A man like none other and the man decree (chinese) Chapter 1701-1702

Chapter 1701

time flies!

Two days have passed in the blink of an eye, and tomorrow is the time for the Dragon Gate Ceremony!

The entire dragon family moved up and down!

But because Long Xingxu took care of it, Kai didn't have to worry about it!

In the past two days, I just took Ge Yuhan to get acquainted with the environment and the people around him.

And also let Ge Yuhan familiarize himself with his body more, so as not to reveal his stuff!

"Sister Ling'er, Brother Kai has been taking that woman around these two days, should I remind him that you are his girlfriend?"

Xiaoru saw that Kai was always taking Ge Yuhan around these two days, Some embarrassed and said to Gu Linger.

"He can take whomever he likes. Uncle Long said, don't put too much pressure on Kai. If you really like someone, the more you hold him, the more he wants to break free..."

Gu Linger thought about it, then looked at Xiaoru and asked, "Where is your family's Zhao Chuang? Didn't he come to see you today?"

"He's busy. Tomorrow, Brother Kai's Dragon Gate ceremony will be held. There are a lot of things to do!

"Erjie, if you are bored, let's go for a walk..."

Xiaoru said, afraid that Gu Linger would be bored alone.

"Okay!" Gu Ling'er nodded!

But just when Gu Linger and Xiaoru were about to go out for a walk, two girls who looked exactly the same and very enchantingly dressed came in!

"Where are you two going, take us with you..." The

two girls laughed.

"Sister Meier, Sister Xiaolan....."

Seeing this, Xiaoru hurried up to meet her!

Seeing this, Gu Linger also happily stepped forward and chatted with the two!

Wu Mei'er and Xiao Lan were sent away by Long Wu, and he let the two of them go to practice. The two of them were born with the magic of charm. If they can find someone to take them with them and practice, they will definitely make great achievements in the future!

So the two sisters were sent abroad to practice the spell of charm!

It's been a few months now!

"Why did you two come back suddenly?"

Gu Linger asked curiously.

"Kai wants to create a sect, how can our sisters be absent for such a big event..."

Xiao Lan said with a faint smile.

This smile is like the wind blowing on the face, the flowers are in full bloom, and even the woman's heart is shaken when she sees it!

It can be seen that Xiaolan's charm technique has improved a lot.

"Just right, the four of us go out for

a walk together..." Xiaoru said happily.

"What about Kai?" Wu Meier asked.

When Wu Meier asked, Gu Linger didn't say a word that was a little embarrassing, but Xiaoru pouted and said, "Brother Kai went shopping with a woman, I don't know where he brought the woman, and they are inseparable all day long. Yes ."

When Wu Mei'er and Xiao Lan heard this, they were immediately furious!

"Let's go, take us to him, I promise to make Kai obedient, he will listen to what we say."

Wu Meier said.

The four girls went to look for Kai. They were walking on the street. The four women attracted the attention of many people!

Especially Wu Mei'er and Xiao Lan, who smiled and gave birth, and many men fought because of the two of them!

Soon, the four of them found Kai's figure, and Ge Yuhan followed Kai!

It's just that Kai didn't find the four of them!

"I really didn't expect that thousands of years later, the world has become like this..."

Ge Yuhan looked around, acting very novel, but then he said, "It's just that the spiritual energy of this world is too thin, and there is no way to cultivate. Ah, let alone cultivation, I am afraid that I can exert two-thirds of the strength of this physical body."

"Don't you have any other way to return to your peak state?"

Kai asked.

From Kai's point of view, Ge Yuhan is a soul that has survived for thousands of years in his body at this time, the Holy Maiden of Guanghan Palace, is there no way?

Chapter 1702 Don't fight anymore

Ge Yuhan shook his head: "No, the spiritual energy of this world is thin, and it seems that there is a forbidden force between the heaven and the earth, which is hindering the growth of the cultivator's strength. What kind of forbidden force is it? It's hard to say, anyway, it feels like something is restricting."

"Forbidden power?" Kai was stunned, and then thought of the time on Penglai Island, the entire island was also set up with taboo power, so the island No matter how much people cultivate, it is impossible to achieve higher strength!

At this time, Kai had a bold idea in his mind.

"Could it be that someone has set a taboo force on the entire earth to control the development of immortal cultivators?"

Kai thought of this, and he felt ridiculous!

Who has the ability to set taboo power on the entire earth, it is simply impossible!

"Let's go, I'm showing you around..."

Kai sighed helplessly. He originally thought that Ge Yuhan had recovered and that he had a martial arts master by his side, so he was almost invincible.

But I don't want Ge Yuhan's strength to be limited, and now he can only exert the strength of the fifth-grade Dawuhou!

Just as Kai was hanging out with Ge Yuhan, two fragrances suddenly came and entered Kai's nose instantly!

Smelling the aroma, Kai only felt his head dizzy, followed by a surge of blood, and the whole body began to feel hot!

Kai hurriedly looked back and found that it was Gu Linger and the others.

And that Wu Meier and Xiaolan are among them!

Seeing these two people, Kai understood in an instant, and was about to speak when he saw Ge Yuhan's face change: "Bold demon girl, she dares to use charm in broad daylight..."

Ge Yuhan did not know Wu Meier and Xiaoxiao . Lan, seeing the two people using the charm technique on Kai, immediately became angry and attacked them!

Wu Meier and Xiaolan did not show weakness, and said to Ge Yuhan: "You little fox, seduce other people's boyfriends, you are the demon girl..."

Soon, the three of them started fighting in the street. Because they were in a busy city, none of the three dared to use their full strength!

Otherwise, the landslides and the ground will crack, and many people will be killed and injured, which is not allowed by the government.

Because of this, Ge Yuhan's strength was limited, and he fought with Wu Meier and Xiaolan, but it was hard to tell the winner!

A lot of people watching the lively around, gathered around one after another, pointing one by one.

Don't mention how embarrassing Kai is at this time!

"Okay, okay, don't fight anymore..."

"Stop fighting..."

Kai had no choice but to step forward and take a shot, separating several people!

"Okay, this is a misunderstanding, let's go back and talk about it..."

Kai couldn't help but said, and went back with a few people!

Although Kai took a few people back quickly, he was photographed by others and spread on the Internet!

At this moment, on the martial arts forum!

There were discussions about several women fighting for Kai.

This time, Kai was a little dumbfounded, but a few women were reasonable. After Kai explained it, they were reconciled!

At that time, Ge Yuhan also acted to protect Kai, and Wu Meier and Xiaolan didn't blame her either!

Kai looked helpless, sitting alone on the balcony smoking!

In the face of a powerful enemy, Kai can find a way to deal with it!

But facing so many women, Kai really didn't know how to deal with it!

"Lord of the dignified Dragon Gate, actually worrying about women..."

At this time, Long Wu walked over to Kai and sat down.

"Uncle Long!" Kai lit a cigarette for Long Wu: "Hey, I really don't know what to do."

"You don't have to do anything. I believe those girls will handle their relationship well. Women shouldn't be the source of your worries. You should spend your energy elsewhere..."

Long Wu persuaded Kai. .

A man like none other and the man decree (chinese) Chapter 1703-174

Chapter 1703 Visit

Kyoto, Dharma Protector Pavilion!

Xing Jun hurriedly walked into the hall of the Law Enforcement Pavilion: "Mr. Shi, the island country embassy has arrived, and it's outside now!"

Mr. Shi nodded: "Let them come in!"

Soon, Xing Jun brought a group of island countries with him. The embassy came in!

The leader of them is a middle-aged man with a beard named Kazuo Kawaguchi, who is also the head of the mission!

And behind Kazuo Kawaguchi, there were five people, all in suits and leather shoes, but there was only one person, wearing a samurai uniform, carrying a samurai sword, and his hair was braided behind his back!

When Xing Jun saw that the man came in with a knife, his face became slightly cold, and he immediately stepped forward and said, "Hand over the knife and meet Mr. Shi, no weapons are allowed..."

"The knife is the soul of our warriors. I don't have the habit of handing over weapons, unless you kill me..."

The samurai said with a look of disdain.

Xing Jun frowned and reached out to grab the knife in the warrior's hand.

Just when Xing Jun caught the samurai sword, he saw that the samurai's wrist flicked, and then a huge force shook Xing Jun back a few steps!

"Watanabe Jun, don't be rude..."

Kazuo Kawaguchi reprimanded the samurai!

Mr. Shi waved to Xing Jun at this time: "Let them do what they want..."

Xing Jun could only retreat, while Mr. Shi said to Kazuo Kawaguchi: "Mr. Kawaguchi, please sit down..."

"Thank you, Mr. Shi . ..."

Kazuo Kawaguchi nodded, and then everyone sat down!

But just as Watanabe Jun was about to sit down, Mr. Shi flicked his fingers.

Whoops...

The chair under Watanabe Jun shattered and scattered all over the floor!

This time, Watanabe Jun's face was very ugly!

"Mr. Kawaguchi, I'm really sorry, the chair has been in disrepair for a long time, and I didn't expect it to be broken..."

After Mr. Shi finished speaking, he winked at Xing Jun and said, "Captain Xing, go and move a chair..."

Xing Jun looked at Mr. Shi's eyes, and immediately understood, so he pretended to say: "Mr. Shi, because of the activities, the chairs have been removed, and there are no more chairs."

"Oh, what a coincidence, it can only be Let Mr. Watanabe stand..."

Mr. Shi smiled apologetically.

This made Watanabe Jun annoyed, but Kazuo Kawaguchi said quickly: "It doesn't matter, as an island warrior, it doesn't matter if you stand."

Although Jun Watanabe was angry, Kazuo Kawaguchi said the same thing. He couldn't say anything, he could only stand there obediently!

"Mr. Kawaguchi, I don't know what happened to your visit this time?"

Mr. Shi asked knowingly.

Because the mission will clarify its intentions before visiting, it is impossible for Mr. Shi to not know.

"Mr. Shi, we are here this time just to learn about martial arts and increase the relationship between the two countries, nothing else..."

"We have long heard that in your country's martial arts world, there is a new star who is very powerful at a young age. That's why I came here to ask for advice."

Kazuo Kawaguchi is also straight to the point, he knows that it is useless to go around with Mr. Shi!

"Indeed, there is a rookie in the martial arts world recently, but I just don't know who Mr. Kawaguchi plans to ask for advice?"

Mr. Shi said with a puzzled look.

Kawaguchi was stunned for a moment, and then said: "Of course it's our Toshi Watanabe. Among us, he is the only one who is in the martial arts!"

In fact, Mr. Shi had already seen that the others were just ordinary people. There is no breath, only the breath of this Watanabe Jun is surging!

"Okay, but because this rising star is not my official person, if you want to ask for advice, you can only go to the gauntlet yourself. As for whether others will challenge it, it is not under my control.

" I can't rely on the official face to force others to fight, I hope Mr. Kawaguchi understands!"

Mr. Shi said.

"With Mr. Shi's words, we can rest assured that we won't bother you any more..."

Kazuo Kawaguchi said goodbye.

The reason why he sees Mr. Shi is what Mr. Shi said, otherwise it will be very troublesome for the officials to come forward.

the next day!

The entire Long Family has become the focus of the martial arts world, because from now on, the Long Family is changed to Longmen!

The Long family has also changed from a family to a sect, so that more disciples can be recruited!

Long Xingxu was very capable. He decorated the entire venue very luxuriously, and he also gathered thousands of newly recruited disciples together.

This is also to show the strength of the Dragon Gate to the major sect families!

"Brother Kai, today Longmen is officially established, I have a gift for you..."

Long Xingxu said mysteriously.

"What gift?"

Kai asked in surprise.

"Come with me, you'll know when you see it..."

Long Xingxu took Kai to a square, which was specially expanded for the establishment of Longmen.

Above the square, a towering sculpture stands in the middle!

Long Xingxu waved his hand, and the big red cloth covering the sculpture was slowly pulled down!

When the red envelope was pulled down, Kai was stunned.

Because the statue turned out to be himself!

The sculpture is lifelike, exactly the same as Kai!

"When did you do this?"

Kai asked in surprise.

"I've been doing it for a long time, in order to surprise you..."

Long Xingxu smiled.

Kai smiled and patted Long Xingxu's shoulder: "I have a heart..."

Kai felt that Long Xingxu really had some brains, but Long Jingguo suppressed him too hard in the past, and he couldn't play it at all. .

Nearly noon, people began to carry gifts to congratulate!

Kai said hello one by one, with a humble attitude!

In just over half an hour, dozens of people from the Kyoto martial arts world came to congratulate Kai.

Such a battle has never been seen by other sect families.

"The head of the Ge family is here..."

At this moment, there was a shout from outside the door, and Kai hurried out to greet him!

"Patriarch Ge..." Kai surrendered!

"Mr. Chen, congratulations..."

Ge Fuhai hurriedly handed over the gift!

"Patriarch Ge, please..." Kai stepped aside.

At this time, Ge Jiayi said, "Kai, my dad has given a gift, I haven't given it yet, I want to give it too..."

Ge Jiayi waved her hand, and a truck drove in!

I saw that all the above are some rare cultivation resources, including some old medicinal materials, etc...

Kai was dumbfounded, where did he give gifts like this?

Ge Fuhai looked at Kai with a smile and said, "Mr. Chen, this kid Jiayi has emptied our Ge family's warehouse..."

Kai heard this and smiled helplessly: "Miss Ge, please come in, You're too polite..."

"I'm not being polite, I'm just moving, anyway, I'll come here and live with you in the future!"

Ge Jiayi said without any hesitation.

This made Kai speechless for a while!

Fortunately, at this time, the door shouted again: "Jiang Wei from the Jiang family in the northwest..."

"Zhu Yuhao from the Zhu family in the southwest..."

"Qiao Zhiyong from the Qiao family in the northeast..."

"Hong Qianjiu from the Hong family in east China..."

... ..

This sudden scene made Kai and many other guests bewildered!

Because these people just shouted, but they are all aristocratic families that have only recently emerged, and these people are all powerful!

Especially that Jiang Wei, who won dozens of people in a row in one breath, became famous for a while.

Kai was also puzzled, not understanding how these people suddenly appeared.

He has no friendship with these people.

"Mr. Chen, these people are not good, you have to be careful..."

Ge Fuhai approached Kai and reminded in a low voice.

Kai understood in an instant, so he nodded, and then went out to greet him.

After all, the visitor is a guest, and it is impossible for Kai to drive people out!

Seeing this, Ge Jiayi also followed behind Kai and walked out together.

Chapter 1705: Ji Ruxue is here

"Brother Kai, congratulations, congratulations..."

Seeing Kai walking out with Ge Jiayi, Jiang Wei stepped forward and smiled slightly.

"Tongxi, Tongxi..."

Kai looked at Jiang Wei, slightly embarrassed, because he didn't know Jiang Wei at all, and he didn't know who the other party was!

"He is Jiang Wei from the Jiang family in the northwest."

Ge Jiayi introduced Kai.

When Kai heard it, he suddenly realized: "It turned out to be Brother Jiang, I have long admired the name..."

"Haha, Brother Kai is too famous. Now in the entire martial arts world, you are known to everyone."

Jiang Wei laughed, and then pointed to a few people behind him. Humanity: "Brother Kai, let me introduce you."

It's just that these people's expressions were a little cold, they just nodded slightly, and finally walked in!

Kai didn't care, but ordered people to entertain them, and he continued to welcome guests at the door!

"Kai, you have to be careful, these guys are all ready to step on you and want to pass you on to gain popularity."

Ge Jiayi reminded Kai.

"It doesn't matter, these people are only the strength of the Great Marquis. I really want to try, I'm not afraid of them."

"When the time comes, who will step on who is not necessarily."

Kai said with a faint smile!

"I just like your confident look. Don't worry, our Ge family will always stand by your side. After all, we are a family."

Ge Jiayi said very frankly.

Kai could only helplessly smile, not knowing what to say.

At this moment, the door suddenly shouted: "Red Lotus Palace, Ji Ruxue is here..."

Seeing Kai's strangeness, Ge Jiayi immediately smiled playfully and said, "Is it because of a romantic debt that someone came to the door?"

"Don't talk nonsense..."

Kai glared at Ge Jiayi, and then hurriedly went out to greet him!

I saw Ji Ruxue wearing a white dress, exuding a fresh and refined temperament, walked in slowly, behind her were Xiaomin and several palace maids from the Red Lotus Palace!

This beauty that suddenly appeared, instantly attracted the attention of many guests, and they all looked at them one by one!

"Miss Ji, I didn't expect you to come."

Kai stepped forward and looked at Ji Ruxue in front of him, the expression on his face was indescribably complicated!

"Mr. Chen, of course I'm here to congratulate on such a big event."

Ji Ruxue smiled lightly, with a frown and a smile...

"Come in..."

Kai didn't know whether to follow Ji Ruxue. What to say, after all, the two have not seen each other for a long time.

"Yes, please come in quickly..."

Ge Jiayi actually stepped forward at this time and gently took Ji Ruxue's arm and said.

Ji Ruxue was stunned for a moment, then glanced at Kai, wanting to introduce Kai.

However, before Kai spoke, Ge Jiayi said to himself, "Sister, I am Kai's girlfriend, and my name is Ge Jiayi." When she

heard that it was Kai's girlfriend, Ji Ruxue smiled slightly and said, "Hello, sister Jiayi. , My name is Ji Ruxue, and I'm Mr. Chen's friend."

"I know my sister, Kai often mentions you, what friends are not friends, maybe we will be a family in the future."

"Sister come with me. I want to ask her for advice. How do you take care of your skin and body so well?"

Ge Jiayi is also familiar with each other. , Ji Ruxue likes it very much!

Chapter 1706 A woman at a table

Kai could only listen to Ge Jiayi's nonsense, but he couldn't get a word in!

"Brother Chen, it turns out that you have been thinking about my sister, so why didn't you visit us for so long?"

"My sister is always calling your name in her dreams."

Xiaomin stepped forward and looked at her with a playful look on her face. asked Kai.

"I... I've been too busy recently, I haven't found time..."

Kai said a little embarrassedly.

"It'll be fine in the future, we can see each other often..."

Xiaomin looked happy.

"What's going on?" Kai was stunned.

"My sister has decided to move the Red Lotus Palace here, so that we can be close to each other and we can see each other often."

Xiaomin smiled.

Chen Pingping was personally surprised, he did not expect Ji Ruxue to make such a big decision.

Seeing that Kai didn't speak, Xiaomin continued: "My sister did this for your sake, you can't live up to her..."

After that, Xiaomin jumped up to catch up!

Kai was stunned on the spot, unable to react for a while.

Originally, Kai was worried about so many women being together, but now he didn't expect Ji Ruxue to join in the fun again...

After about an hour, most of the guests had already arrived.

Kai is toasting at every table. After all, these people eat and come to him, Kai, let's not say what the purpose of these people is, since they are here, they are guests!

There was only one table, and Kai didn't dare to go there!

That was the table of Ji Ruxue and Ge Jiayi.

I don't know which uncle arranged it, but he even arranged all the women to one table.

Ji Ruxue, Ge Jiayi, Ge Yuhan, Gu Linger, Wu Meier, Xiaolan.....

With so many women at the table, Kai was always worried, would they fight!

But in the end, Kai still walked over. After all, Ji Ruxue had come over thousands of miles away, and he always wanted to express it.

When Kai walked to the table, all the women's eyes fell on Kai!

Kai felt the gazes of these women, which was even more stressful than facing a Martial Saint!

Kai looked embarrassed and drank it after he finished speaking.

Ji Ruxue looked at Kai's embarrassing appearance, and couldn't help covering her mouth with a smile, and then she also picked up the glass and drank it!

"You drink, you continue, I'll go greet the other guests..."

Kai stammered, turned around and left as if to flee.

And behind him, there was a burst of laughter from the girls!

Kai finally sat at the table of Jiang Wei and the others. After all, these people were also young talents. Kai wanted to know more about them.

Whether it is an enemy or a friend, it is always right to know more.

As soon as Kai sat down, Jiang Wei looked at Kai with envy on his face and said: "Brother Kai is not only the leader of my younger generation, but I didn't expect that he is also a man of temperament, surrounded by beautiful women, if I can have so many My confidante, even if my cultivation is abolished, I am still willing." It

can be seen that Jiang Wei's words are not a compliment, but a real envy!

You must know that the women at that table, one is more beautiful than the other, and the figure is good, just pick one out, they are all stunning beauties.

Especially that Ji Ruxue, many people are fascinated by it.

Because of Ji Ruxue's every move, even a glance and a smile, there is a sense of immortality.

Just like a holy fairy from heaven and earth!

If it weren't for Kai's presence, it is estimated that many people would have approached him.

There are also Wu Meier and Xiaolan, both of them are naturally charming, whether it is the breath on their bodies or the light in their eyes, men can't stop!

Kai smiled awkwardly.

Immediately afterwards, Kai exuded a faint sense of consciousness, which enveloped several people!

He wants to find out what kind of cultivation these people are!

"Brother Jiang is joking, How could I be Brother Jiang's opponent, Brother Jiang has lost dozens of people in a row, which has already caused a sensation in the martial arts world, and I'm just a clown in front of Brother Jiang."

Kai's remarks made Jiang Wei a little surprised. After all, he was young and energetic, and each of them had extraordinary strength. Of course, he refused to admit that he was inferior to others!

But he didn't expect that Kai would put his attitude so low, and even lowered his worth, comparing himself to a clown jumping on a beam.

Kai's actions made Jiang Wei look at Kai with admiration!

"Kai, since you are so low-key, why did you start a sect with a lot of fanfare? You are the only one who founded a sect at your age."

"So you don't have to be humble. We all know your strength. The next time I came here, I wanted to ask you for some tips."

"You won't even give this face, will you?"

At this time, Zhu Hao from the Zhu family in the southwest spoke, and his tone was not good!

If the Martial Arts Alliance is looking for trouble, then fight!

Soon, Ning Zhi followed a young man in casual clothes and walked in slowly.

But looking at the position, Ning Zhi was like a follower behind the young man.

"Ning Zhi, what are you doing here? Are you here to make trouble?" Kai looked at Ning Zhi coldly: "If you dare to make trouble today, I will destroy you." Ning Zhi

just wanted to open his mouth, But the young man stopped him.

"You are Kai, right? My name is Nie Cheng. Now the leader of the Martial Arts Alliance, Ning Zhi is incompetent, so I will replace him."

"I know that Mr. Chen has some misunderstandings with the Martial Arts Alliance, so I came to talk to Chen on purpose. Mr. Chen turned his battles into jade and silk, and congratulated Mr. Chen for establishing a sect at a young age."

"I have a gift here, not a tribute."

After Nie Cheng finished speaking, and then waved his hand, Ning Zhi reluctantly put the vajra in his hand. handed it up.

"This Martial Artifact is a gift from our Martial Arts Alliance. It is not a respect."

Nie Cheng said with a faint smile on his face.

When everyone saw that the Martial Arts Alliance actually gave away the sacred weapon as a gift, they all gasped, and some people's eyes lit up and they were envious!

Kai was also a little surprised, but he still reached out and took the weapon!

When the vajra was in hand, Kai instantly injected spiritual power into the vajra, and soon a sneer appeared on his face.

"If my guess is correct, I'm afraid this vajra will not be used a few times, right?"

Kai didn't believe that the Martial Arts Alliance would be so kind!

It turned out that there was not much of the power of the Martial Saint in this vajra, and it was about to shatter.

You must know that there are also restrictions on the use of the sacred weapon. It is not the same as having a sacred weapon by your side.

Chapter 1708

The sacred weapon is nothing but the weapon used by the masters of the martial arts. Because of the use of it for many years, the sacred weapon has the power of the martial arts!

However, when the power of the Martial Saint is exhausted and there is no way to replenish it, the Saint Martial Artifact will shatter.

Nie Cheng smiled awkwardly: "Even if it's a sacred weapon that can be used once, it's priceless."

But Kai threw the vajra pestle to Nie Cheng, and sneered, "I'm not here. Garbage dump, I am not a garbage collector, so you rubbish, take it back by yourself."

Everyone was shocked when they saw that Kai actually called the weapon holy weapon rubbish!

On the other hand, Nie Cheng frowned, the aura on his body began to rise, and a momentum of swallowing mountains and rivers instantly enveloped the entire hall.

Obviously, this Nie Cheng's aura is much stronger than Kai!

"If you want to fight, then let's go out. Don't destroy what I have here, or you won't be able to pay."

Kai didn't care about Nie Cheng's aura.

Seeing this, Nie Cheng slowly withdrew his breath, and then said to Kai: "Then what Mr. Chen wants, as long as our Martial Arts Alliance has it, I will definitely give it to you, as long as the two of us live in peace.

"I want his life, will you give it?"

Kai pointed at Ning Zhi and said.

This time, it was considered that Nie Cheng was held, but Ning Zhi was frightened.

If Nie Cheng agreed, wouldn't he be dead?

"Leader, don't believe this kid, he's all nonsense. The last time he cheated us on the address of an ancient ruin."

Ning Zhizhen was afraid that Nie Cheng would agree to Kai.

"Mr. Chen, I came here with sincerity and want to live in peace with you."

Of course Nie Cheng knew that Kai was playing tricks on himself, but he still said with a light smile.

"I get along with your mother..." Kai's face turned cold, and his foul language suddenly burst out: "You have locked up my girlfriend for so long, now you want to live peacefully with me? As long as I have Kai's breath, the Martial Arts Alliance will be My lifelong enemy, I will never give up until I destroy you."

"Don't get in the way of me, hurry up, or don't blame me for

being rude." Kai's scolding shocked many guests. .

It was obvious that Nie Cheng had an extraordinary aura, and his strength must be very strong. Kai dared to do so!

Hearing Kai's insults, Nie Cheng's face became ugly.

"Kai, I hope you don't know how to flatter you, because you are not qualified to fight with the Martial Arts Alliance."

Nie Cheng said coldly.

"Not qualified?" Kai sneered: "Since you are not qualified, what are you doing here? Don't think that I don't know about your martial arts alliance."

"Your martial arts alliance is just a bunch of souls to control, if I say That's not bad, you also have a soul in your body, right?"

"When I absorb all these old guys who have survived for thousands of years, let's see what else your Martial Arts Alliance does.

" Shake out!

Everyone was surprised when they heard Kai say this!

"Nonsense, I don't think I'll teach you a lesson, I really thought we were afraid of you..."

After speaking, Nie Cheng's aura began to explode, and the temperature in the entire hall plummeted!

Some people with low strength feel that it is difficult for each other, like falling into an ice cave!

Kai's eyes condensed, golden light suddenly appeared on his body, and he was resisting this breath!

However, Kai didn't do it. If he did it here, then today's ceremony was a failure.

Seeing that the war was about to break out, a breeze suddenly blew, and then the breath of Kai and Nie Cheng dissipated instantly!

Nie Cheng frowned and looked directly outside the door!

"Today is such a lively day, why are there still people looking for trouble? Is the security in the martial arts world in my capital so bad now?"

With a loud voice, Mr. Shi walked in slowly!

Chapter 1709

Seeing Mr. Shi, many guests stood up one after another.

"Mr. Shi..."

These people all greeted Mr. Shi.

Kai was also surprised, he didn't expect Mr. Shi to come.

"Mr. Shi, why are you here?"

Kai hurried forward and asked unexpectedly.

"There is one of the youngest founders of sects in my capital. Of course I have to be there to congratulate me."

Mr. Shi smiled slightly.

When Nie Cheng saw Mr. Shi, let alone how ugly his face was!

"Mr. Shi..."

Nie Cheng walked up to Mr. Shi and shouted respectfully.

Mr. Shi glanced at Nie Cheng, and then spit out a word coldly: "Go away..."

Nie Cheng didn't say anything, took Ning Zhi and left quickly.

The arrival of Mr. Shi instantly gave Kai a lot of credit. Many people just heard that Mr. Shi took great care of Kai.

But now it seems that this is not just as simple as taking care of it!

Even those young talents like Jiang Wei are envious of Mr. Shi's attitude towards Kai!

"Mr. Shi, please take your seat..."

Kai said to Mr. Shi.

"No, I won't sit down. If I stay, I believe that no one here will eat well."

Mr. Shi smiled lightly, and then continued: "I'm here to inform you of one thing, the island country's Watanabe family is here. You will challenge you, and you will do what you can."  
When

Kai heard this, he should not be surprised, he did not expect that the Watanabe family has not given up after so long.

In fact, Kai didn't know. During this time, the Watanabe family had been trying to find a way to step into the summer and kill Kai, but they were all stopped at the border by Mr. Shi.

"Mr. Shi, I will pay attention."

Kai nodded and said.

Mr. Shi didn't stop. After following Kai, he left directly.

"Brother Kai, I didn't expect Mr. Shi to be really good to you. Now that you have the official approval, your Dragon Gate will definitely grow."

Jiang Wei said to Kai very enviously.

At first, I envied Kai having those women around him.

Now I am envious of Kai's official cover!

Anyway, it makes people envious and hateful!

"Kai, I'm going to challenge you even more now. Hurry up and set a time. I didn't expect your fame in Kyoto to be bigger than I thought."

Zhu Hao followed Kai excitedly.

If this defeats Kai, his Zhu Hao will be even more famous in Kyoto, and even in the entire martial arts world!

Just as Kai opened his mouth to say something, he heard a loud noise at the door, and then he saw several disciples at the door thrown in!

Afterwards, Toshi Watanabe, who was wearing a samurai uniform with a samurai sword, walked in slowly.

When everyone saw that it turned out to be an islander, each and everyone had a fierce look in their eyes!

But this Watanabe Jun faced the eyes of so many people without a trace of cowardice!

"Who is Kai here, stand up for me." Watanabe Jun glanced at everyone, and then continued: "I am Watanabe Jun from the Watanabe family, and I came to challenge Kai on purpose."

Kai frowned . Wrinkle, he didn't expect this guy from the Watanabe family to choose a day like today to challenge himself. Isn't this deliberately disgusting himself?

"What are you? Hurry up and get out, can any cat or dog challenge Mr. Chen?"

At this moment, a guest stood up and scolded Watanabe Jun.

But Watanabe Jun grasped the samurai sword with his palm, and then he saw a flash of cold light!

brush.....

The guest didn't even have time to react, only to see a bloodstain on his neck, and his body fell straight down!

And that Watanabe Jun seems to have never drawn a knife, which shows how fast Watanabe Jun is!

Seeing that Toshi Watanabe dared to openly kill people, everyone stood up instantly!

And Kai's eyes flashed coldly, and he was about to shoot!

But before Kai could take action, Zhu Hao had already jumped up.

"A mere island ronin, dare to act wild here..."

Zhu Hao exuded a terrifying aura, instantly shrouding Watanabe Jun.

Chapter 1710

Watanabe Jun looked at Zhu Hao without fear: "You are Kai?"

"I am not Kai!"

Watanabe Jun's words deeply stimulated Zhu Hao.

Isn't this obviously looking down on him, thinking that his strength is not as good as Kai?

This makes Zhu Hao angry!

"You ronin, don't think that we only have Kai as a master in the martial arts world of Xia. If you want to kill you, I will be enough..."

After saying that, Zhu Hao punched Watanabe Jun with a punch.

Facing Zhu Hao's punch, Watanabe Jun slightly turned sideways to hide, then retreated to the courtyard!

When Zhu Hao saw that the punch was not hit, he jumped up and kicked out again.

Watanabe Jun stretched out his hand to block, the huge force made him take a few steps back!

And that Zhu Hao fell in front of Watanabe Jun: "Do you think my ability is not worth your shot?"

"The strength of Dawuhou is really good, and it is worth my shot..."

Watanabe Jun finished, suddenly grabbed Hold the samurai sword in your hand, and then smash it towards Zhu Hao!

Watanabe Jun didn't even draw his sword, he smashed Zhu Hao directly with the scabbard!

"Hmph, arrogant..."

Zhu Hao snorted coldly when he saw that Watanabe Jun didn't have any weapons, and slammed his right hand forward!

He directly grabbed the scabbard of Watanabe Jun, and the breaths of the two people collided instantly!

Boom...

After a loud bang, Zhu Hao only felt a huge force coming from the samurai sword.

This power is very strange, and it instantly penetrated into Zhu Hao's body through the samurai sword!

Zhu Hao only felt his heart tremble, the breath on his body dissipated instantly, the whole person retreated again and again, and a mouthful of blood spurted out!

"Just this little skill, don't come out and be ashamed..."

Watanabe Jun looked disdainful, and then glanced at everyone with a sneer: "Who is Kai, come out to fight, don't act like a coward..."

"Damn, I fought with you..."

Zhu Hao lost face in front of everyone, of course he couldn't swallow this breath!

I saw Zhu Hao pull out the nine-segment whip from his waist in an instant, and with a flick of his wrist, the nine-segment whip turned into a straight stick!

"You still dare to do it?"

Watanabe Jun's eyes narrowed slightly!

"What nonsense, let's do it..."

Zhu Hao said, the nine-section whip in his hand smashed towards Zhu Hao, the whistling sounded, and the entire void began to tremble.

The strength of the Great Marquis cannot be underestimated!

Upon seeing this, Watanabe Jun sent the samurai sword in his hand forward, directly blocking Zhu Hao's nine-section whip!

With a sound of collision, the nine-section whip in Zhu Hao's hand was instantly swayed away!

It's just that the nine-section whip that was originally a stick turned into a poisonous snake when it swung away!

At the head of the whip, like a poisonous snake spitting a letter, it exploded in an instant, and slammed towards Watanabe Jun's back!

No one would have thought that Zhu Hao's nine-section whip even had an organ on it!

Snapped!

The nine-section whip hit Jun Watanabe on the back, instantly tearing the skin of Watanabe Jun's back to pieces!

Zhu Hao succeeded in this blow, his confidence greatly increased, and his face was full of pride!

And Watanabe Jun narrowed his eyes slightly: "You are forcing me to kill you..."

"If you have the ability, come and kill me, I'm afraid you don't have that ability!"

Zhu Hao said, repeating the old trick, in his hand The nine-section whip is heading towards that Watanabe Jun again!

This time, Watanabe Jun didn't block directly with the katana, but pulled out the scabbard with a bang.

A dazzling cold light flashed, and Watanabe Jun waved in front of him.

Everyone only saw a flash of light disappear, and then look at the samurai sword in Watanabe Jun's hand, it has been sheathed!

But looking at the nine-section whip in Zhu Hao's hand, it was broken into several sections and could no longer be used.

Chapter 1711

Zhu Hao looked at the nine-section whip in his hand, and the whole person was stunned in place!

You must know that his nine-section whip is a treasure handed down from the Zhu family, and its texture is extremely hard, but he doesn't want to be cut off easily by the opponent!

Just when Zhu Hao was stunned, Watanabe Jun slapped Zhu Hao's head with a palm!

This palm is a dead hand, obviously to kill Zhu Hao!

When Zhu Hao reacted, it was too late!

Just in the nick of time!

Kai's figure was vertical, and then he followed Watanabe Jun with a palm!

Watanabe Jun kept retreating, and Kai also shook his body!

"Who are you?"

Watanabe Jun frowned slightly.

Watanabe Jun thought that Kai came out at this time, he must be playing tricks!

"You don't deserve me to use tricks against you. If you think your strength is exhausted and it's not equal, I can let you make three moves..."

Kai said, he put his hands behind his back!

Kai's actions instantly made many people feel nervous!

And that Watanabe Jun was also instantly provoked, and roared: "You are too arrogant, see if I don't cut you in half!" In the

next second, Watanabe Jun instantly pulled out his samurai sword, and his figure flashed slightly. , went directly to Kai, and then chopped off with a knife!

Watanabe Jun's speed is so fast that everyone can't see his figure at all, only the afterimage of the knife is still in the air!

This is to kill Kai with one blow!

In the face of the fierce blow, Kai's hands were still behind his back, and he couldn't see the slightest panic on his face!

Just when the samurai sword was about to reach Kai, Kai's head was slightly sideways, and the samurai sword slipped against Kai's face!

The violent blade blew Kai's hair, and even the clothes on Kai's body rattled.

But he failed to hit Kai, and the knife was dodged by Kai!

"You still have two chances..."

Kai looked at Jun Watanabe lightly, and said with a little playfulness.

"Looking for death..."

Watanabe Jun became angry, and he did not withdraw the samurai sword in his hand, but cut him in the middle!

On the other hand, Kai stood up from the ground, his body was instantly in mid-air, and the blade slashed directly under Kai's feet.

The blade whistled, and several pillars not far away were instantly cut off by the blade.

Kai's body flutteringly fell on the samurai sword of Watanabe Jun!

Watanabe Jun only felt a heavy force in his hand, and the samurai sword in his hand almost didn't fall to the ground!

Kai stepped on it gently, his body rose again, and then fell steadily in front of Watanabe Jun!

"There is one last move!"

Kai looked at Watanabe Jun disdainfully and said.

"Ah..."

Watanabe Jun almost died of anger, holding a knife in both hands, he slashed at Kai from the middle.

This time the strength is great, and the speed is even faster!

Even if it is a big mountain, I am afraid that it can be split from the middle.

Everyone hurriedly looked at Kai, only to see a golden light flickering from Kai's body, surrounded by a golden dragon on his right hand!

On the other hand, Kai didn't dodge or dodge, and saw that he was grabbing the samurai sword!

"Snatch a white blade with empty hands?"

Everyone was surprised when they saw this scene!

Snapped!

Watanabe Jun held the sword in both hands, and it was just when the force was exerted, but it suddenly stopped!

On the other hand, Zhu Hao watched this scene, and was even more surprised, knowing that his nine-section whip was easily cut off by Watanabe Jun with a samurai sword, but he failed to hurt Kai's hand!

It can be seen how powerful Kai's physical body is!

"Three strokes have passed..."

Kai finished speaking, his palm was slightly forced, and Watanabe Jun's samurai sword was broken in an instant!

This time, Watanabe Jun was even more dumbfounded.

Before Watanabe Jun could react, Kai raised his foot and kicked it out. The kick directly hit Watanabe Jun's chest and kicked Watanabe Jun flying out!

Watanabe Jun's body flew more than ten meters away and fell heavily to the ground, a large mouthful of blood spurted out of Watanabe Jun's mouth!

Seeing this, everyone's expressions were complicated, and there was an indescribable feeling, especially that Zhu Hao!

You must know that just now he also vowed to challenge Kai and step on Kai's position!

Now Kai is almost a split second that Watanabe Jun, it can be seen that he is far from Kai's strength!

Zhu Hao couldn't understand, Kai's strength is not higher than him, but in a real battle, Kai can easily leapfrog and fight?

They won't understand what Kai's golden dragon's real body represents!

This is the most powerful physique in the world, no one!

Watanabe Jun wanted to stand up, but found that Kai's kick almost shattered his internal organs.

The mouthful of blood keeps pouring out!

Kai stepped forward and stepped on Watanabe Jun's head, making Watanabe Jun's face stick to the ground tightly!

Watanabe Jun struggled, but to no avail!

This kind of humiliation made Watanabe Jun's face very ugly!

"Don't tell me there's no one left in your Watanabe family, so you sent trash like you to deal with me?"

Kai looked down at Jun Watanabe and said coldly.

Watanabe Jun struggled, his eyes full of anger: "Kai, do you dare to let me get up? If you let me get up, I will definitely kill you..."

At this time, Watanabe Jun was still yelling!

"Remember? Call your ancestors, and I'll let you get up..."

Kai said with a sneer!

Watanabe Jun almost didn't get angry, but Kai stepped on his head, and he couldn't move at all!

"The Watanabe family sent you here, I really embarrassed my island country..."

With a strong voice, Kazuo Kawaguchi walked in with two other envoys!

Kai looked at the three of them, and found that the three of them didn't even have any aura fluctuations, they were completely ordinary people!

This made Kai a little strange. He didn't understand how these three ordinary islanders dared to come to him!

"Bah, your people can kill anyone at will, but I can't kill him? Do you think this is in your house?"

"Today he must die, blood debt and blood to pay..."

Kai looked at Kazuo Kawaguchi Like that, I took a sip!

He didn't understand, how could this ordinary guy with no strength dare to be so outspoken, could it be because of his mission status?

"I said, he can't kill..."

Kazuo Kawaguchi's eyes narrowed slightly, and the smile on his face disappeared.

"Are you a bird? If you say you can't, then you can't? I'll kill him today and see if you can stop me..."

Kai said, stepping on it when he raised his foot!

But just when Kai was about to step down, he suddenly felt a terrifying aura, causing Kai to instantly retreat back!

After retreating more than ten meters in a row, Kai stabilized his figure.

But when Kai looked at Kazuo Kawaguchi, he found that Kazuo Kawaguchi seemed to be a different person, and the breath exuded from his body made Kai feel terrified!

Kai frowned, and his eyes were full of surprise. He didn't understand what method Kazuo Kawaguchi used to hide his breath without even leaking it out at all!

"Thank you, Mr. Kawaguchi..."

Watanabe Jun followed Kazuo Kawaguchi to thank him!

"Watanabe Jun, can you still fight?" Kazuo Kawaguchi asked.

"Yes!" Watanabe Jun nodded!

"Since you can fight, let's continue. Our island warriors have no tradition of returning after failure..."

Kazuo Kawaguchi said.

"Hi!" Watanabe Jun nodded, his eyes full of determination to die.

Kai looked at Watanabe Jun, although he could easily kill Watanabe Jun, but the sudden appearance of Kazuo Kawaguchi made Kai feel jealous!

Kazuo Kawaguchi seemed to see Kai's concern, and smiled lightly: "Don't worry, I won't take action. It's the two of you who want to learn from each other. As the head of the envoy, of course I will abide by the rules!"

See Kazuo Kawaguchi Having said this, Kai breathed a sigh of relief. After all, the breath of Kazuo Kawaguchi just now was too terrifying!

"Come on!"

Kai beckoned to Jun Watanabe!

"Go..." Kazuo Kawaguchi patted Watanabe Jun on the shoulder!

But in this shot, the aura on Watanabe Jun's body changed instantly, followed by a rapid increase in strength, and soon reached its peak!

A terrifying power radiated from Watanabe Jun.

At this moment, Watanabe Jun's eyes became sharp, as if a different person!

Kai's face became a little ugly, because the breath he felt from Watanabe Jun was somewhat similar to that of Kazuo Kawaguchi!

Kai didn't understand what Kawaguchi Kazuo did to Watanabe Jun.

"Today, I will show you the true strength of our island country..."

Watanabe Jun slowly spoke, but at this time Watanabe Jun even changed his voice!

"Hmph, it's just a soul-possessed guy, what's the madness, wait for me to kill you and destroy the soul in your body..."

Kai said coldly.

Kai can see that Watanabe Jun's current performance is completely in line with being possessed by a soul and controlling his body!

After all, although those spirits were powerful during their lifetimes, after they were transformed into spirits, their strengths were simply not one out of ten, so there was nothing to be afraid of.

"Hahaha, ignorant, what can you understand..."

Watanabe Jun laughed, and then his body slowly floated into the air, followed by a terrifying force that instantly enveloped the entire Long Family.

This time, many people became nervous, and now it is impossible for them to leave the Long family!

Watanabe Jun's body was slowly wrapped in red blood mist, the thick bloody smell, coupled with the terrifying power, instantly made many people unbearable!

Some weak ones began to look ugly.

Gu Linger and the others also frowned, exuding the aura in their bodies, resisting this terrifying power!

Kai saw this, golden light flickered on his body, and breaths emanated from his body, followed by Watanabe Jun to resist!

With Kai's resistance, many people are obviously relieved!

"Hmph, a bunch of ants, really thought they could fight against me..."

Watanabe Jun was in midair, the blood red color slowly turned into a big turtle!

Chapter 1714

I saw the big tortoise sticking out its head, and every time it took a breath, a terrifying power would flow out, putting pressure on Kai and the others!

Ge Yuhan's roar instantly caught the attention of Kazuo Kawaguchi, and Kazuo Kawaguchi looked at Ge Yuhan coldly, with a bit of surprise in his eyes!

Because of this ancient turtle-breathing method, very few people can understand it now, but they don't want to be recognized by a little girl!

Kazuo Kawaguchi didn't know that Ge Yuhan's body now contained a saint who lived thousands of years ago. Of course she knew all about the ancient method.

"Damn, it turns out that you are all turtle sons..."

Kai roared, and his body instantly rose from the ground!

The golden fist slammed towards the condensed turtle fiercely!

Seeing Kai attacking directly, Watanabe Jun didn't panic at all, using the tortoise's breath to instantly form a seal between his palms, forming a barrier in front of him!

"When the Turtle Breath Dafa is completed, none of you will want to leave here alive..."

Watanabe Jun had a faint sneer on his face!

Kai's body is coming fast, his golden fist is shining, and a golden dragon roars out from Kai's body!

Even Kazuo Kawaguchi frowned!

"Hmph, let's see how our sons of dragons teach you these turtle sons..."

Kai snorted coldly, and the breath that burst out of his body went straight to Watanabe Jun!

"Unlimited turtle power..."

Watanabe Jun roared, and the dazzling white light was instantly thrown towards Kai!

When Kai saw this, his figure flashed, and he wanted to hide, but the white light turned into a big net in an instant, and before Kai could react, it enveloped Kai.

When Kai injected the power of the dragon into the Dragon Slaying Sword, a dragon roar resounded throughout the sky!

But Watanabe Jun's voice just fell, the light dissipated, and Kai's sword energy was not weak at all!

Watanabe Jun's face changed, his eyes widened: "Why is this?"

And Kazuo Kawaguchi's face was gloomy, but he didn't put his eyes on Kai, but stared at Ge Yuhan!

People who can know the Turtle Breath Dafa will definitely not be ordinary people!

Watanabe Jun's face was ugly, he got up from the ground, and turned into a blood-red samurai sword in his hand, and there were countless resentful spirits around the samurai sword, which shows that Watanabe Jun didn't know how many people he had killed.

The blood-red light flickered, and Watanabe Jun turned red, as if he had been soaked in blood!

Countless dead auras emerged from Watanabe Jun, just like the breath in the sea of blood on the mountain of corpses!

At this moment, the Dragon Slaying Sword in Kai's hand radiated light, and there were continuous humming sounds, as if a hungry beast had seen its prey!

The resentful spirits around Watanabe Junna's samurai sword seemed to sense the breath of the Dragon Slaying Sword.

Seeing this, Watanabe Jun frowned!

Before the battle, the weapon in his hand is cowardly!

"Burn your blood essence and rejuvenate your Bushido spirit..."

At this moment, Kazuo Kawaguchi spoke slowly, his voice low, as if it came from an ancient underground!

When Watanabe Jun heard it, he bit the tip of his tongue without hesitation, and then a mouthful of blood was sprayed on the samurai sword.

The blood-red samurai sword, after encountering blood, seemed to become excited, and the resentful spirits that were dodging also became roaring, like a beast!

"Wraith attack..."

Watanabe Jun shouted loudly, followed by a sudden wave of the samurai sword in his hand, a terrifying breath seemed to fall from the sky, and then those resentful spirits opened their bloody mouths and went towards Kai!

Kai looked at the resentful spirits and smiled coldly: "The Buddha's light shines..."

The Dragon Slaying Sword in Kai's hand instantly emitted a burst of golden light, and the light shot up into the sky, straight into the sky!

Immediately afterwards, like the sun, rays of light were scattered, shining on the entire earth!

Those originally vicious resentful spirits, after being irradiated by this golden light, suddenly all struggled in pain, and finally turned into a puff of blue smoke and dissipated in the air!

The resentful spirit disappeared, but the golden light remained, the dazzling golden light instantly shone on Watanabe Jun's body, and Watanabe Jun suddenly showed panic, followed by a painful struggle!

Watanabe Jun was soaked in cold sweat, and without Kazuo Kawaguchi's help, Watanabe Jun was already a lamb to be slaughtered.

Kai jumped up and smashed it down with a punch!

I saw that the space around Watanabe Jun was distorted and deformed by this punch, and Watanabe Jun's body was covered in blood, which was terrible!

Kai saw that Watanabe Jun was still alive, so he punched again!

Under this punch, Watanabe Jun could not survive anyway.

At this moment, Kazuo Kawaguchi waved his palm, and a huge force struck, causing Kai's body to quickly retreat. Even so, Kai still felt that the breath in his body was constantly rising!

"What do you mean?"

Kai glared at Kazuo Kawaguchi and asked.

"The outcome is already divided, there is no need to kill..."

Kazuo Kawaguchi said slowly.

"Now that the outcome has been decided, I won't let you kill him."

At this moment, Watanabe Jun was kneeling on the ground, his hands were inserted into the soil, and he said something in his mouth: "Supreme gods and demons, please give me strength, I am willing to give everything I have..."

"Gods and demons eat the heart..."

"This is an ancient witchcraft unique to the island country, Kai, you have to be careful."

"He is sacrificing his life and soul to gain the power of gods and demons..."

"I didn't expect it . For thousands of years, there are still people who practice such witchcraft."

Kazuo Kawaguchi left, and Mr. Shi didn't stop. The reason why he came was to stop Kazuo Kawaguchi from taking action.

If Kazuo Kawaguchi shot, Kai would definitely not be his opponent!

Kai beheaded Jun Watanabe. In this battle, all the people who had wanted to step on Kai's position were hesitant!

Originally, they wanted to take advantage of today to compete with Kai, but when they saw Kai's true strength, they all lost their minds!

Especially that Zhu Hao, when he saw Kai, he didn't dare to look directly, he always felt embarrassed!

On the same day, the news of Kai's killing of the island warrior was instantly spread in the martial arts forum. Coupled with the sect founded by Kai, Mr. Shi personally came to congratulate!

This made Kai's status to an unprecedented height, and many people wanted to join Longmen!

In just a few days, the development of the entire Dragon Gate has rapidly surpassed that of other sect families.

This kind of development momentum is definitely the first in the entire martial arts world!

In addition to Kai's personal star effect, there is a more important reason, that is, Kai intends to release resources, select talented people, and train them to become Wuhou masters!

The Dragon Gate is getting bigger and bigger, Kai knows that it is useless to rely on his own strength, only the overall strength of the Dragon Gate is improved!

On this day, Kai called Long Xingxu in front of him.

"Xingxu, how's the development of Longmen recently?"

Kai asked lightly.

"Brother Kai, there are thousands of Longmen disciples now. In the entire Kyoto martial arts world, no sect family can surpass us."

Long Xingxu said with an excited expression.

"Although there are a lot of people, how are the strengths? Can you pick out the people I asked you to choose?"

Kai asked.

"The strength is uneven, the highest is the Great Wuzong, and there is no one in the Marquis Realm. The candidates you asked me to choose have already been selected."

Long Xingxu replied.

Kai thought about it and it was right. Wherever the realm of Wuhou is placed, it is the overlord of one party. Who will join their sect and become a disciple who is controlled by others.

Moreover, the Dragon Gate has just been established, and there is no future in sight, so it is understandable that there are no strong people to defect.

"Tell me about Longmen. I'll take you to a place after a while. I hope that when you come back, you can reach the peak of Wuhou."

Kai patted Long Xingxu on the shoulder and said.

When Long Xingxu heard this, the whole person was extremely excited: "Brother Kai, I'll make arrangements now, you can rest assured!"

Long Xingxu left happily, knowing the peak of Wuhou, but Long Xingxu didn't even think about it. Dare to imagine the realm!

Gu Ling'er said with a slight smile.

"Red Lotus Palace? Is it too far?"

"What's the distance? Ji Ruxue has already moved the Red Lotus Palace to the capital, in the valley on the outskirts."

When Kai saw Ji Ruxue, he found that Ji Ruxue's face was a little tired.

"You guys are here, please sit down..."

But after seeing Kai and the others, Ji Ruxue was still smiling!

"Sister Ruxue, you are quite old, why don't you tell us anything, we can help!"

"Well, we will also live here in the future, with you, we can help each other if we have something..."

This made Kai a little confused, and looked at Gu Linger with a look of surprise: "You also plan to live in the Red Lotus Palace?"

"Yes, we have already agreed, when Sister Ruxue moves in, We'll all move in here, it's all girls, and it's convenient!"

Gu Ling'er nodded!

"You all live here?"

Kai still asked in disbelief.

"If you look at it this way, wouldn't this Red Lotus Palace become Brother Kai's harem, and then Brother Kai will be treated like an emperor."

Xiaoru giggled.

When several girls saw this, they all burst into laughter, and the vicissitudes on Ji Ruxue's face were also swept away!

Kai didn't stay in the Red Lotus Palace for a long time. Immediately after returning, he arranged for Long Xingxu to send someone to the Red Lotus Palace to help the construction of the Red Lotus Palace!

Chapter 1720 Secret Base

.....

Daxia, on an extremely desolate road, a black car is driving fast!

It was Kazuo Kawaguchi and two other messengers sitting in the car!

At this time, they had already boarded the plane back home.

Watanabe Jun was beaten to death by Kai, so there is no need for their messengers to stay.

It's just that after a few people bought air tickets, a golden cicada came to escape and did not return to China.

"Lord Kawaguchi, where are we going?"

a messenger asked at this time.

"Drive, don't ask questions..."

Kazuo Kawaguchi closed his eyes slightly and said lightly.

The messenger didn't dare to speak, but kept driving. When there was no one inhabited and there were no roads, the car stopped!

Kazuo Kawaguchi got off the car and looked at the majestic mountains and the boundless virgin jungle, with a faint smile on his face!

"It's been more than 20 years, I didn't expect that I would have a chance to come back..."

After speaking, Kazuo Kawaguchi plunged into the primeval forest, and the two messengers followed closely behind him!

After walking for more than half an hour, Kazuo Kawaguchi and the others suddenly stopped, and then with a wave of their palms, two figures appeared directly in front of the empty eyes. These two figures quickly threw out the weapons in their hands, straight Go to Kazuo Kawaguchi!

However, the weapon was easily caught by Kazuo Kawaguchi and then dropped on the ground.

The two figures were stunned for a moment, and after looking at each other, their figures disappeared out of thin air!

But Kazuo Kawaguchi waved his hand again, and the two figures appeared again!

"A bunch of pig-like idiots, the checkpoint has not changed for 20 years..."

Kazuo Kawaguchi said angrily.

As soon as the two figures heard it, their figures became more and more obvious. I saw two samurai wearing black samurai uniforms and holding samurai swords, looking at Kazuo Kawaguchi and the others in confusion.

When the two messengers behind Kazuo Kawaguchi saw this, their eyes widened. They did not expect that there would even be samurai from their island country appearing on Daxia's territory!

one of the samurai asked.

"Let Jiro Ono come to see me, this idiot..."

When the two samurai heard this, they were all surprised, and then one of them turned around and ran away quickly!

Ono Jiro didn't dare to say anything, he could only keep on hi hi!

"You pig-like idiot, the checkpoint is not flexible, and you send this kind of garbage to be on duty, did you let the door clip through your mind?"

Kazuo Kawaguchi cursed!

"Kawaguchi-sama, we have never been exposed here over the years, and no one has ever been here..."

Ono Jiro explained.

"Idiot, can you relax your vigilance if you have never been exposed?"

Kazuo Kawaguchi shot again and slapped him a few times!

Ono Jiro's face was flushed red, and he didn't dare to speak!

Soon, Kazuo Kawaguchi and the others were taken into a cave. The cave was extremely wide, and there were all living facilities in it.

All the people living in it are island warriors, and they all have a good atmosphere!

This made the two messengers look at it for a while.

"In a few days, I will bring a woman over, you have to take care of me."

Kazuo Kawaguchi said.

"Women?" Ono Jiro was taken aback for a moment: "Lord Kawaguchi, our rules here are that women, or people from Daxia, are never allowed to enter."

"I know the rules, but this woman is very important to us, I can't take it. She brought her back to the island country, so she can only bring it here for research!"

Kazuo Kawaguchi narrowed his eyes slightly!

"What kind of woman is it that makes Lord Kawaguchi so interested?"

Ono Jiro asked curiously.

"Haga..." Kazuo Kawaguchi frowned: "You are not qualified to ask these questions."

"Understood!" Ono Jiro nodded again and again!

Kazuo Kawaguchi stayed at the secret base for only one day and left quickly!

But this time, he was the only one left!

.....

Kyoto, Dragon Gate!

There are more than a dozen people standing on the square. These people have different strengths, but they are full of energy and energy!

"Brother Kai, according to your request, only these people will be selected for the time being."

Long Xingxu said to Kai!

Kai nodded slightly: "The soldiers are precious, there are not many, have you explained the things that should be explained clearly?"

"It's all explained!" Long Xingxu said.

"Okay, then we'll set off now. When you return, I hope you can reach the peak of Marquis..."

Kai patted Long Xingxu on the shoulder.

"Brother Kai, what is it that allows people to cultivate so quickly?"

Long Xingxu asked curiously.

"You'll know when you go."

Kai smiled lightly!

Soon, Kai took these people and went straight to Penglai Island. There is also the stone statue of the Gorefiend on Penglai Island. It contains infinite spiritual power. If it is absorbed, everyone's cultivation speed will definitely speed up!

Kai decided to let these talented people step into the world of cultivating immortals. Although the spiritual energy of heaven and earth is depleted, it will suppress the cultivators, but Kai himself is not suppressed by the world at all, so he plans to use his blood to let these people step into the world of immortal cultivation, so that they will not be suppressed by the secular world!

In the not-too-distant future, if the spiritual energy recovers, the gods and demons will reappear, and the martial arts world will begin to feel lonely. If Kai wants to gain the upper hand, he must start at this time!

This is why Kai asked Long Xingxu to provoke people with extraordinary talents, and it was impossible to bring everyone from Longmen into the world of immortality on a large scale. Kai was not capable of that.

When Kai brought everyone to Penglai Island, everyone felt the novelty!

"Brother Kai, is this the Penglai Island? It's like a fairyland..."

Long Xingxu also sighed.

And that Du Nan, after knowing that Kai was coming, immediately brought people to greet him, welcomed Kai into the palace, and sat on the throne!

"Du Nan, during this time, has the statue changed?"

Kai asked Du Nan.

"Returning to Mr. Chen, the stone statue is not moving, but every night, a lot of dew will condense on the stone statue. I don't know why!"

Du Nan replied.

"Condensation of dew in the middle of the night? Could it be related to the wet weather?"

Kai frowned slightly.

"No, the weather was like this before, but this has never happened on the stone statue!"

Du Nan shook his head.

"That's weird. When it's late at night, take me to see it!"

Kai wanted to see what was going on. After he finished speaking, he said to Long Xingxu and the others, "You all go there. Take a rest, familiarize yourself with the environment in the past few days, and I will teach you new exercises in a few days!"

Chapter 1722

Long Xingxu took people away, but Kai did not rest, but used his own blood to start refining medicinal pills. As long as these people took this medicinal pill, they would not be restricted by the world!

Until midnight, Du Nan found Kai, and then the two walked towards the back of the palace!

The forbidden area behind the palace is still in ruins, maintaining its original appearance. Kai looked at the scenes in front of him and remembered the scene of the battle again!

The stone statue lay down on the ground, and it has long lost its original majesty.

Soon, when the time came, I saw a faint light emitting from the stone statue, and then I saw drops of crystal dew emerging from the stone statue!

Kai stepped forward and touched it lightly with his hand. The dewdrop was instantly absorbed by Kai, and a refreshing feeling hit Kai, which made Kai feel very comfortable!

"These dewdrops contain a lot of spiritual energy, don't waste it, send someone to collect it!"

Kai ordered to Du Nan.

Although Kai doesn't know why this statue is like this, but these dewdrops contain a lot of spiritual energy, this is a fact!

In the next few days, Long Xingxu brought people to familiarize themselves with the environment of Penglai Island, which can be regarded as letting everyone relax!

And Kai is diligently refining medicinal pills!

Finally, the refining of blood-red medicinal pills was completed, and these pills were all medicinal pills with Kai's bloodline!

Kai summoned Long Xingxu and the others, and then ordered the pills to be taken!

Looking at the blood-red elixir and the disgusting bloody smell, it is really hard to swallow!

However, no one dared to disobey Kai's orders, and they swallowed them all!

When the medicinal pill entered the body, everyone only felt a warm current flowing through the whole body, and the meridians and even the blood seemed to be changing!

Immediately after that, Kai's consciousness instantly covered everyone's consciousness, and a series of exercises were introduced into the minds of these people!

"From now on, you have to forget the previous exercises and focus on the new exercises. If you have any difficulties in the middle, you can ask me at any time!"

Kai said to the people in front of him.

"As ordered!"

These people were all excited, and then began to practice under Kai's arrangement!

When these people were cultivating, Kai was not idle, he stayed in front of the stone statue all day, absorbing the spiritual power in the stone statue!

And the stone statue emits aura every night, condensing into dewdrops, and Kai asked Du Nan to collect these dewdrops and send them to Long Xingxu!

In this way, these people spend their days on Penglai Island!

On the other side of the capital, even if Kai is not there, the entire martial arts world is peaceful, and no one dares to trouble Longmen!

As for Gu Linger and the others, they lived very comfortably in the Red Lotus Palace.

A group of girls together, talking and laughing, very happy!

These people especially like to listen to Ge Yuhan tell some strange things in the past.

However, they didn't know that what Ge Yuhan said was from personal experience, not from hearing about it!

At noon, several girls gathered for dinner again!

"Why don't you see Sister Yuhan today? I'm still waiting for her to talk about the ascension of immortals..."

Xiaoru looked over and found that Ge Yuhan was not there, so she asked.

"Maybe there is something wrong. We won't wait for her anymore. I always feel that Sister Yuhan is sometimes mysterious."

Gu Linger said.

Ge Yuhan's eyes were tightly closed, and his face was also very ugly!

And it was Kazuo Na Kawaguchi who was driving!

At midnight, Kazuo Kawaguchi stopped the car, and then took Ge Yuhan and walked towards the dense forest!

At this time, Ge Yuhan was already sober, looking at Kazuo Kawaguchi in front of him, he did not panic!

Kazuo Kawaguchi took Ge Yuhan to the secret base all the time, and he was relieved!

And Kazuo Kawaguchi took off his shirt, and a shocking wound appeared on his shoulder!

Looking at the wound on his body, Kazuo Kawaguchi's eyes showed a fierce look.

After simply treating the wound, Kazuo Kawaguchi walked towards the cell, and then waved at Jiro Ono: "You all go out, I have something to say to the little girl!"

Kazuo Kawaguchi walked to the cell, which was surrounded by a formation. The package can suppress the strength of the person locked inside!

However, facing Kazuo Kawaguchi, Ge Yuhan did not panic at all!

"Who are you? Why do you know about the secret sorcery thousands of years ago? Are you reborn or possessed by a soul?"

Kazuo Kawaguchi asked Ge Yuhan.

Ge Yuhan showed a trace of disdain: "What identity am I, I won't tell you, you can investigate it yourself!"

Kazuo Kawaguchi's eyes narrowed slightly, and a spiritual consciousness instantly shrouded Ge Yuhan's body!

But just as this divine sense entered Ge Yuhan's body, it was immediately cut off by a force in Ge Yuhan's body!

Thousands of years ago, the soul of the saint in Guanghan Palace, Kazuo Kawaguchi still wanted to enter the divine consciousness into Ge Yuhan's body, it was a joke!

If it is not suppressed by the power of heaven and earth, the strength of the saint can only be used half, how could it be caught by Kazuo Kawaguchi!

But Ge Yuhan is not afraid, even if Kazuo Kawaguchi catches her, it will not be so easy to kill her!

Kazuo Kawaguchi stared at Ge Yuhan, and finally turned around helplessly and walked out!

"Let me watch her, don't let her run away, and no one else is allowed to touch her, otherwise you will eat the bitter fruit."

Kazuo Kawaguchi told Ono Jiro.

He intends to go back and invite the Soul Search Master to come over. Kazuo Kawaguchi knew that there must be a very powerful soul living in Ge Yuhan's body.

And this soul is likely to exist for thousands of years, this kind of powerful soul, he has no way to surrender, he can only go back and ask for help!

It seems that this matter can only be handled by Kai!

At this time, Kai is rapidly absorbing the spiritual power in the stone statue!

Kai didn't know why, the resistance force in the original stone statue disappeared completely, and now this stone statue has become a resource for Kai and those Longmen disciples!

In just ten days, Kai's strength has directly stepped into the realm of the third-rank Great Marquis, but no matter how Kai cultivates in the future, he can't feel the increase in strength!

"It seems that the spiritual power in this stone statue is not enough to support cultivation..."

Kai slowly opened his eyes.

When he saw the stone statue in front of him, the whole person was a little stunned. He saw that the stone statue was covered with dense cracks, as if it would collapse at any time.

Chapter 1724

"It seems that this stone statue won't last long. I don't know if it can support them until they break through the realm of Marquis..."

Kai got up and walked out of the forbidden area!

"Mr. Chen..."

Seeing Kai walking out of the forbidden area, Du Nan quickly stepped forward respectfully!

"How are the others doing? Will there be dewdrops on the statue every night?"

Kai asked Du Nan.

"Others are cultivating steadily, and the dewdrops produced by the stone statues have increased significantly in recent days..."

Du Nan replied.

Kai nodded, and then checked Long Xingxu's cultivation. Kai was quite satisfied with the progress of these people's cultivation.

But just when Kai walked out of the palace and was about to wander around, he suddenly shook his head and frowned instantly!

"It's broken..."

Kai secretly screamed, and after explaining a few words to Du Nan, he immediately rushed back to Kyoto!

There is a certain connection between Ge Yuhan and Kai. When he was in the Ge family, Ge Cangsheng asked Kai to plant a spiritual consciousness in Ge Yuhan's body in order to make Ge Yuhan follow Kai at all times!

Although Ge Yuhan has a saintess soul in her body, she doesn't need to follow Kai closely, but that divine sense still has a connection with Kai!

Now that Ge Yuhan was detained, Kai felt it instantly after he came out.

Back in Kyoto, after seeing Kai, Gu Linger and the others immediately surrounded him.

A group of girls chatted with Kai!

"Okay, needless to say, I already know!"

Kai waved his hand, then left the Red Lotus Palace and went to the Ge family!

He wants to know that Ge Fuhai asks to understand, Gu Linger and the other women, some things are unclear!

At this time, Ge Fuhai was already like an ant on a hot pot, but he knew Ge Yuhan's identity.

"Dad, Kai is here..."

Just when Ge Fuhai looked anxious, Ge Jiayi opened the door and said to Ge Fuhai.

Hearing that Kai was coming, Ge Fuhai quickly ran out of the door to greet him!

"Mr. Chen, you're back, Ge..." Before Ge

Fuhai could finish speaking, Kai waved his hand and said, "I see, let's chat in the room!"

Ge Fuhai nodded, then said to Ge Jiayi. : "Jiayi, send someone to look after the door, no one is allowed to enter!"

After speaking, Ge Fuhai followed Kai into the room, and then closed the door.

Afraid of being unsafe, Ge Fuhai waved his palm, and a piece of space magic instantly enveloped the two of them!

"Patriarch Ge, what's going on with Ge Yuhan? How could such a big man suddenly disappear? And her strength is not weak, it is logically impossible for anyone to attack her, but I feel that she is in danger."

Kai asked Ge Fuhai.

"Mr. Chen, I don't know either. I was informed by Miss Ling'er that the eldest Miss was missing. I don't even know how to explain it to the clan elder."

Ge Fuhai looked frustrated.

"Patriarch Ge, don't worry, now Ge Yuhan is not in danger. I can feel that she is being controlled, but I can't sense the exact location."

"Do you Ge family have any way to know now? Ge Yuhan's location, we can save her!"

Kai looked for Ge Fuhai, just want to know Ge Yuhan's location!

Although Kai left a spiritual sense on Ge Yuhan, he couldn't sense Ge Yuhan's position!

"This...I don't know either. Even if there is a way, only the clan elders know."

Ge Fuhai said.

"Then take me to the secret realm immediately, and ask the old Ge people. You can't delay the time."

Kai was afraid that the longer the time dragged on, Ge Yuhan's life would be in danger!

You must know that if Ge Yuhan is in danger, not only Ge Yuhan's life will be lost, but the saintess soul in her body will also perish.

Chapter 1725

Originally, the Holy Maiden's soul was already very weak. Without the protection of the flesh, under the suppression of the power of heaven and earth, it would definitely not survive.

"Okay!"

Ge Fuhai directly activated the space technique, and disappeared instantly with Kai!

When the two arrived at the Ge family land, they found that Ge Cangsheng was talking with an old man!

Knowing that Kai was coming, Ge Cangsheng hurriedly got up and went out to greet him, which shocked the old man.

The dignified old Ge family went out to welcome guests. Even if he came, he had never been treated like this!

With doubts, the old man also followed out!

"Mr. Chen..."

Ge Cangsheng quickly stepped forward and respectfully shouted after Kai!

"Old Ge clan, I have something to look for you, so I took the liberty to come here!"

Kai said.

"What's the matter with Mr. Chen, let's talk inside!"

Ge Cangsheng hurriedly invited Kai into the room!

And the old man looked surprised when Ge Cangsheng went out to greet a young man!

Jiang Wuya looked at Kai in shock, and then said excitedly: "You are the one who founded the Dragon Gate, fought with the Martial Arts Alliance, and killed the Watanabe family in the island country?"

Kai was stunned, his face full of surprise. , I don't understand how Jiang Wuya is in a secret realm, how can he know his own situation like the back of the hand!

"Mr. Chen, the representative family of Tianluolou in the secular world is the Jiang family, then Jiang Wei is a person from Tianluolou!"

At this time, Ge Fuhai went to the sea and explained to Kai!

When Kai heard it, he suddenly realized that he realized that everything was what Jiang Wei said.

Moreover, it seemed that the Ge family had a good relationship with Tianluolou, so it was no wonder that when Jiang Wei met him for the first time, he was not full of hostility like the others!

"What the landlord said is not worth mentioning..."

Kai said with a slight smile.

"You are really young and promising, you are young and promising..."

Jiang Wuya's eyes were full of envy!

"Mr. Jiang has won the prize. I have something to ask Mr. Ge, I'm sorry!"

Kai said apologetically.

"You talk, you talk..."

Jiang Wuya walked to the side very interestingly!

Ge Cangsheng waved lightly, a closed space appeared, and then said to Kai: "Mr. Chen, why are you looking for me in such a hurry?"

Kai directly told Ge Cangsheng about Ge Yuhan's disappearance. He even said that Ge Yuhan was possessed by the Holy Maiden's soul. After all, it was always wrong to hide this from Ge Cangsheng.

When Ge Cangsheng heard that Ge Yuhan was missing, he was immediately anxious. As for being possessed by the Holy Maiden's soul, that's nothing. When Ge Yuhan's soul returns to its place, the Holy Maiden's soul in her body will just leave!

"Old Ge Clan, is there any way for you to locate the exact location of Ge Yuhan, so that I can save her..."

Kai came to Ge Cangsheng just to know Ge Yuhan's location.

Ge Cangsheng frowned: "It is too difficult for us to locate Yuhan's position, but if there is a master of spells, it is not difficult, they only need to draw a tracking symbol and sense the other party's breath, then they will be able to Find someone!" "It's just that the spell technique has long since decayed

, and there are very few people who know this technique. I don't know where to find the spell master!"

Now, I know who can draw tracers."

Kai immediately thought of Hu Mazi. When Zhu Zhishan tracked Kai, he asked Hu Mazi to draw a tracer, which made Kai unable to escape Zhu Zhishan's pursuit no matter how he fled. !

Chapter 1726: The Strongest Breath

Thinking of this, Kai was a little excited, and anxiously wanted to leave to find Hu Mazi!

Seeing Kai's fiery look, Jiang Wuya immediately stepped forward and said, "Brother Kai, did you encounter difficulties? If you encounter difficulties, I can ask the Jiang family to contribute, it's all my own, you don't have to be polite. !"

Jiang Wuya showed a strong interest in Kai, and it seemed that he wanted to win over Kai!

"Thank you, Mr. Jiang for your kindness. It's a personal matter. If necessary, I will go to the Jiang family."

Kai said gratefully.

"Okay, I will send someone to inform the Jiang family, as long as you speak, they must obey!"

Jiang Wuya laughed.

After Kai bid farewell to Jiang Wuya and Ge Cangsheng, he followed Ge Fuhai back to Kyoto, while Kai hurried non-stop towards Baihai City.

It is estimated that the sesame seeds are still in Wenrou Township.

When Kai arrived at Shen's house, Hu Mazi was indeed surrounded by two beauties, and Hu Mazi's face was not very good!

Kai can see at a glance that this is caused by excessive indulgence!

"Kai, why are you here?"

Seeing Kai, Hu Mazi waved the two beauties away and asked in surprise.

"If I don't come, it is estimated that you will die in Wenrou Township. Look at the way you are now, you have no energy at all!"

Kai glanced at the Hu Mazi helplessly.

Hu Mazi smiled and said: "You don't understand, I am also cultivating..."

"You came here suddenly, do you have something to do with me?"

Hu Mazi got up and moved his muscles and said.

Kai said.

"f\*ck, the Flower Tracking Talisman consumes a lot of mana, who do you want to track?"

Hu Mazi asked.

"Ge Yuhan, she's missing..."

Kai replied.

"What? That girl is still missing, is she lost? After all, it's different from now thousands of years ago."

Hu Mazi knew that Ge Yuhan's body was a soul that had lived for thousands of years!

"No, I can feel that she is locked up and is in danger, but I can't find her exact location."

Kai said seriously!

Seeing Kai being so serious, Hu Mazi also put away his smile, frowned slightly and said, "That girl is very strong, and the person who can take her away is definitely not an ordinary person. Do you have something with her breath?"

Hu Mazi To draw a tracking symbol, you must have the breath of the other party's body, otherwise how can you track it!

"I brought it..."

Kai took out Ge Yuhan's underwear.

When Hu Mazi saw it, she was stunned for a moment, swallowed and said, "Damn, you took these things on purpose to make me unable to draw talismans at ease?"

"I... I just feel that on this dress, she has the most breath. Thick!"

Kai didn't think about it that much at the time, he went to the Red Lotus Palace and brought Ge Yuhan's underwear.

"Okay, give me the things!"

Hu Mazi took the clothes, then put them on the table, then took out a yellow talisman, and said something in his mouth!

Suddenly, the yellow talisman burst into flames, followed by Ge Yuhan's clothes, and bursts of blue smoke rose up!

As the runes burned to ashes, Hu Mazi frowned tightly: "Why so far?"

"What? Do you know where Ge Yuhan is?"

Kai asked.

Hu Mazi nodded: "Yes, follow me..."

After that, Hu Mazi's figure disappeared in a flash, and Kai followed closely!

The two of them each cast their own spells and moved forward rapidly!

Every time a certain distance passed, Hu Mazi would take out a tracking talisman and burn it to determine the exact position of Ge Yuhan!

Soon Kai followed Hu Mazi to the inaccessible jungle.

"Master Hu, you can't be wrong, how can people be caught here?"

Kai looked at the desolate jungle around him, feeling a little incredible!

Chapter 1727 Ninja

"Don't worry, it's not wrong, do you still doubt me?"

Hu Mazi glanced at Kai.

"No...no doubt..."

Kai smiled awkwardly, and then the two entered the jungle!

Kai followed Hu Mazi for more than half an hour, when Kai stopped suddenly, and directly held Hu Mazi!

"What's wrong?"

Hu Mazi turned around and asked.

Kai made a silent motion, signaling Hu Mazi not to speak, and then a line of consciousness slowly spread out!

Soon, Kai discovered that in the jungle in front, there were two people who directly integrated themselves into the jungle. If you don't need to detect it, it is difficult to find it!

"Ninja?"

Kai frowned slightly.

He didn't expect that in such a place, how could two ninjas from the island country suddenly appear?

And the ninjutsu of these two people is very powerful, if Kai had not noticed a breath in advance, I am afraid that they would have been deceived by these two people.

Kai winked at Hu Mazi, and then the two pretended not to know anything and started walking forward!

When the two ninjas saw Kai and Hu Mazi, they were all surprised, because very few people came here.

The two ninjas looked at each other, then flashed, and suddenly appeared behind Kai and Hu Mazi, and then two samurai knives were placed on Kai and Hu Mazi's necks!

"You two, what are you doing?"

a ninja asked Kai and Hu Mazi.

The two were already mentally prepared, Kai reached out and grabbed the short knife, and with a slight force, the short knife broke directly!

The ninja was startled, he waved his hand suddenly, and a handful of white powder went towards Kai!

This is a move that their ninjas can use. If they encounter an enemy stronger than themselves, they will use the ecstasy to escape!

It's just that their fascination has no effect on Kai!

Kai sneered, then stepped out one step, and directly picked up the ninja!

Seeing this, another ninja waved the short knife in his hand, trying to chop off Hu Mazi's head!

"Damn, I thought I was easy to bully..."

Hu Mazi's expression turned cold, and then he dodged, and then instantly threw out three spells in his hand!

The three charms burned, turned into three fireballs, and went straight to the ninja!

The ninja couldn't dodge in time, and his body was directly set on fire!

The severe pain caused the ninja to keep rolling on the ground, trying to put out the fire!

But Hu Mazi is a real fire, how can it be put out so easily.

In this way, the ninja was burned alive and turned into a coke!

This tragic scene was seen by another ninja, and his body kept shaking!

He struggled desperately, but found that he couldn't use his strength at all, as if the strength in his body was sealed!

"Who are you? Why are you here? Did you catch a girl?"

Kai asked the ninja.

"I don't know, we're just lost here!"

said the ninja, shaking his head.

Seeing this, Kai slapped him with a slap: "Are you treating us as fools?"

The ninja was slapped, stopped talking, and kept his mouth shut!

"Kai, look at me, I will use the bone-eating talisman to make his life worse than death, see if he opens his mouth..."

Hu Mazi said, took out a yellow talisman, and then quickly drew on it!

Seeing this, the ninja suddenly gritted his teeth, and then his eyes widened, and a mouthful of black blood spurted out!

Seeing that the ninja committed suicide by taking poison, Kai frowned slightly!

It seems that these guys are not simple, the discipline is very strict, since they committed suicide by taking poison, they will not say anything!

Kai threw away the ninja's body at will, and said to Hu Mazi: "Master Hu, let's go, be careful later..."

Chapter 1728

Hu Mazi nodded, and then the two walked forward cautiously!

At the same time, Kai's consciousness spread, and he began to search around. As long as there were ninjas around, he could find it immediately!

At the same time, in the cave, Jiro Ono was looking at Ge Yuhan in front of him!

Looking at Ge Yuhan's beauty, Ono Jiro felt a little thirsty in his heart!

It's just that because of Kazuo Kawaguchi's advice, Jiro Ono didn't dare to do anything to Ge Yuhan.

Just as Ono Jiro got up, suddenly a sense of consciousness was sensed by him.

"Someone broke in..."

Ono Jiro's face changed, and he immediately ordered loudly, "Quick, someone broke in, one group meets the enemy, and the others close the camp!"

Soon, more than a dozen black-clothed samurai rushed in a hurry. Go out, and at this time, the entrance of the cave began to make a creaking sound, and soon the entrance of the cave was closed, and the whole mountain merged into one, and it was impossible to see it at all!

"Master Hu, there are more than a dozen people here..."

Kai reminded Hu Mazi.

"I feel it, they are all a group of great Martial Sects, not even a Martial Marquis, garbage..."

Hu Mazi said disdainfully.

"Can you deal with these people?"

Kai looked at Hu Mazi.

"Damn, look down on me?"

Hu Mazi said, chanting words in his mouth, and then the whole person instantly turned into the ninja who was just killed!

"I transformed into this appearance, and gave them a surprise..."

Hu Mazi smiled at Kai.

Kai almost forgot that Hu Mazi had learned the transformation spell and passed it on to him.

"Then, it's up to you to perform..."

Kai smiled lightly, then he straightened his body, hid himself on a tree, and completely concealed his breath!

Hu Mazi pretended to be injured and started to walk forward, and was soon followed by more than a dozen samurai oncoming!

"What's the situation?"

asked one of the leading group leaders among the samurai.

"Someone broke in and killed our people..."

Hu Mazi looked weak and pale.

"Baga, dare someone break into our camp, it's just damn..."

"You follow, I'll kill the intruder..." The

team leader roared, and then continued to move forward with the warriors. Go!

Hu Mazi followed behind and patted the last samurai on the shoulder.

"What's the matter?"

the warrior asked back.

But when he just turned around, what he saw was a dazzling dagger, only to see a flash of white light, and the warrior's neck was instantly cut open!

Before he could make any noise, the samurai went directly to see Hades!

As soon as Hu Mazi stretched out his hand, he supported the warrior's body and let him slowly fall to the ground, so as not to disturb the people in front of him!

Hu Mazi moved cleanly and neatly, and the people in front didn't even notice it at all!

And Hu Mazi now looks like their own people, no one will be wary of him at all!

In this way, Hu Mazi used the same technique to kill several warriors one after another, and Kai, who was hiding in the tree, almost laughed out loud!

At the end, the team leader was still walking forward cautiously, holding one hand on the samurai sword, ready to attack at any time!

After walking a distance, he didn't see the intruder. The team leader frowned slightly: "We will search separately, you..." The

team leader turned around and was about to give an order, but found that there was nothing behind him, except for Hu Mazi. There is no one else!

The group leader was surprised: "Where are they?"

Hu Mazi shook his head: "I don't know..."

At this moment, the team leader's eyes on Hu Mazi changed a little, and then he suddenly pulled back: "Who are you?"

A man like none other and the man decree (chinese) Chapter 1729-1730

Chapter 1729 I am your ancestor

When Hu Mazi saw that the stuffing was revealed, he laughed and changed back to his original appearance.

Kai also jumped down from the tree at the moment, and said to Hu Mazi: "Master Hu, this transformation spell is really good, but unfortunately it can't change the breath, if it can, no one can tell it!

" You haven't seen even more powerful spells..."

Hu Mazi said with a smug look on his face.

Seeing that Kai was chatting with Hu Mazi, the group leader ignored him. He was furious and pulled out his samurai sword, roaring and waving at Kai and Hu Mazi!

Kai just grabbed it casually, grabbed the samurai sword directly, and then with a little force, the samurai sword broke instantly!

When the group leader saw this, he was instantly stunned. At this time, he realized that he followed Kai and their strength gap!

The team leader turned around and wanted to run, but Kai slapped it into meat!

"The last guy, don't leave it to me, let me have a lot of fun..."

Hu Mazi looked at the team leader who was shot to death by Kai, and said with a pity!

"There's no time to delay, hurry up..."

Kai rushed forward quickly, and Hu Mazi followed closely behind!

The two quickly arrived at the foot of the mountain. Looking at the unmarked peak, the corner of Ling Feng's mouth raised slightly!

Looking at the mountain in front of him, Kai's fist began to flash with golden light!

Immediately followed by a punch.

Boom...

The whole mountain is shaking, and the hole in front of me is instantly blasted open!

"What's going on?"

Ono Jiro looked shocked, the whole cave was shaking constantly!

"Captain Ono, someone broke in..."

A subordinate rushed to report.

"Quick, activate the magic circle..."

Ono Jiro ordered loudly!

As for Kai at this moment, Ge Yuhan's familiar aura was felt the moment the hole opened!

"It's inside..."

Kai and Hu Mazi quickly ran towards the cave!

But just ran into the cave not too far, I saw dozens of white rays of light shining towards them!

Immediately afterwards, these rays of light were woven into a large net, and I saw Kai and Hu Mazi shrouded in it!

At the same time, Jiro Ono led someone directly over and surrounded Kai and the others.

"Who are you? How did you find this place?"

Ono Jiro asked.

"We are your ancestors, and in this broken place, I used a little magic to find it."

"Hurry up and release the girl you caught, or you will look good..."

Kai said to the Ono Jiro.

"It turns out that you are here to find that girl, but it is useless for you to come here. No one can save the people who enter here."

Ono Jiro's face was full of confidence!

Now that Kai and the others are bound by the magic circle, Jiro Ono is not afraid at all!

"Who caught her? Anyway, with your ability, it is impossible to catch that girl."

Kai asked Jiro Ono.

Ono Jiro himself is only a Marquis, how could it be possible to capture Ge Yuhan!

Although Ge Yuhan's strength is suppressed, he can also exert the strength of the Great Wuhou, which is not comparable to Ono Jiro.

"Now that you know who caught it, what can you do? Soon you will all die..."

Ono Jiro sneered and didn't say anything at all!

"Why, we are all prisoners, you dare not say it? Did your master tell you?"

Kai looked at Jiro Ono and asked with a mocking expression.

He was deliberately angering Jiro Ono, and Kai wanted to know who could arrest Ge Yuhan!

When Kai saw these island warriors, he actually had a guess in his heart, but he wanted to verify whether his guess was correct.

Chapter 1730 Run \_

"Hmph, what can I tell you? That girl was caught by Lord Kawaguchi, as if there is some secret about that girl..."

Ono Jiro said unsuspectingly.

Anyway, Kai and the others will die soon, so it's okay to tell them!

"It really is Kazuo Kawaguchi, and he is the only one who can capture Yuhan here..."

Kai's eyes narrowed slightly, and there was a cold glow in his eyes!

"What are you islanders doing when setting up a base here?"

Kai asked Jiro Ono.

These island warriors must have an intention to secretly build a base in the place of Daxia.

Kai wants to ask, what exactly are these people trying to do!

Only this time, Ono Jiro didn't say anything, but said coldly: "I'm dying, I still want to inquire about so many things."

"Kill them for me..."

Ono Jiro ordered loudly.

He always felt that Kai was deliberately trying to trick him!

Several samurai, holding samurai swords, stabbed Kai and Hu Mazi!

Seeing this, Hu Mazi hurriedly roared: "Kai, you are strong in body and are not afraid of swords and spears, but I can't, you have broken this formation!"

Hu Mazi knew that Kai would definitely be able to break this formation!

"Break open? What are you kidding me? This is the formation that was set up by the god envoy of our Jingguo Sect. How could you break it..."

As soon as Jiro Ono finished speaking, he saw Kai suddenly burst out. Golden light!

The terrifying aura swept out, and the few warriors who had rushed towards them were instantly blown to the ground by the terrifying aura!

And the net made up of dozens of rays of light instantly turned into nothingness!

"You...you..." Ono Jiro looked surprised: "You turned out to be the Great Marquis..."

Ono Jiro's face was extremely ugly!

"Master Hu, I'll give you the little one, how about this little head?"

Kai said to Hu Mazi.

"No problem..."

Hu Mazi nodded.

I saw Kai step out, and the terrifying aura erupted from his body. After feeling the aura on Kai's body, Jiro Ono turned around and ran!

"You still want to run?"

Kai sneered and ran after him!

Seeing this, Jiro Ono suddenly slapped his palm backwards, and several boulders went straight towards Kai!

Kai just punched it out, and those boulders instantly turned into powder.

And Kai's punch continued unabated, smashing Ono Jiro's chest fiercely!

Ono Jiro's rib was broken, and blood spurted out from his mouth.

Ono Jiro did not dare to stop, and his body quickly escaped again!

Kai chased after him unhurriedly, because he knew that Jiro Ono would definitely lead him to find Ge Yuhan!

But Jiro Ono is not stupid. Of course he knew Kai's intentions, and he didn't take Kai to the place where Ge Yuhan was imprisoned!

The cave where Ono Jiro escaped is getting narrower and narrower, and it also has an eerie atmosphere!

Just as Ono Jiro was running in front of him, he suddenly slapped his palm towards a stone wall, and golden light lasing out from both sides in an instant.

Because of the small opening of the hole, Kai had no room to dodge at all!

A streak of golden light hit Kai!

Ono Jiro stopped with a sneer!

But when the golden light hit Kai, Kai didn't move at all, and he didn't have the slightest scar on his body!

That streak of golden light seemed to be empty!

Originally, Kai was brought here, and Kai could be killed by turning off the engine, but he didn't want Kai's body to be so powerful!

Kai asked Jiro Ono.

"Boy, come with you if you have the ability..."

Ono Jiro's eyes flashed with cold light, and he gritted his teeth fiercely, as if he was making a decision!

When he reached a stone gate, Jiro Ono stopped and looked at the stone gate in front of him, as if hesitating!

Looking at Kai who was approaching from behind, Jiro Ono suddenly pushed open the stone gate and walked in!

Kai didn't hesitate, and went in directly.

But when Kai walked into Shimen, he realized that there was a very wide hall behind it!

And there is a circular altar in the middle of the hall, a big spider in the middle keeps spitting silk threads, and around the big spider, there is a cage of rays of light!

On the stone wall of the hall, there is actually a silkworm chrysalis-like thing. These things are attached to the stone wall and are covered with silk threads!

Kai didn't expect that there is a monster here, but looking at the size of the spider and the aura it exudes, it's obviously a high-level monster!

Ono Jiro threatened Kai.

"Stop talking nonsense, but you let it go. If I guessed correctly, this big spider probably won't listen to you, right?"

Ono Jiro's face turned ugly, obviously because Kai guessed it right.

"You'd better get out. If you force me, I will die with you..."

Ono Jiro put his hand on a stone wall, and it seemed that it was the eye of the magic circle!

Kai glanced at the big spider, his eyes became hot, and then the Dragon Slaying Sword slowly came out!

This kind of monster, you must know that the beast pill is a rare treasure!

Even if Jiro Ono didn't let it go, Kai didn't plan to let the monster in front of him go!

"Don't fucking talk nonsense, let it out if you have the ability..."

Kai was ready to deal with the monster!

"I... I really let it go..."

Ono Jiro trembled slightly!

"Damn, there's so much nonsense..."

Kai raised his Dragon Slaying Sword and slashed at Jiro Ono!

The terrifying energy roared, like a light, and flew towards Ono Jiro in an instant!

When Ono Jiro saw this, he suddenly pressed his palm!

There was only a harsh sound, and then the beams around the spider beast disappeared, and the spider beast roared and rushed towards the nearest Ono Jiro!

Dang.....

With a crisp sound, the spider beast was in pain and roared, but it didn't hurt the spider beast!

When Kai saw this, his face was a little ugly!

Although his sword did not use all his strength, he did not even break the defense of the spider beast!

The spider beast glanced at Kai, but instead of attacking Kai, he opened his mouth and bit at Jiro Ono!

When Ono Jiro saw this, he jumped up, and then kicked the silkworm chrysalis-like thing attached to the stone wall!

The silkworm chrysalis-like thing flew towards the spider beast, and the spider beast's two legs were instantly clamped, and then the two sharp claws cut the outer silk thread directly!

Chapter 1732

When the wrapped silk thread was slashed, a thick bloody smell came out, and then a corpse fell out of the silkworm chrysalis-like thing!

The spider beast swallowed all the silk thread and corpse, and then attacked Jiro Ono again!

Ono Jiro's face was extremely ugly, and he kept yelling at the spider beast in his heart. He didn't understand why the spider beast was always chasing him!

Ono Jiro can only keep kicking things like silkworm chrysalis up and down the stone wall to stop the spider beast!

And in each one, there is actually a corpse, there are men, women, and even children...

At this time, Hu Mazi chased after him, and when he saw the scene at the scene, his face instantly became extremely ugly!

"Master Hu, what's wrong with you?"

Kai asked Hu Mazi.

"Living figurines, these beasts actually made living figurines..."

Hu Mazi gritted his teeth, his eyes were full of anger!

"Master Hu, what are the living figurines?"

Kai looked puzzled, not knowing what Hu Mazi was talking about!

"The figurines of living people are to wrap the living people directly with silk, so that people will starve to death in it, and then use these figurines to raise monsters!

" All the filth in the body is cleaned up, so that the monsters will like to eat more..."

Hu Mazi explained.

When Kai heard it, he was instantly furious, and now he knew that the corpses inside were all wrapped up before they died.

At this time, Jiro Ono was still using the living figure to avoid the attack of the spider beast!

Kai slapped it with a palm, and with overwhelming pressure, he went straight to Jiro Ono!

Ono Jiro was focusing his attention on the spider beast, but now he suddenly found a terrifying aura coming, and Ono Jiro didn't have time to dodge at all!

After the spider beast lost its target, it instantly turned its attention to Kai!

The spider beast seemed to know the strength of the person in front of him was relatively high, so it did not rush over directly, but spit out a few threads of silk in an instant, and then entangled Kai and Hu Mazi!

Seeing this, Kai lifted the Dragon Slaying Sword in his hand outwards, cut off those threads in an instant, and then slashed towards the spider beast with a sword!

Feeling the danger of the spider beast, its figure retreated again and again, followed by its two front legs as sharp as knives, waving at Kai with a lingering energy!

Dangdangdang.....

Kai held the Dragon Slaying Sword in his hand, and instantly blocked the attacks of energy, and then fiercely stabbed the Dragon Slaying Sword into the spider beast's body!

Pfft...

A dark green blood flowed out, and Kai's Dragon Slaying Sword pierced into the body of the spider beast, but the distance it penetrated was very small, and it could only break through the spider beast's defense.

Kai was shocked, this was his full blow, but he didn't expect that he just broke the defense of this spider beast!

The injured spider beast roared, then opened its bloody mouth and bit Kai directly.

At the same time, the claws of the spider beast controlled Kai's Dragon Slaying Sword.

Seeing this, Kai wanted to pull out the Dragon Slaying Sword, but found that the Dragon Slaying Sword had been controlled by the claws of the spider beast, so he retreated abruptly and avoided the attack of the spider beast, but at the same time he let go of the Dragon Slaying Sword!

Seeing this, Kai hurriedly followed Hu Mazi towards the outside, while the spider beast was chasing after him. Because of the small cave, the spider beast's body kept hitting the stone wall, causing the rocks to fly and the whole mountain to shake!

"Master Hu, go to Yuhan and rescue her..."

Seeing this, Kai hurriedly said to Hu Mazi.

If this collapsed the whole mountain and Ge Yuhan was pinned down, he would definitely die.

Hu Mazi nodded, and then instantly disappeared at a fork in the road!

Kai was desperately running out, while the spider beast was chasing after him. Some island warriors who didn't know what was going on were directly treated by the spider beast as a snack!

The entrance of the hole was right in front of him, Kai jumped and rushed out, and the spider beast also rushed out. The original hole was knocked into a big hole in an instant!

The moment the spider beast rushed out, it spit out several threads of silk, directly restraining Kai, and then opened its bloody mouth and walked towards Kai!

Kai held the Dragon Slaying Sword, and at the moment when the spider beast opened its mouth and bit it down, Kai threw the Dragon Slaying Sword directly into the mouth of the spider beast, and the Dragon Slaying Sword instantly supported the mouth of the spider beast!

Chapter 1734

Just when Kai was a little overwhelmed, Ge Yuhan, who was dressed in white, suddenly fell down, like a fairy, and stopped in front of the spider beast!

"No, this is the art of controlling beasts, the ancient art of controlling beasts, it's amazing..."

"At that time, Hu Mazi looked up and shouted excitedly.

Kai looked puzzled. He didn't understand what the animal control technique was, but he still believed in Ge Yuhan and took out the Dragon Slaying Sword from the spider beast's mouth!

Ge Yuhan gently stroked the spider beast's head, and then a faint light enveloped the spider beast.

Soon the body of the spider beast became smaller and smaller, and finally there was only a small spider the size of a thumb!

Kai was stunned when he saw everything in front of him.

Ge Yuhan found a bottle, put the spider beast in it, and then put it in his pocket!

At this time, Hu Mazi also came over and looked at Ge Yuhan with excitement and admiration on his face: "Girl, you...you know such an ancient animal control art, can you teach me?"

When Hu Mazi heard this, she was a little unhappy: "You girl, you were rescued by me, and I was your savior."

"No. I don't teach it, but you can't learn it at all, you must have a pure heart to learn animal control."

Kai asked Hu Mazi with a glaring look.

"Are you kidding me, how could you be the son of a dignified dragon, the real body of a golden dragon, you could hang, even if you were eaten by that monster, you wouldn't hang."

Hu Mazi hurriedly explained.

"Okay, don't flatter me..."

After Kai finished speaking, he looked at Ge Yuhan and said, "Yuhan, can you teach me what kind of beast-controlling technique? When I conquer a heavenly monster, I will be able to The world is invincible."

Ge Yuhan rolled his eyes at Kai: "What kind of dream do you want? Although this animal control technique is powerful, it can only subdue monsters that are equal to or inferior to your own strength."

"If you want to tame high-level monsters , that's simply impossible."

Kai was stunned for a moment, then puzzled: "I'm afraid this spider beast has surpassed the strength of Da Wuhou just now, so how did you conquer it?"

Kai knew that Ge Yuhan's strength was limited. , Now it is only the strength of the Great Marquis, how can it be possible to conquer the monsters that exceed the strength of the Great Marquis!

Chapter 1735 Pursuit \_

"Impossible, absolutely impossible, I was almost eaten by this spider beast just now. Could it be that I can't even deal with a monster with only the strength of the early Great Marquis?"

Kai can't believe it, he is now a third-rank Great Marquis How could it even be impossible to deal with the monsters in the early Dawuhou period!

Ge Yuhan smiled: "Each monster has its weaknesses and strengths. This spider beast has a very strong defense, so you should fight against it."

"If you attacked its tail at the moment when it spins, you would have killed it long ago. Killed..."

When Kai heard it, he was speechless, because he really did not understand the characteristics of these monsters, and it seemed that he would have to study more in the future.

Looking at the cave that had collapsed and thinking of the people who were made into living figures, Kai's heart was full of anger and killing intent!

"These bastards, I will definitely make them pay the price."

"Jingguo Divine Sect, I remember you..."

Kai gritted his teeth, and his eyes were cold.

"Let's go..."

Hu Mazi called Kai.

Kai nodded, and the three were ready to leave!

"Sakata-kun, I'll be working on you in a while."

Kazuo Kawaguchi said respectfully to the middle-aged man.

This middle-aged man is the soul search master Sakata Masamura invited by Kazuo Kawaguchi from the island country. Although the strength of this Sakata Masamura is not high, the soul searching technique has already reached the level of perfection!

"Kawaguchi-sama is serious. I also want to see what the souls of thousands of years ago looked like."

Sakata Masamura said with a faint smile.

Soon the car stopped, and the two began to walk into the jungle!

As soon as he entered the jungle, Kazuo Kawaguchi's expression changed instantly.

"Broken, someone has been here..."

Kazuo Kawaguchi frowned, and then quickly ran forward.

Sakata Masamura followed closely behind!

And Kai and the three of them were about to leave when they suddenly felt an extremely dangerous aura coming towards them!

Kai caught Kazuo Kawaguchi's breath in an instant.

He is very familiar with this breath!

"Then Kazuo Kawaguchi is here, we have to go quickly..."

After Kai finished speaking, he changed his direction directly, instead of walking towards the outside of the jungle, he ran towards the depths of the jungle!

After Kazuo Kawaguchi took Sakata Masamura to the base, he was dumbfounded. He saw many corpses on the ground, and the mountain collapsed, destroying the entire base!

"Baga..."

Kazuo Kawaguchi roared, and then closed his eyes slightly, feeling the surrounding breath!

Soon his eyes opened: "Just ahead, chase..."

Kazuo Kawaguchi's eyes were full of anger, and he began to pursue Kai and the others.

Kai and the others ran, and Kazuo Kawaguchi chased after him!

I don't know how far I ran, but Kazuo Kawaguchi was biting hard!

"Master Hu, you take Yuhan to run from another direction, and I'll lead Kazuo Kawaguchi away..."

Kai said to Hu Mazi.

"Kai, can you do it yourself? It seems that Kazuo Kawaguchi's strength is not weak."

Hu Mazi asked Kai.

"Yes, that Kazuo Kawaguchi is very strong, and it is estimated that in the later stage of the Marquis of Great Wu, I am not his opponent."

Ge Yuhan also said.

"It's okay, I run fast, as long as he can't catch up with me, I'll be fine, otherwise we will be caught up by him sooner or later."

Kai knew that if the three of them ran like this, they would be caught up sooner or later, and it was estimated that no one would be able to run away by then!

Now as long as Hu Mazi and Ge Yuhan are safe, Kai can use the speed advantage to escape.

"Well, you have to be more careful yourself, we will meet in the city ahead."

After Hu Mazi finished speaking, he was about to leave with Ge Yuhan.

Chapter 1736

"Wait a minute." Ge Yuhan took out the small bottle from his pocket and handed it to Kai: "If there is danger, this spider beast can help you resist it."

Then Ge Yuhan told Kai two spells, and then he followed Lu Ma . Son is gone!

Kai put the small bottle in his pocket, deliberately exposed his breath, and started running in the other direction!

Kazuo Kawaguchi led Nasakata Masamura in hot pursuit, and finally caught up with Kai on a hill.

"Sure enough, it's your kid..."

Looking at Kai in front of him, Kazuo Kawaguchi's eyes were full of killing intent, and just now he felt that the breath belonged to Kai.

Kai killed Jun Watanabe, and now they have destroyed their secret base, Kazuo Kawaguchi will never let him go.

"Kawaguchi kid, your island country dares to set up a private base here, and even mutilates our compatriots and feeds monsters for you. I will kill you today and avenge those who died."

Kai yelled at Kazuo Kawaguchi . .

"Haha, don't you think you're funny? You can kill me

alone?" Kazuo Kawaguchi laughed, not taking Kai in the slightest.

"Whether it can kill you, try it and you'll know."

Kai's body began to glow with golden light, and his golden body was activated, and his body was instantly covered with scales!

At the same time, Kai was holding the small bottle in his hand, ready to release the spider beast. As long as the spider beast blocked Kazuo Kawaguchi for a while, he would be able to escape.

Kai is not stupid enough to really fight with Kazuo Kawaguchi.

Now Kai has no advantage in terms of strength or numbers.

"Hmph, I'm not self

Kazuo Kawaguchi was about to start, but was stopped by Sakata Masamura: "Lord Kawaguchi, don't kill him, this person's soul is too powerful, if we can extract his soul and control it, then we have another one under our command. Master."

Kawaguchi Kazuo said.

"Lord Kawaguchi, just look at me..."

Sakata Masamura said, took two steps towards Kai, and then sneered: "Boy, if you cooperate obediently, you can avoid the pain of scraping your bones. Do you understand?"

Kai looked at Sakata Masamura, who didn't have any strength, so he smiled coldly: "I cooperate with your mother, and you still want to arrest me with your strength?"

"Boy, don't be stubborn. You'll know when you meet..."

After Sakata Masamura finished speaking, black mist began to appear on his body, and then the black mist turned into a black shadow, which instantly surrounded Kai!

The moment the black shadow touched Kai, it directly entered Kai's body.

Immediately, Chen Pingping was stunned for a moment, and his eyes instantly became dull!

Seeing this scene, Nasakata Masamura's mouth showed a faint smile!

Kazuo Kawaguchi said with a look of surprise: "Sakata-kun, your soul searching skills are really getting stronger and stronger..."

"Hahaha, Lord Kawaguchi has won the prize, so it's normal..."

Sakata Masamura laughed.

Soon, black mist began to appear in Kai's body, and then the shadow slowly left Kai's body, and in Kai's body, a figure that was only about half a meter was also taken out!

And Kazuo Kawaguchi frowned. He didn't expect Kai to have such a terrifying soul in addition to his physical strength. Even the soul search master's soul search technique couldn't help Kai!

At this moment, Kai's soul also entered the body, and he said with a sneer: "With this little ability, let's go home and eat milk..."

Even with the undamaged golden body to protect the body, Kai still had many wounds on his body, and the undamaged golden body on his body was also incomplete!

Kai looked at the wounds on his body, his face full of solemnity: "The speed is too fast, this guy's swordsmanship is really weird..."

Seeing Kai's tattered and injured, Kazuo Kawaguchi raised the corner of his mouth: "I As I said, just because you are not my opponent at all, and my swordsmanship has already been superb, but not comparable to that idiot Watanabe Jun."

"You obediently donate your soul now, I can let you avoid it. Peel the pain of skin and flesh, otherwise you will be worse than death..."

Kazuo Kawaguchi's expression changed: "You actually know the Nine Shadows of the Watanabe family?"

"Bah, the Nine Shadows of the Watanabe family is just a defective product, and I'm the real one!"

As the figure swayed, I saw more and more figures of Kai.

Every figure is holding a Dragon Slaying Sword, and all of them exude aura, so they can't tell the truth from the fake!

"Nine Shadows Divine Sword, ten thousand arrows pierce the heart..."

Kai shouted angrily, and then several figures waved their swords at the same time!

Each of them exudes a terrifying edge, and the figure transformed by the Nine Shadows Divine Sword instantly dissipates under these thousands of sharp edges!

Countless sharp edges merged together and burst into a dazzling light.

Boom.....

Like a thunder explosion, a dazzling light rose into the sky!

Apart from the mess, there was no one in sight!

"Hmph, ignorant guy..."

Kazuo Kawaguchi snorted coldly, his face expressionless.

Killing Kai, for him, has nothing to be happy about, because in his opinion, killing Kai only needs one move, but now he has already made several moves, exceeding his expectations!

Just when Kazuo Kawaguchi thought that Kai was dead and turned into scum, and was about to turn around and leave, he suddenly found a figure rushing forward!

That figure was in ragged clothes and was extremely fast. Who else could it be if it wasn't Kai... "

Kazuo Kawaguchi's eyes flashed with greed!

"Boy, you have quite a lot of treasures..."

Kazuo Kawaguchi jumped, and then the samurai sword drew a lotus flower in the air!

The lotus magnified instantly and shrouded towards Kai!

Kazuo Kawaguchi did not dare to follow Kai head-on, he was afraid that Kai's Dragon Slaying Sword would collapse.

To know that a sword that produces a sword spirit is priceless!

Kai felt something coming from behind him, and instinctively waved his hand back, and a sword beam shot out instantly!

But the sharp sword light penetrated the lotus flower, and did not cause any damage to the lotus flower!

Soon, Kai's whole body was shrouded in that lotus!

"Hmph, brat, you have the ability to keep running..."

Then Kai slashed towards the lotus with a fierce sword, but the sword light penetrated instantly and did not cause any damage to the lotus!

"Haha, you don't have to waste your energy. This lotus flower is an illusory thing. No matter how hard you try, you can't break it."

Kazuo Kawaguchi laughed!

Kazuo Kawaguchi walked to Kai and looked at Kai coldly: "Hand over the beast pill, and the sword in your hand, I might consider letting you die..."

Kai stared at Kawaguchi Kazuo: "What you said is true?"

"Of course, I'll keep my word. As long as you hand over what I want, I will definitely let you go..."

Kazuo Kawaguchi assured.
