its bloody mouth toward the old man!

Jinlong's eyes are like lanterns, his eyes are full of arrogance, and he looks down at the old man condescendingly!

The old man's face changed greatly, his spiritual sense kept retreating, and he hurriedly exited Kai's body!

Kai opened his eyes and found that the old man was already sweating profusely at this time, and his eyes were full of fear!

"Senior, can you finish the inspection?"

Kai asked.

The old man didn't say a word, and it took a long time for him to recover.

"You are the real body of the Golden Dragon, the son of the Tianlong, I took the liberty, please forgive me..." The

old man said, and actually knelt down for Kai!

Kai looked surprised and hurriedly helped the old man up.

"Senior, many people say this about me, can you tell me who my father is? Is it a dragon?"

Kai asked immediately when the old man said he was the son of a dragon.

Seeing Kai asking, the old man asked curiously, "You don't know who your father is?"

Kai shook his head: "I haven't seen my biological parents since I was born..." The

old man was silent for a moment after hearing this: "This may be God's will, the spiritual energy will recover, and the catastrophe of the heavens will appear again. Maybe you are the one who stirred this catastrophe!"

"It is our Tianfuzong's talisman to teach you, it is also our Tianfuzong's honor... .."

Kai became even more puzzled after hearing the old man's words, he wanted to continue to ask, but the old man smiled slightly, and his whole body radiated light!

Immediately afterwards, the old man's body slowly blurred and turned into runes, which quickly entered Kai's body!

Kai only felt a sharp pain in his brain, and then a series of spells began to flash!

Kai hurriedly sat cross-legged, digesting this huge talisman technique!

At this moment, Kai's aura is growing rapidly!

"Master Hu, will Mr. Chen be okay? Why haven't you come out for so long?"

Fan Jiang asked.

"It should be fine, we are waiting..."

Hu Mazi said.

The two continued to wait until the Gorefiend's body fell to the ground with a bang, and the two of them knew that they had been waiting here for several days.

This time, Hu Mazi was also a little anxious.

"This guy, the control time of the Gorefiend's body has come, why can't he see the shadow? It's a waste..."

Looking at the Gorefiend who fell to the ground, Hu Mazi sighed!

"How about we go in and look for it?"

Fan Jiang said.

"Who knows if there are hidden hidden weapons in it, just based on the ability of the two of us, we will die after entering..."

Hu Mazi knew that the hidden hidden weapons in Tianfu Zong would be even more powerful, and the two of them could not resist it at all!

In this way, the two waited for another day, and suddenly in the dark sect, a burst of golden light exploded, illuminating the entire ruins!

Only then did they see clearly that Kai was sitting cross-legged only a dozen meters away from them!

I saw that the golden light on Kai's body continued to flicker, like the sun, illuminating the entire ruins!

Kai suddenly opened his eyes, and a golden light shot out from his eyes!

The breath on the body exploded!

Kai clenched his fist and felt very comfortable throughout his body.

"This... Did I break through to the fifth-rank Great Marquis?"

Kai's eyes were full of surprises. He didn't expect to digest the spell technique, so that his strength directly jumped from the third-rank Great Marquis to the fifth-rank!

To know that this kind of leaping across the realm requires too much resources and energy.

The golden light on Kai slowly disappeared, and the entire Tianfuzong ruins returned to darkness!

At this time, Kai recited a few words and drew a picture in the air!

Immediately afterwards, a flame burned in the air, and the flames were burning brightly, re-illuminating the ruins of Tianfuzong!

Kai looked around, only to see rubble everywhere, and among these rubble, there were a lot of bones scattered!

These bones should all be disciples of Tianfuzong!

Looking at the tragic situation in front of him, Kai thought of the peaceful scene he had just seen.

It seems that the war between gods and demons thousands of years ago was really tragic...

"Kai, has the talisman technique of Tian Fuzong passed on to you?"

Hu Mazi hurriedly stepped forward and asked Kai.

Kai nodded.

Hu Mazi was very happy this time: "Remember, you have time to teach me..."

"Mr. Chen, since you can get the inheritance, let's go..."

Fan Jiang said. "Okay!" After Kai finished speaking, he found that there was no Gorefiend

, so he said in surprise: "Where is the Gorefiend?" "It's time to control the puppet corpse..." Fan Jiang said, pointing to the corpse of the Gorefiend lying on the ground. Seeing this, Kai had a look of annoyance on his face. He didn't expect that he had stayed for several days. Although the strength has improved a lot, it is completely impossible to control the Gorefiend! Kai was helpless and could only put the Gorefiend's body into the storage ring, and then glanced at the Tianfuzong ruins, a light blue flame appeared in the palm of his hand! With a wave of the palm, the flames are overwhelming, and the scattered bones on the ground are all burning in the fire!

Looking at the ruins of Tianfuzong turned into ashes, Kai walked out with Hu Mazi and the others!

Kai, who got the inheritance of the spell technique, immediately went to the dungeon to find a way to rescue Su Yuqi.

He wanted to verify whether what Zhou Jie said was true.

This time, Hu Mazi did not choose to stay in Baihai City. After all, the Tianfuzong ruins were gone, and Hu Mazi had no reason to stay.

Another point is that Hu Mazi wants to follow Kai and let Kai teach him spells.

Chapter 1773

Kyoto, the martial arts alliance!

Since the Martial Arts Alliance was destroyed, more glorious buildings have been erected again in just a few days!

And this time, there are seven black silver robes in the martial arts alliance, and each black silver robe is the strength of the late Dawuhou, and among these seven people, two of them hold the sacred weapon in their hands. It is said that in the Kyoto martial arts world, even the entire Daxia martial arts world is a top-level existence!

These seven black-silver robes are considered to be the best in the entire black-silver robe, and it won't take long before they can be promoted to black-gold robes!

This time they sit in the Martial Arts Alliance, which is also a test before promotion!

And when the master of the Martial Arts Alliance sat on the seat, the hunchbacked old man suddenly appeared on it!

"Master Demon Envoy..." The

seven black and silver robes shouted respectfully when they saw this.

"As long as the seven of you can catch Kai, you can be promoted to the black gold robe. Now that the sacred weapon in Kai's hand has been destroyed, it is estimated that the puppet corpse has also lost control, so the seven of you join forces to catch him. It's not difficult!"

"But don't take it lightly, the most important thing is not to destroy his physical body, his physical body is still useful!" The

hunchbacked old man said to the seven people.

"As ordered..." The

seven nodded.

The hunchbacked old man walked quickly to a secret room, opened a mysterious window in the secret room, and it was pitch-dark inside!

The hunchbacked old man recited a few formulas, and the secret room suddenly lit up.

I saw a pool of dark liquid in the secret room, and it was very disgusting to look at!

But at this time, in that pool, Ning Zhi was naked, soaking in it!

"This kid's body is really good, it seems that the time has come..."

The hunchbacked old man glanced at his body in disgust, then opened the door and walked in!

I saw the hunchbacked old man wave his palm, and a black mist emerged from Ning Zhi's body, and then turned into a human shape!

This is the soul in Ning Zhi's body, which has been coexisting with Ning Zhi.

"Master Demon Envoy..."

The soul hurriedly saluted when it saw the hunchbacked old man!

"This kid's body is really strong. It can be soaked in this black magic pool for such a long time. Such a good body has been ruined by you..." The

hunchbacked old man said coldly to the soul.

When the spirit heard it, he immediately trembled with fright: “Master Demon, the villain is just a body he found casually, and I didn’t choose it at the time...”

“Whether you chose it or not, now I want this body...”

Speaking of the hunchbacked old man, he opened his mouth and saw that the soul struggled twice and was swallowed into the stomach in an instant!

Immediately afterwards, a black mist emerged from the hunchbacked old man, and then entered Ning Zhi’s body!

And the hunchbacked old man lost consciousness instantly and fell to the ground, and then fell into the dark pool!

That fleshy body was corrupted in an instant, turned into white bones, and disappeared completely in the end!

At this moment, Ning Zhi suddenly opened his eyes, with a terrifying light in his eyes!

“Haha, this body is really good...” The

demon’s soul couldn’t help laughing when he looked at the strong body.

“Who are you?”

At this time, Ning Zhi also felt the difference, because he found that the soul aura in his body had obviously changed!

Moreover, the energy in his body became extremely turbulent, and his strength was obviously much higher.

“Boy, you should be glad that I took a fancy to your body. I am a magic envoy, and I lead all of you in black, understand?”

Soul said in a proud tone.

Ning Zhi was stunned for a moment, and then an incredible expression appeared on his face.

Chapter 1774 Shield _

"Demon... Lord Demon Envoy?"

Ning Zhi was only in a black copper robe at the time. At his level, he was not qualified to meet such a big man as a Demon Envoy.

Now I didn't expect the demon's soul to enter his body!

That is to say, he suddenly has the identity of a magician, and all the people in black robes have to listen to themselves.

"Boy, be obedient in the future, and I will make your strength stronger..."

Soul Spirit said lightly.

"Yes!"

Ning Zhi's eyes were full of light, and a sneer raised at the corner of his mouth: "Kai, you wait for me..."

"Yes, in three days, the buildings of the Martial Arts Alliance seem to have appeared out of thin air, and they are even more magnificent than before!"

"And this time, there are seven late-stage Great Martial Marquis people in the Martial Arts Alliance."

"Some Marquis Wu, Wuzong is even more numerous..."

"It is reasonable to say that you destroyed the Martial Arts Alliance last time and killed so many masters of the Martial Arts Alliance. How could there be so many of them all at once?"

"Is it really like that Fan ? Jiang said, what kind of secret realm are these people in?"

Long Wu is very surprised, because he has never understood any secret realm.

Kai is a little thoughtful, it seems that the martial arts alliance is really much stronger than he imagined, and it is not Do you know how many masters there are in the secret realm of the Martial Arts Alliance?

All that appear now are the Great Marquis, and as for the Martial Saint level, it is estimated that the hunchbacked old man may be, but Kai is not sure!

After all, the Gorefiend was there at the time, and two slaps slapped the hunchbacked old man away, so Kai didn't dare to be too sure about the hunchbacked old man's true strength!

Now that the sacred weapon is gone, and it's time to control the Gorefiend, Kai doesn't know if he is confident in the face of the seven masters of the later period of the Great Marquis!

Originally, Kai thought that the Martial Arts Alliance was destroyed, as long as he entered the dungeon, found a way to open the door of the cell, and rescued Su Yuqi!

But I didn't want the Martial Arts Alliance to recover in three days, and send so many masters again.

This time, Kai was very passive, and he was a little overwhelmed for a while!

Although the current Dragon Gate seems to be powerful, after all, it has just been established, and there are not many really powerful masters!

In the battle between the Marquis of Wu, it is estimated that only Ge Yuhan, Hu Mazi can help a little.

Others are not strong enough to follow the masters of the late Dawuhou!

"Mr. Chen, even in the face of seven late-stage Great Marquis masters, you may not have a chance to win. Have you forgotten that you still have something?"

At this moment, Fan Jiang walked in and said.

"What?" Kai asked in surprise.

"That Gorefiend!" Fan Jiang said.

"But that Gorefiend is no longer under my control, what else can I do?"

Kai said in frustration.

"Mr. Chen, although the Gorefiend is out of your control, it is not bad to use his body as a shield. You must know that the Gorefiend's body is extremely powerful, and there is no way to break through the sacred weapon. What is the name of the Great Marquis..."

Fan Jiang explained.

Kai's eyes lit up when he heard it: "Yeah, why did I forget this usage..."

Holding the Gorefiend body as a shield, if the Gorefiend was alive, he would probably be pissed off!

This time, Kai has some bottom line in his heart. When the time comes, he will ask Ge Yuhan and Hu Mazi to help, and it is not impossible to deal with the seven Great Marquis!

A man like none other and the man decree (chinese) Chapter 1775-1776

Chapter 1775 Next game of chess

Just as Kai was about to end the meeting and make preparations, someone immediately reported that it was Xing Jun from the law enforcement team!

Kai hurriedly asked someone to invite Xing Jun in!

Kai had not seen Xing Jun for some time.

I don't know what this guy is up to!

Xing Jun entered the door, and after seeing Kai, he was stunned for a moment, and then smiled: "Kai, your boy's strength has improved a lot?"

"I remember the first time I saw you, you were still being attacked. A child who is bullied at will, still has to rely on Long Wu to protect you..."

Kai asked Mr. Shi.

"I'll tell you if you beat me in one game..."

Mr. Shi said with a slight smile.

Kai took a deep breath, then nodded.

Kai worked hard to calm down his mood, put aside distracting thoughts, and began to play chess with Mr. Shi seriously.

But after playing several games in a row, Kai still couldn't beat Mr. Shi, and this time Kai became anxious again!

Looking at Kai's anxious appearance, Mr. Shi said, "The game of chess is like life. What we play is not chess, but life, and life is full of everything. You need to see the chess game clearly..."

"Ice Bear Island?" Kai was stunned: "This is not my big summer. The land boundary, right?"

Mr. Shi nodded: "Yes, this is the territory of the Bear Kingdom, but following the border with our country, there are also many Daxia people living there, and it is a place for trade!"

Kai looked at Mr. Shi with some puzzlement: "Why does Mr. Shi also know about foreign resources?"

"Hahaha, the Martial Arts Alliance can know so many resources, can't I know some of them as an official? There are many things in it, you don't have to know about it. "

As long as you remember, after you go out, you are completely up to you, and since the ruins are opened, it is estimated that many experts will go there."
