## Chapter 939 One On Each Side

Seeing that Lizbeth turned away, Josephine freed herself from Jared's arm. Surprisingly, Josephine grabbed Lizbeth's arm and pushed her into Jared's embrace.

"Lizbeth, let's feel Jared's warm embrace together."

With that, Josephine also leaned against Jared while holding Lizbeth's arm.

Initially, Lizbeth tried to struggle to free herself from Jared. Nonetheless, she stopped moving when Jared wrapped his arm around her shoulder. Slowly, she rested her head against his shoulder, enjoying the warmth exuded from Jared's chest.

At that moment, Jared somehow felt that he had become a true winner in life whom all men aspired to be.

Am I not the exemplar of embracing a woman on each side?

Creak...

When someone opened Jared's door, Lizbeth and Josephine hastily freed themselves from Jared's embrace and stood up.

Jared stood up and straightened his clothes in embarrassment. Once Jared saw Anne, he asked in slight bewilderment, "Princess Anne, it's rather late now. May I know what's the matter?"

After glancing at Josephine and Lizbeth, Anne smirked at Jared and teased, "Jared, I didn't know that you're a casanova who enjoys the company of more than one woman. Are they both your girlfriends?"

Jared was in a tough spot. I've just hugged Lizbeth. If I say that Josephine is my girlfriend, who is Lizbeth to me then?

"You're right. Both of us are his girlfriends."

Sensing Jared's dilemma, Josephine grabbed Lizbeth's hand and responded to Anne.

Anne's lips curled up upon hearing the answer. "Jared, you have a lot of luck with ladies. Having two beautiful girlfriends at the same time is like a dream!"

Instantly, Josephine and Lizbeth could sense the hint of jealousy in Anne's words. As such, they glanced at Jared in unison.

"Princess Anne, do you have something to discuss with me at this hour? Otherwise, I have to get some rest."

At that time, Jared's heart pounded non-stop, for he was worried that Anne would spew nonsense. After all, he was aware that foreign girls were usually more open-minded and unabashed to talk about sensitive topics.

"Why are you so nervous? I'm here to say goodbye to you. We're going back to Seneris tomorrow morning. Remember to give me a call when you come to Seneris, and I'll bring you to visit our famous attractions." Then, Anne turned to Josephine and Lizbeth and continued, "Ladies, you're lucky to have an exceptional boyfriend like Jared."

With that, Anne turned around and left the room.

However, Josephine and Lizbeth fixated their gazes upon Jared.

"We haven't met for more than a month, yet you have already courted a foreign chick!"

Josephine came up to Jared and pulled his ear.

"No, I'm innocent. I just came to know Anne not long ago. She always wanted to chat with me, but I never took the initiative to talk to her first," Jared hurriedly explained.

Nevertheless, Josephine didn't believe Jared's words. "I don't believe it. Something was off with that chick's gaze just now. I'm sure there is something between you two. Tell me the truth." Then, she turned to Lizbeth and continued, "Lizbeth, come over here to teach him a lesson with me. We should work toward the same goal now."

Lizbeth came up to Jared and pulled another one of his ears.

Hence, the two ladies pulled Jared's ear on each side and questioned him.

Soon, their laughter echoed through the room. Jared couldn't help but feel that it was the most relaxing moment of his life.

"How about sleeping here for tonight?" Jared proposed to Josephine and Lizbeth, whose faces had blushed.

"Dream on! How dare you want us to sleep with you before we're married?"

After rolling her eyes at Jared, Josephine grabbed Lizbeth's arm and left the room with her.

As they were leaving, Jared heaved a sigh, sat on the bed, and murmured, "I'll hold a wedding with both of you after rescuing my mom.

## **Chapter 940 Introduction**

Early in the morning, Jared and Theodore dropped Anne and Andrew off at the airport.

On the way back to the Department of Justice, Jared asked Theodore, "General Jackson, will any big shots attend the banquet?"

Looking at Jared, Theodore shook his head and answered, "I'm not sure about it. Since the banquet is organized by the higher-ups, I don't have the guest list. However, I think Mr. Cadden from Senary Porta will be attending it."

"Are you referring to Jermaine Cadden?" Jared wanted to be sure.

"Yes, it's him. You used to treat his son in the past." Theodore nodded.

After giving it some thought, Jared instructed, "General Jackson, can we visit Mr. Cadden now? After all, my true strength has been exposed. Besides, I have the draconic essence and Dragonslayer Sword now. I reckon many prominent families in Jadeborough are keeping an eye on me. As such, I think-

"No problem. We can go now. I understand that the prominent families won't be scared of the Department of Justice."

Theodore understood Jared's concern. It was why Theodore invited Warren, the director of the Warriors Alliance, to save Jared. Now that the tournament was over, he couldn't be sure if the Warriors Alliance would continue to vouch for Jared.

Soon, their car pulled over at Jermaine's residence. After asking the guard to report to Jermaine, Theodore led Jared into the villa.

"Mr. Chance."

Jermaine came up to Jared politely and held his hand once he saw Jared.

Jermaine didn't act like a big shot, for he remained grateful to Jared for saving his son in the past.

"Mr. Cadden, sorry for the abrupt visit," Jared greeted courteously.

"Mr. Chance, you're always welcomed to my residence. I'll never forget that you've rescued my son. Besides, we're all grateful to you for representing the Department of Justice in the battle and killing Ichiro from Jetroina," said Jermaine beaming with joy.

Then, Jermaine invited Jared to take a seat and made some tea for him. Jared couldn't help but feel shy.

After making tea, Jermaine sat down and asked, "Mr. Chance, are you here to seek my help? Please tell me what you need. As long as I can fulfill it, I'll lend a hand."

Jermaine initially thought Theodore and Jared would be busy preparing for the banquet today. Now that they were in his residence instead, Jermaine knew that they needed something.

Nonetheless, Jermaine's brief and straightforward remark stunned Jared.

After a while, Theodore began to explain the situation. "Mr. Cadden, the martial arts world is going through dramatic changes. Many prominent families are lurking around to target Mr. Chance anytime. If Mr. Chance wants to stay safe in Jadeborough, he needs someone's backing--"

Upon hearing it, Jermaine interrupted in embarrassment, "Theodore, you should know that Senary Porta only works at a desk. How can we dictate the matters related to the martial arts

world? Even if I make a request, those from the martial arts world might refuse to agree to it—

“Mr. Cadden, that’s not what I meant. Mr. Chance hopes that you can help introduce him to the higher-ups.” Theodore quickly made it clear.

Theodore understood Jermaine couldn’t dictate anything related to the martial arts world. After all, even the Department of Justice was more influential than Senary Porta within the martial arts world.

Upon hearing it, Jermaine exclaimed inwardly and nodded in response. After a thought flashed through his mind, Jermaine said, “By the way, I’ve almost forgotten to inform you this—Mr. Sanders might attend the banquet.”

“Mr. Sanders?” Theodore frowned as if he didn’t understand to whom Jermaine was referring. After a while, Theodore recalled something and widened his eyes in surprise. “Mr. Cadden, are you talking about...”

## **Chapter 941 How Do You Do**

Although Theodore didn’t continue, Jermaine nodded his head, indicating that Theodore was right.

“That’s good news. The Department of Justice will be honored to have Mr. Sanders’ presence.” Theodore could hardly contain his excitement.

Sitting next to them, Jared was in bewilderment because he didn’t know who Mr. Sanders was.

Nevertheless, Jared knew that the mysterious person was a big shot. After all, even Jermaine, a high-ranking official, addressed the person with his surname.

Jared and Theodore didn’t stay at Jermaine’s residence for a long time, for they had to return to the Department of Justice to prepare for the banquet later.

“General Jackson, who is this Mr. Sanders that you mentioned just now?” Jared asked Theodore in the car.

Although Theodore was driving, he still glance around cautiously before whispering to Jared, "Mr. Chance, do you remember I used to tell you that there is a secret department in Jadeborough?"

"Yes, I do remember. You said it's a government department tasked with limiting the power and influence of the martial arts world," Jared nodded and replied.

"You're right. Mr. Sanders is the officer who liaises with the outside world. Nonetheless, I'm not sure about his exact position in the department. Anyway, if Mr. Sanders can vouch for you, I believe the entire martial arts world of Jadeborough will not dare to lay a finger on you!"

Jared was a little ruffled upon listening to Theodore. Although Jared's power had increased drastically and became the rising star among the young masters, he was merely a nobody compared to the entire martial arts world.

What does the secret department do? How strong are the officers in it?

While Jared's mind was flooded with curiosity, he knew that he could come into contact with more influential people only when he got stronger.

Knowing that Mr. Sanders would be attending the banquet, Theodore diligently decorated the hall as soon as they returned to the Department of Justice.

When it was nearly noontime, some guests arrived at the Department of Justice. Although their cars weren't luxurious, all the guests were prominent figures.

Representing the host today, Jared and Theodore stood at the entrance to welcome the guests. Given that the guest list was decided by the higher-ups, even Theodore didn't know who would be coming.

Soon, Jared spotted a familiar figure.

It was none other than Kristoff, whose arm was cut off by Jared. After hopping out, Kristoff opened the car door for Wrea and Steinar.

Meanwhile, Theodore and Jared were startled when they saw the Shalvis family.

"Jared, how do you do?"

Despite having only an arm, Kristoff's imposing aura remained strong.

Jared was surprised when he sensed that Kristoff had become a Martial Arts Grandmaster. Although Kristoff had only returned from Dragon Island for roughly a month, he had successfully elevated his status from a Top Level Senior Grandmaster to a Martial Arts Grandmaster. Hence, Jared couldn't help but inwardly commend Kristoff's talent.

"Killing Ichiro is a testimony to your strength. However, I'll take revenge on you for cutting off my arm, no matter how strong you are." Kristoff leaned closer toward Jared and provoked him.

Unperturbed, Jared looked at Kristoff calmly.

Worrying that a conflict would ensue between Jared and Kristoff, Theodore quickly stood between them and said to Kristoff, "Mr. Shalvis, please come in if you're here to attend the banquet. If you're here to look for trouble, I'm afraid you've picked the wrong day."

"Theodore, we're here to attend the banquet, of course. Besides, I'm afraid you don't have the right to chase us away," Wrea sneered.

## **Chapter 942 Wait**

"Well, please come in!" With that, Theodore gestured for them to enter the hall.

Steinar waved his hand and said, "Let's go in!"

Upon hearing Steinar's instruction, Kristoff and Wrea stopped provoking Jared and entered the Department of Justice.

"Dad, the Warriors Alliance won't protect Jared after the banquet is over. Please take revenge on him for me afterward," Kristoff whispered to Steinar.

"Shut up. Today is not the day to discuss this." Steinar flashed Kristoff a warning glance.

Meanwhile, Theodore looked at Jared and advised him, "Mr. Chance, no matter who wants to look for trouble today, you have to be patient. Otherwise, you might leave a bad impression on Mr. Sanders, and all of our efforts will go down the drain."

Jared nodded in response. "I get it."

Soon, more guests from prominent families in the martial arts world arrived at the venue.

Knowing that it was immensely difficult to invite the prominent figures, Theodore couldn't help but feel shocked.

"Mr. Chance..." Leviathan and Colin greeted Jared once they arrived.

Jared asked curiously, "What a surprise! Who invited you?"

Leviathan responded, "We're here because the Warriors Alliance has informed us about the banquet. However, I have no idea who sent the invitation."

Jared was lost for words; then, before he said, "Please go in!"

After Leviathan and Colin entered the hall, Theodore turned to Jared and said, "Mr. Chance, the banquet is going to be interesting. I think those from the martial arts world attend the banquet to flatter Mr. Sanders."

Jared felt increasingly curious about Mr. Sanders upon listening to Theodore.

As more guests had arrived, Theodore anxiously glanced at his watch from time to time, for he couldn't wait to see Mr. Sanders.

When a limousine stopped at the entrance, Theodore went up to it hastily to greet the guest.

However, after the door was opened, Theodore realized that the guest was Warren, the director of the Warriors Alliance.

Warren got down from the limousine but ignored Theodore's presence. Instead, he courteously invited an elder in a white robe to get down.

The elder had a pair of lustrous eyes and exuded an imposing aura, even though he was aged.

Facing the elder, Jared and Theodore felt that the atmosphere became tense.

"President Zeigler, welcome!" As Theodore humbly greeted the elder, even his voice had slightly changed.

The elder nodded in response and soon fixated his gaze upon Jared.

"Is this Jared Chance, the one who killed Ichiro?" He then pointed at Jared and asked.

"Yes, he's Jared!"

Theodore nodded and turned to Jared. "Jared, this is Zion Zeigler, president of the Warriors Alliance."

"President Zeigler, it's an honor to meet you." Jared nodded and greeted Zion.

Zion murmured a response and entered the Department of Justice with Warren.

When Zion wanted to enter the hall, a car suddenly stopped at the entrance. The next moment, a man hopped out and greeted, "President Zeigler, what a coincidence."

"Mr. Deragon, I didn't expect that you're also late." Zion grinned as soon as he saw Ryker.

However, a faint murderous aura exuded from Jared's body once Ryker came into his sight.

Perhaps because Ryker had sensed Jared's murderous aura, he deliberately flashed Jared a smile.

It was their first time seeing each other up close.

Nevertheless, Ryker shifted his glance away from Jared a few seconds later. Then, he entered the Department of Justice with Zion while chatting with him.
